CENTRAL ADMINISTRATIVE TRIBUNAL  
CIRCUIT BENCH, LUCKNOW

...

Registration T.A. No. 447 of 1987

Arising out of Writ Petition No. 2344 of 1979

filed before the Hon' High Court of Judicature  
at Allahabad(Lucknow Bench), Lucknow.

Baikunth Nath Srivastava .....Petitioner

Vs.

Union of India and another ..... Opposite Parties

Hon'ble Mr Justice Kamleshwar Nath, Vice Chairman

Hon'ble Mr K. Obayya, Administrative Member

(By Hon'ble Mr Justice Kamleshwar Nath,V.C.)

The above mentioned writ petition has been received on transfer in this Tribunal under section 29 of the Administrative Tribunals' Act No.XIII of 1985. The relief sought for is to quash the order of reversion of the petitioner contained in Annexure-No.1, issued on 15-5-79.

2. The admitted facts are that the applicant was initially a Porter appointed on 2-12-63, in the scale of Rs. 196 - 232, where in he was confirmed on 19-1-65. On 3-2-75, he was promoted as Shuntman in the scale of Rs. 210 - 270 after qualifying a suitability test in the clear vacancy in substantive capacity. On 1.1.77, he was promoted on ad-hoc as Trains Clerk in the scale of Rs.260 - 400, which was followed by a posting order dated 8.2.77(Annexure No.2), against a permanent post which fell vacant on promotion of one Shri B.B.Srivastava. However, his appointment continued to be in ad-hoc capacity.

3. By the impugned order, the applicant was reverted

from the post of Trains Clerk to that of Porter with the observation that he had been holding a temporary local ad-hoc arrangement and the post of Porter was his substantive post.

4. The petitioner moved the aforesaid writ petition before the Hon'ble High Court, which was admitted and the operation of the impugned order was stayed by an order dated 28.8.79 which continues to be in force.

5. The petitioner's case is that in view of the policy of the Railway Board, contained in a Circular dated 9.6.65 (Annexure-R-II) reconfirmed in the Railway Board's letter dated 21.1.1966 contained in Annexure No.4, the reversion of the applicant could not have been made without some sort of discipline and appeal rules proceedings, as the applicant had already officiated for more than 18 months. It is further urged that the applicant's last substantive capacity appointment was on the post of Shuntman, and, therefore, he could not have been reverted to the still lower post of Porter.

6. Shri Arjun Bhargava, learned counsel for the opposite parties said that the reversion was in fact intended to the post of Shuntman and there seems to be some error in the Annexure, describing the reversion to the post of Porter. We are of the view that legally on the reversion from the post of Trains Clerk, the applicant could not have been reverted to the bottom post of Porter ignoring his intermediate appointment of Shuntman which has been held by him in a clear vacancy in substantive capacity. To that extent the impugned order is erroneous.

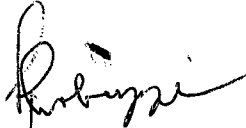

7. However, the real dispute is about the effect of the applicant working for more than 18 months as ad-hoc Trains Clerk before passing of the impugned reversion order. There has been a lot of judicial controversy about the true status of ad-hoc employees, viz. a viz., their protection against the reversion on completion of more than 18 months appointment in the higher post. A full Bench of this Tribunal had the occasion to examine the cases relating to ad-hoc appointments at great length in T.A. No. 844 of 1986 Shri Jetha Nand and others vs. Union of India and others decided by the Principal Bench on 5-5-89 and published by Bahari Brothers, Delhi, in Full Bench Judgment of the Central Administrative Tribunals' 1986-89. The decision has also been reported in Vol. II of 1989 ATLT (CAT) 444. The material part of the decision, <sup>as</sup> far as the present case is concerned, is that a promotion from a Class IV post (to which Porter/Shuntman belongs) to a Class III post (to which Trains Clerk belongs) has to be through a selection/suitability test. It has been held that an ad-hoc employee who fails in the selection/suitability test may have a couple of opportunities to take the test and if he still fails there in, he may be reverted. The learned counsel for the applicant has tried to distinguish this decision on the ground that the decision deals with a case, where, tests have been held and incumbents have failed and not with a case, where, no test has ever been held as in the present case. Even so, the ratio of full Bench decision is not in doubt, namely, that there must be a selection/suitability test. The conclusion is that if there has been <sup>no</sup> such a test, provision may be made for such

13

a test in future, and in the mean time, the employee may be permitted to continue on the higher post on ad-hoc capacity. That is what we consider to be the appropriate decision in the present case.

