Opp-parties

This humble petition on behalf of the petitioners  
above-named most respectfully sheweth:-

1. That the petitioners are presently working as  
skilled Artisans in scale Rs. 260-400. Petitioners  
1 and 3 4 are working <sup>✓</sup> the capacity of Masons while  
petitioner no.2 is working as a Plumber and petitioner  
no.3 as Carpenter.

2. That the petitioners 1 to 4 were initially  
recruited as casual labourers in the N.E. Railway,  
Lucknow under the Inspector of Works, Badshahnagar,  
Lucknow on the dates indicated herein below:-

Petitioner no.	Date of initial recruitment	Date from which given regular scale
1.	16.12.1966 Mason	1970
2.	2.6.1970 unskilled Khalasi 19.4.1971 continuously Plumber	1971 27.7.1973
3.	24.2.1970 <sup>✓</sup> Carpenter continuously	29.10.1976
4.	27.9.1972 Mason	27.3.1973

3. That prior to...<sup>✓</sup> March '74 the petitioners were  
placed in grade Rs. 110-180 and thereafter have been  
placed in grade Rs. 260-400 and have been paid in the

81224K

-3-

said scale of Rs. 260-400 ever since then regularly.

4. That the petitioner after having continued to do the same work for which they were engaged viz., petitioners 1 and 4 as Masons, petitioner no.2 as Plumber and petitioner no.3 as Carpenter for more than six months without break were treated as temporary railway servants and were placed in the regular scales of pay from the dates indicated in the preceding paragraph.

5. That Chapter XXV of the Indian Railway Establishment Manual deals with casual labourers. Paragraph 2511 of the said Manual provides for the rights and privileges admissible to casual labours who are treated as temporary after completion of six months continuous service. The said provision inter alia provides that " casual labour treated as temporary are entitled to all the rights and privileges admissible to railway servants as laid down in Chapter XXIII of the Indian Railway Establishment Manual. The rights and privileges admissible to such labour also include the benefits of the Discipline and Appeal Rules. Their service prior to the date of completion of six months continuous service will not however count for any purpose like reckoning the retirement benefits, seniority etc. Such casual labourers will also be allowed to carry forward the leave at their credit to the new post on absorption in regular service."

21/11/55

-4-

6. That impursuance of the provisions of para 2512 of the Manual for absorption of the petitioners and other casual labourers in regular vacancies a screening test was conducted on 18.6.1982, 19.6.1982 22.12.1982 and 23.12.1982.

7. That the result of the said screening test was circulated by notice bearing endorsement no. E/227/Screening/Engg. dated 23.4.1983 issued under the signature of the Divisional Railway Manager (Personnel) N.E.Railway, Lucknow. In the said notice the petitioners names were shown at serial nos. 5, 25, 42 and 114 respectively. A true copy of the relevant extract of the said notice is being annexed as Annexure no.1 to this petition.

A perusal of the said notice would show that the said screening was said to have been conducted for purposes of absorption of casual labourers in scale Rs.196-232 which is the scale admissible to Class IV posts.

8. That by means of letter dated 12.5.1983 issued by the Assistant Engineer, N.E.Railway, Lucknow the petitioners along with other casual labours who had been found suitable at the screening test were posted in scale Rs. 196-232, which may be revised later on. The employment was stated to be purely temporary subject to medical examination, if not already done and verification of antecedents. In the

21/12/82

A12

A  
12

-5-

list of 162 candidates the petitioners names were shown at serial nos; 29, <sup>133</sup>32, 39 and 45 . A true copy of the relevant extract of the said office order dated 12.5.1983 is being annexed as Annexure no.2 to this petition.

9. That the petitioners were subjected to medical examination and their antecedents were also verified. After the said formalities having been completed the petitioners along with others were posted under the Assistant Engineer, Special, N.E.Railway, Lucknow against existing vacancies in the scale of Rs .196-232 by an order dated 24.9.1983 passed by the Assistant Engineer, Special, N.E. Railway, Lucknow. A true copy of the relevant extract of the said office order is being annexed as Annexure no.3 to this petition.

10. That while passing the impugned order contained in annexure 3 <sup>✓ and ✓</sup> ~~the~~ posting of the petitioners against vacancies in scale Rs. 196-232 which is the scale admissible to Class IV posts, the circumstance that the petitioners had ever since the dates of their initial recruitment been working in a ~~higher~~ <sup>higher</sup> grade of Rs. 260-400 admissible to class III posts has been ignored.

11. That sub-para (ii) of Para 2512 of the Indian Railway Establishment Manual reads as under:-

"Casual labour engaged in workcharged

21/8/83

establishments of certain departments who get promoted to semi-skilled, skilled and highly skilled categories due to non-availability of departmental candidates and continue to work as casual employees for a long period, shall straightaway be absorbed in regular vacancies in skilled grades provided they have passed the requisite test to the extent of 25% of the vacancies reserved for departmental promotion from the ~~semi~~ unskilled and semi-skilled categories. These orders also apply to the casual labour who are recruited directly in the skilled categories in work-charged establishments after qualifying in the trade test."

