Hon' Mr. Justice K. Nath, V.C.

Hon' Mr. D.S. Misra, A.M.

(By Hon' Mr. D.S. Misra, A.M.)

This is an original writ petition No. 6425 of 1983, which has come on transfer, under section 29 of the Administrative Tribunals Act, No. XIII, of 1985. The petitioners have prayed for quashing the notice dated 28-9-1983 (Annexure-No. 7), alongwith the letter dated 5-9-1983 (Annexure-No. 6), and issue of a direction to Opposite Parties 1 and 2, not to promote Op.Ps. No. 3 to 7 to the next higher grade of Stenographers, on the basis of the aforesaid notice dated 28-9-1983, and further direction to Op. Ps. No. 1 and 2 to hold the petitioners, as senior to Op.Ps. No. 3 to 7. This petition is contested by Op.Ps. Nos. 1, 2, 5 and 7, who have filed counter reply.

2. The admitted facts of the case are that, according to the Railway Boards instructions contained in the printed Sl.No. 6181, the post of Stenographers

in the grade of Rs. 330 - 560 (Rs) is to be filled in the manner given below:

- (1) 50% of the posts are to be filled from amongst the typists;
- (2) 25% of the posts are to be filled from the office clerks; and
- (3) remaining 25% of the posts are to be filled by the direct recruits after selection from the Railway Service Commission.

3. That the petitioner Nos. 1 and 2, were appointed as Stenographer in the grade of Rs.330 - 560 on 30-6-1980 and 26-6-1980 respectively, on being selected through Railway Service Commission and on being directed by the General Manager (P), Northern Railway, Head Quarters' Office, New Delhi, to the Lucknow Division of Northern Railway; that respondent Nos. 3 to 7 were promoted as Stenographer in the grade of Rs.330 - 560 on ad hoc basis, pending selection with effect from the following dates :

S/Shri

(1) S.S.H. Rizvi	30-03-79
(2) S.K. Sharma	11-12-70
(3) M.S. Dwivedi	01-10-77
(4) R.K. Sinha	17-08-75
(5) K.N.Srivastava	17-01-74

That the above mentioned O.P. Nos. 3 to 7 were promoted against the leave/promotion of Stenographers in higher grade vacancies; that the selection of promotees for their regular promotion as Stenographer in the grade of Rs.330 - 560 started in February, 1980 and was finalised in October, 1981; that the selection was held on 17-01-1980 and the test was held on 20-1-80, while the result was announced on 25-9-1981; that the directly recruited Stenographers were posted in Lucknow Division, against the vacancies which were to fall vacant in the month of August, Sept. and

A-10 (19)

October, 1980, due to retirement of persons holding these posts (copy Annexure No.7); that initially the two petitioners 1 and 2 were posted against the existing vacancies and were subsequently shown against the vacancies which occurred in the month of August and September, 1980; that the question of inter-se seniority between the directly recruited Stenographers and the promotee Stenographers remained the consideration of under the Railway Authority, Lucknow Division, who had been treating the directly recruited Stenographers senior to the promotee Stenographers; that an objection was raised by one of the recognised unions regarding assignment of higher seniority to the directly recruited Stenographers, and a reference was made by the Divisional Railway Manager, Lucknow, to the General Manager (P), Northern Railway, New Delhi, vide his letter dated 27.3.82 (copy Annexure-2); that in the meantime, Shri S.S.H. Rizvi, (Respondents No. 3) was promoted to a higher grade of Stenographer and petitioner No. 1, made a representation to the Divisional Railway Manager, Northern Railway, Lucknow on 15-2-1983 (Copy Annexure-III); that the Divisional Railway Manager, Lucknow Division, was informed by the General Manager(P), Northern Railway, New Delhi; that the seniority of directly recruited Stenographers and promotee Stenographers grade Rs.330 - 560, may be assigned according to the rules contained in P. Serial No. 1399, and in case, there is any specific point of doubt, a reference may be made for clarification with definite recommendation of the Division (copy Annexure-No.4); that the Divisional Railway Manager, Northern Railway, Lucknow passed an order dated 28-4-1983, in which it is stated that in terms of Printed Serial No. 1399, it has been decided that

directly recruited Stenographers will rank senior to Stenographers empanelled against promotee quota in the year, 1981 and their names will be below the direct recruits in the seniority list (copy Annexure No. 5); that by another letter dated September 5, 1983 (copy Annexure No. 6), the General Manager informed the D.R.M., N.R., Lucknow, that the case of inter se seniority of Stenographers Grade 330 - 560 (RS) in the Lucknow Division has been re-examined on receipt of representations from Northern Railwaymen Union and it has been decided that the promotee Stenographers may be regularised from a date prior to 26-6-1980, i.e. the date when directly recruited candidates were posted in Lucknow Division; that by an order dated 28-9-1983, it was notified that the 5 promotee Stenographers, (Respondent Nos. 3 to 7), have been assigned seniority above the directly recruited Stenographers Grade 330 - 560 (RS).

4. The petitioners have prayed for quashing the directions of the General Manager (P), Northern Railway, contained in their letter dated 5-9-1983 (copy Annexure No-6), and the notice dated 28-9-1983 contained in Annexure No. 7, and to declare them as senior to Respondent Nos. 3 and 3 to 7.

5. We have heard the arguments of the learned counsel for the parties and carefully perused the documents on record. The learned counsel for the petitioners urged that the selection for filling in the vacancies of Stenographer Grade 330- 560 (Rs),

A-82
(21)

was finalised on 29-8-1981 and they cannot be given any seniority prior to the date of their empanelment. The petitioners were appointed against the direct quota vacancies in June, 1980 more than a year before the date of empanelment of the private respondents and they cannot be given seniority above the petitioners. It is contended that the directions of General Manager(P) N.R. contained in the letter dated September 5, 1983, stating that the promotees may be regularised from a day prior to 26-6-1980, i.e. the date when directly recruited candidates were posted at Lucknow Division, is wholly arbitrary, against the provisions of the rules, ~~and~~ illegal. We have examined this contention, in the light of the instructions contained in the Railway Board Circular dated 11-12-1961 (enclosure to Annexure No. 4), in which it is stated that the ~~and~~ criterion for determination of seniority should be the date of promotion, in the case of promotee, and the date of joining the working post, in the case of a direct recruit, subject to the condition that inter-se seniority of promotees and direct recruits respectively is not disturbed. It is stated by the respondents that when the petitioners joined the working posts in Lucknow Division of Northern Railway, there were no vacancies against the direct recruit quota, and they were allowed to draw salary as work charged staff. However, it was decided by the Headquarters' Office of Northern Railway, vide letter dated June, 21/22, 1980 (copy Annexure No. 1), that these persons would be posted against retirement vacancies in the month of August, September and October. It may be mentioned here that initially, there were 3 directly recruited

gr

officials who were posted to the Lucknow Division and it appears that only two of these have filed this petition, perhaps because the 3rd person, namely, Smt. Namita Malhotra, who joined duty on 4-7-1988, is no more working in the Lucknow Division of Northern Railway. However, in the letter dated 5-9-1983 of General Manager(P), Northern Railway, it is stated that the two vacancies for direct recruitment quota, out of the 8 vacancies of Stenographers Grade 330 - 560 (Rs) occurring from 1975 to 1981 were filled up by inter Division/Railway transfers of two employees, thus, leading ^{to} ~~no~~ vacancy against the direct recruits quota. Although the names and dates of appointment of these two persons have been stated in para 2 (b), of their reply, it has not been stated whether, prior to their transfer to the Lucknow Division, ^{they} ~~had~~ entered into service as Stenographer Grade 330 - 560 (Rs) as direct recruit or promotee. It is contended on behalf of the petitioner that these 2 persons could not be adjusted against the direct quota vacancies and that this plea has been taken by the respondents to justify their illegal action in denying seniority to the petitioners who are direct recruit. We have examined this contention and we find that this contention is not without basis. The petitioners were appointed in June, 1980, against the direct recruit quota. If, no such vacancy was available under direct recruitment quota, the petitioners could not have been appointed in the Lucknow Division. It is also ^{on} ~~on~~ record that the Lucknow Division had made a specific request to the Headquarters of the Northern Railway to post directly recruited Stenographers in their Division. If,

there were no such vacancies, they could not have made such request, as contained in the letter dated June 21/23, 1980 (copy Annexure No. 1), for posting directly recruited empanelled Stenographers in the Lucknow Division. The only justification given for giving higher seniority to the private respondents is that they had been working as Stenographer Grade 330 - 560 (Rs) on ad hoc basis prior to the date of the posting of the petitioners in ^{the} Lucknow Division. This raises the issue whether, the private respondents have acquired the right of seniority for the period of their working on ad hoc basis. Admittedly, persons working on ad hoc basis were required to be selected and empanelled before their regularisation and this regularisation took place only with effect from 29-8-1981. On the other hand, the petitioners were empanelled prior to their joining the duty in June, 1980. The respondents have failed to justify their decision contained in letter dated 5-9-1983 (Annexure No. 6), to regularise the private respondents from a date one day earlier to the date of joining by one of the petitioners. This impugned order does not appear to have been passed in accordance with any standing instructions of the competent authority, or any other rule on the subject. On the facts and circumstances of the case, we have no hesitation in holding that the impugned order dated 5-9-1983, is arbitrary, unjustified and liable to be quashed. Similarly, the subsequent notice dated 28-9-1983 (Copy Annexure No. 7), holding that the private respondents No. 3 to 7 have been assigned seniority above the directly recruited Stenographers, is also liable to be quashed.

A-15
(24)

6. The learned counsel for the petitioners has contended that the impugned order dated 28-4-1983 (Annexure No. 7) was passed without affording any opportunity to the petitioners to show cause against the proposed change in their seniority, although it deprived them of the benefit, contained in the notice dated 28-4-1983, in which it was clearly stated that directly recruited Stenographers will rank, senior to Stenographers empanelled against the promotee quota in the year, 1980-81. It is, thus, contended that the order was passed in violation of the principles of natural justice in an arbitrary manner under the pressure exerted by a group of Railway workers, belonging to a particular union. The learned counsel for the petitioners relied upon the observations of the Hon'ble Supreme Court in the case of S.L. Kapoor Vs. Jagmohan and ors A.I.R. 1981 - S.C. 138. In this case, the Lt. Governor of Union Territory of Delhi by a notification dated February 27, 1980, in exercise of the power conferred by section 238(1) of the Punjab Municipal Act, superseded the New Delhi Municipal Committee with immediate effect. It was held by the Hon'ble Supreme Court that merely because an opportunity is expressly provided in section 16 of the Act, which deals with disqualification of an individual member and not so provided in section 238 (1), it cannot be inferred that the principle audi alteram partem was excluded from section 238(1). The Hon'ble Judges have also held that the Principles of Natural Justice know of no exclusionary rule dependent on whether it would have made any difference, if natural justice had been observed. Non observance of natural justice is itself prejudice to any man and proof of prejudice independently of proof of denial of natural justice is unnecessary. The Hon'ble Supreme

Court held that the order dated February 27, 1980 superseding the New Delhi Municipal Committee was vitiated by the failure to observe the principles of natural justice.

7. The learned counsel for the respondents cited the decision of the Hon'ble Supreme Court in the case of Narendra Chadha and ors vs. Union of India A.I.R. 1986 S.C. 638 in which there was a dispute of seniority between direct recruits and promotees to the Indian Economic Service and the Indian Statistical Service. In the operative portion of its judgment, the Hon'ble Supreme Court directed the Union of India to treat all the persons who had been promoted in Grade IV of the Indian Economic Service and the Indian Statistical Service, contrary to the rules and continuing as such, for 15 to 20 years, to be regularised and to assign them seniority in the cadre with effect from the date from which they were continuously officiating on the said post. However, in para 14 of their judgment they have also observed as follows:

" But, we however, make it clear that it is not our view that whenever a person is appointed in a post without following the rules prescribed for appointment to that post, he should be treated as a person regularly appointed to that post. Such a person may be reverted from that post."