8. The petition is partly allowed and while the order of reversion of the petitioner contained in Annexure No.1, so far as it relates to the petitioner, is quashed, it is directed that the applicant shall face selection/suitability tests, as may be applicable, to be held by the opposite parties in the light of the observations contained in the above mentioned Full Bench Decision of the Tribunal. We further direct that till the final result of such test, the applicant shall be permitted to continue to work in ad-hoc capacity on the post of Trains Clerk. Parties shall bear their own costs.

the said post w.e.f. 19.1.1965.

3. That the work, conduct and integrity of the petitioner always remained unblemished and there has never been any complaint whatsoever in respect of performance of duties by the petitioner.

4. That the petitioner on 3.2.75 after qualifying the requisite suitability test prescribed under the rules, was further promoted from the post of Porter to the next higher post of Shuntman.

5. That it is respectfully submitted that the aforesaid promotion of the petitioner on the post of Shuntman was made in clear vacancy and in substantive capacity and it was not his adhoc or officiating promotion.

6. That the petitioner since the date of his promotion as Shuntman always worked with utmost honesty and devotion and his all departmental superior authority remained satisfied with his work and conduct.

7. That the petitioner in the year 1977 was promoted on the next higher post of Trains Clerk in grade Rs. 260-400 w.e.f. 1.1.1977 and was posted to work at Faizabad.

8. That vide office order No. 941-E/5-4(J) TNC dated 8.2.1977 when one Sri B.B. Srivastava, Trains Clerk, Barabanki, grade Rs. 260-400 was promoted in the higher

grade Rs. 330-560 under Station Master, Rae Bareilly, the petitioner who was working as Trains Clerk at Faizabad was promoted against the vacant permanent post previously held by said Sri B.B. Srivastava at Barabanki. A true copy of promotion order dated 8.2.1977 is filed herewith as Annexure No. 2 to this writ petition.

9. That the petitioner respectfully submits that his promotion from the post of Shuntman to the post of Trains Clerk was made against the permanent vacant post in the temporary capacity but it was not in any way either a temporary Local adhoc arrangement which is evident from the orders contained in Annexure No. 2 to this writ petition.

10. That the petitioner on the post of Trains Clerk on which he was promoted w.e.f. 8.2.1977 always performed his duties to the entire satisfaction of his all superiors and it will not be irrelevant to submit here that he never gave a chance of complaint regarding his work, conduct and integrity.

11. That the petitioner was promoted as Trains Clerk in the month of February 1977 vide Annexure No. 2 and after rendering more than two years whole hearted efficient services, he was ordered to be reverted from the post of Trains Clerk to the post of Porter vide office order No. 220-E/5-4(TNC) dated 15.6.1979 contained in Annexure No. 1 to this writ petition, which forms the part of the present writ petition.

by

12. That the petitioner feeling aggrieved with

the impugned order of reversion ~~dated 8.2.1979~~ <sup>by</sup> contained in Annexure No. 1 preferred a representation dated 8.2.1979 against the said reversion order to the opposite party No. 2 stating all the relevant facts and circumstances and specifically submitted that his reversion is illegal for the following reasons:-

- (I) The petitioner has been reverted two grades below i.e. from the post of Trains Clerk to the post of Porter which is not permissible under the rules.
- (II) While passing the reversion order the petitioner's promotion on the post of Trains Clerk has been considered as Local adhoc arrangement which is factually wrong. The petitioner's promotion on the post of Trains Clerk was not made in Local adhoc arrangement.
- (III) The petitioner having rendered more than 18 months continuous satisfactory service could not have been reverted from the post of Trains Clerk in view of Railway Board's order issued on the subject.

