**..RESPONDENTS:**

**O R D E R (ORAL)**

**Mr. Shanker Raju, Hon'ble Member (J):**

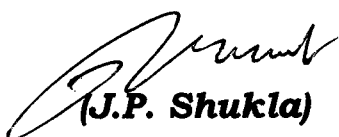

At the outset, as held by the Apex Court, the *trite* principle of law is that by an executive order an arena, occupied by judicial pronouncements, cannot be infiltrated, as ruled by the Full Bench of this Tribunal in ***R. Jambukeshwaran and others v. Union of India and others***, 2004 (2) ATJ CAT 1.

2. The present is a claim of Compilers, Checkers and Supervisors appointed on a consolidated salary in the Census Department. Having worked from 1981 and on discharge again engaged in 1991 had assailed respondents' order dated 20.1.2003 challenged the discharge from service and seeking regular appointment/absorption on vacant posts of Data Entry Operators (DEOs). Applicants had earlier approached this Tribunal in various OAs, including OA-38/1993 – ***Sanjeev Sharma v. Union of India***, which were disposed of by a common order on 12.03.1993, with a direction to respondents to consider their claim for appointment and absorption. The aforesaid was carried before the Apex Court in CA No.731-69/1994 and an order passed on 24.02.1995, taking cognizance of applicants having worked temporarily in Census Operation in 1981 and 1991 keeping in light the direct recruitment vacancies they have been directed to be considered for regular appointment on these posts. However, the aforesaid has not been considered by the respondents on the ground that though an advertisement has been issued, notifying direct recruitment

vacancies but the Registrar General of India vide its order dated 1.7.2002 directed not to fill up the posts of DDE Operators.

3. On careful consideration of the rival contentions of the parties a direction to regularize applicants, as reiterated by the Apex Court on direct recruit vacancies and moreover an admission in the reply as to acknowledgement of consideration of applicants in DEO Grade 'B' on fulfilling the conditions laid down in the recruitment rules, any decision of the Registrar General not to fill up the vacancies without any blanket ban, as reflected in the counter reply, is to overreach and infiltrate the directions issued by the Apex Court, which would not be permissible in law but would be an implied contempt and hence cannot be sustained.

4. In the result, for the foregoing reasons, OA is allowed to the extent that applicants shall now be considered against direct recruit vacancies of DEO for regular appointments, if they confirm to the eligibility criteria prescribed in the recruitment rules, within a period of three months from the date of receipt of a copy of this order. Consequences in law shall ensue. No costs.