8. We have considered the matter, and we are of the opinion that the case law cited by the learned counsel for the respondents is not at all applicable to the facts of this case and that the case law cited by the learned counsel for the petitioners is fully applicable to the case of the petitioners.

(26)

We are also of the opinion that the impugned order has been passed violating the principles of natural justice and is, therefore, liable to be quashed.

9. For the reasons mentioned above, the orders dated 5-9-1983 (copy Annexure No. 6), and the order dated 28-9-1983 (Annexure No. 7), are quashed and the respondents are directed to hold the petitioners senior to the respondent Nos. 3 to 7, in the cadre of Stenographer Grade 330 - 560 (Rs) on the Lucknow Division of Northern Railway. We also direct that the parties will bear their own cost.

Writ Petition under Article 226
of the Constitution of India.

The petitioners most respectfully beg to submit
as under :-

1. That the petitioners were posted as stenographers in the grade of Rs.330-560 in the office of the Divisional Railway Manager, Northern Railway, Lucknow.

Petitioner no.1 was posted on 30.6.1980 and petitioner No.2 was posted on 26.6.1980 and both are continuing on their respective posts as stenographers.

2. That the petitioners were empanelled stenographers on the basis of the direct recruitment through the Railway Service Commission, Allahabad. They were selected by the Railway Service Commission and empanelled vide the list circulated by the Chairman, Railway Service Commission, Allahabad, dated 9.5.1980.

3. That on the basis of the letter dated 21/23.6.1980 by Sri H.S. Chatta, Divisional Railway Manager, Northern

Q2

Railway, Lucknow, addressed to the Senior Personnel Officer, Northern Railway, Baroda House, New Delhi, a request was made to post empanelled stenographers in Lucknow Division against vacancies which were to take place in the months of August, September and October, 1980. A true copy of the letter dated 21/23.6.1980 by the DRM Lucknow is filed as Annexure No.1 to this writ petition.

4. That in accordance with the aforesaid letter petitioner no.2 was posted on 26.6.1980 and petitioner no.1 was posted on 30.6.1980 in the office of the Divisional Railway Manager, Northern Railway, Lucknow. In terms of the aforesaid letter both the petitioners were initially posted against a leave vacancy and were later on confirmed against the posts of the retiring employees. Petitioner no.2 was confirmed in August 1980 on the retirement of Sri Bose and petitioner no.1 was confirmed in September 1980 on the retirement of Sri Ram Prasad.

5. That subsequently an objection was raised by one of the recognised unions against the assignment of higher seniority to the directly recruited stenographers in the grade of Rs.330-560 (Revised Scale) over and above the promotee quota stenographers who were empanelled subsequently in 1981. On the basis of this objection a letter was sent to the General Manager (Personnel), Northern Railway, Baroda House, New Delhi, making out a case on behalf of the promotees for assigning them seniority over the direct recruits

although the latter had been empanelled much before the former. A true copy of the letter dated 27.3.1982 from the office of the Divisional Railway Manager, Lucknow, to the General Manager (Personnel) along with the service particulars of stenographers in the form of a list assigning the promotees higher seniority than the direct recruits including the petitioners is filed as Annexure No.2 to this writ petition.

6. That against the aforesaid letter dated 27.3.1982 the petitioner no.1 made a representation to the Divisional Railway Manager, Northern Railway, Lucknow, challenging the seniority list submitted along with the letter of the DRM as the same was contrary to the rules. A true copy of the petitioner's representation dated 15.2.1983 against the assignment of higher seniority to the promotee stenographers is filed as Annexure No.3 to this writ petition.

7. That the Headquarters office, Northern Railway, New Delhi, endorsing the contention of the petitioner held that the seniority of the directly recruited and promoted stenographers in the Lucknow Division is to be assigned according to the rules contained in the Railway Board circular No.831-E/25-III(Eiv) dated 11.12.1961 referred as printed sl.no. 1399 according to which the seniority was to be assigned from the date of joining the working post in the case of direct recruits and the date of promotion in the case of promotees ; in other words, the date of actual empanelment in both categories. In case where both promotees and direct recruits happen to join the working post on the

Handwritten signature or initials.

same date the promotees and direct recruits are to be put in alternate position. A true copy of the letter dated 24.3.1983 from the Headquarters Office, New Delhi, alongwith an extract of para 1 of Railway Board's letter dated 16.11.1961 containing the aforesaid circular is filed as Annexure No.4 to this writ petition.

8. That the Divisional Office, Northern Railway, Lucknow, by its notice dated 28.4.1983 endorsed the aforesaid rule of seniority in terms of the printed sl. no.1399 and decided that direct recruited stenographers will rank senior to stenographers empanelled against promotee quota in the year 1981. Their names will be below the direct recruits in the seniority list. A true copy of the notice dated 28.4.1983 is filed as Annexure No.5 to this writ petition.

9. That thereafter under pressure from the Northern Railwaymen's Union, which was expousing the cause of the promotee stenographers, the decision on the question of seniority of stenographers in Lucknow Division was revised in favour of the promotees on extraneous considerations and contrary to the hitherto accepted norms and rules of seniority. While reversing the earlier decision to assign higher seniority to direct recruits it was arbitrarily decided to regularise the service of the promotees prior to 26.6.1980, that is, the date when directly recruited candidates were posted in Lucknow Division. A true copy of the letter dated 5.9.1983 from the Headquarters Office, Baroda House, New Delhi, revising the interse seniority list of stenographers in the Lucknow Division vis-a-vis direct recruits and promotees is filed as Annexure No.6 to this writ petition.

Q. 10

34

10. That on the basis of the aforesaid letter dated 5.9.1983 a notice was issued from the Divisional Office, Northern Railway, Lucknow, dated 28.9.1983. The promotee stenographers in the grade of Rs.330-560 (RS) in the Divisional Railway Manager Office, Lucknow, were assigned seniority above the directly recruited stenographers, that is, the petitioners. A true copy of the notice dated 28.9.1983 is filed as Annexure No.7 to this writ petition.

11. That the aforesaid order dated 5.9.1983 (Annexure No.6) has been passed under pressure from the Northern Railwaymen's Union at the back of the petitioners and without affording them any opportunity to represent their case by way of objections against reverting the earlier decision regarding inter-se seniority of direct recruits and the promotees. The order was passed in an under hand manner through mis-representation of facts and on totally extraneous considerations. Further in order to circumvent the specific rule for determining inter-se seniority of direct recruits and promotees it has been suggested in the said order that the services of the promotees may be regularised from a day prior to 26.6.1980, that is, the date when directly recruited candidates were posted in Lucknow Division. This is the most illegal and arbitrary method of determining inter-se seniority and amounts to illegal favouritism to the promotees as against the direct recruits, that is , the petitioners.

12. That in furtherance of the aforesaid illegal and undue favour shown to the promotees as against the

direct recruits, that is, the petitioners, Sri S.S.H. Rizvi was promoted to the next higher grade of Rs.425-700 w.e.f. 11.2.1983 although at that time according to the rules the petitioners were to be assigned seniority over him. On the basis of the order dated 28.4.1983 contained in the notice (Annexure No.5) in terms of the printed sl.no. 1399 by which the directly recruited stenographers will rank senior to the promotees Sri Rizvi was reverted to his original post of stenographer in the grade of Rs.330-560 w.e.f. 28.4.1983 (AN). Despite the orders of his reversion Sri Rizvi continues to receive his salary in the promotion grade of Rs.425-700. This irregularity is being continued due to under hand pressure to show undue favour to promotees as against the direct recruits so as to regularise the promotion subsequently.

13. That the petitioners seriously apprehend^y that subsequent vacancies in the next higher grade of stenographers will be filled from amongst the promoted stenographers, opposite parties 3 to 7, to the detriment of the petitioners.

14. That aggrieved by the letter dated 5.9.1983 reverting the earlier order regarding seniority of stenographers in the Lucknow Division and the notice dated 28.9.1983 on the basis thereof placing the opposite parties ^{"22"} 3 to 7 above the petitioners in seniority and having no alternative efficacious remedy the petitioners have preferred this writ petition on the following amongst other grounds:-

Q. No.

G R O U N D S

- (A) Because the decision to assign seniority to the promotee stenographers above the directly recruited stenographers is illegal, arbitrary and discriminatory.
- (B) Because undue favour is being shown to opposite parties 3 to 7 promotees as against the petitioners direct recruits in violation of Article 16 of the Constitution of India.
- (C) Because the decision contained in the letter dated 5.9.1983 is based on extraneous considerations, mis-representation and undue pressure.
- (D) Because the said decision regarding seniority has been taken at the back of the petitioners in an under hand manner without affording them any opportunity whatsoever in violation of the principles of natural justice.
- (E) Because undue favour is being shown to opposite party no.3 inasmuch as while he has been reverted in the grade of Rs.330-560 w.e.f. 28.4.1983 salary for the higher post of stenographer in the grade of Rs.425-700 is being paid to him illegally.

Sub:- Seniority of Stenographers Gr.330-560(RS)
on Lucknow Division.

An objection has been raised by one of the recognised Unions regarding assignment of higher seniority to the directly recruited stenographers Gr.Rs.330-560(RS) over and above the promotee quota stenographers who were working on adhoc basis for over 6 years and empanelled subsequently in 1981. The factual position in this regard is given below for your information. It is requested that the case may kindly be examined in the light of the same and necessary decision in the matter be communicated at an early date to finalise the issue.

5 senior most/suitable typists on the Division were promoted as Stenographer Gr.Rs.330-560(RS) on adhoc basis on different dates against the vacancies on promotion of the existing regular Stenographers to Higher grade i.e. Rs.425-700(R) against work charge post.

While these adhoc arrangements were going on 3 directly recruited Stenographer in Gr.Rs.330-560(RS) were posted on Lucknow Division (2 English and one Hindi) on 26.6, 30.6 and 4.7.80 respectively against anticipated vacancies of Stenographers as indicated by the Division to the HQRS. It may be stated that the anticipated vacancies had not occurred on the Division at the time of posting of these 3 Stenographers.

The directly recruited Stenographers were, however, retained on the Division against promotee quota vacancies as available at that time.

Cr. 12

The processing of the selection for filling up of the promotee quota vacancies was started in Feb., 80, but the selection was only finalised in the month of October, 81 when the panel was declared comprising of 7 candidates, 2 of which belong to the Workshop Unit and 5 of this Division including one steno working in Construction Division. The candidates of this Div. are the same who were promoted locally as mentioned in para 1 above.

The contention of the Union is that there were no vacancies in direct recruitment quota for the Stenographers who were posted by the HQRS as indicated in para 3 above and that the selection for promotee quota Stenographers had taken long time for finalisation. Had the selection been finalised in due time the promotee quota stenographers would have been empanelled and promoted on regular basis earlier than the directly recruited candidates posts on the Division.

It has also been contended by the Union that there was no post of Hindi Stenographer on the Division and as such posting of Hindi Stenographer was irregular. In this connection it may be stated that the post of Stenographers on the Division are not specifically earmarked for Hindi or English Stenographer and as such this contention would perhaps not hold good and that post of Hindi Stenographer against the vacancies of stenographers on the Divn. may not be regarded as irregular.

The directly recruited stenographers who were empanelled earlier than the promotee quota stenographers and were posted on the Division when there was no vacancy of DRQuota before their regularisation/empanelment are required to be given seniority over them, as per extant order regarding assignment of seniority. This is what has been objected by the Union and a reference is therefore, being made to your office for deciding the issue of seniority of directly recruited recruited stenographers, empanelled and posted earlier visa-vis the locally promoted stenographers (against promotee quota) who were promoted on adhoc basis earlier than them, but were empanelled subsequent to their arrival. Issue may kindly be examined and this office advised of the decision, so that the case of respective seniority is decided accordingly.

The relevant records of service of the concerned staff are indicated in the enclosed statement.

