

IN THE CENTRAL ADMINISTRATIVE TRIBUNAL
PATNA BENCH, PATNA

O.A.650/-96

1
18.12.86

Counsel for the applicant... Shri R.K. Choubey

O R D E R

CM

I have gone through the note of the office with regard to the defects. Considering urgent nature of the matter, the application can be heard for admission.

2. The applicant (Shri Mahabir Yadav) is Watchman working in the office of the Atomic Mineral Divisional, Eastern Region, Jashedpur. The applicant has been transferred from Eastern Region to North Western Region and posted at Jaipur by Annexure-A/2 dated 27.11.1996. By this application, a prayer is made for quashing the abovesaid order of transfer. There are a number of other prayers at para (b) relating to medical dues, over time, payment of night duty allowance and several other claims. Shri R.K. Choubey, learned counsel, categorically says that para 8(b) may be deleted. Against this background, the application is being considered. There is an interim prayer for stay of operation of the order of transfer.

3. Admittedly, the applicant is a low paid Group 'D' employee. He was posted to Jamsbedpur about 2½ years back. It is submitted that transfer at this stage to a far place like Jaipur will cause lots of difficulties as far as the applicant is concerned.

4. Considering the submissions and after going through the averments on record, I hereby direct that the applicant shall submit a representation to the Director, Department of

Atomic Energy, AMD Complex, Begumpet, Hyderabad-16
(respondent no.1) bringing out the difficulties
which he will have to face on account of his transfer
within 15 days from today. I further direct that
on receipt of the aforesaid representation, respondent
no.1 shall consider and dispose of the same by a
reasoned and speaking order within one month from the
date of receipt of a copy of the order and till
disposal of the aforesaid representation, the order
of transfer of the applicant from Eastern Region to
North Western Region at Jaipur shall not be operated.

5. The application is disposed of accordingly
with the above direction.
