Hon'ble Mr.Justice U.C.Srivastava,V.C.

Hon'ble Mr.A.B.Gorthi,A.M.

(By Hon'ble Mr.Justice U.C.Srivastava,VC)

This case has been transferred to this Tribunal under section 29 of the Administrative Tribunals Act.

2. The applicant filed a writ petition before the Lucknow Bench of High Court praying that a certiorari writ quashing the impugned orders dated 7.12.81 and 14.7.82 by which the applicant has been dismissed from service, be issued .

3. The applicant was appointed on 7.11.54 as Breakman in the N.E.Railway. He was served with a show cause notice dated 18.11.81 issued by the opp.party no.3 in which it was alleged that on 7.11.81, the applicant entered the chamber of opp.party no.4 and assaulted him and tried to drag the opp.party no.4 out of the office and further threatened him and his family. The other allegations made in the show-cause notice were relating to about one year back i.e. 10.1.81 and 8.9.81 that on both these occasions, the applicant threatened the opp.party no.4 and his family and the applicant had also tried to assault them. The applicant submitted his reply denying all the allegations levelled against him. After

receipt of reply of the applicant, the opp.party no.3 dismissed the applicant from service on 7.12.81 misusing his unwarranted powers under Rule 14(ii) of the Railway Servants(Discipline and Appeal) Rules, 1968. Feeling aggrieved with the same, the applicant filed an appeal before the departmental authority which was also dismissed

4. The respondents submitted their written statement denying the claim of the applicant. They have stated that the applicant was given opportunity to explain his misconduct vide letter dated 18.11.81 which was received by the applicant. The reasons were recorded in writing by the Disciplinary Authority in invoking provisions of Rule 14(ii) of the Rules, 1968 and for dispensing with the enquiry.

5. Learned counsel for the applicant stated conducting that without/full-fledged enquiry the applicant can not be dismissed from service and Rule 14(ii) of Rules ,1968 is not applicable in this case. No reasons have been recorded by the opp.parties as to why it is impracticable to hold an enquiry in the matter which has been decided by the opp. party no.3 in an arbitrary manner. The applicant was never given any opportunity to forward his case. He was also not supplied the documents relied by the opp.parties which is violative of the provision of section 311 of the Constitution of India. The applicant has been dismissed from the service without giving an opportunity of being heard. The applicant was also not given the documents relied by the opp.parties, as such the provisions of Rule 14(2) of the Rules, 1968 are not applicable in this case. Accordingly, the application deserves

to be allowed. The application is allowed and the orders dated 7.12.81 and 14.7.82 are quashed.

However, it will be open for the respondents to hold an enquiry ^{the matter in} in/accordance with law. No order as to cost.

WRIT PETITION UNDER ARTICLE 226 OF
THE CONSTITUTION OF INDIA.

.....

To

The Hon'ble Chief Justice and his
companion Judges of the aforesaid Court.

A/C 4

The above named petitioner most respectfully submits as under:-

1. That the petitioner through this Writ petition challenges the very illegal and unwarranted order of the dismissal which has been passed by the Opposite Party No. 3 dismissing the Petitioner from the post of Guard 'C' in the scale of Rs. 330-530 without application of mind in a very colourable exercise of powers with malafide intentions with the result the petitioner has not only become out of employment but also become disqualified for the future employment.

2. That the petitioner was initially appointed as Breaksman as a permanent employee in the scale of Rs. 260-308 (as revised upto date) on 7.11.1954 in the N.E. Railway and since his appointment he is continuing in the services of the Railway with full devotion and dedication.

3. That on account of the petitioner's excellent work and conduct he was promoted to the post of Guard 'C' in the scale of Rs. 330-530 in the year 1979 and since his promotion to the aforesaid post he is still performing his duties on the same post to the entire satisfaction of his superiors with unblemished record.

17/8/82

14/4/21

4. That since the promotion to the post of Guard 'C' in the scale of Rs.330-530 the petitioner was posted at the Headquarters, Aishbagh from where he was carrying out his duties with full devotion although he was not allotted any Railway quarter for which he was entitled under Rules. So, the petitioner was residing with one of his colleague Sri V.N. Pandey, Guard in the Railwayquarter which was allotted to him. When Sri V.N. Pandey Guard was transferred to Gonda the petitioner requested for the allotment of the said quarter in his name to Opposite Party No.4, who was the competent authority to allot the said quarter. As the palm of the Opposite Party No. 4 could not be greased by the petitioner, the Opposite Party No. 4 refused to allot him the said quarter, although the petitioner was entitled for and was permissible under the Rules. The petitioner was in great need of the quarter, so he contacted the Addl. Divisional Manager in connection to, and explained the whole of the circumstances who having looked into the matter pleased to allot him the said quarter. On the allotment of the said quarter in the name of the petitioner by a higher authority the Opposite Party No. 4 felt insulted and conspired to take a revengeful action against the petitioner.