Sir,

I understand that promotion orders of Shri S.S. H. Rizvi junior to me have been issued ignoring my claim. On speaking to the D.P.O. I was further advised that the seniority list issued by the Divisional Office is incorrect inasmuch as I have been shown junior to the staff promoted after I have joined the Division. This is against the laid down rules for deciding inter-se seniority between directly recruited stenographers and promotee stenographers.

The seniority list was not circulated as a result I was not aware of the changes made and hence did not appeal against the incorrect seniority earlier.

My seniority may kindly be corrected and I be promoted against the vacancy as per my seniority.

An extract of para 1 of Railway Board's letter
No.E(NG)60R6/2, dated 16.11.1961 is reproduced below for
information and guidance:-

"The Board have had under consideration the question of laying down a uniform basis for determining relative seniority of non-gazetted staff in posts which are partially filled by direct recruitment and partially by promotion of staff from different categories e.g. Guards Grade 'C' and similar other categories in initial recruitment or intermediate grades. It has been decided that the criterion for determination of seniority should be the date of promotion in the case of the promotee and the date of joining the working post in the case of a direct recruit subject to the condition that inter-se seniority of promotees and direct recruits respectively is not disturbed. In cases where the promotees and the direct recruits happen to join the working posts on the one and the same date the promotees and the direct recruits should be put in alternate positions subject to the condition that the inter-se seniority of the two categories already assigned is not disturbed."

2. It is further clarified that in cases where promotees and direct recruits happen to join the working posts on one and the same date, their seniority should be reckoned in the manner indicated in the manner indicated in the concluding sentence of para 1 of Board's letter *ibid*, a promotee being placed above a direct recruit and so on in alternate position.

Sub:- Seniority of Stenographers grade
Rs.330-560(RS) Lucknow Division.

Ref:-Your office letter No.752-E/6-3/Steno/L
dated 11.3.1983.

The case has been re-examined in this office on receipt of representation from Northern Railway Men's Union. It is noticed that a selection for the post of Stenographer grade Rs.330-560(RS) was conducted on Lucknow Division, During 1977. No selection was, therefore, conducted for a period of about 3 years, although the staff has been working on adhoc basis. A selection was, however, initiated in February, 1980 and the result was announced on 29.8.1981 after a period of more than 1½ years.

2. It is further noticed that from 1975 to 1981, 8 vacancies of Stenographer grade Rs.330-560(RS) occurred on Lucknow Division, out of which two vacancies went to the direct recruitment quota and these were filled up by Inter-Division/Railway transfers of two employees, thus leaving no vacancy against the direct recruitment quota. Three candidates, selected through Railway Service Commission, were appointed on Lucknow Division on 26.6.1980, 30.6.1980 and 4.7.1980, although there were no vacancies, against the direct recruitment vacancies. In the beginning the Accounts passed their wages provisionally and kept the same against objectionable items. These 3 candidates were adjusted against the promotee quota vacancies, which was irregular.

36
Ar 47

2. In view of the above position, it has been decided that the reasons for not holding selection for a period of 3 years and for delay of about 1½ year in finalising the selection initiated in February 1980 may be gone into and the services of the promotees may be regularised from a day prior to 26.6.1980 i.e. the date when directly recruited candidates were posted on Lucknow Division.

to take notice.

3. That the revision of seniority due to undue pressure from the Northern Railway Men's Union was arbitrary and malafide in violation of the fundamental principle of selection and the rule of determining seniority as laid down by the Railway Board's Circular filed as Annexure No.4 to the writ petition. This was brought to the notice of the General Manager (Personnel), Northern Railway, Baroda House, New Delhi by the letter of the Divisional Railway Manager, Lucknow, dated 11.11.1983. It was further pointed out in the said letter that such issues have already been dealt with by the Railway Ministry in consultation with the Home Ministry and the Law Ministry and they have given the directives that the date of the panel should be the date when it is finally announced and no other date can be given. In these circumstances it was requested that the General Manager (Personnel) should reconsider his decision to regularise the promotee stenographers with retrospective effect, that is, w.e.f. a day prior to 26.6.1980. In reply to the aforesaid letter dated 11.11.1983 Sri N.N.S. Rana for the General Manager (Personnel) without applying his mind to the points raised in the letter of the Divisional Railway Manager dated 11.11.1983 has asked for the implementation of the order contained in letter dated 5.9.1983 filed as Annexure No.6 to the writ petition. Ref: Your office letter No.724-E/471/60/Eiid
dated 5th Septr. 1983.

....

The panel of Stenographers in Gr.330-560(RS)
after holding written test and viva voce etc. was
declared on 29.8.81. In terms of para 3 of your office
letter under reference, these stenographers are required
to be regularised w.e.f. a day prior to 26.6.1980 viz.
the date when the directly recruited candidates had
joined on this Division.

2. This decision violates the fundamental
principle of the selections and it is not possible to
give any date of panel earlier than the date of decla-
ration of the panel itself. In fact, such issues have
already been dealt with by the Railway Ministry in
consultation with the Home Ministry and Law Ministry and

G240

they have given the directives that the date of the panel should be the date when it is finally announced and no other date can be given.

3. You are, therefore, requested to kindly reconsider your decision to regularise the promotee stenographers with effect from a day prior to 26.6.80. However, in view of the fact that the delay in holding the selection was administrative as also posting of direct recruits was against the promotee vacancies, in absence of any direct recruitment vacancies, the directly recruited stenographers have been assigned seniority below the promotee stenographers of the panel.

presently working as Assestant Personnel Officer
(disgnation) in the office of the Divisional Railway

state and affirm on oath as under :-

1. The deponent is presently working as The
Assestant Personnel Officer in the office of the Divisi-

Lucknow and is duly authorised and competent to file
this counter affidavit on behalf of opposite party No.1
and 2. The deponent has read and understood the writ

hereunder.

2. That by way of explanation the deponent most
respectfully bring following facts to the kind notice
of this Hon'ble Court before giving parawise reply to

Elharad

36
A-60/3

the writ petition, which, from the point of view of the deponent, are very necessary for the proper adjudication of the above mentioned writ petition.

(a) That according to the Railway Board's instructions contained in the Printed Serial No.6181, the posts of Stenographers Grade Rs.330-560 (Revised Scale, hereinafter referred as RS) is to be filled in the manner given below-

Out of the total vacancies,

- (i) 50% of the posts are to be filled from amongst typists;
- (ii) 25% of the posts are to be filled from office clerks.
- (iii) And the remaining 25% of the posts are to be filled by the direct recruits after selection from the Railway Service Commission.

The posts mentioned at item No.(i) and (ii) above constitute 75% "Promotees' Quota" while those at item No.(iii) constitute 25% "Direct Recruits' Quota".

The petitioner No.1 and 2 belong to the "Direct Recruits' Quota" which comprises of 25% of the total vacancies.

(b) That the vacancies occurring in different years in Lucknow Division are given as under :-

Year	Number of vacancies
1975	2
1978	1
1979	1
1980	3
1981	1
Total number of vacancies	8

Elharad

57
P. 62

That in terms of Printed Serial No.6181 x referred to above, 75% of these posts i.e. 6 posts were to go to "Promotees' Quota" while the remaining 25% of these posts were to go to "Direct Recruits Quota" i.e. 2 posts.

As against 2 posts of "Direct Recruits' Quota" Sarva Sri M.R.Dogra(appointed on 21.11.75) and D.C. Trivedi (appointed on 7.7.76) are already working, which means that the "Direct Recruits'Quota" has already been filled up.

(c) As against "Promotees' Quota", the following persons were working in the Stenographer Grade Rs.330-660 (RS) pending selection :-

(Opposite parties No.3 to 7 in seriatum)

Name	Date of promotion/appointment as Stenographer Grade Rs.330-560 (RS) against leave vacancies.
Sarva Sri	
S.S.H.Rizvi	30.3.79
S.K.Sharma	11.12.70
M.S.Dwivedi	01.10.77
R.K.Sinha	17.08.75
K.N.Srivastava	17.01.74

All the above mentioned opposite parties No.3 to 7 were promoted against the leave /promotion of Steno in higher grade vacancies falling in the "Promotees' Quota".

From the above averments it is clear that at the time when the petitioners No.1 and 2 were appointed in

Elbrasa

58
100 75

the Lucknow Division on 30.6.80 and 26.6.80 respectively, the posts against "Direct Recruits' Quota" were already filled up and they were retained against "Promotees' Quota", which was, in a way, against rules.

3. That the contents of paragraph 1 of the writ petition are admitted only to the extent that the petitioner No.1 Sri Arnold Rebello and Petitioner ~~No.1 Sri Arnold Rebello~~ and Petitioner No.2 Smt. Deepa Awatramani, on being directed by the General Manager (P), Northern Railway, Head Quarters' Office, New Delhi to this division for appointment as Stenographer Grade Bs.330-560(RS) were posted as such on 30.6.80 and 26.6.80 respectively against leave vacancies available & at that time because of the fact that the opposite party No.5 and 7, who were members of the Territorial Army had left for their field duties in Assam. It is pertinent to note that the vacancies of "Direct Recruits' Quota" for appointment of candidates selected through the Railway Service Commission were neither available nor due till date.

4. That the contents of paragraph 2 of the writ petition are admitted with a clarification that a reference to a panel formed by the Railway Service Commission always relates to the empanelment of the candidates for appointment against the posts of Recruits' Quota in the vacancies available on various

Divisions of the Northern Railway which comprises of seven Divisions, namely, Allahabad, Lucknow, Bikaner, Jodhpur, Ferozepur, Delhi and Moradabad, Mere empanelment by the Railway Service Commission for appointment against posts is not a guarantee for appointment to the posts for which selected unless vacancies of "Direct Recruits' Quota" are physically available.

5. That the contents of paragraph 3 of the writ petition are admitted with a clarification that at the time of making a reference to the Senior Personnel Officer, (RP), Northern Railway, Head Quarters' Office, New Delhi, vide D.O.No. 752-E/6-3/Steno dated June 21/23, 1980, a copy of which is given as Annexure No.1 to the writ petition, it could not be worked out as to whether physical vacancies in sight, i.e. those due to occur on account of retirement of certain stenographers, were against "Direct Recruits' Quota" or against "Promotees' Quota". The vacancies of the posts of Stenographer Grade Rs.330-560(RS) are earmarked in the ratio of 3:1 for promotion of typists/ clerks possessing qualification of stenography and directly recruited candidates selected by the Railway Service Commission, in terms of the Railway Board's letter No.E(NG)1-74/PMI/102 dated 6.7.74, as contained in the Printed Serial No.6181. This position has been explained in the paragraph 2 of this counter affidavit. Incidentally, on working out the vacancy position of stenographer grade Rs.330-560(RS) after posting of petitioners, who are directly recruited

Alwarad

A-80-7

stenographers , it revealed that the physical vacancies which were due to occur on account of retirement of three working stenographers were to go to the promotee quota, there being not a single vacancy of direct recruitment quota.

6. That the contents of paragraph 4 of the writ petition are denied. It is most respectfully submitted that the petitioners were initially posted against the vacancies available on 30.6.80 and 26.6.80 respectively, could not be confirmed on any regular post of stenographers as yet as the same are not at all available against the direct recruitment quota. The vacancies occurring due to retirement of two stenographers, namely Sarva Sri S.N. Bose and R.P. Srivastava happened to be against promotees' quota.

7. That the contents of paragraph 5 of the writ petition are admitted.

8. That the contents of the paragraph 6 of the writ petition, as stated, are denied. It is most respectfully submitted that, as a matter of fact, making a reference vide letter No.752-E/6-3/Steno(Loose) dated 27.3.82, a copy of which is Annexure No.2 to the writ petition) written by the Divisional Railway Manager, Northern Railway, Lucknow to the General Manager(P), Northern Railway, Head Quarters' Office, New Delhi, seeking decision to determine the seniority of directly recruited stenographers vis-a-vis

promotee stenographers is neither an occasion for the stenographers to represent, nor any representation as reproduced in the Annexure No.3 to the writ petition, was ever made. Representations are always made by the employees against the decision taken and not against the interim correspondance between the two units of the administration.