The said provision is based on Railway Boards letter no. E(NG) 62 CL/36 dated 16.1.1963 addressed to all General Managers of Indian Railways. A true copy of the said letter as circulated by the office of the Chief Personnel Officer, N.E. Railway, Gorakhpur dated 15.2.1963 is being annexed as Annexure no.4 to this petition.

21/12/62

12. That the post of Khalasi is an unskilled category post ~~the~~ and then are posts of semi-skilled, skilled and highly skilled categories. Posts of the categories of unskilled and semi-skilled are categorised under the Indian Railways as Class IV posts while the skilled grade posts are

categorised as Class III posts. The posts of Plumber, Carpenter and Mason belong to the skilled grade and are in the pay scale of Rs. 260-400 and are categorised as Class III posts while the post of Khalasi is in unskilled category and is presently in the pay scale of Rs. 196-232 and is categorised as Class IV post. The posts belonging to the semi-skilled category are presently in the scale of Rs. 210-270 and are categorised as Class IV posts.

13. That in the circumstances detailed above and having no other equally effective and speedy alternative remedy the petitioners seeks to prefer this petition and set forth the following amongst others,

GROUNDS:

(a) Because the impugned order has been passed ignoring the circumstances that the petitioners have been working in scale Rs. 260-400 for the last 10 to 16 years which was admissible to Class III posts and posting them after a ~~hi~~ lapse of somany years of satisfactory service in Class IV posts is highly capricious, discriminatory and arbitrary.

(b) Because by reason of the fact that the petitioners were initially recruited as unskilled Khalasi and casual labour and were posted to skilled category carrying the pay scale of Class III posts.

2157242

(A/S)

X/20

provisions of para 2512(ii) of the Manual were clearly attracted and as such in view of the directions of the Railway Board in its letter dated 16.1.1963 the petitioners on having succeeded at the screening test should have been straightaway absorbed in regular vacancies in skilled grade.

(c) Because the impugned order is clearly violative of the provisions of Para 2512 and the Railway Boards letter dated 16.1.1963 besides being highly arbitrary and capricious.

Wherefore, it is respectfully prayed that this Hon'ble Court be pleased:

(i) to issue a writ of certiorari or a writ, order or direction in the nature of certiorari to quash the order dated 24.9.1983 contained in Annexure 3 to the writ petition in so far as it posts the petitioners in scale Rs. 196-232 instead of allowing them to continue in scale Rs. 260-400.

(ii) to issue a writ of mandamus or a writ, order or direction in the nature of mandamus commanding the opposite-parties to straightaway absorb the petitioners in regular vacancies in skilled grade since they have passed the requisite trade tests for the various trades in which they have been working.

categories due to non-availability of departmental candidates and continue to work as casual employees for very long periods . On their absorption in regular posts they again start from unskilled posts and thus sustain monetary loss . To obviate such hardships the Board have decided that such casual labourers should be straightaway absorbed in regular vacancies in skilled grade ( provided they have passed the requisite trade tests) to the extent of 25 per cent of the vacancies reserved for departmental promotees from the unskilled and semi-skilled categories. The staff so absorbed in skilled categories will take their seniority below the departmental promotees.

Union of India & others ..

Opp. parties.

Counter Affidavit on behalf  
of opposite parties.

I, Darshan Singh, aged about 56 years son of Late Sri Bhagat Singh working as Assistant Personnel Officer, North Eastern Railway, Ashok Marg, Lucknow do hereby solemnly affirm and state on oath as under:

1. That the deponent is working as Assistant Personnel Officer in the Office of Divisional Railway Manager, North Eastern Railway, Ashok Marg, Lucknow, as such he is fully conversant with the facts of the case and has been authorised by the opposite parties to file this counter affidavit on their behalf.

2. That the deponent has read the contents of the writ petition and has understood the same.

Preliminary Objections.

3. That the petition is not maintainable as only one set of fee has been paid although four petitioners

Shing

A

have joined in the petition.

4. That the category of work of each petitioner, date of appointment, date when regular scale/temporary status was given being different, joint writ petition is not maintainable.

5. That the petitioners have no right to invoke the extra ordinary remedy under Article 226 of the Constitution of India without exhausting the alternative remedy available.

6. That mere inclusion of name in the screening list does not confer any right to promotion.

7. That the petitioners having not passed any Trade Test, are not eligible to claim as of right their retention and continuation in grade 260/400.

8. That in reply to para 1 of the writ petition it is stated that the averments made in this para are not accepted. It is stated that the petitioners are working in casual capacity in scale (260-400) as Masons (petitions No.1,2 & 4 as Plumber and petitioner No.3 as Carpenter). They are working in purely casual capacity on extra labour requisition for which month to month sanction of post is being arranged.

