

IN THE CENTRAL ADMINISTRATIVE TRIBUNAL, ALLAHABAD  
CIRCUIT BENCH AT LUCKNOW

O.A. NO. 11/88 (L)

\*\*\*\*\*

Prahlad Narain ..... Applicant.  
Versus  
Union of India & Others ..... Respondents.

Hon. Mr. P.S. Habib Mohammad, A.M.

Hon. Mr. J.P. Sharma, J.M.

(By Hon. Mr. J.P. Sharma, J.M.)

The applicant retired on 31.1.1986 as Head Clerk,  
District Controller of Stores, Northern Railway, Charbagh  
Lucknow, serving under Respondent No.2.

2. The applicant has assailed the order No. 561/E/  
214/E-II ( dated 24.2.1964). In short the contention of the  
applicant is that he was selected and ordered for promotion  
to Clerk Grade-I, but was not so promoted by the respondent  
No.2 in due course and later on was refused by the General  
Manager, Northern Railway Baroda House, New Delhi vide the  
impugned letter.

3. The applicant claimed the following relief:

" In view of the facts mentioned in para 6 above  
it is, therefore, most humbly prayed that the  
Hon'ble Court be pleased to quash the order No  
561-E/214 (Eiid) dated 24.2.1964 from the General  
Manager Northern Railway, Baroda House, New Delhi  
and pass the order to promote the petitioner with  
retrospective effect i.e. from 3.6.1963, against  
the 2nd (Twentieth) quota vacancy allowing him  
with due seniority all future departmental promotional  
benefits with full payment of arrears giving due justice to the petitioner who has  
continuously suffered a recurring short-fall in the  
form of his salary since 1963 and in the shape  
of DCRG, commutation, and leave encashment at the  
time of his retirement on 31.1.1986."

4. The facts are that the petitioner was selected

AM

and appointed as Clerk Grade- II at Charbagh Depot(Store) under respondent.No.2. The next promotional posts was of Clerk Grade- I. In this cadre 10 per cent of the posts were to be filled up by competitive written examination for Departmental Clerks Grade-II and remaining 90 per cent by promotion of Clerks Grade-II. The said examination was held in Feb,1963 and the applicant was declared successful at No.2, out of the three candidates. No.1 and 3 were promoted but the applicant was over-looked and not promoted and he was given assurance that he will be promoted in due course. Subsequently, it was found that there were only two vacancies so, the applicant could not be appointed. The applicant made representation but to <sup>no</sup> avail. The applicant, due to financial and family burden and fear of the departmental authorities being annoyed and no permission to go to the court of law having been granted the petitioner could not obtain shelter of the court. So after retirement again on 10.1.1987, he represented to the Higher Authorities <sup>and no reply was received</sup> and as more than 6 months have passed, so he has filed this application. The respondents filed a short reply on the point of limitation only. The respondent contended that the application is directed against the order passed by the General Manager, Northern Railway on 24.2.1964. By this order General Manager informed the earlier decision that the applicant could not be promoted against the vacancies arising after 31.12.1963. The copy of both the orders were communicated to the applicant on 2.6.1964 by the District Controller of Stores, which is evident by Annexure-6 of the application.

5. We have heard the learned counsel at length and perused the record. The grievance of the applicant is that, in the year 1964, he was not given due promotion on the

le

A12

10 per cent quota reserved for filling up the promotional post to the post of Grade- I of Clerks; to be filled after completion of written examination of departmental candidates Grade-II Clerks in 7.2.1964. The applicant was informed by the letter (Ann-exure-5) that there was a query whether the applicant could be accommodated in the 30th vacancies falling in 1964. The letter is produced literally:-

"In terms of your letter No. 561E/214 (Eiid) of 22.12.1962 a test for anticipated vacancies to be filled in against 10% reserved vacancies was conducted and three clerks of this office were placed on the apanel. Two Clerks were promoted immediately on receipt of the result against the two vacancies reserved for the period up to 31.12.1962. Due to non-availability of approved clerks in grade Rs. 110-180 two vacancies of clerks in grade Rs. 130-300 sanctioned for Diesel Shed, Moghalsarai could not be operated and the third man who was to be accommodated against the 30th vacancy could not be promoted so far.