9. That the contents of paragraph 7 of the wxr writ petition, as stated, are denied. The fact is that the General Manager(P), Northern Railway, Head Quarters' Office, New Delhi did give a guideline to determine the seniority to the promotee stenographers vis-a-vis directly recruited stenographers Grade Rs.330-560 (RS) vide letter reproduced in Annexure No.4 to the writ petition. In the questioned issue of determination of seniority of promotee stenographer (O.P.No.3 to 7) vis-a-vis directly recruited stenographers (petitioner No.1 and 2), the fact is that the promotee stenographers have been promoted against the vacancies in the regular posts of stanographers due to the promotee quota from the date much ahead of the posting of the directly recruited stenographers pending selection. The following chart gives the period for which the promotee stenographers have worked in the Grade Rs.330-560(RS).

By literally going through the contents of the Railway Board's directives dated 16.11.61 circulated under the General Manager(P), Northern Railway, New Delhi circular No.831-E/25-III(Eiv) dated 11.12.61 (printed Serial No.1399) the seniority is to be reckoned on the basis of date of promotion in the case of promotees. From the facts given in the foregoing paragraphs of this counter affidavit, it would be clear that the promotees do rank senior to the petitioners, i.e. the direct recruits whose appointments even against leave vacancies of the post of stenographers in Grade Rs.330-560(RS) is of later dates.

10. That the contents of paragraph 8 of the Writ petition are admitted with a clarification that the said notification contained in the Annexure No.5 of the writ petition states that the date of empanelment would be the basis of seniority in the case of promotes stenographers whereas, in view of the Railway Board's directive dated 16.11.61, given in Annexure No.4 of the writ petition, it can be given even from the date of promotion to the post of stenographer grade Rs.330-560(RS). In the present case, however, the seniority has been assigned to the opposite party No.3 to 7 from 25.6.1980, because these persons were working as stenographers grade Rs.330-560(RS) much earlier than the petitioners and proceedings for their selection to the post of stenographer grade Rs.330-560(RS), eventhough, were started in February, 1980, but the same could not be completed before August, 1981, i.e. after 1-1/2 years, due to departmental

lapse and delay with the result that if the order given in Annexure No.5 was allowed to stand, it would have caused severe injustice to the opposite party No.3 to 7 for no fault of theirs, who were already working as stenographer grade Rs.330-560(RS) to the satisfaction to their superior officers. Keeping this in view, the General Manager (P), Northern Railway, Head Quarters' Officer, New Delhi, had subsequently issued directive vide letter No.724-E/471/60Eiid dated 5.9.83 to determine the seniority of promotee stenographers vis-a-vis directly recruited stenographers on the basis of regularisation of officiating services of promotees with effect from 25.6.1980. It may further be added that the General Manager (P) is the next higher authority i.e. above the Divisional Railway Manager, Northern Railway, Lucknow to exercise powers for issuing directives and amending the panels formed by the D.R.M. invoking the provisions of paragraph 216(3) of the Indian Railway Establishment Manual as further clarified vide the Railway Board's letter No.E(NG)I-71 PM 1/149 dated 18.2.1972. True copies of paragraph 216(J) of the Indian Railway Establishment Manual and the Railway Board's letter dated 18.2.1972 is being filed herewith as Annexure No.C-I and Annexure No.C-II to this counter affidavit.

11. That the contents of paragraph 9 of the writ petition are admitted only to the extent that on determining the seniority of promotees vis-a-vis directly recruited stenographers grade Rs.330-560(RS)

Elharsad

....10/

were issued in terms of the directive ammendment issued by the General Manager (P), Northern Railway, New Delhi vide his letter dated 5.9.83 (Annexure No.6 to the writ petition) read with his further clarification vide letter No.752-E/471/61/Eiid dated 9.1.1984.

The decision to assign seriority to the promotee stenographers vis-a-vis directly recruited stenographers was notified vide notice No.752-E/6-3/Steno(Loose) dated 28.9.83, and 17.1.84. A true copy of the notification dated 28.9.83 has already been filed as Annexure No.7 to the writ petition and a true copy of the notification dated 17.1.84 is being filed with this counter affidavit as Annexure No.C-III.

12. That the contents of paragraph 10 of the writ petition are admitted.

13. That the contents of paragraph 11 of the writ petition are strongly denied. The allegations contained in this paragraph against the Railway Administration and/or any of its official concerned is denied. The basis and jurisdiction of the General Manager, Northern Railway, Head Quarters' Office , New Delhi has been eloborated in the foregoing paragraphs 10 and 11 of this counter affidavit .

14. That the contents of paragraph 12 of the writ petition are denied. The fact is, that Sri S.S.H. Rizvi, Stenographer Grade Rs.330-560(RS), opposite party No.3 in the present case was promoted to the next higher post of Stenographer Grade Rs.425-700(RS) with

effect from 11.2.83 as a matter of course in accordance with the seniority available to him on the basis of date of last promotion in the grade Rs.330-560(RS). Subsequently, on an erroneous interpretation of word "promotion" as word "empanelled", his reversion was ordered vide Notice No.752-E/6-3/Steno (Loose) dated 28.4.83 while he was on leave. This order of reversion virtually could not come into effect because of Sri S.S.H.Rizvi was on leave prior to the date of issue of his reversion order. On the basis of directives received from the General Manager (P), Northern Railway, Head Quarters' Office, New Delhi vide his letter dated 5.9.83, filed as Annexure No.6 to the writ petition, the order of reversion of Sri S.S.H. Rizvi, issued on 24.4.83 was cancelled vide Notice No. 752-E/6-3/Steno(Loose) dated 29.11.83. A true copy of the order of reversion of Sri S.S.H. Rizvi dated 28.4.83 and its subsequent cancellation order dated 29.11.83 is being filed herewith as Annexure No.C-IV and Annexure No.C-V respectively.

15. That the contents of paragraph 13 of the writ petition, as stated, are denied. The question of any apprehension and presumption normally does not arise in the case of promotion of Stenographer Grade Rs.330-560 (RS) to the next higher non selection post of Stenographer Grade Rs.425-700 (RS)

as the same will be made on the basis of seniority-cum-suitability. The seniority of the petitioners vis-a-vis promotees i.e. opposite party No.3 to 7 had already been notified vide notice dated 28.9.83 and 17.1.84. True copies of the orders dated 28.9.83 and 17.1.84 are being annexed herewith as Annexure No.C-VI and Annexure No.C-VII respectively.

16. That the contents of paragraph 14 of the writ petition need no comment.

17. That it is most respectfully submitted that the decision to assign seniority to the promotees vis-a-vis directly recruited stenographers is in accordance with the Railway Board's directives dated 16.11.61 filed as Annexure No.4 to the writ petition read with the General Manager(P), Northern Railway, Head Quarters' Office, New Delhi orders dated 5.9.83 and 9.1.84 contained in the Annexure No.6 of the writ petition and Annexure No.9 of the supplementary affidavit dated 12.1.84. In view of submissions made in the foregoing paragraphs of this counter affidavit, it is most respectfully submitted that the present writ petition is devoid of merit and is liable to be

Counter-affidavit on behalf of opposite parties no. 5 and 7.

I, K.N. Srivastava, aged about 44 years, son of Sri Kameshwar Nath, resident of 15-Prakash Puram, Bhadewan, Police Station Bazar Khala, Lucknow City, district Lucknow, do hereby solemnly affirm and state as under :-

1. That the deponent is opposite party no. 7 in the above noted writ petition and pairokar of opposite party no. 5. As such he is fully conversant with the facts and circumstances of the case. The deponent has been duly instructed by the opposite party no. 5 to file this affidavit on his behalf too.

2. That the contents of paras 1 to 3 of the ~~petition~~ ^{writ R} under reply are admitted.

K.N. Srivastava

A-203

3. That the contents of para 4 of the writ petition under reply are not admitted. It is further submitted that the petitioners were initially posted against leave vacancies available on 30-6-1980 and 26-6-1980 respectively and could not yet be confirmed in any regular post of stenographer as the same was never available against the direct recruitment quota. The vacancies released by the two retiring stenographers namely, Sri S.N. Bess and Sri R.P. Srivastava happened to go against promotee quota.

4. That the contents of para 5 of the writ petition under reply are not disputed.

5. That the contents of para 6 of the writ petition under reply are denied. It is further submitted that ~~as~~ the letter dated 27-3-1982 was for seeking decision to determine the seniority of directly recruited and promotee stenographers, thus, neither there was any occasion to represent against that letter nor any such representation was ever made. Representations are always made by the employees against ~~ax~~ a decision taken, notified and intimated to the employees and not against the interim correspondence between the two units of the Administration.

6. That the contents of paragraph 7 of the writ petition are denied. The true fact is that the General Manager (P), Northern Railway, Baroda House, New Delhi gave a guide-line to determine the seniority to promotee vis-a-vis directly recruited stenographers in grade Rs. 330 - 560 (Rs) vide letter cited as Annexure No. 4

by the petitioners. It is further submitted that the issue of determination of seniority of promotee stenographers viz., opposite parties no. 3 to 7, and directly recruited stenographers i.e., the petitioners, the opposite parties no. 3 to 7 were promoted in grade Rs. 330 - 560 (RS) against vacancies in the regular post of stenographers falling to the promotee quota from dates much ahead of the posting of the petitioners against the anticipated leave vacancies or work-charge basis as there were no vacancies in directly recruited quota. The comparative position of the opposite parties no. 3 to 7 against the regular vacancies of promotee quota and date of joining the petitioners on the working post of leave vacancies or work-charge, is as under :-

Sl No.	Name	Date of promotion in grade Rs. 330-560 (RS)	Date of appointment.
1.	S.S.H. Rizvi	30-9-1979	
2.	S.K. Sharma	11-12-1970	
3.	M.S. Dwivedi (O.P.no.5)	1-10-1977	
4.	R.K. Sinha	17-8-1975	
5.	K.N. Srivastava (O.P.no. 7)	17-1-1974	
6.	A. Bello (Pet. No. 1)		30-6-1980
7.	Smt. Deepa Awatarmani		26-6-1980

By literally going to the contents of the Railway Board's directives dated 16-11-1961, circulated under circular of General Manager (P) dated 11-12-61 (filed by the petitioners as Annexure no. 4), it is clearly mentioned that the basis of the promotion in case of promotees, the promotees do rank senior to the

K.N. Srivastava

direct recruits whose date of appointment is of a later date.

7. That the contents of para 8 of the writ petition under reply are not disputed.

8. That the contents of para 9 of the writ petition under reply are not admitted. It is submitted that as the notice dated 28-4-1983 issued by the Divisional Railway Manager, Lucknow giving seniority to the petitioners above ~~them~~, the opposite parties no. 3 to 7, was totally based on misinterpretation of the directive of Railway Board dated 16-11-1961 (Annexure No. 4 to the writ petition) which provides that the basis of determination of seniority in case of promotees stenographers should be the date of promotion and not the date of their empanelment, and against that notification a representation was made to the higher authority, who after considering the entire case issued directive vide letter no. 724/441/60E dated 5-9-1983 to determine the seniority of the opposite parties no. 3 to 7 on the basis of regularisation of their officiating services w.w.e.f 25-6-1980 (Annexure No. 6 to the writ petition). It is further submitted that as per the provision of para 216 J of the Indian Railway Establishment Manual the next higher authority to the authority issuing the notification is competent to issue directives and amend the panels, and in the instant case the panel was framed by the Divl. Railway Manager, Lucknow and the same was ~~amended~~ ^{amended} by the General Manager (P), Northern Railway, New Delhi, and thus there is nothing wrong with the order of the

General Manager (P) dated 5-9-1983. It is further submitted that the case of the petitioners was again submitted to the General Manager (P), Northern Railway, New Delhi by the Divl. Railway Manager, Lucknow on 14-11-1983 ^{with a} ~~in~~ view ~~of~~ to support them but he was directed to comply the earlier order of General Manager (P) dated 5-9-1983, vide letter No. 752E/471/61 E ~~and~~ dated 9-1-1984. A true copy of the same is filed herewith as Annexure no. C-I to this counter-affidavit. The decision of seniority to the opposite parties no. 3 to 7 and the petitioners, was finally notified vide notice no. 752E/6-3/steno (Loose) dated 28-9-1983 and 17-1-84. A true copy of the notification dated 28-9-83 has already been filed as Annexure no. 7 to the writ petition and notification dated 17-1-84 is filed herewith as Annexure no. C-II to the counter affidavit.