A true copy of the representation dated 8.2.1979 is filed herewith as Annexure No. 3 to this writ petition.

13. That the perusal of petitioner's representation contained in Annexure No. 3 clearly indicates that the petitioner requested the opposite party No. 2 to set aside the reversion order dated 15.6.1979 but no action on the representation of the petitioner has been taken/communicated so far.

Baikunth Nath

14. That the order of reversion contained in Annexure No. 1 is penal in nature and adversely effects the right of the petitioner to hold the post of Trains Clerk (and the said order is hit by the provisions of Article 311 of the Constitution of India).

15. That the reversion order of the petitioner is against the Railway Board's order No.E(D&A) 65-RG-6-24 dated 9.6.1965 which provides that any person who is permitted to officiate beyond 18 months must not be reverted without following the procedure prescribed in the Discipline and Appeal Rules. In petitioner's case although his work has always been satisfactory and he has been holding permanent vacant post for a period of more than 18 months he has been subjected to his reversion without following the procedure prescribed in the Discipline and Appeal Rules. A true copy of Circular letter dated 21.1.1966 referring Railway Board's Circular letter dated 9.6.1965 is filed herewith as Annexure No.4 to this writ petition.

27.8.79

16. That the opposite party No. 2 has committed an error aparent on the face of record in reverting the petitioner from the post of Trains Clerk to the post of Porter treating the petitioner's promotion on the post of Trains Clerk as Local adhoc arrangement.

~~16. That the opposite party No. 2 has committed~~

17. That even otherwise the petitioner under any circumstances could not have been reverted on a post lower than the post of Shuntman on which he was promoted after qualifying the requisite suitability test. The opposite party No. 2 failed to consider that the post of Porter is two grades below than the post of Trains

Beikenthnath  
Sunderbala

Clerk (and thus the reversion order is illegal).

18. That the reversion order of the petitioner is arbitrary and has been passed by the opposite party No. 2 without any authority of law and the same is also against the principles of natural justice.

19. That the petitioner is ill and on Medical leave since <sup>by</sup> 10-6-1979 <sup>by</sup> and the order of reversion contained in Annexure No. 1 has not been given effect so far. In case the operation of the impugned order contained in Annexure No. 1 is not stayed, the petitioner would suffer <sup>by</sup> irreparable loss and the same cannot be compensated in terms of money.

by  
27.8.79

20. That feeling aggrieved with the impugned order contained in Annexure No. 1 (and having no other alternative efficacious remedy) begs to prefer the present writ petition on the following amongst the other:

: G R O U N D S :

(i) Because the impugned order contained in Annexure No. 1 is penal in nature and adversely affects the right of the petitioner, the same could not have been passed without complying with that mandatory provisions of Article 311 of the Constitution of India.

*Subhash Chandra  
Advocate*

(ii) Because the opposite party No. 2 has committed an error apparent on the face of record in passing the reversion order as he has treated the petitioner's promotion as Local adhoc arrangement which is factually wrong.

(iii) Because the petitioner had already rendered more than 18 months continuous satisfactory service, he could not have been reverted from the post of Trains Clerk without following the procedure prescribed under Discipline and Appeal Rules.

(iv) Because in any circumstances the petitioner cannot be reverted two grades below i.e. from the post of Trains Clerk to the post of Porter as the petitioner was holding the post of Shuntman in the substantive capacity.

(v) Because in any case the reversion order contained in Annexure No. 1 is arbitrary, against the rules of natural justice and is the effect of non-application of mind by opposite party No. 2.

*Disagree  
Advocate*

: PRAYER :

WHEREFORE it is most respectfully prayed that this Hon'ble Court may graciously be pleased to:-

(a) issue a writ, order or direction in the nature of certiorary quashing the impugned order of reversion of the petitioner from the post of Trains Clerk to the post of Porter as contained in Annexure No. 1 to this writ petition.

(b) issue a writ, order or direction in the nature of mandamus commanding the opposite parties to treat the petitioner in continuous service on the post of Trains Clerk in grade Rs. 260-400 with all the benefits of pay

and allowances, ~~increments~~ increments and seniority etc.