9. That in reply to the contents of para 2 of the writ petition, it is stated that it is accepted to this extent that the petitioner no.1 to 4 all were engaged as casual labours at daily wage rate under IOW Badshah-Nagar from the dates shown against their names, under

Singh

the rules governing the service conditions of casual labours. They were given time scale(110-180)/(260-400) for the post of Mason,Plumber, Carpenter after completion of 180 days continuous service from the dates shown against their names. They are continuing in purely casual capacity on Extra Labour Requisition on month to month sanction for the posts for managing the work

	<u>Dt.of engage- ment.</u>	<u>Date of grant of time scale.</u>
1. Sri Sohan Lal, (Petitioner No.1)	16.12.66	17.5.67
2. Sri Krishna Pd. (Petitioner No.2)	28.7.69	Mason 19.4.71 As Khalasi 27.7.73 as Plumber 29.10.76
3. Sri Prem Narain, (Petitioner No.3)	24.2.70	29.10.76 as Carpenter.
4. Sri Rameshwar, (Petitioner No.4)	27.9.72	27.3.73 as Mason

10. That in reply to para 3 of the petition it is stated that the contents of para 3 of the writ petition are admitted with the remarks that the then existing Authorised Scale(110-180) on Railways was revised to scale (260-400) from 1.1.1973 as a result of recommendation of the Pay Commission.

11. That the contents of para 4 of the petition are not admitted as stated. The petitioners have been granted time scale as per rules for casual labours after completion of 180 days continuous working as stated in para 9 above. They did not attain the status of temporary regular employee but were entitled to certain privileges/facilities like leave, Passes and increments etc. admissible to temporary employees.

dring

The absorption/appointment of casual labours in regular posts are done on their employment for regular appointment after the screening test held.

12. That in reply to para 5 of the petition it is stated that the rules referred to in this para do not provide grant of time scale to casual labour the status of regular temporary employee but provide certain privileges to them as to temporary railway servants. The casual labours are appointed on regular posts only after their passing the screening test and empanelment for such appointment. The petitioners were called for Screening test for regular absorption/appointment in Class IV posts in scale Rs-196 -232 in which <sup>✓ they must</sup> ~~he~~ <sup>✓ were</sup> ~~was~~ willingly appeared and <sup>✓</sup> ~~was~~ selected. Accordingly <sup>✓ they were</sup> ~~he~~ <sup>✓</sup> ~~was~~ absorbed/appointed on regular basis as Khalasi in Scale Rs.196-232. They were not screened and trade tested for Skilled posts in scale Rs.260-400 and therefore appointment/absorption in scale Rs.260-400 does not arise.

13. That in reply to para 6 of the petition it is stated that the contents are accepted to this extent that the screening test was held for forming panel to fill up the regular vacancies of Class IV posts in grade(196-232) in which petitioners were called, they appeared, selected and were accordingly posted as Khalasi in scale Rs. 196-232 correctly.

14. That the contents of para 8 of the petition are admitted except that the pay scale Rs.196-232 for which the petitioners were selected for regular appointment is to be revised later on.

21/8/84

836

836

15. That the contents of para 7 of the petition are not denied.

16. That in reply to para 9 of the petition it is stated that the petitioners alongwith other successful candidates have been posted against the existing vacancies in grade Rs.196-232 subject to their fitness in Medical Examination and their character being verified by the Police Authorities but the petitioners have not yet reported for joining their postings and filed writ petition in this Hon'ble Court.

17. That in reply to para 10 of the petition it is stated that the contents of this para are not admitted. The screening test held on 18.6.1982, 19.6.1982, 22.12.1982 and 23.12.1982 was to judge the suitability of eligible casual labours for Class IV posts of grade Rs. 196-232 only and not for the posts in scale Rs.260-400. The petitioners have appeared in the test in scale Rs.196-232 willingly and selected for the same and now they cannot state otherwise. It is however, stated that the petitioners have wrongly stated that they have been ignored to grant scale Rs. 260-400 alleged to be admissible to them. The petitioners have not been screened/tested for scale Rs.260-400.

The screening test is pre-requisite for determining suitability for appointment to class IV post on regular basis. The petitioners willingly appeared in the test for regular appointment in scale Rs.196-232 knowing the fact that their engagement in casual capacity in scale Rs. 260-400 on Extra Labour Requirement on monthly sanction was purely of casual

Amiz

A37

A38

character and will not afford any claim to them for their regular absorption and retention as such.

18. That in reply to the contents of para 11 of the petition it is stated that the contents of this para are not accepted as the rules referred therein relate to filling up 25% of vacancies reserved for departmental promotion from unskilled and semi-skilled categories due to non availability of departmental candidates provided such casual labours have passed the requisite test. Since the trade test of senior persons then petitioners from departmental groups are already in hand to fill up skilled posts the petitioners are not eligible for it being juniors as regular Class IV employee having been screened for regular appointment as Class IV posts subsequently at their turn correctly. The question of allowing the grade and post of skilled/Class III post after trade testing them by passing the seniors does not arise.

19. That the contents of para 12 of the petition are admitted.

20. That the contents of para 13 of the petition read with grounds thereunder are not admitted. The petitioners had alternative remedy to represent <sup>their</sup> ~~his~~ <sup>things</sup> case to next higher authority which has not done.

21. That the petitioners before screening for regular appointment as Class IV were working in casual capacity on Extra Labour Requisition against month to month sanction only. They have not passed any trade

test for posting to Class III/Skilled post as required under the rules.

22. That the petition has no merits and warrants dismissal.