9. That the contents of para 10 of the ~~counter~~ writ ~~affidavit~~ ^R under reply are not disputed.

10. That the contents of para 11 of the writ petition are denied and the avements made in paras 8 and ~~ix~~ 9 above are re-affirmed.

11. That the contents of para 12 of the writ petition are related to the opposite party no. 3, as such the deponent is not in a position to give any comments.

12. That the contents of para 13 of the writ petition are denied. The question of any apprehension and presumption normally does not arise in the case of promotion of stenographers grade Rs. ~~425~~ ³³⁰⁻⁵⁶⁰ ~~640~~, which

K.N. Srivastava

to the next higher grade Rs. 425-640, which is non-selection post and the same is being regularised on the basis of seniority-cum-suitability. The seniority of the petitioners and the opposite parties no. 3 to 7 has already been notified vide notice dated 28-9-83 and 17-1-84 as per directives of Railway Board letter dated 5-9-83 and promotions have naturally to be regulated in accordance with that.

13. That the contents of para 14 of the writ petition are denied and the grounds taken therein have no force and can not be sustained in the eye of law.

14. That the opposite party no. 5 was promoted on ad-hoc basis in grade Rs. 330-560 (RS) on 1-10-77 and the deponent (opposite party no. 7) on 17-1-74 and since then they are working on the same post to the entire satisfaction of their superiors.

15. That ~~selection~~ selection for the grade of Rs. 330-560 (RS) was held in the year 1977 but as nobody was found suitable, the same was cancelled, and as per rules the selection should have been done after a lapse of six months, but the same has not been conducted by the Railway administration for about 2 years. The opposite parties no. 5 and 7 along with other officiating stenographers of grade Rs. 330-560 represented to the Divl- Railway Manager, Lucknow for their regularisation and also requested to hold selection and get them empanelled in grade Rs. 330-560 (RS) but nothing was done by the Railway administration. The true copy of the said representation dated 24-10-79 and 10-4-80 are filed

K. N. Sivasankar

herewith as Annexures no. C-III and C-IV to this counter affidavit.

16. That inspite of several requests and letters the railway administration was ~~held~~ ^{silent} for holding of selection for the grade Rs. 330-560 and in the meantime the Divl. Railway Manager, Lucknow appointed the petitioners in grade of Rs. 330-560, knowing well that there was no vacancy against direct recruit quota, which was objected by the opposite parties as well as as the Union.

17. That after great persuasion selection for the filling up of promotee quota vacancies was started in February, 1980 but the selection was finalised in October, 1981.

18. That the appointment of the petitioners was objected by the petitioners on the ground that there were no vacancies against direct recruitment quota and if the selection of promotee quota stenographers is finalised in due time, they would be empanelled and promoted on regular basis earlier than the directly recruited candidates. This fact was admitted by the Divl. Railway Manager, Lucknow in his letter dated 27-3-1982 addressed to the General Manager (P). A true copy of the said letter is filed herewith as Annexure No. C-V to this counter affidavit.

19. That the petitioners were appointed out of their quota as there were no vacancies in their quota, which fact has been admitted by the Divl. Personnel Officer

R. H. Sinhasingh

and Divl. Railway Manager in their respective letters dated 10-12-1982 and 11-3-83 addressed to the Deputy Chief Personnel Officer and General Manager (P), Northern Railway, Baroda House, New Delhi. True copies of the same are filed herewith as Annexures No. C-VI and C-VII to this counter affidavit.

20. That it is also noteworthy to mention here that ~~xx~~ as the petitioners were appointed out of their quota, their pay is being charged under objectionable item, which means incurring heavy loss to the railway administration. A P.N.M. meeting was held on 8/9-8-84 in which the Divl Railway Manager has admitted that the petitioners are working against work-charged posts as there is no vacancy against direct recruitment quota and their pay is being charged under objectionable item, which clearly shows that the Divl. Railway Manager, Lucknow and other local officers were much interested in the petitioners and still to help them, they can go upto any extent in violation of the rules and factual position.

21. That the matter was taken seriously by the Head Office of Northern Railway, New Delhi and after long correspondence it was decided by the Head office to give seniority to the ~~petitioners~~ opposite parties above them i.e., the petitioners, and also treated the appointment of petitioners irregular and explanation was called for by the Head Quarters Office vide their letter dated 13-3-85 with the Divl. Personnel Officer, Lucknow about the said irregular appointment of the petitioners. A ~~xxx~~ ^{true} copy of the said letter

K.N. Srivastava

A 88

is filed herewith as Annexure No. C-VIII to this counter affidavit.

22. That as per law of the land no work-charged employee or working on leave vacancy can be held to be senior to the persons working at the post since long against their own quota and thus seniority given to the opposite parties no. 5 and 7 is correct as per railway rules and circulars issued by the Head Quarters Office.

23. That the Divl. Railway Manager, Lucknow has acted in a very arbitrary manner in giving appointments to the petitioners out of their quota and also acted with ulterior motive to give benefit to the petitioners, declared the result and empanelment of the promotee stenographers of grade Rs. 330-560, which was highly objected by the Head Quarters Office. Northern Railway, New Delhi.

23. That as per Railway Board's circular dated 5-2-72 the opposite parties have acquired the status of confirmed stenographers in grade Rs. 330-560 as they have completed about 10 years continuous service in the said grade and the petitioners are working on work-charged basis. As such neither they can claim any right on the said post nor they can be held & senior to the opposite parties.

24. That on the basis of the averments made above it is clear that the appointment of the petitioners is highly irregular and also against the factual position of respective quota, and as they are working on

K.N. Srivastava

A 80 11

work charged basis, they cannot claim any right or seniority over and above the opposite parties no. 5 and 7 and the present writ petition has no force in it .

25. That the petitioners are not entitled to any reliefs claimed and the petition merits dismissal in-limni with costs to the opposite parties no. 5 and 7.

As a result the juniors being posted from other divisions/ Open market rank seniors to us warring our chance of promotion and confirmation.

It is , therefore, requested that a selection may kindly be arranged for us to get us empanelled as Stenographers in grade Rs.330-560(RS) to regularise our services.

...

Sir,

We the undersigned Officiating Stenographers from the cadre of Typists beg to invite your kind attention to our representation dated 24.10.79 and repeated verbal requests to Sr.D.P.O. to finalise our selection for which a selection board had already been nominated on 4.3.80.

We beg to further add that so far no action to conduct the selection by fixing a date therefor could be taken and on the other hand we have learnt that some interested Officials of the division are trying to requisition directly recruited R.S.C. candidates for the post of Stenographers grade Rs.330-560(RS) obviously encroaching upon our rights of absorption on qualifying the selection against 50% quota provided for promotion of Typists as Stenographers Grade Rs.330-560(RS). In this connection we would most humbly request your goodself to intervene in the matter so that regularisation of our services as Stenographers and assignment of seniority in preference to any direct recruit irregularly recruited against the vacancies of Typists promotion quota is afforded.

Thanking you in anticipation.

SUB: Seniority of Stenographers Gr.Rs.330-560
(RS) on Lucknow Division.
..

1. An objection has been raised by one of the recognised Unions regarding assignment of higher seniority to the directly recruited Stenographers Gr.Rs.330-560(RS) over and above the promotee quota Stenographers who were working on adhoc basis for over 6 years and empanelled subsequently, in 1981. The factual position in this regard is given below for your information. It is requested that the case may kindly be examined in the light of the same and necessary decision in the matter be communicated at an early date to finalise the issue.
2. 5 Senior most/suitable typists on the Division were promoted as Stenographer Gr.Rs.330-560(RS) on adhoc basis on different dates against the vacancies on promotion of the existing regular Stenographers to High grade i.e.Rs.425-700(RS) against work charge post.
3. While these adhoc arrangements were going on 3 directly recruited Stenographer in Gr.Rs.330-560(RS) were posted on Lucknow Division(Two English and One Hindi) on 26.6,30.6 and

...2/-

skw

and 4.7.80 respectively against anticipated vacancies of Stenographers and indicated by the division to the Headquarters. It may be stated that the anticipated vacancies had not occurred on the division at the time of posting of these 3 Stenographers.

4. The directly recruited Stenographers were, however retained on the division against promotee quota vacancies as available at that time.

The processing of the selection for filling up of the promotee quota vacancies was started in Feb'80, but the selection was only finalised in the month of October'81 when the panel was declared comprising of 7 candidates, 2 of which declared comprising of 7 and 5 of the division including One One Steno working in Construction organisation since long. The 4 candidates of this division are the same who were promoted locally as mentioned in para-1 above.

The contention of the Union is that there were no vacancies in direct recruitment quota for the Stenographers who were posted by the HQRS as indicated in para-5 above and that the selection for promotee quota Stenographers had taken long time for finalisation. Had the selection been finalised in due time the promotee quota Stenographers would have been empanelled and promoted on regular basis earlier than the directly recruited candidates posted on the division.

It has also been contained by the Union that there was no post of Hindi Stenographer on the division and as such posting of Hindi Stenographer was irregular. In this connection it may be stated that the post of Stenographers on the division are not specially earmarked for Hindi or English

K.N. Srivastava

Stenographer and as such this contention would perhaps not hold good and that post of Hindi Stenographer against the vacancies of Stenographers on the Division may not be regarded as irregular.

The directly recruited Stenographers who were empanelled earlier than the promotee quota Stenographers and were posted on the Divisional when there was no vacancy of Direct quota before their regularisation/empanelment are required to be given seniority. This is what has been objected by the Union and a reference is therefore, being made to your office for deciding the issue of seniority or directly recruited Stenographers empanelled and posted earlier viz-a-viz the locally promoted Stenographers (against promotee quota) who were promoted on adhoc basis earlier than them, but were empanelled subsequent to their arrival. Issue may kindly be examined and this office advised of the decision, so that the case of respective seniority is decided accordingly.

The relevant records of service of the concerned staff are indicated in the enclosed statement.

I would like to draw your attention towards this office letter of even no. dated 27.3.82(copy enclosed) on the above subject wherein detailed position has been given on the issue involved and HQ office decision was sought for to determine the seniority of Stenos Gr. 330-560(RS) on this division to which a reply is still awaited.

2. This issue was further raised by the Union in HQ Office and again the position was explained vide this office D.O. of even no. dated 26.3.1982, copy enclosed, in response to Nigam SPO(U) D.O. No.961E/10812/82/NRMU/E.Union dated 3.6.82 but so far no decision is forthcoming.

of the PNM Meeting held with GM/New Delhi on 27/28.8.82, in a similar case of TCs of Lucknow Division against Item No.170, which reads as under:-

ITEM 170: "The TCs who are absorbed against promotee quota on LKO division have been asked to either accept their posting on ad-hoc basis and they will be given seniority from the date of the vacancies against direct recruitment quota or opt to go to other divisions where vacancies against direct recruitment quota have been available".