17/8/62

1st 4/12/62

5. That while the petitioner was performing his duties with full satisfaction and devotion he was served with a show cause notice No.DOS/SS-2/81 dated 18.11.1981 issued by the Opposite Party No. 3 in which it was alleged that the petitioner on 7th of November, 1981 about 12.00 hours entered into the chamber of Opposite Party No.4 while the Opposite Party No. 4 was discussing with one Sri R.P. Shukla and there the petitioner assaulted the Opposite Party No. 4. It was also alleged that the petitioner tried to drag the Opposite Party No. 4 out of the office and threatened him and his family. The other allegations which were made in the aforesaid show cause notice were relating to, about one year back i.e. 10th of January 1981 and 8th of September, 1981. It was also alleged that on both the aforesaid occasions the petitioner threatened Opposite Party No. 4 and his family unnecessarily as well as the petitioner had also tried to assault them. The petitioner was asked for the explanation in respect of the above allegations within seven days from the date of receipt of the aforesaid notice showing the reasons why the disciplinary action should not be taken against him. A true copy of the aforesaid show cause notice dated 18.11.1981 is being filed herewith as Annexure-1

to this Writ Petition.

6. That the petitioner submitted his explanation intime to the aforementioned show cause notice dated 18.11.1981 on 30th November, 1981 in which he had denied all the allegations levelled against him and he demanded a fair enquiry of the facts and a proper opportunity to put forward the real picture; in order to prove the contention which had been made by the petitioner while denying the allegations. Since all the aforementioned allegations were raised against the petitioner in a concocted manner unnecessarily merely taking the quarter allotment in favour of the petitioner on prestigious issue by the Opposite Party No. 4. Hence the petitioner also submitted in his explanation that he being a peace loving person settled a compromise with the Opposite Party No. 4 assuring him that he got allotted the said quarter in his favour only on account of bare need and there were no intention prevailing to insult the the Opposite Party No. 4. A true copy of the aforesaid explanation dated 30.11.1981 is being filed herewith as Annexure-2 to this Writ Petition.

ANNEXURE-2

8. That having submitted the aforesaid explanation the petitioner had solicited the justice, but he was shocked to know that he has been dismissed from the services vide impugned order of dismissal

12/12/81

P. 14

No. DOS/SS/2/81 dated 7.12.1981 by the Opposite Party No. 3 ^{misusing} ~~misusing~~ his unwarranted powers enshrined in Rule 14 (ii) of the Railway Servants (Discipline and Appeal) Rules 1968. (Here in after after called as Rules of 1968). The impugned order of dismissal dated 3.12.1981 was issued to the petitioner in disregard of the statutory provisions without assigning any reason thereto containing proforma language that the explanation to the show cause notice, which was submitted by the petitioner was found unsatisfactory by the Opposite Party No. 3 and it was not practicable for him to hold an enquiry as provided in Rules 9 to 13 of the Rules of 1968. Although there were no reason given in the impugned order dated 7.12.81 for dispensing with the enquiry yet an averment to the effect that the same has been recorded in writing else where was made therein. A true copy of the aforesaid impugned order dated 3.12.1981 is being filed herewith as Annexure-3 to this Writ Petition.

8. That aggrieved by the impugned order of dismissal the petitioner preferred an appeal under Rule 18 of the Rules of 1968. In his appeal dated 31.12.1981 the petitioner submitted that he had been punished ~~was~~ merely on the basis of statement of imputation made by the Opposite Pa

No. 4 without even any preliminary enquiry altogether to ascertain the truth. Moreover untill and unless the petitioner is permitted to access the material relied upon which led to constitute the petitioner guilty and without considering the facts of the case otherwise there can be no fair foundation before the disciplinary authority to impose such a grave penalty on the delinquent. Petitioner in his ~~appeal~~ memorandum of appeal also requested that he had neither been permitted to access the material relied upon nor he was allowed to be heard personally even after demand, so he may be allowed for both as aforesaid in pursuance of the principles of natural justice. The aforesaid memorandum of appeal dated 31.12.1981 against the impugned order is being filed herewith as Annexure-4 to this Writ Petition.

ANNEXURE-4

9. That it would not be out of place to mention that a FIR of the occurrence was also lodged in Government Railway Police by one Shri R.B.Singh, Station Master, Lucknow Junction and a case under crime No. 841 under section 101 of Railway Act and 323/506 of Indian Penal Code was registered against the petitioner. The enquiry proceedings are going on and no chargesheet has been submitted so far.