This employee, Sri Prahlad Narain has represented for his posting against 10% vacancies reserved on the basis of competitive examination. Will you please let this office know at a very early date if Sri Prahlad Narain can be accommodated against the 30th-I vacancy falling in 1964."

On 2.7.1964 vide Annexure-6 it has been clearly revealed to the applicant that the applicant was selected in 1963, and so / could not be given promotional posts in the vacancies occurring after 1964. Thus, for every purpose the applicant was definitely told that he could not be promoted and so he has to seek remedy for redressing his grievance in the competent court at that time. The mere explanation of by the applicant that he was apprehensive of Departmental victimisation or was awaiting / that he may be considered in due course for promotion, would not, by itself make out the ground to go as back as to the year 1964. Under Section 21 any cause of action which / had arisen 3 years before the coming into force of the Administrative Tribunal Act, 1985 could not be looked into at all and the jurisdiction of the Tribunal also in that connection is barred. In short, if

A13

the cause of action has arisen before 1982 then the Tribunal could not look into it, as applicant slept over <sup>his</sup> right for number of years without any rhyme or reasons.

6. Section 21 starts with non-obstante clause and there is an injunction on the Tribunal not to entertain the matter in the event. It is not within the limitation as prescribed under Section 21 of the aforesaid Act. The applicant could not <sup>otherwise</sup> show any law or precedent on the subject.

7. The applicant has since retired from service after 25 years and he wants now to upset everything <sup>per records</sup> in as much as, there were only two vacancies existing in 1963. The promotion given to Nankoo Ram, who was No. 3 <sup>in select list</sup> has to be as the applicant alleged himself at No. 2 struck down and that Nankoo Ram has not been made a party. More over since 1964, there has been an abnormal change in the gradation of Clerks and so that matter now could not be taken again to the pre-judice for others who have been subsequently promoted to even high grades or posts, which were existing as promotional posts in the cadre. The applicant wants to undo what has already been done for all these more than 25 years and that he wants to challenge years after his retirement from service. He has accepted the pensionary benefits and continued to accept the monthly salary without any hesitation or protest.

8. The law on the point of limitation has been expressly laid down in the case of S.S. Rathore Vs State of Madhya Pradesh reported in A.I.R. 1990, Suprem Court at page 10.

"We are of the view that the cause of action shall be taken to arise not from the date of the original adverse order but on the date when the order of the higher authority where a statutory remedy is provided entertaining the appeal or representation is made and where no such order is made, though the remedy has been availed of, a six

↓

A14

months' period from the date of preferring of the appeal or making of the representation shall be taken to be the date when cause of action shall be taken to have first arisen. We, however, make it clear that this principle may not be applicable when the remedy availed of has not been provided by law. Repeated unsuccessfully representations not provided by law are not governed by this principle.

9. Even the letter dated Dec 6, 1988 to G.H. by Dy Controller of States recommending this case does not contain the limitation.  
9. In this circumstance we are of the opinion that

6. favourably for  
the applicant. 10

the respondent have successfully made out the case that the present application is not within the limitation and is barred by Section 21 of the Administrative Tribunals Act, 1985 and so the application is dismissed in limine with the costs on the parties.

Lucknow in the province of Uttar Pradesh on 10.7.1987 as the concerning authorities have not considered for promotion of the petitioner as Clerk Grade-I, and over six months have passed no reply has been received. The Central Administrative Tribunal came into operation with effect from 1.11.1985 and as such the redressals are within the jurisdiction of the Tribunal in terms of Rules 14 Chapter-3, of the jurisdiction, powers and Authority of the Tribunals.

5. Limitation:

I, Prahlad Narain the petitioner, further declared that the petitioner is within the limitation prescribed in the section 21 of the Central Administration Tribunal Act 1985. The respondent No. 2, has not taken proper decision in the case of the applicant's promotion as Clerk Grade-I, Scale Rs 130-300 ( AS ) and thus the applicant could not avail of opportunities of natural justice in regard the promotion, - seniority and further promotions in higher grades.