5. It may be mentioned here that vide Para 2 of this office D.O. of even no. dated 26.8.1982 as also in this office letter of even no. dated 27.3.82, it has been categorically admitted that the directly recruited stenos S/Sri A.Rebello, Smt. Bhutani and Smt. Malhotra, Stenos were retained on the division against promotee quota vacancies being no vacancies available at the time against direct recruitment quota and as such in the light of the decision in G.M.'s PNM vide item No.170., it may be possible to arrive at a decision in this case. However, the concerned staff who had been working on ad-hoc basis as long as 7 ~~at~~ to 8 years as also the delay in their empanelment being due to administrative reasons, as already explained, it is requested that considering the above facts, a decision in this case be communicated at an early date so that Union may be advised of the same and seniority assigned to Stenos of this division.

Rs.330-560(RS) ON LUCKNOW DIVISION.

REF: Your office letter No.752E/471/60(EIID)
dated 22.1.83.

...

As per PS No.6181, for promotion to Stenographers grade
Rs.330-560(RS), 50% of the posts are to be filled in from
Typists, 25% from Office Clerks and 25% from direct recruitment.
On this Division, the years when the vacancies occurred are
given as under:-

1975	-	2
1978	-	1
1979	-	1
1980	-	3
1981	-	1
		<hr/>
		8

Thus, against 8 vacancies only 2 vacancies go to direct
recruitment quota. Against these vacancies, one Shri M.R. Dogra
was appointed by Railway Service Commission on 25.11.75 and Shri
D.C. Trivedi was transferred from Bikaner Division on 7.7.76. Against

the remaining six vacancies, the staff from typists were promoted and are working.

2. The direct recruitment candidates i.e. Shri A.Rebelloo, Mrs. Deepa Awatarmani and Mrs. Namita Malhotra, who were recruited by Railway Service Commission, were absorbed on this Division against work-charged posts asno Stenographers were readily available on this division.

3. The Stenographers against Promotee Quota were examined for the promotion in 1977 but unfortunately nobody could be found suitable and were not placed on the panel except one SC candidate who was promoted in as in-service training as per extant orders and subsequently empanelled. Another selection was held in 1981 in which the following stenographers were placed on the panel:-

Shri S.S.H.Rizvi	from Typist category
Shri S.K.Sharma	-do-
Shri M.S.Dwivedi	-do-
Shri R.K.Sinha	-do-
Shri K.N.Srivastava	-do-

The matter with regard to the fixing up their seniority may, therefore, kindly be decided as already requested vide my D.O. letter of even no. dated 10th December 1982.

My dear Khare,

Sub: Irregular appointment of directly recruited Stenos on Northern Railway Lucknow Division encroaching upon the right of promotion and seniority of departmental promotion Stenographers.

REF: Vinod Sharma Sr.DPO/LKO D.O. letter No.752E/6-Steno(Loose) dated 3.7.1984.

The facts of this case were advised to Railway Board on the basis of your office above mentioned letter. Now Railway Board and vide their D.O. letter No.E(NG)1-83PM4-6(CA) dated 20.2.85 have requested to clarify the following queries at once.

In your divisions D.O. letter referred above it had been indicated that the two vacancies meant for direct recruitment were filled by inter-divisional transfer. It has now been indicated that one of these vacancies were filled by direct recruitment. A part from this contradiction, it has not been indicated as to why despite there being no vacancy for direct recruitment, an indent was placed on the Railway Service Commission and three Stenographers in grade Rs.330-560(RS) appointed. Mere indication that these stenographers were posted to work charged posts ~~at~~ ~~not~~ does not answer the question. You will appreciate that appointment of Stenographers without there being any vacancy irregular and the same has to be explained convincingly.

Further it is also requested to please advise whether the decision to assign seniority to promotees over direct recruits has been implemented by your division.

that the percentage of posts earmarked for direct recruits cannot be filled up in any other manner by promotion nor the quota indicated in items (i) and (ii) be interchanged. It is, however, denied as alleged that the posts mentioned in items (i) and (ii) constitute 75% promotee quota. It is submitted that the quota earmarked for items (i) and (ii) is to be filled up in terms of the printed serial No.6181 and is not interchangeable nor can it be combined together to be treated as 75% promotee posts.

4. That in reply to para 2(b) of the counter affidavit it is denied as alleged that against two posts of direct recruits quota Sarvasri M.P. Dogra (appointed on 25.11.1975) and D.C. Trivedi (appointed on 7.7.1976) are already working which means that the direct recruits quota has already been filled up. The averments made in para under reply that the required 25% quota for direct recruits has been filled up is by way of after thought and for the purpose of the present petition and hence denied. The petitioners were appointed in 1980 on two clear vacancies for the posts earmarked for direct recruits in accordance with the vacancies position in 1979. The file showing vacancies position in 1979 may be summoned to ascertain the true factual position regarding two clear vacancies in which the petitioners were appointed. This factual position of two clear vacancies in the direct recruits quota is also admitted in the noting in file No.752E/VI-3/Steno/Loose precis page (pp) 36. The said noting is reproduced below:-

G

"The vacancy position arrived at and advised to Headquarters vide D.O. letter dated 11.3.1983 (SN 96) has been reviewed.

"There are only 2 vacancies of stenographers grade 330-560 (RS) as on 31.3.1977 and 2 men S/Shri M.R. Dogra and D.C. Trivedi have been assigned seniority from 25.11.1975 and 7.7.1976. This goes to prove that there was a back log of 2 direct recruitment quota as there were only 2 vacancies of 1975 as explained in the D.O. letter dated 11.3.1983 (SN 96).

"The 8 vacancies of stenographers Grade 330-560 (RS) has been assessed for selection from promotees (back of PP1 placed between S.N. 27 and 28) initiated in September 1980 for which a selection board was nominated by DRM (PP2) on 18.9.1980. Out of these 8 vacancies 2 will go to direct recruits and rest 6 for promotees. As a result of this selection 7 candidates were placed on the panel (S.N.66) out of these 7 empanelled Shri S.S.H.Rizvi did not continue as steno, sought reversion and returned to his parent cadre (Typist). Thus only 6 empanelled stenographers are continuing in Grade 330-560 (RS) according to their quota.

"In view of the above position Smt. D. Awatramani and Shri A. Rebello directly recruited stenographers can be assigned seniority in their cadre from the date of their joining against their quota of 2 stenographers already explained in the foregoing para.

"By awarding seniority to these 2 directly recruited stenographers, their grievances will be redressed and their claim filed in the court through

G₂

writ petition stands satisfied.

The aforesaid noting has been deliberately suppressed in para under reply in order to mislead this Hon'ble Tribunal with respect to the true factual position regarding the vacancies to be filled up under direct recruits quota.

5. That in reply to para 2(c) of the counter affidavit it is submitted that opposite parties 3 to 7, as shown in the table, were working on purely adhoc basis as stenographers w.e.f. the dates respectively indicated against their names. The policy of the Railway Board contained in printed serial No.1399 clearly stipulates that adhoc promotions are to be treated as fortituous without getting the benefit of seniority. In any case Sri S.S.H. Rizvi has sought his reversion from the post of officiating stenographer to his parent cadre of typist w.e.f. 31.1.1985. It is, therefore, denied as alleged that on 30.6.1980 and 26.6.1980, dates of appointment petitioners 1 and 2 respectively, the posts against direct recruits quota were already filled up and they were retained against promotees quota. This averment is deliberately misleading and contrary to the factual position on record. It is reiterated that the petitioners were appointed on clear vacancies in the direct recruits quota. Contrary averments are denied.

6. That para 3 of the counter affidavit is denied. It is denied as alleged that the petitioners were posted on respective dates against leave vacancies because of

G2

HA 127
106

the fact that opposite parties 5 and 7 were members of the Territorial Army and had left for duty in Assam. This position is contrary to record and has been taken up by way of after thought. It is reiterated that the petitioners were appointed in clear vacancies in the quota of direct recruits as per the office noting as already indicated above in reply to para 2 of the counter affidavit. It is also denied as alleged that the vacancies for direct recruits quota for appointment of candidates selected through the Railway Service Commission were neither available nor due till date.

7. That para 4 of the counter affidavit as stated is denied, and the averments made in para 2 of the petition are reiterated. It is reiterated that the petitioners were appointed on the posts of stenographers in the direct recruits quota in clear vacancies.

8. That para 5 of the counter affidavit as stated is denied and the averments made in para 3 of the petition are reiterated. It is denied as alleged that it would not be worked out whether physical vacancies in sight, that is, those due to occur on retirement of certain stenographers were against direct recruits quota or against promotees quota. The correct position about two clear vacancies in the direct recruits quota, on which the petitioners were appointed, has already been indicated in reply to para 2 of the counter affidavit. The averments made in para under reply are, therefore, misleading and self contradictory.

9. That in reply to para 6 of the counter affidavit averments made in para 4 of the petition are reiterated.

G 26

A.23
A.107

It is submitted that the petitioners were confirmed on regular posts of stenographers. Contrary averments are denied.

10. That para 7 of the counter affidavit needs no reply.

11. That para 8 of the counter affidavit as stated is denied and the averments made in para 6 of the writ petition are reiterated. It is denied as alleged that no representation, as reproduced in Annexure No.3 to the writ petition, was ever made. It is reiterated that the said representation was made by the petitioners against the assignment of higher seniority to the promoted stenographers. It is further submitted that the petitioners were entitled to make the aforesaid representation. Contrary averments are denied.

12. That para 9 of the counter affidavit is misconceived and is denied and the averments of para 7 of the writ petition are reiterated. It is reiterated that the Headquarters Office Northern Railway endorsed the contention of the petitioners and held that the seniority of the directly recruited and promoted stenographers in the Lucknow Division is to be assigned according to the rules contained in the Railway Board's circular dated 11.12.1961 referred to as printed serial No.1399. By application of the said circular, which has the force of law, the petitioners are senior to the opposite parties 3 to 7. Contrary averments are denied. Contrary averments made in para under reply have no

Gu

A-108

relevance for determining seniority in accordance with the circular of the Railway Board.

13. That in reply to para 10 of the counter affidavit averments made in para 8 of the writ petition are reiterated and contrary averments made in para under reply are denied. It is stated that the seniority assigned from 25.6.1980, a day earlier than the date of empanelment of petitioner No.2, is wholly arbitrary and in colourable exercise of power on the basis of wholly false and misleading facts. It is deliberately false as stated that the proceedings for selection of opposite parties 3 to 7 to the post of stenographer grade 330-560 (RS) were started in February 1980. The correct factual position is that the proceedings for selection to the post of stenographers were initiated after the joining of the petitioners and the written test was held on 21.10.1980 after due notice to the parties concerned. Thus a deliberately false statement has been made in para under reply to mislead this Hon'ble Tribunal. Thus the order dated 28.4.1983 in Annexure No.5 was sought to be reverted on the basis of mis-statement of correct factual position. It is denied as alleged that any injustice has been caused to opposite parties 3 to 7. On the contrary, the order dated 5.9.1983 was obtained by mis-statement of facts to reverse the earlier order dated 28.4.1983 (Annexure No.5) by which the petitioners were held senior to opposite parties 3 to 7. It is stated that the order dated 5.9.1983 is based on wholly false and misleading statement of facts that the selection proceedings were initiated in Feb. 1980, that is, prior to the joining

G. S. S.

A2109

of the petitioners on the post of stenographer, that is, on 30.6.1980 and 26.6.1980 respectively. On the contrary the selection proceedings for promotion to the post of stenographer were initiated subsequent to the petitioner's date of joining, that is, 30.6.1980 and 26.6.1980. This is evident from the notice issued from the office of the Divisional Railway Manager, Lucknow, by the Senior D.P.O. dated 6.10.1980 by which it was decided to hold the written test for the post of stenographers on 21.10.1980 and the candidates concerned were to be informed and their acknowledgement obtained in order to relieve them to appear in the selection test. The said letter was duly circulated and the signatures in acknowledgement were obtained for the said selection test. Thus it is evident that the order dated 5.9.1983 was obtained by misrepresentation of the correct factual position and the same is liable to be set aside on this ground alone. A photostat copy of the aforesaid letter dated 7.10.1980 is filed as Annexure No. 7 to this rejoinder affidavit.