(c) any other writ, order or direction which is deemed fit and proper under the circumstances of the case may also be passed in favour of the petitioner.

ANNEXURE NO.4

North Eastern Railway

No.E/210/0(Con)

Office of the General Manager  
(Personnel Branch)

Gorakhpur Dt.21.1.1966.

The FA & CAO/C.S.O.  
All District Officers,  
All Assistant Officer in independent charge,

Sub: Reversion of employee officiating  
in higher grades.

....

Attention is invited to this office Confidential letter No.E/232/7 dated 23.6.1964, vide which instructions were issued laying down the procedure to be followed in the matter of reversion of employees officiating in higher grades. The position has been further reviewed and the instructions contained in the paragraphs which follow are issued in supersession of the instructions issued vide letter No.E/232/7 dated 23.6.1964.

As per Board's directions contained in their letter No. E(D&A) 61RC6-30 dated 30.11.61, efforts are to be made to confirm staff officiating in higher grades in clear vacancies, if they are found suitable, after trial over a reasonable period not exceeding 18 months. It is however observed that in practice no proper system is being followed in this respect with the result that staff continue to officiate in higher grades for long

Baikunth Nath  
Srivastava

27.8.79

periods and in several cases staff who have officiated for a number of years have been reverted on account of inefficient working. Such reversion are contrary to the extent orders.

3. With a view to ensure that a proper assessment of the working of staff officiating in higher grades, is made and an action to revert such employees, as are found to be unsatisfactory in work in the higher grade, is taken in time, the following procedure is being introduced for strict compliance by all concerned.

4. Whenever an employee is out to officiate in a higher post which may be a selection post or a non-selection post, his immediate superior should send an assessment report as soon as the employee has completed 3 months officiating period to the authority who had ordered his promotion. In the case of an unsatisfactory report a warning letter should also be issued to the employee and in which instances of his failures should be pointed out to him. A similar further report should be prepared 3 months later i.e. at the end of 6 months officiating period and sent to the authority who had ordered the promotion. If this report is also unsatisfactory the employee concerned may be reverted with the personal sanction of a senior scale officer in the case of Class IV employees and of a Head of Department in the case of Class III employee.

5. If an employee is reverted after 6 months due to his unsuitability, it is to be assumed that either his record of service was not consulted at the time of ordering his promotion or if consulted it did not give a correct assessment of his abilities and in case of selection posts the selection committee committed an error of judgement in assessing his abilities. This aspect also should be examined by the authority ordering

Bairkunt Nath  
Srivastava

27.8.79

the reversion in every such case.

6. When an employee is reverted for inefficient working from a selection post, his name will be automatically deleted from the panel. For re-promotion, he will have to appear before a selection Board afresh. Where an employee is reverted for in-efficiency from a non-selection post, his case should be reviewed at intervals of six months and if he is considered fit for promotion, he should be re-promoted against the next vacancy.

7. In terms of Board's letter No.E(D&A) 65R06-24 dated 9.6.65, Circulated under this office letter No. E/VII/232/7(Con) dated 30.6.65 any person who is permitted to officiate beyond 18 months must not be reverted for unsatisfactory work without following the procedure prescribed in the Discipline and Appeal Rules.

8. A question may be raised whether this safe-guard applies to persons who are officiating in promotion as a stop gap measure and not after empanelment (In the case of selection posts) and after passing the suitability test (in the case of non-selection posts). It is clarified that the safeguard applies to only those employees who have acquired prescriptive right to the officiating posts by virtue of their empanelment or having been declared suitable by the competent authorities. It does not apply to those officiating on promotion as a stop gap measure and also to those cases where an employee duly selected has to be reverted after a lapse of 18 months because of cancellation of Selection Board proceedings or due to a change in the panel position consequent to rectification of mistake in seniority etc.