6. Facts of the Case:

The facts of the case are as under:-

- (1) That the petitioner having been selected by the Railway Service Commission, Allahabad, was appointed as Clerk Grade-II in the Scale of Rs 110-130 to work in Charbagh Depot (Stores) under the Control of the Deputy Controller of Stores, Northern Railway, Alambagh, Lucknow.

A21

(5)

- (ii) That in Class-III posts, the scale of Rs 110-180 was known as initial (recruitment) grade and the personnels working in this scale were designated as Clerks of Grade-II.
- (iii) That towards channel of promotion, the next higher grade was in the scale of Rs 130-300 and the personnels working in this scale were designated as Clerks grade-I.
- (iv) That prior to 6.7.1961, 20% of the posts in the scale of Rs 130-300 were filled in through direct recruitment and the remaining 80% posts were filled through seniority-cum-suitability tests.
- (v) That on approval of the Government the Railway Board revised the above policy of promotion and ordered that from 6.7.1961, onwards 10% of the posts in the category of Clerks Grade-I, in scale of Rs 130-300 would be filled in by the promotion, through a Competitive (written) examination limited to the departmental clerks of Grade-II and the remaining 90% of the posts would be filled through the promotions of Clerks Grade-II on the usual terms and conditions i.e. on the basis of Seniority-cum-suitability.

ANNEXURE-I

- (vi) That in continuation of their above order in the Annexure-I, the Railway Board further added on 20.12.1961:

- (a) the Competitive examination for filling up 10% of the posts should be thrown open to all clerks grade-II.

A21

(5)

- (ii) That in Class-III posts, the scale of Rs 110-180 was known as initial (recruitment) grade and the personnels working in this scale were designated as Clerks of Grade-II.
- (iii) That towards channel of promotion, the next higher grade was in the scale of Rs 130-300 and the personnels working in this scale were designated as Clerks grade-I.
- (iv) That prior to 6.7.1961, 20% of the posts in the scale of Rs 130-300 were filled in through direct recruitment and the remaining 80% posts were filled through seniority-cum-suitability tests.
- (v) That on approval of the Government the Railway Board revised the above policy of promotion and ordered that from 6.7.1961, onwards 10% of the posts in the category of Clerks Grade-I, in scale of Rs 130-300 would be filled in by the promotion, through a Competitive (written) examination limited to the departmental clerks of Grade-II and the remaining 90% of the posts would be filled through the promotions of Clerks Grade-II on the usual terms and conditions i.e. on the basis of seniority-cum-suitability.

#### ANNEXURE-I

- (vi) That in continuation of their above order in the Annexure-I, the Railway Board further added on 20.12.1961:
  - (a) the Competitive examination for filling up 10% of the posts should be thrown open to all clerks grade-II.

PTO

A22

(6)

- (b) The 10% posts in the scale of Rs 130-300 should be worked out on the total number of annual anticipated vacancies occurring after 6.7.1961, the date of issue of revised Board's orders.
- (c) The number of employees to be placed on the panel should not normally exceed the number of vacancies reserved against 10% <sup>quota</sup> ~~grade~~ each year. The Railway Administration should hold the competitive examination every year.
- (d) The names of the employees to be placed on the panel should be arranged in the order of merit.

ANNEXURE-II

- (vii) That the period involved for such examination and calculation of such 10% vacancies was from 6.7.1961 to 31.12.1962 in the first instance because <sup>after</sup> ~~of the~~ publication of the results of 3 vacancies of 1962, the General Manager, Northern Railway, Baroda House, New Delhi, invited further-more vacancies which could have occurred in the year 1963, in the same circular. About the vacancies of 1963, the subordinate offices of the Northern Railway had no prior information and as such the notified vacancies of 1962 were concrete and solid and were no more subject to any anticipation.

PTO

A27

(7)

(viii) That the respondent No. 2 reserved three vacancies upto 31.12.1962, against 10% quota and intimated them to the General Manager(Personal), Northern Railway, Baroda House, New Delhi quite late on 9.1.1963, when there was no ground left for these three reserved vacancies of 1962 being treated as anticipated or not having occurred within the stipulated period.