Annexure - 8

14. That in reply to para 11 of the counter affidavit averments made in para 9 of the writ petition are reiterated. It is reiterated that the order dated 5.9.1983 (Annexure No.6 to the writ petition) was wholly arbitrary, malafide and based on extraneous considerations due to misrepresentation of facts particularly with respect to initiating the selection proceedings. It is reiterated that since the selection proceedings were held after the respective dates of joining of the petitioners, which was the condition precedent for promotion of opposite parties 3 to 7, they

C216

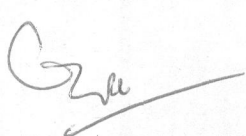

A-110

cannot be arbitrarily regularised one day prior to the joining of the petitioner No.2, that is, 26.6.1980. The order based on false and misleading fact is wholly arbitrary and without jurisdiction. Accordingly subsequent notification on the basis of the aforesaid order dated 5.9.1983 assigning seniority to opposite parties 3 to 7 is illegal and arbitrary.

15. That para 12 of the counter affidavit needs no reply.

16. That para 13 of the counter affidavit is denied and the averments made in para 11 of the writ petition are reiterated. It is reiterated that the order dated 5.9.1983 (Annexure No.6 to the writ petition) has been passed under pressure from the Northern Railwaymen's Union at the back of the petitioners without affording them any opportunity to represent their case against the proposed reversal of earlier order dated 28.4.1983 (Annexure No.5) in their favour. Furthermore the impugned order dated 5.9.1983 was obtained by misrepresentation of correct factual position and is, therefore, liable to be set aside on this ground alone.

17. That para 14 of the counter affidavit is denied and the averments made in para 12 of the writ petition are reiterated. It is reiterated that the promotion of Sri S.S.H. Rizvi on the basis of his illegally determined seniority is abinitio illegal and malafide. The subsequent cancellation of the reversion order dated 28.4.1983 by order dated 29.11.1983 is, therefore, legally untenable. In any case Sri Rizvi has subsequently opted for his reversion as typist in the parent

A-121

cadre w.e.f. 31.1.1985 as per order of the Divil.
Personnel Officer dated 14.2.1985.

18. That para 15 of the counter affidavit is denied and the averments made in para 13 of the writ petition are reiterated. It is stated that the notification dated 28.9.1983 and 17.1.1984 on the basis of the order dated 5.9.1983 (Annexure No.6) is illegal and without jurisdiction.

19. That para 16 of the counter affidavit needs no reply.

20. That para 17 of the counter affidavit is denied. It is denied as alleged that the seniority assigned to the promotees (opposite parties 3 to 7) is in accordance with the Railway Board's circular dated 16.11.1961 (Annexure No.4). It is submitted that the same is in contravention of the aforesaid circular as already stated in the aforesaid paragraphs and in the writ petition and the subsequent notifications on the basis thereof are also illegal and without jurisdiction. It is also denied as alleged that the writ petition is devoid of merit and is liable to be dismissed with costs. On the contrary, for the facts and circumstances stated in the writ petition and this affidavit the writ petition is liable to be allowed with costs and the stay order dated 24.1.1984 is liable to be set aside.

21. That by the letter of the Divisional Railway Manager dated 13.6.1986 it is pointed out that the impugned order dated 5.9.1983 is prima facie arbitrary and in contravention of the Railway Board's circular

G2

(printed serial 1399) inasmuch as the opposite parties 3 to 7 were promoted and empanelled after the petitioners and accordingly he requested that the case should be reviewed strictly in terms of the rule relating to seniority in terms of printed serial 1399. A photostat copy of the letter dated 13.6.1988 by the DRM, Lucknow, is filed as Annexure No. 9 to this rejoinder affidavit.

T.N.TANDON.
D.O.No.752E/C/6-3/Steno/Loose.

DIVISIONAL RAILWAY MANAGER
NORTHERN RAILWAY
LUCKNOW.

Dated 13th June, 1988.

My dear Sikka,

Sub: Seniority of stenographers in grade Rs.330-560(RS)
Lucknow Division - Promotees vis-a-vis Direct
Recruits.

Ref: Your office letter No.724E/471/60/Eiid dated
5.9.1983.

The issue of seniority of some directly recruited stenographers and some promotee stenographers has been under dispute in the basic grade Rs. 330-560(RS). Consequently the case has been taken to Lucknow Bench Of High Court - Writ Petition No.6425 of 1983 by the Direct Recruits and a Stay has been granted. As a result of this stay, promotion of stenographers to grade Rs.425-700(RS) is held up on this Division. This is not only causing hardship to all employees but also affecting working in general.

On examining the case, I find that the direct recruits have sought fixation of their seniority in terms of PS 1399, which clearly stipulates the criteria for determining the seniority of promotees and direct recruits. In terms of PS 1399 the direct recruits who joined earlier on this Division than the Promotees should be ranked senior. However, it appears that this issue was examined in your office and decision communicated vide your office letter quoted above only on the basis of points raised by the Unions, overlooking PS 1399. According to this letter of Headquarters the services of the promotees were to be regularised a day prior to 26.6.1980 i.e., the date when the direct recruits were posted on Lucknow Division. The decision appears arbitrary, in face of PS 1399.

It is my view that the case should be reviewed and dealt with strictly in terms of rules as prevalent then and now and the direct recruits should be given their rightful seniority, over the promotees which is clearly established in terms of PS 1399. If this view is accepted by the Headquarters in supersession of your letter under reference it would automatically render the High Court Stay infructious so that we can proceed with promotions in accordance with the Railway Boards Policy.

An early decision will be appreciated.

With best wishes,

Yours sincerely,

Sd/

are reiterated. It is reiterated that the deponent was confirmed on the post in September 1980 and the petitioner No.2 was confirmed in August 1980.

5. That para 4 of the counter affidavit needs no reply.

6. That para 5 of the counter affidavit as stated is denied and the averments made in para 6 of the writ petition are reiterated. It is denied as alleged that no representation was ever made by the petitioners against the assignment of higher seniority to the promoted stenographers. The petitioners are entitled to make the aforesaid representation. Contrary averments are denied.

7. That para 6 of the counter affidavit is denied and the averments made in para 7 of the writ petition are reiterated. It is reiterated that the Headquarters Office Northern Railway endorsed the contention of the petitioners and held that the seniority of the directly recruited and promoted stenographers in the Lucknow Division is to be assigned according to the rules contained in the Railway Board's circular dated 11.12.1961 referred to as printed serial No.1399. By application of the said circular, which has the force of law, the petitioners are senior to opposite parties 3 to 7. Contrary averments made in para under reply have no relevance for determining seniority in accordance with the circular of the Railway Board. It is further denied as alleged that the opposite parties 3 to 7 were promoted in grade

Rs.330-560 (RS) against vacancies in the regular posts of stenographers falling to the promotee quota much ahead of the proceedings of the petitioners against anticipated leave vacancies or work charge basis as there was no vacancy in the direct recruit quota. The comparative position of opposite parties 3 to 7 against the regular vacancies of promotee quota and the date of joining of the petitioner on the working posts of leave vacancies or work charge as indicated in para under reply is denied. It is submitted that opposite parties 3 to 7, as shown in the table, were working on purely adhoc basis and according to the printed serial No.1399 adhoc promotions are to be treated as fortuitous without getting the benefit of seniority. In any case Sri S.S.H. Rizvi, opposite party No.3, has sought reversion from the post of officiating stenographer to his parent cadre of typist w.e.f. 31.1.1985.

8. That para 7 of the counter affidavit needs no reply.

9. That para 8 of the counter affidavit is denied and the averments made in para 9 of the writ petition are reiterated. It is reiterated that the order dated 5.9.1983 (Annexure No.6 to the writ petition) was wholly arbitrary, malafide and based on extraneous considerations due to misrepresentation of facts particularly with respect to initiating the selection proceedings. It is reiterated that since the selection proceedings were held after the respective dates of joining of the petitioners, which was the condition precedent for promotion of opposite parties 3 to 7, they cannot be

The order based on false and misleading facts is arbitrary and without jurisdiction and accordingly subsequent notification on the basis of the aforesaid order dated 5.9.1983 assigning seniority to opposite parties 3 to 7 is illegal and arbitrary.

10. That para 9 of the counter affidavit needs no reply.

11. That para 10 of the counter affidavit is denied and the averments made in para 11 of the writ petition are reiterated.

12. That in reply to para 11 of the counter affidavit averments made in para 12 of the writ petition are reiterated. That in any case Sri S.S.H. 13. That para 12 of the counter affidavit as stated is denied and the averments made in para 13 of the writ petition are reiterated. Contrary averments made in para under reply are denied.

14. That para 13 of the counter affidavit is denied and the averments made in para 14 of the writ petition are reiterated. The writ petition is maintainable on the grounds stated therein and the same is liable to be allowed.

G2M

A-121

15. That para 14 of the counter affidavit as stated is denied in the light of the averments made in the writ petition and the rejoinder affidavit.

16. That the averments in para 15 of the counter affidavit are not in the knowledge of the petitioners and the same are denied. It is submitted that the selection proceedings for promotion to the post of stenographer were initiated subsequent to the petitioners' date of joining. This is evident from the notice issued from the office of the Divisional Railway Manager, Lucknow, by the Senior Divl. Personnel Officer dated 6.10.1980 by which it was decided to hold the written test for the post of stenographer on 21.10.1980. The said notice dated 6.10.1980 has already been annexed along with the petitioners' rejoinder affidavit to the counter affidavit of opposite parties 1 and 2.

17. That para 16 of the counter affidavit is denied. It is denied as alleged that there was no vacancy against the direct recruit quota when the petitioners were appointed. It is stated that the petitioners were appointed in clear vacancy in direct recruits quota as will be evident from the record of opposite parties 1 and 2. Contrary averments are denied.

18. That para 17 of the counter affidavit as stated is not denied.

19. That para 18 of the counter affidavit is denied. It is denied as alleged that there were no vacancies against direct recruits quota. The averments made in

G2

para under reply are wholly misconceived. It is reiterated that the petitioners on account of their early posting on the clear vacancies for stenographers under the direct recruits quota are senior to opposite parties 3 to 7. The position indicated in Annexure No.C-5 is legally untenable and is on account of undue pressure exerted by the union which is supporting the case of opposite parties 3 to 7.

20. That para 19 of the counter affidavit is denied. It is denied that the petitioners were appointed out of their quota as there were no vacancies in their quota. This is contrary to the record. It is reiterated that the petitioners' appointments were made on the vacancies under the direct recruits quota. Contrary averments made in para under reply are denied. In this context petitioners' rejoinder affidavit to the counter affidavit of opposite parties 1 and 2 may be considered.

21. That para 20 of the counter affidavit is denied. It is denied that the petitioners were appointed out of quota. Contrary averments made in para under reply are wholly misconceived. It is reiterated that the averments made in para under reply are contrary to record and contrary to the stand taken in this respect in the counter affidavit of opposite parties 1 and 2. It is further denied as alleged that the DRM and other local officers were interested in the petitioners. On the contrary, the union is supporting the case of opposite parties 3 to 7 and putting undue pressure upon the authorities against the petitioners.

22. That para 21 of the counter affidavit is denied, and averments made therein are wholly misconceived. Appointments of the petitioners were in clear vacancies in the direct recruits quota. Contrary averments are denied. The alleged letter was obtained by misrepresentation and undue pressure by the union.

23. That para 22 of the counter affidavit is denied as misconceived. The petitioners were appointed and confirmed in clear vacancies and the ^{opposite parties} petitioners were selected and empanelled subsequently. Thus in accordance with the Railway Rules the petitioners are senior to opposite parties 3 to 7.

24. That para 23 of the counter affidavit is denied. It is denied that the petitioners were given appointments out of their quota as alleged. It is reiterated that in accordance with Railway Rules the petitioners are senior to opposite parties 3 to 7.

25. That subsequent para also numbered as para 23 of the counter affidavit is denied as misconceived. In accordance with the Railway Rules in force the petitioners are senior to opposite parties 3 to 7.