3/17/82

14421 m 415

A. 16

The case is pending in the Court of Shri S.P. Shukla, Munsif Magistrate, Lucknow. A true copy of the FIR lodged by Shri R.B. Singh is being filed herewith as Annexure-5 to this Writ Petition.

ANNEXURE-5

10. That after submitting the appeal against the impugned order of dismissal dated 3.12.1981 the petitioner kept silent waiting for permission to look into the documents relied upon, and for personal hearing then suddenly he received a letter from the Opposite Party No. 3 dated 14.7.82 by which the petitioner was intimated that the appeal dated 3rd December, 1981 presented before the Opposite Party No. 2 by the petitioner challenging the validity of the impugned order of dismissal dated 3.12.1982 was rejected. It appears from the Appellate order which was conveyed to the petitioner through Opposite Party No. 3 that the appellate authority has rejected the appeal of the petitioner without application of mind in a mechanical manner with a view to uphold the order of Opposite Party No. 3. The operating portion of the order of the Opposite Party No. 2 ^{rejection} repeating appeal of the petitioner shows that the merits of the case has not been looked into and a cryptic, unreasoned and non speaking order has been passed. The petitioner does not know the contents of the remaining order of the Opposite Party No. 2 except the operating

17/8/82

14/4/21 m 418

portion as only operating portion has been communicated to him. It is also mentioned here that the petitioner while submitting the appeal had requested the Opposite Party No. 2 for a personal hearing in order to put forward his case clearly before the considering authority but it was denied to him without assigning any reason thereto. The aforesaid order dated 14.7.1982 through which the petitioner has been intimated regarding rejection of his appeal is being filed herewith as Annexure-6 to this Writ petition.

ANNEXURE-6

11. That a perusal of the impugned order of dismissal (Annexure-3) and the order rejecting the appeal (Annexure-6) reveals that the petitioner have been dismissed from service taking the shelter of Rule 14(ii) of the Rules of 1968 with some ulterior motive in order to teach a the petitioner a lesson. It is strange that such a major ^{penalty} on the basis of certain statements of imputation, which even do not constitute 'a misconduct' in master and servant relationship. ^{has been imposed by an incompetent authority having no jurisdiction at all to pass the order} Actually there is even no preliminary enquiry held exparte to ascertain the truth in to the imputation and there is no material before the disciplinary authority and the appellate authority which held the petitioner guilty of a fault which would constitute misconduct in

32
17/8/82

10/4/21 and 4/5

18

master-servant relationship and which make such a foundation to impose major penalty of dismissal upon the petitioner. The very jurisdiction of the disciplinary authority to dismiss a Railway Servant concerned is guilty of a fault which could constitute a misconduct in the service jurisprudence. Hence the impugned orders are unwarranted non-jurisdictional against the principle of fair play and natural justice, are untenable in the eye of law and are liable to be quashed by this Hon'ble Court.

12. That the petitioner was never supplied with any sort of documents papers or any material, even on demand, relied upon so it was very ~~difficult~~ ^{difficult} for him to give any reply specifically of the charges levelled against him. Moreover the petitioner has neither been convicted by a criminal court nor is a victim of misconduct, nor violated any provision of Railway Servants conduct Rules nor misappropriated nor found neglect of duty nor acted or omitted in such a manner which resulted in collusion nor participated in any violent action (terror) as such he cannot be held responsible for such a major penalty, hence the dismissal of the petitioner is unjust, bad in law and has been passed in revengeful manner which is liable to be set aside by this Hon'ble Court.

12/18/82

For 41121 on 4/9

P-15

13. That the opposite parties have abused and misinterpreted the provisions of Rule 14(ii) of the Rule of 1968 by not holding any enquiry altogether. The disciplinary authority and the appellate authority do not have the jurisdiction and the condition precedent would not exist if the disciplinary authority is merely possessed of *impugn* against the Railway servant and nothing more. As a matter of fact Rule 14(ii) does not repeal the enquiry altogether but it provides a special procedure in cases where enquiry in the manner provided in Rule 9 to 13 of the Rules of 1968 are not practicable in the circumstances of the case. It is obligatory on the part of disciplinary authority to record the reasons for not following the provided procedure under law with the reasonings for the conclusion arrived at for dispensing with the enquiry *under their own seal* and signature *R*

14. That the perusal of the impugned order also shows that the opposite parties are taking the concept of Article 311(2)(b) of the Constitution, similar to the provision of Rule 14(ii) of the Rules of 1968. Actually Rule 14(ii) is not in para materia to the provision of Article 311(2) of the Constitution. Provisions of Article 311(2) has been construed with the purpose to confer a statutory protection on a Government servant except under

12/10/82
14/11/21 and 4/15

certain circumstances. The purpose of proviso of sub clause (2) of the Article 311 of the Constitution does not exclude a Government Servant from the right to seek protection of principles of natural justice like other citizens.