By  
27.8.79

Baikunth Nath  
Soni Vastava

9. Since no officiating individual whose working is unsatisfactory could have been allowed to continue beyond 18 months except under very special circumstances, confirmation must be made after two years officiating period has been completed subject to permanent post being available for the purpose. In the case of staff with satisfactory reports, confirmation against available vacancies can be ordered after one year. If it is proposed to defer the confirmation of an individual after 2 years General Manager's prior sanction should be obtained.

10. The assessment reports referred to above should be marked 'Confidential' and a proper record kept of these communications. The Establishment Section should watch the case each employee and initiate action when the employee completes 3 months of officiating period by putting up a note to the executive officer for the purpose.

11. The above procedure should also be followed in the case of Class III employees promoted to officiate in Class II in their case, the assessment report should be sent to the Head of Department and where an officer has been reported on adversely the papers should be put up to the General Manager personally for his information and orders.

12. Please acknowledge receipt.

Para 1: In reply, only the issue of order No. 220-E/5-4 (TNC)Lko dated 15.6.'79 passed by Sr. D.P.O. as contained in Annexure No.1 is not denied. It is also not denied that the petitioner was reverted from the post of Trains Clerk to the Post of Shuntment, it being his substantive post.

Para 2: Needs no reply.

Para 3: Denied in view of non availability of record. Moreover it is irrelevant for the decision of the case.

Para 4: Needs no reply.

Para 5: Needs no reply.

Para 6: In reply it is not denied that the petitioner was working as shuntmen at the time of being given duty as Trains Clerk. Rest of the facts alleged are denied. Moreover they are irrelevant for the decision of the case.

Para 7: -In reply it is not denied that the petitioner was promoted temporarily on the post of Trains Clerk in grade Rs. 260-400 w.e.f 8.2.'77 (and not 1.1.77 as alleged) at Fyzabad vide office notice no.941 -E/5-4-/1J/TNC dated 8.2.'77. Allegations contrary to and contained in para under reply are denied.

Para 8: Issue of order dated 8.2.'77 as contained in Annex. 2 to the petition is not denied. The alleged facts are verifiable from the annexure itself.

Para 9: Denied. The promotion to the post of Trains Clerk was purely temporary. It is submitted that promotion to trains clerk from the post of Shuntment was a selection one. As such the question of the petitioner being posted /promoted permanently without undergoing selection could not arise.

Para 10: In reply only this much is not denied that the petitioner was temporarily promoted as Trains Clerk w.ef. 8.2.1977. Rest of the contents are denied for want of record. Moreover they are irrelevant for the decision of the case.

Para 11: In reply, only the issue of office order No. 220-E 5-4(TNC) dated 15.6.1979 as contained in Annexure No.1 is not denied. ~~Rest of~~ It is also not denied <sup>that</sup> the petitioner was put to duty on purely temporary

basis on the post of Trains Clerk, which conferred no legal right in him to hold the post, it being a post to be filled by selection. The petitioner was not born on panel of Trains Clerk.

Para 12: Denied. No representation appears to have been  
&  
13: received in the office of the opposite parties.

It is submitted that the petitioner was reverted to his substantive post viz. shuntman and not porter as alleged. It is also submitted that the promotion was purely temporary in view of the fact that the post of Trains Clerk was to be filled by <sup>e</sup>lection and the petitioner was not born on panel. The temporary arrangement made cannot be treated as permanent promotion in a substantive capacity or confer any legal right in the petitioner to hold the said post. It is further submitted that merely working on the post for more than 18 months also does not confer any legal right to hold the post. The reversion to the substantive post viz. shuntman is therefore perfectly legal and valid.

Para 14: Denied. It is submitted that promotion to post of Trains clerk is by means of selection. The petitioner was not <sup>born</sup> ~~been~~ on the panel of Trains Clerk. As such the reversion to the substantive post is neither panel in nature nor adversely affects the right of the petitioner. The petitioner has no legal right to hold the post of Trains Clerk. The Order does not hit the provisions of Article 311 of the Constitution of India.