(ix) That the sc-heduled competitive (Written) examination conducted by the General Manager(Personal) Northern Railway, Baroda House, New Delhi, was held on 10.2.1963, and result thereof published on 27.4.1963. Three personnels of Stores Depot, Almbagh, viz. Shri K.L.Mendiratta, Prahlad Narain, the petitioner, and Shri Nankoo Ram, were placed on the panel of merit No. 1, 2, and 3 respectively and the order for promoting them simultaneously against the vacancies advised by the subordinate offices were also issued.

ANNEXURE-III:

(x) That the tempering the order of merit, Shri Nankoo Ram was promoted first on 3.5.1963, Shri K.L. Mendiratta was promoted next on 3.6.1963 and the applicant who was to be promoted against the 2nd (Twentieth) vacancy by virtue of his merit position was totally ignored. The petitioner was, of course, informed of his success on 3.5.1963 in the examination and till the end of 1963 he was verbally kept assured to be promoted ~~in~~ <sup>in</sup> due c-course to save the person promoted, against 90% vacancies by virtue of seniority-cum-suitability.

ANNEXURE -IV :

- (xi) That the petitioner grew afraid of the malafide intention of the respondent No.2 and as such ~~the~~ claimed to him on 15.1.1964, for his due ~~7~~ promotion where upon paying no heed to my prayer, the respondent No. 2, referred my case to the General Manager, (Personal), Northern Railway, Baroda House, New Delhi, with the following false statements and irrelevant reasons about my non-promotion:-
- (a) the 3rd vacancy being anticipated did not occur.
  - (b) due to ban on recruitment of initial grade-Clerks two clerks could not be made available and as such the two posts of grade-I clerks sanctioned for Diesel Shed, Moghal Sarai, could not be filled. The vacancies could have been filled from Class-IV staff as this ban did / does not apply for promotion from Class-IV to Class-III.
  - (c) Tampering of the panel position was canceled and instead of 3,10% vacancies already notified on 9.1.1963 and 27.4.1963 only two vacancies were exhibited and filled.

ANNEXURE-V.

- (xii) That the General Manager (Personal) Northern Railway, Baroda House, New Delhi did not investigate as to how the candidate at merit No. 3, was promoted all the first and why promotion of the applicant was involved in dispute and why no action was taken by the opposite party No. 2, well in time to set right the anomaly when he had already known that the third vacancy did not arise. However, the applicant was

A25

(9)

refused any promotion against 10% quota reserved vacancies.

ANNEXURE-VI:

(xiii) That the petitioner immediately represented to the General Manager, (Personal) Northern Railway, Baroda House, New Delhi on 14.7.1964, demanding justice and continuously kept praying till at last the present Deputy Controller of Stores, Northern Railway, Alambagh, Lucknow made a thorough enquiry into the petitioner's case and forwarded it to the General Manager (Personal) Northern Rly. Baroda House, New Delhi, for reconsideration, vide his letter No. 247-E dated 6.12.1985. All the administrative lapses and injustice done to the applicant were disclosed but to no avail.

ANNEXURE-VII:

(xiv) That due to financial and family burden, fear of the departmental authorities being annoyed and no permission to go in court of law having been granted, the petitioner could not obtain shelter of the court. However, after his retirement on 31.1.1986 the petitioner tried once more on 10.1.1987 to secure due justice from the Higher Authorities but more than six months have passed and the authorities have failed to <sup>impart</sup> ~~him~~ ~~past~~ due justice to the applicant and hence under sub-clause 1(b) of Clause 21 Chapter-4, "Procedure, his application is within time".

(xv) That in view of the above facts and the following further more orders of the Government and the Railway Board, the extent of injustice done to the applicant is further proved as under:-

A26

(10)

- (a) That the act of promoting the scheduled caste candidate against the first vacancy is against the orders of Government of India, Ministry of Home Affairs, contained in their memoerandum dated 4.1.1957, because it clearly speaks that where promotions are done through ~~and~~ competitive examination limited to the departmental candidates the principle of quantum of reservation to the extent of 12 $\frac{1}{2}$ % for Scheduled caste should be adhrered to. It never permits ~~temper~~ing of the panel position by giving 1st (10th) vacancy) to the scheduled caste candidate who is junio~~r~~ to the applicant in merit position.