15. That the petitioner has been dismissed from service in an arbitrary ~~and~~ manner for insufficient and undisclosed grounds and it deserves to be set aside by this Hon'ble Court because the petitioner has not committed any offence in the eye of law so that imposing upon him such a major penalty of dismissal will not be only unjustified but it also cast slur on the career of the petitioner by rendering him disqualified for service in future.

16. That the petitioner has not been given any notice proposing the penalty to be imposed as required under the provision of Rule 10(5) of the Rules of 1968.

17. That since an enquiry in the matter is going on, on the basis of the report lodged in G.R.P. hence the petitioner cannot be punished holding illegally that the enquiry in the matter is impracticable. The disciplinary authority could have waited for the judgment of the Court in the said

12/8/82

104421 cm 413

case which is subjudice and could have suspended the petitioner despite dismissing him in a very straight way. But as the disciplinary authority was in a mood to take the revenge and to see the petitioner down, hence he decided on his own accord immediately, so that the very opportunity which the authority got in his hand may not go away and as such with a fear that the petitioner may not establish his case in enquiry, the Opposite Parties thought it wise to misuse the provisions of Rule 14(ii) of the Rules of 1968 by abusing the delegated power conferred therein. In other words the executive have challenged the power of judiciary in guise of delegated power and such exercising of power are the quite juxtre position of the professor Larkey's view. So the impugned orders are not only bad in law but is also oppressive and are against the nexus of socio-economic policy.

18. That the concept of D.A.R. Rules 1968 has been so framed with a view to punish a delinquent for committing the offences against the Railway is quite different and any delinquent cannot be punished until and unless he has been given reasonable opportunity to explain his position and contradict the evidence and allegations levelled against him but the Opposite Parties unwarrantly avoided all the provisions of enquiry given under

17/8/62
1d 41121 encl 415

Rules 9 to 13 of the Rules of 1968 merely with a fear that the petitioner may not become able to establish his case and a chance which the Opposite Parties got to take revenge from the petitioner may escape from their hands.

19. That the petitioner had not been supplied with the full judgment passed by the Opposite Party No. 2 ^{under his own seal and signature} in the appeal submitted by the petitioner, and whatever operating portion has been supplied to him discloses no reason for rejecting the appeal and it is most cryptic and un-reasoned order. Under the provisions of Rules of 1968 any order or judgment both original and appellate by which a penalty has been imposed upon a delinquent employee must contained the complete statements, facts and the reasons thereof, conclusions arrived at and the findings. But the very important concept of law has not been followed so it makes the impugned order of dismissal invalid and void abinitio and the order rejecting the appeal is untenable and quashable in the eyes of law.

20. That the petitioner is a permanent employee and he has been dismissed from the services in a very illegal manner without following the provisions of law which is apparent from the impugned

...

12/11/82
12/11/82

order itself hence under these circumstances he cannot be treated as out of service and he may be treated as continued regular employee during the pendency of the Writ - etition. The petitioner having a large burden of family and is facing starvation in these hard days due to wrongful and revengeful action of the Opposite Parties for his no fault and as such in these circumstances it would be justified that the petitioner should be paid at least some subsistence allowance during pendency of the case so that he may become able to solicit the justice from this Hon'ble Court otherwise the circumstances may take turn in such a manner that may not remain alive to fight his case in this Hon'ble Court throughout.

21. That the petitioner has already exhausted the alternative remedy of appeal available to him under Rule 18 of Rules of 1968 and there left no alternative & efficacious and expeditious remedy except to invoke the writ jurisdiction of this Hon'ble Court under Article 226 of the Constitution of India. Having aggrieved from the illegal order of dismissal and order of rejecting the appeal the petitioner challenging the same inter alia amongst

the following:-

17/8/82
In 4421 on 4/1/83

G R O U N D S

- i) Because the order of dismissal has been passed in a revengeful manner with a motive to teach the petitioner a lesson without following the provisions of law enshrined in the Rules of 1968.
- ii) Because no reasons have been recorded by the Opposite Parties ^{as} to why it is impracticable to hold an enquiry in the matter and it has been decided by the Opposite Parties in a very arbitrary manner without applying the judicial mind.
- iii) Because the petitioner was never given any opportunity to put forward his case and rebuked the allegations levelled against him.
- iv) Because the petitioner has never been supplied the documents, records or the material relied upon by the Opposite Parties which make the very foundation of imposing such a major penalty which is violative of the provision of Article 311 of the Constitution of India.
- v) Because the petitioner has not committed any offence in the eyes of law and a FIR to the same effect has already been lodged