Asstt Personnel Officer

Para 15: In reply, it is submitted that rule of 18 months or more is applicable to non selection post and not to selection post. The trains Clerk post is a selection post and unless the petitioner was born on panel, he was not eligible to hold the post of trains clerk. The reversion from a purely temporary post to be filled by selection is not to be governed by Discipline and Appeal Rules. The Discipline and Appeal rules apply only to reversion from permanent post, and not from one held temporarily.

Para 16: Denied. No error <sup>been</sup> has been committed by the opposite parties. The reversion <sup>has</sup> been correctly done i.e. from the post of Trains Clerk, where the petitioner was working temporarily to the substantive post viz. shuntman.

Para 17: Denied. It is submitted that the petitioner has been reverted to his substantive post viz. shuntman. Allegations contrary to that are emphatically denied. The reversion order is perfectly legal.

Para 18: Denied. The reversion order is not arbitrary or can be termed as without any authority or is against the principles of natural justice. The order is correct and legal.

Para 19: The alleged facts are no ground for staying the reversion order. However in obedience to the stay order passed, the petitioner was allowed to work as Trains Clerk. The petitioner is not entitled to

not entitled to any order of stay from the Tribunal and the same is liable to be vacated, in view of the facts and circumstances stated above.

Para 20: Denied. None of the grounds raised in the petition are tenable under law. The petitioner is not entitled to any of the reliefs claimed and the petition is liable to be dismissed with costs.

REJOINDER-REPLY ON BEHALF OF THE APPLICANT

I, B. N. SRIVASTAVA, aged about 48 years, son of  
Sri R.C. Srivastava, resident of Quarter No:T-34,  
Railway Colony, Barabanki, do hereby state on oath  
as under:-

- D-T  
2  
11/10/76
- (1) That the applicant has read the reply filed on behalf  
of the opp-parties, and he is well conversant with  
the facts stated hereunder.
  - (2) That with reference to the contents of para-1 of  
the reply, it is humbly submitted that the applicant  
by means, of the impugned order has reverted to  
the post of porter and not shuntman as stated by  
the opposite-parties in para under reply. The  
applicant is filing herewith the photo-stat copy of  
order dated 15.6.1979, which was served to him  
to make the position clear. In the original  
cyclostyled impugned order dated 15.6.1979, the word

-:2:-

"Porter at Barabanki" in front of the name of the applicant have been cut and thereafter the words "posted at RES" have been written by the concerned Officer/Official. The applicant's place of posting as porter was changed from "Barabanki" to "RES" i.e. Rasauli, which is a road side station and no shunting of the trains ever takes place there. Since Rasauli is a road side station and shunting work is not possible there, the applicant could not have been posted as shunter at Rasauli.

- (3) That, the contents of para-3 of the "reply" are denied and in reply while re-iterating the contents of para-3 of the writ petition, it is respectfully submitted that there is no question of non-availability of the record with the opposite-parties as alleged. The Opposite-parties are the custodian of the <sup>service</sup> ~~since~~ record of the applicant and the same is available with them.
- (4) That the contents of para-6 of the "reply" are wrong and denied and those of para-6 of the writ petition ~~are reaffirmed of para-6 of the writ-petition~~ are reaffirmed of as correct.
- (5) That, the contents of paras 7 and 8 of the "reply" are denied and thereby paras-7 and 8 of the writ-petition are reaffirmed as correct.

-: 3:-

(6) That, the contents of para-9 of the "reply" are wrong and denied and those of para-9 of the writ petition are reaffirmed as correct. The post of Trains-Clerk is filled by promotion from amongst Shuntmen after suitability test. It is not a selection post as alleged.

(7) <sup>regarding</sup> That the contents of paragraph-10 of the "reply" it is respectfully stated that the contents of para-10 of the writ petition are correct. The record of the applicant is available with the opp-parties.

(8) That with regard to the contents of para-11 of the "reply" it is humbly stated that it is wrong to say that the temporary promotion of the applicant, which was made on the post of Trains-Clerk in the month of February-1977 did not confer any right in him to hold the said post specifically when the said promotion is made only on the basis of a suitability test. The applicant has been continuously holding the said post without any complaint and his work and conduct have always remained above the mark. He has been earning his all annual increments and have also crossed his efficiency bars as and when fill due. It is also significant that ~~xxx~~ the opposite-parties neither gave any opportunity to the applicant before his promotion to appear in the suitability test nor even

to hold the post in question beyond that period, he cannot be reverted without <sup>the</sup> following procedure as laid down in Railway Board's Circular dtd. 9/6/65, ANNEXURE R-2 a true copy of which is filed herewith As annexure-R-2 to this rejoinder reply.

