(Hon. Mr. Justice U.C.Srivastava, V.C.)

This review application is directed against  
our judgment dated 3.8.92 in O.A. No. 96 of 1992.

The case was heard and disposed of after hearing the  
counsel for both the parties and taking into  
consideration all the relevant material on record and  
arguments. There is no question of sitting in appeal  
over our own judgment and the review application is  
more in the nature of appellate jurisdiction. The so  
called representation of the applicant and the  
instructions issued by the department were duly  
considered and due consideration was given to the  
applicant's representation, or the Railway Board  
circular. There is no error much less apparent on the  
face of the record.

2. There is no merit in the Review application and  
the same is dismissed.