[Handwritten signature]

against which an enquiry is going on hence under these circumstances before completion of the enquiry it is unwarranted and illegal to declare the petitioner as delinquent and impose upon him such grave penalty of dismissal which cast stigma on the petitioner and disqualifies him from future employment.

vi) Because the petitioner asked for personal hearing of the case and he was denied, which is against the principles of natural justice as well as it hits the fundamental rights of conferred upon the petitioner under part II of the Constitution of India.

vii) Because the impugned proforma orders dismissing the petitioner and rejecting the appeal is arbitrary and has been effected to xx teach a him a lesson and is violative of provisions of part III of the Constitution of India.

viii) Because the impugned order of dismissal has been passed and the appeal has been cancelled in colourable exercise of power without giving any reason for the conclusion arrived at and the penalty has been imposed in straight way without proposing the penalty to be

imposed as required under law.

- ix) Because the order of dismissal cannot be passed by invoking the provision of Rule 14(ii) of the Rule of 1968 which is ultra vires in the circumstance of the case.

ANNEXURE-2

Ref:- Your office No. DOS/SS-2/81 dated 18.11.81
received by me through postal registered
cover on 28.11.1981.

Sir,

Respectfully I beg to explain as under:-

That it is quite incorrect that I entered in
the chamber of Shri Nand Lal, SS/LJN on 17.11.81
at 12.00 hrs, abused, assaulted and threatened him.
It has been my bad luck that my immediate superior
SS/LJN Shri Nand Lal has been in habit of reporting
something against me right from allotment of a
quarter which was ultimately allotted to me by the
DRM/LJN against the report of SS/LJN to this report
as alleged in your aforesaid letter reason best known
only to the reporting agency. I totally deny the
charges. For your information Shri Nand Lal S^D/LJN
has also lodged F.I.R. against me in G.R.P. Lucknow
based on which a court case is pending against me.

17/11/81
12/11/81

As alleged in your second para of the above letter that on 1.1.81 and 8.9.81 I^a tress passed into the residence of Shri Nand Lal abused and tried to assault at both occasions is totally incorrect as such it is denied in toto with a demand of high power inquiry which can reveal the real fact of motivated false reporting made against me.

Last but not least it is very humbly stated to you that misunderstanding existing between SS/LJN and myself have now been removed on 21.11.81. where I have convinced him about my innocence to which he has agreed. Thus it is prayed that in light of compromise made, case may kindly be dropped. I hereby assure you to remain always disciplined in future.

Thanking you,

Faithfully yours,

Through :- Proper Channel

Sub: An appeal against the penalty of
dismissal from service under Rule 14(II)
of Rly. Servants (Disciplinary and
Appeal) Rules, 1968.

Ref: No. DOS/SS-2/81 dated 3.12.1981 issued
by Sr. Divl. Optg. Supdt., N.E. Rly/
Lucknow.

Sir,

Aggrieved by the arbitrary penalty of summary
dismissal from the service under Rule 14(II) of
Disciplinary and Appeal Rules, 1968, imposed by the
learned Sr. Divl. ~~Supdt.~~ Optg. Supdt., North Eastern
Railway, Lucknow, I beg to submit the appeal to your
honour on the following grounds amongst others for
your kind and judicious consideration.

That, by a letter No. DOS/SS-2/81 dated 18.11.81
issued by Sr. Divl. Optg. Supdt., N.E. Rly./Lucknow,
I was asked to offer my explanation on the baseless

17/8

in 4421 on 4/8

allegations that on 17.11.1981, at about 12-00 Hrs.

I entered the chamber of Shri Nan Lal, Station Supdt./
N.E.Rly/Lucknow Jn. while he was discussing with

Shri R.P. Shukla, Chief Reservation Supervisor/LJN

and assaulted Shri Nand Lal, and also tried to drag

him out of his office and threatened him that he

and his family would not be alieved. Further it was

learnt that on the mid-night of 1.1.1981, I tres-
passed into the residence of Shri Nand Lal, abused

him and threatened him and of his family. And again

on 8.9.81, at about 20.00 Hrs. (20-00 Hrs) I had

abused Shri Nand Lal in his chamber and had tried
to assault him.

That the basis on which the said allegations
were levelled against me, and the documents, materials
and evidence by which the said allegations were
proposed to be sustained were never disclosed to me,
nor I was given access to them.

That, however, in compliance with the orders of
the learned Sr.Divl. Optg. Supdt., N.E. Rly., Lucknow,
I offered my explanation and denied the allegations
categorically and in toto by my letter dated 30.11.81
I also refused the allegation of assault, trespass,
abuse and threatening in my letter cited above; I did
never trespass and threatened his family at any
occassion what-so-ever.