- (10) That, the contents of para-14 of the "reply" are wrong and denied and those of para-14 of the writ petition are reaffirmed as correct. The promotion to the post of trains-clerk is made after a <sup>sub</sup> suitability test which the opp: parties never conducted, and not by selection as alleged. Since the applicant's promotion continued for a long time, it cannot be regarded as Ad-hoc and he cannot be reverted without following the procedure as laid down in discipline and appeal rules.
- (11) That, the contents of para-15 of the "reply" are wrong and denied and those of para-15 of the writ-petition are re-affirmed as correct. As already stated the post of trains-clerk is filled by promotion of ~~xxxx~~ eligible suitable shunt -men and <sup>not</sup> by <sup>selection</sup> ~~section~~ as alleged. The opp-parties never conducted the suitability test either before promotion or even thereafter till date. The applicant has never been found to be unsuitable as such he cannot be reverted from the post in question. Eighteen months' Rule is applicable in the applicant's case too and it does not protect only the rights of those incumbant who held the selection posts. The rule is regarding officiating promotion which continues for a period of more than 18 months.

thereafter although about 13 years time has already elapsed since then. Under these circumstances it cannot be held that the applicant is unsuitable to hold the post of trains-clerk. A temporary promotion after 13 years which is still continuing cannot be regarded as ad-hoc. Ad-hoc promotions are made for short-term and cannot be prolonged for unreasonably long period causing undue hardship to the incumbents in the event of their reversion.

- (9) That the contents of paragraphs 12 and 13 of the "reply" are wrong and denied and those of paragraphs 12 and 13 of the writ-petition are re-iterated as correct. The applicant duly submitted the representation by registered post (Receipt No: 3293) and also through proper channel i.e. Station-Master, Barabanki. The reply of the opposite-parties regarding receipt of representation is vague and evasive and is not worthy of ~~evidence~~.

So far as the question of legal right is concerned the applicant has already explained the same, in paragraph-8 above, <sup>By</sup> Regarding suitability the applicant refers paragraph-7 of the R.B's Circular contained in, Annexure-4 and respectfully submits that the maximum period for adjudicating

In case, the opposite-parties would have held the suitability test and called the applicant, he would have been declared suitable long back and would have been further promoted as trans-clerk Grade-II Rs. 330-~~560~~<sup>560</sup> (revised to Rs. 1200-~~2040~~<sup>2040</sup>) in which Grade his junior (s <sup>named</sup> claimed above have been promoted. The reversion of the applicant under the facts and circumstances of the case cannot be held to/justified. His promotion to the <sup>best of</sup> trains-Clerk Grade Rs. 260-400 is to be treated regular and it is to be declared that now no suitability test is required.

Job : Reversion on grounds of General unsuitability of staff officiating in higher grade or post.

"In Shri N. Kamalakara Rao, Director Establishment's D.O. No.E 55 BGG-23, dated 21-5-56 it was interalia stated that any person who is permitted to continue to officiate beyond 18 months cannot in future be reverted for unsatisfactory work without following the procedure prescribed in the Discipline and Appeal Rules. Those instructions were cancelled vide Board's letter No. E (D&A) 60 RGG-5 dt. 1-2-60 and 14-5-60, permitting the reversion of an employee officiating in a higher post on grounds of general unsuitability at any time, and not necessarily within a period of 18 months, without following the procedure prescribed in the Discipline and Appeal Rules.

The Board have reconsidered the matter and feel that it would not be correct to effect such reversions after prolonged officiating period. They have, therefore, decided again that in future any person who is permitted to officiate beyond 18 months cannot be reverted for unsatisfactory work without following the procedure prescribed in the Discipline and Appeal Rules.