26. That para 24 of the counter affidavit is denied. It is denied as alleged that the appointments of the petitioners are highly irregular. It is reiterated that the appointment and confirmation of the petitioners are in a clear vacancy and in accordance with the Railway Rules and they are senior to opposite parties 3 to 7. Contrary averments are denied.

27. That para para 25 of the counter affidavit is denied. The petitioners are entitled to the reliefs claimed in the writ petition and the same is liable to be allowed with costs.

Union of India and ors Respondents

Hon' Mr. Justice K. Nath, V.C.

Hon' Mr. D.S. Misra, A.M.

(By Hon' Mr. D.S. Misra, A.M.)

This is an original writ petition No. 6425 of 1983, which has come on transfer, under section 29 of the Administrative Tribunals Act, No. XIII, of 1985. The petitioners have prayed for quashing the notice dated 28-9-1983 (Annexure-No. 7), alongwith the letter dated 5-9-1983 (Annexure-No. 6), and issue of a direction to Opposite Parties 1 and 2, not to promote Op.Ps. No. 3 to 7 to the next higher grade of Stenographers, on the basis of the aforesaid notice dated 28-9-1983, and further direction to Op. Ps. No. 1 and 2 to hold the petitioners, as senior to Op.Ps. No. 3 to 7. This petition is contested by Op.Ps. Nos. 1, 2, 5 and 7, who have filed counter reply.

2. The admitted facts of the case are that, according to the Railway Boards instructions contained in the printed Sl.No. 6181, the post of Stenographers

...2/-

A-17 3

in the grade of Rs. 330 - 560 (Rs) is to be filled in the manner given below:

- (1) 50% of the posts are to be filled from amongst the typists;
- (2) 25% of the posts are to be filled from the office clerks; and
- (3) remaining 25% of the posts are to be filled by the direct recruits after selection from the Railway Service Commission.

3. That the petitioner Nos. 1 and 2, were appointed as Stenographer in the grade of Rs.330 - 560 on 30-6-1980 and 26-6-1980 respectively, on being selected through Railway Service Commission and on being directed by the General Manager (P), Northern Railway, Head Quarters' Office, New Delhi, to the Lucknow Division of Northern Railway; that respondent Nos. 3 to 7 were promoted as Stenographer in the grade of Rs.330 - 560 on ad hoc basis, pending selection with effect from the following dates :

S/Shri	
(1) S.S.H. Rizvi	30-03-79
(2) S.K. Sharma	11-12-70
(3) M.S. Dwivedi	01-10-77
(4) R.K. Sinha	17-08-75
(5) K.N. Srivastava	17-01-74

That the above mentioned O.P. Nos. 3 to 7 were promoted against the leave/promotion of Stenographers in higher grade vacancies; that the selection of promotees for their regular promotion as Stenographer in the grade of Rs.330 - 560 started in February, 1980 and was finalised in October, 1981; that the selection was held on 17-01-1980 and the test was held on 20-1-80, while the result was announced on 25-9-1981; that the directly recruited Stenographers were posted in Lucknow Division, against the vacancies which were to fall vacant in the month of August, Sept. and

A-18 4

October, 1980, due to retirement of persons holding these posts (copy Annexure No.7); that initially the two petitioners 1 and 2 were posted against the existing vacancies and were subsequently shown against the vacancies which occurred in the month of August and September, 1980; that the question of inter-se seniority between the directly recruited Stenographers and the promotee Stenographers remained the consideration of under the Railway Authority, Lucknow Division, who had been treating the directly recruited Stenographers senior to the promotee Stenographers; that an objection was raised by one of the recognised unions regarding assignment of higher seniority to the directly recruited Stenographers, and a reference was made by the Divisional Railway Manager, Lucknow, to the General Manager (P), Northern Railway, New Delhi, vide his letter dated 27.3.82 (copy Annexure-2); that in the meantime, Shri S.S.H. Rizvi, (Respondents No. 3) was promoted to a higher grade of Stenographer and petitioner No. 1, made a representation to the Divisional Railway Manager, Northern Railway, Lucknow on 15-2-1983 (Copy Annexure-III); that the Divisional Railway Manager, Lucknow Division, was informed by the General Manager(P), Northern Railway, New Delhi; that the seniority of directly recruited Stenographers and promotee Stenographers grade Rs.330 - 560, may be assigned according to the rules contained in P. Serial No. 1399, and in case, there is any specific point of doubt, a reference may be made for clarification with definite recommendation of the Division (copy Annexure-No.4); that the Divisional Railway Manager, Northern Railway, Lucknow passed an order dated 28-4-1983, in which it is stated that in terms of Printed Serial No. 1399, it has been decided that

92

#18-5

directly recruited Stenographers will rank senior to Stenographers empanelled against promotee quota in the year, 1981 and their names will be below the direct recruits in the seniority list (copy Annexure No. 5); that by another letter dated September 5, 1983 (copy Annexure No. 6), the General Manager informed the D.R.M., N.R., Lucknow, that the case of inter se seniority of Stenographers Grade 330 - 560 (RS) in the Lucknow Division has been re-examined on receipt of representations from Northern Railwaymen Union and it has been decided that the promotee Stenographers may be regularised from a date prior to 26-6-1980, i.e. the date when directly recruited candidates were posted in Lucknow Division; that by an order dated 28-9-1983, it was notified that the 5 promotee Stenographers, (Respondent Nos. 3 to 7), have been assigned seniority above the directly recruited Stenographers Grade 330 - 560 (RS).

4. The petitioners have prayed for quashing the directions of the General Manager (P), Northern Railway, contained in their letter dated 5-9-1983 (copy Annexure No-6), and the notice dated 28-9-1983 contained in Annexure No. 7, and to declare them as senior to Respondent Nos. 3 and 3 to 7.

5. We have heard the arguments of the learned counsel for the parties and carefully perused the documents on record. The learned counsel for the petitioners urged that the selection for filling in the vacancies of Stenographer Grade 330- 560 (RS),

A-20 6

was finalised on 29-8-1981 and they cannot be given any seniority prior to the date of their empanelment. The petitioners were appointed against the direct quota vacancies in June, 1980 more than a year before the date of empanelment of the private respondents and they cannot be given seniority above the petitioners. It is contended that the directions of General Manager(P) N.R. contained in the letter dated September 5, 1983, stating that the promotees may be regularised from a day prior to 26-6-1980, i.e. the date when directly recruited candidates were posted at Lucknow Division, is wholly arbitrary, against the provisions of the rules, and illegal. We have examined this contention, in the light of the instructions contained in the Railway Board Circular dated 11-12-1961 (enclosure to Annexure No. 4), in which it is stated that the ~~and~~ criterion for determination of seniority should be the date of promotion, in the case of promotee, and the date of joining the working post, in the case of a direct recruit, subject to the condition that inter-se seniority of promotees and direct recruits respectively is not disturbed. It is stated by the respondents that when the petitioners joined the working posts in Lucknow Division of Northern Railway, there were no vacancies against the direct recruit quota, and they were allowed to draw salary as work charged staff. However, it was decided by the Headquarters' Office of Northern Railway, vide letter dated June, 21/22, 1980 (copy Annexure No. 1), that these persons would be posted against retirement vacancies in the month of August, September and October. It may be mentioned here that initially, there were 3 directly recruited

gr

217

officials who were posted to the Lucknow Division and it appears that only two of these have filed this petition, perhaps because the 3rd person, namely, Smt. Namita Malhotra, who joined duty on 4-7-1988, is no more working in the Lucknow Division of Northern Railway. However, in the letter dated 5-9-1983 of General Manager(P), Northern Railway, it is stated that the two vacancies for direct recruitment quota, out of the 8 vacancies of Stenographers Grade 330 - 560 (Rs) occurring from 1975 to 1981 were filled up by inter Division/Railway transfers of two employees, thus, leading ^{to} no vacancy against the direct recruits quota. Although the names and dates of appointment of these two persons have been stated in para 2 (b), of their reply, it has not been stated whether, prior to their transfer to the Lucknow Division, ^{they} had entered into service as Stenographer Grade 330 - 560 (Rs) as direct recruit or promotee. It is contended on behalf of the petitioner that these 2 persons could not be adjusted against the direct quota vacancies and that this plea has been taken by the respondents to justify their illegal action in denying seniority to the petitioners who are direct recruit. We have examined this contention and we find that this contention is not without basis. The petitioners were appointed in June, 1980, against the direct recruit quota. If, no such vacancy was available under direct recruitment quota, the petitioners could not have been appointed in the Lucknow Division. It is also on record that the Lucknow Division had made a specific request to the Headquarters of the Northern Railway to post directly recruited Stenographers in their Division. If,

6. The learned counsel for the petitioners has contended that the impugned order dated 28-4-1983 (Annexure No. 7) was passed without affording any opportunity to the petitioners to show cause against the proposed change in their seniority, although it deprived them of the benefit, contained in the notice dated 28-4-1983, in which it was clearly stated that directly recruited Stenographers will rank, senior to Stenographers empanelled against the promotee quota in the year, 1980-81. It is, thus, contended that the order was passed in violation of the principles of natural justice in an arbitrary manner under the pressure exerted by a group of Railway workers, belonging to a particular union. The learned counsel for the petitioners relied upon the observations of the Hon'ble Supreme Court in the case of S.L. Kapoor Vs. Jagmohan and ors A.I.R. 1981 - S.C. 138. In this case, the Lt. Governor of Union Territory of Delhi by a notification dated February 27, 1980, in exercise of the power conferred by section 238(1) of the Punjab Municipal Act, superseded the New Delhi Municipal Committee with immediate effect. It was held by the Hon'ble Supreme Court that merely because an opportunity is expressly provided in section 16 of the Act, which deals with disqualification of an individual member and not so provided in section 238 (1), it cannot be inferred that the principle audi alteram partem was excluded from section 238(1). The Hon'ble Judges have also held that the Principles of Natural Justice know of no exclusionary rule dependent on whether it would have made any difference, if natural justice had been observed. Non observance of natural justice is itself prejudice to any man and proof of prejudice independently of proof of denial of natural justice is unnecessary. The Hon'ble Supreme

92

A-23 9

Court held that the order dated February 27, 1980 superseding the New Delhi Municipal Committee was vitiated by the failure to observe the principles of natural justice.

7. The learned counsel for the respondents cited the decision of the Hon'ble Supreme Court in the case of Narendra Chadha and ors vs. Union of India A.I.R. 1986 S.C. 638 in which there was a dispute of seniority between direct recruits and promotees to the Indian Economic Service and the Indian Statistical Service. In the operative portion of its judgment, the Hon'ble Supreme Court directed the Union of India to treat all the persons who had been promoted in Grade IV of the Indian Economic Service and the Indian Statistical Service, contrary to the rules and continuing as such, for 15 to 20 years, to be regularised and to assign them seniority in the cadre with effect from the date from which they were continuously officiating on the said post. However, in para 14 of their judgment they have also observed as follows:

" But, we however, make it clear that it is not our view that whenever a person is appointed in a post without following the rules prescribed for appointment to that post, he should be treated as a person regularly appointed to that post. Such a person may be reverted from that post."

8. We have considered the matter, and we are of the opinion that the case law cited by the learned counsel for the respondents is not at all applicable to the facts of this case and that the case law cited by the learned counsel for the petitioners is fully applicable to the case of the petitioners.

24 10

We are also of the opinion that the impugned order has been passed violating the principles of natural justice and is, therefore, liable to be quashed.

9. For the reasons mentioned above, the order^s dated 5-9-1983 (copy Annexure No. 6), and the order dated 28-9-1983 (Annexure No. 7), are quashed and the respondents are directed to hold the petitioners senior to the respondent Nos. 3 to 7, in the cadre of Stenographer Grade 330 - 560 (Rs) on the Lucknow Division of Northern Railway. We also direct that the parties will bear their own cost.