1718

10/11/21/10/11/8

That, in my explanation dated 30.11.1981, I submitted that I did not enter the chamber of SS/LJN on 17.11.1981 at 12-00 Hrs. nor I assaulted, abuse, nor I threatened him and his family. It was a bad luck for me that SS/LJN, Shri Nand Lal, was in the habit of reporting against me off and on since I approached DRM/LJN for allotment of a Rly. Quarters in favour of me while SS/LJN, Shri Nand Lal, refused to allot the said quarters in favour of me. DRM/LJN very kindly allotted the said quarters in favour of me and Shri Nand Lal, SS/LJN became annoyed with me and made false complaints against me. He also made a F.I.R. lodged against me in the G.R.P. Station/Lucknow on 17.11.1981. A court case is thus pending against me on that issue.

That, further I did neither trespass on 1.1.81 into the residence of Shri Nand Lal, SS/LJN, nor abuse nor threatened him and his family. It was simply a false allegation and there was no iota of truth. It was also a false allegation that I tried to enter the Chamber of Shri Nand Lal, SS/LJN on 8.9.1981 and had tried to assault him at about 20-00 Hrs. Because of the facts that both the allegations were not based on any material proof; and were based on hearsay as it was already stated in the Sr. Divl. Optg. Supdt/Lucknow letter dated 18.11.1981 as "it was learnt". In this

12/11/81

12/11/81

connection I again called on your attention in the para cited above that SS/LJN, Shri Nand Lal, started in a habit of reporting against me off and on on a dispute of allotment of a Rly. Quarters in my favour and which was done by the honourable DRM/LJN subsequently.

That, I have convinced Shri Nand Lal, SS/LJN, on 21.11.1981 and the misunderstanding existed in between was removed, and SS/LJN, Shri Nand Lal was also convinced.

That, while calling for my ~~ex~~ explanation the learned Sr. Divl. Optg. Suput./N.E. Rly/Lucknow Jn. by his letter No. DOS/SS-2/81 dated 18.11.1981 asked as to why disciplinary action should not be taken against me, but no such disciplinary action was taken, and a final order of imposition of penalty of dismissal from service arbitrarily was issued in malafide and colourable exercise of powers against which the appeal is submitted.

That, I have been dismissed from service straightway summarily and arbitrarily shortcircuiting the procedure contained in the Rly. Servants (Discipline and Appeal) Rules, 1968, violating Article 14 and 311(2) of the Constitution of India without affording me any read and effective reasonable opportunity of being heard. The documents, materials and evidence upon which the allegations were based

B
15/8

144421 m 418

and the witnesses by whose the same were proposed to be sustained have never been disclosed; nor I have ever been given access to the material documents, nor afforded opportunity of examination of witness in support of the allegations in my presence, nor even an opportunity of cross examining them. I have also not been afforded opportunity of marshalling evidence in my support in a proper D.A.R. inquiry and right of being represented by a Defence Counsel of my choice. On the contrary, the learned Sr. DOS/LJN in his order dated 3.12.1981 imposing penalty of dismissal from service has observed that "it is not reasonably practicable to hold an inquiry in the manner provided under rule 9 to 13 of Discipline and Appeal Rules, 1968 and in exercise of the powers vested in me under Rule 14(II) read with proviso (b) to Article 311(2) of the Constitution of India and considering the circumstances of your case", he has decided to dismiss me from service.

That, the impugned orders are wholly illegal and without any basis, discriminatory, bad in law and without jurisdiction. The purported order has been passed malafide, arbitrarily and illegally with a view to victimise me.

That, the impugned order does not disclose the real state of affairs and the circumstances of the

17/8
Indulgent

A-38 38

case on the basis of which the learned Sr.DOS/LJN has taken recourse to extra-ordinary powers in dispensing with the whole process of Disciplinary action including dispensing with the statutory DAR ~~inquiry~~ inquiry. This should have been recorded on the fact of the dismissal order itself. These have not been recorded, my right of appeal against the penalty has been abridged and stultified. An order without any reason recorded in the order itself cannot be tested on the ground of malafide as in the absence of reason it is impossible to ascertain whether the authority acted arbitrarily, capriciously, with malice, or not. It is inconceivable to think that a decision would be without any reason and the reasons for that action are to be found elsewhere. Application of mind is to be seen from order itself. Lack of reasons in the order of a quasi-judicial nature cannot be remedied by looking into the departmental file in support of the order.

B
1718
Inquisition (418)

That, it has been well settled that Rule 14(II) can be exercised by a Disciplinary Authority when it is not reasonably practicable to hold an inquiry and the state of affairs and circumstances under which holding of such inquiry is not practicable should be recorded on the fact of the order. The words "for reasons to be recorded" postulates that

A-39 39

satisfaction arrived at upon consideration of relevant materials that it is not reasonably practicable to hold an inquiry in the manner (manner) provided in the rules. There must be existence of objective facts as for example when the delinquent is absconding his whereabouts are not known; or or prevailing circumstances are such that no officer at the risk of his life could hold an inquiry; or for fear of life no witness would come forward to depose. No such circumstance and state of affairs prevailed in the present case, as I was working, was available for inquiry, and there was no fear, or risk of life on an officer, or any witness as I have always espoused the cause of workers peacefully, non violently and in a persuasive manner. I have always acted constructively and co-operated with the Railway Administration in crucial times. Hence the decision regarding impracticability of holding an inquiry arrived at by Sr.DOS/LJN is arbitrary, capricious and it was not arrived at in a fair, judicious and bonafide manner.

B
1716
Inquisition (418)

That, the impugned order is a nullity in as much as it is not a speaking order both from the standpoint of dispensing with the inquiry in the purported exercise of powers under Rule 14(II) as also from the standpoint of the punitive order imposing penalty of dismissal. The impugned order exhibits total non-application of mind and has been passed in violation

of the principles of fairplay and natural justice. The impugned dismissal order is more dumb than a dumb person and deserves to be quashed by your honour.

That, what is meant by "inquiry" appearing in Rule 14(II) is the examination of witness and hearing of arguments in defence. The very work "inquiry" connotes an investigation, or search of truth. In the context of the Rules 'inquiry' means an inquiry proper at which witnesses are examined. There is nothing in Rule 14(II) which would justify the conclusion that Rule 14(II) operates as repeal of Rule 9(1) to 9(19) and Rules 10 to 13 of Rly. Servants (Discipline and Appeal) Rules, 1968, even as regards matters other than holding of an inquiry.

That, the scheme of the rules under Rules 9 of D.A.R. 1968, clearly shows that the inquiry proper commences at the point of time when the stage of filling of the written statement of defence is completed after issue of Memorandum, inspection of documents, nomination of Defence Counsel and consideration of written statement of defence. Sub_Rules 7 to 10 of Rules 9 of D.A.R., 1968, clearly shows that it is after receipt of written statement of defence that steps have to be taken in regard to holding of an inquiry. Rules 9(10) refers to "steps preliminary

12/8

14/11/21/11/18

to the inquiry" and provides that inquiry may take place within one month after those steps are complied with. The said Rules may be quoted.

"9(10) after the nomination of assisting Railway Servant, or a Railway Trade Union officials, and the inspection of documents and other necessary steps preliminary to inquiry are completed, a date ordinarily not exceeding one month shall be fixed for inquiry and the Railway Servant informed accordingly".

That, it is absolutely clear from the above Rules that all the proceeding steps outlined in Rules 9(1) to 9(10) are steps leading to the inquiry proper. All are steps of a staircase which lead to what one may call the hall of inquiry. Thus in regard to the interpretation of the word 'Inquiry' appearing in Rule 14(II), it can scarcely be contended that the rule making authority has referred to some other concept of inquiry. If it is realised that the expression "inquiry" has been used in this strict sense, i.e. inquiry proper, in Rule 9(7) and 9(10) no room of doubt remains that it is in this sense that the expression 'inquiry' has been employed in Rule 14(II). That is to say, Rule 14(II) at the highest may authorise dispensing with an inquiry in the sense of examination of witness and hearing of defence. The requirements of Rule 9(1) to 9(10)

B
17/8

14 41 21 415

oblige the disciplinary authority to furnish to the Railway Servant a memorandum under Rule 9 containing the Article of charges, statement of imputations, list of documents by which the list of witness, by whom the Article of chartes and the statement of imputations are based and proposed to be sustained. They also obliged the disciplinary authority to allow the Railway servant to have access to the documents, materials and evidence to enable him to file his written statement of defence. These fundamental requirements are not dispensed with by Rule 14(II); but these essential requirements have not been complied with by the learned Sr. Divl. Optg. Supdt., Lucknow Jn., hence the impugned order of dismissal deserved to be nullified and quashed.

That, neither Article 311(2) of the Constitution of India, nor Rule 14(II) of Rly. Servant (Discipline and Appeal) Rules, 1968, can be construed as singling out Railway servant to deprive him of the rights of being treated fairly and equitably of claiming the enforcement of principle of fairplay and natural justice. Article 14, 15 and 16 of the Constitution of India guaranteed a person equality before law prohibits discrimination and guarantees equality of opportunity for all citizen in matter relating to employment. The purpose of Article

1718

Td 4421-413

311(2) read with proviso is to extend limited constitutional guarantee to the Government servant. It cannot be construed as singling out the Govt. Servant as a class for being denied the right to claim the enforcement of principle of natural justice and fairplay in relation to which even other citizen including those indulge in anti-social activities are so entitled.

In the circumstances stated above, I must humbly and respectfully pray to your gracious honour to kindly cancel, withdraw and/or rescind the dismissal order and reinstatement me in service with full benefits, so that, justice fair and impartial and good conscience may prevail. I also request your honour to grant me a personal hearing before disposal of my appeal,

and the appellant as in duty bound shall ever pray.

Thanking you,

Yours faithfully,

The appeal preferred by you against the orders

DRM/LJN. The operative portion of the DRM's order is
given below:-

14/11/21 and 4/1/82

"Having gone through the papers, I am satisfied

that the Disciplinary Authority has applied his mind and
satisfied himself that it is not reasonably practicable
to hold an enquiry in the manner provided in the rules
and has recorded the reasons for coming to this conclu-
sion in his speaking order dated 3.12.81. According

to provisions of Rule 14(ii) and Article 311(3) of the Constitution, the decision of the competent Authority as to the reasonable impracticability to hold an enquiry is final.

Shri Pandey has asked for a personal hearing to explain his conduct. After considering the circumstances of the case, I do not feel any useful purpose will be served by granting him any personal hearing.

After fully considering various points raised by Shri Pandey in his appeal and the relevant papers, I am satisfied that the penalty imposed is commensurate with the gravity of the offence committed.

The appeal is, therefore, rejected."

Sub:- Disciplinary action against
Sri V.S. Pandey, Guard 'C'/LJN.

Shri V.S. Pandey, Guard 'C' Lucknow Jn. was served with a notice vide this office letter No. DOS/SS-2/81 dated 18.11.81, to explain his misconduct. He was charged for entering into the chamber of SS/LJN on 17/11/81 at about 12.00 hrs. and assaulting Shri Nand Lal, SS/LJN in the presence of Shri R.P. Shukla, Chief Reservation Supervisor. On an earlier occasion on 1/1/81, Shri V.S. Pandey had trespassed into the residence of Shri Nand Lal and abused him and threatened him. Shri Pandey had also abused Shri Nand Lal on 8/9/81 at about 21.00 hours in the latter's chamber.

Shri V.S. Pandey in his reply dated 30.11.81 has denied the charges.

I have given serious thought to the action that should be taken against Shri Pandey about his misconduct on 8/9/81 and 17/11/81. Shri Pandey from time to time has threatened and even assaulted Shri Nand Lal, a Gazetted Officer. It is imperative that such conduct should be put down with a heavy hand. Action under Rule 14(2) of the DAI has become inevitable in this case as Shri Pandey is not likely to participate in the enquiry under Rule 9 of the DAI 1968.

Taking a dispassionate view of misconduct and other charges levelled against Shri V.S. Pandey, as mentioned in this office letter No. DOS/SS-2/81 dated 18/11/81, I have come to conclusion that action under Rule 9 is not possible. There is no alternative but to deal him under Rule 14(2). Reasonable opportunity has already been extended to Shri V.S. Pandey. Under the circumstances he should be dismissed from the service with immediate effect. N.I.P. should be issued to Shri V.S. Pandey, Guard 'C' accordingly.

Ref:- Your office No. DOS/SS-2/81 dated 18.11.81
received by me through postal registered

Sir,

Respectfully I beg to explain as under:-

That it is quite incorrect that I entered in the chamber of Shri Nand Lal, SS/LJN on 17.11.81 at 12.00 hrs, abused, assaulted and threatened him. It has been my bad luck that my immediate superior SS/LJN Shri. Nand Lal has been in habit of reporting something against me right from allotment of a quarter which was ultimately allotted to me by MYRMK the DM/LJN against the report of SS/LJN to this report as alleged in your afore-said letter reason best known only to the reporting agency. I totally deny the charges. For your information Shri. Nand Lal SS/LJN has also lodged F.I.R. against me in G.R.P. Lucknow based on which a court case is pending against me.

As alleged in your second para of the above letter that on 1.1.81 and 8.9.81 I trespassed into the residence of Shri. Nand Lal abused and tried to assault at both occasions is totally incorrect as such it is denied in toto with a demand of high power inquiry which can reveal the real fact of motivated false reporting made against me.

Last but not least it is very humbly stated to you that misunderstanding existing between SS/LJN and myself have now been removed on 21.11.81 where I have convinced him about my innocence to which he has agreed. Thus it is prayed that in light of compromise made case may kindly be dropped. I hereby assure you to remain always disciplined in future.

Thanking you.