ANNEXURE-VIII :

- (b) That the made of promotion against these 10% posts was neither like that of "selection posts" nor like that of non-selection posts and no definite separate orders were issued by the Board regarding percentage of resrvations or abserva-  
nce of the Reservation Roaster.
- (c) That, therefore, the method applied by the different subordinate officers in assigning the posts to the reserved and un-reserved candi-  
dates is not alike and in conformity with any order and as such it is wrong and baseless.
- (d) That the excuse laid down by the respondent No. 2 about creation of the 3rd 10% vacancy is false, because operative-ness of ban on recruit-  
ment, non-availability of two initial grade Clerks, were p-re-knownn fac-ts and as such the 3rd vacancy in the event of any doubt could have not been declared and even if declared it could

have most conveniently been withdrawn and name of the applicant deleted from the panel, which has not been done, so far

- (e) S-heer ~~that~~ injustice has been done as regards life of the panel. In this case, life of this panel was confined to the end of 1963 ( a duration of only eight(8) months ) where as in the normal course it was one year and now it is two years. In the case of promotions against the said 20% quota prior to 6.7.1961, life of the panel allotted was three years from 1959 to 1962. Had this natural justice not been refused to the applicant he could have been promoted against a vacancy arising in 1964 and thereafter.

ANNEXURE-IX :

- (f) Besides this it is also not in keeping with the orders of the Board then prevalent not to hold further examination, not to form further panels and fill-up the 3rd and subsequent 10% quota vacancies by the promotion of grade-II clerks on the basis of seniority-cum-suitability test.
- (g) ~~that~~ The truth is that at that time, promotion from grade-II clerks to grade-I was a matter of about eighteen years. The applicant was the only junior most with five years length of service who had superceded so many of his seniors in the competition and could have got his promotion same 15 years earlier. Therefore, in order to promote some favourite seniors, all the rules and regulations were set aside and future of the applicant spoiled.

(xvi) That the order of the General Manager, Northern Railway, Baroda House, New Delhi, is unjust, improper, illegal, arbitrary, discriminatory and violative of the principles of natural justice.

7. RELIEF (s) sought:

Sub.—Filling of posts of clerks grade I scale Rs. 130-300.

The Government have accepted the recommendation of the pay commission that there should be no direct recruitment to the posts of Clerks grade I, scale Rs. 130-300 and that a proportion of the vacancies in this grade may be filled on the basis of a competitive examination limited to Clerks grade II. They have accordingly decided that the posts of Clerks Gr. I should be filled exclusively by promotions of Clerks Gr. II in departments other than the Accounts Department on the Railways and that 10% of the posts in the category of Clerks Gr. I (instead of 20% as laid down in para 14 of Board's letter No. E(S)I-57CPC40, dated 7-3-1957) may be filled on the basis of a competitive (written) examination limited to Clerks Grade II. The Procedure and conditions to be observed for the said examination will be as under :—

- (a) The examination should be held once a year, separately for each of the different seniority units.
- (b) Each employee may be given a maximum of 3 chances. Employees belonging to Scheduled Castes/Scheduled Tribes may, however, be given an additional chance.
- (c) Every employee with at least one year's service may be allowed to take the examination.
- (d) The subjects of the examination, the time allotted and the maximum marks for each paper should be as follows :—

*Paper (Subject)*

*Marks Time*

- |  |             |
|--|-------------|
| (i) English (including drafting, Precis writing, Essay, Grammar) Proof correcting and Elementary Tabulation (to test candidates ability in the art of compiling, arranging and presenting data in a tabular form). | 100 2 hours |
| (ii) Departmental knowledge paper (including Office Procedure, rules and regulations etc.)   | 100 2 hours |

(e) The qualifying marks should be 50% in each written paper.

(f) The Head of the department concerned should nominate officers for setting the Question Paper and marking Answer books. These officers should get the same honoraria as are admissible to Accounts Officers who deal with the App. II-A Examination.

(g) The usual rules regarding reservation of vacancies for scheduled Castes/Tribes will apply in filling this quota.

3. The Board have also decided that the remaining 90% of the posts in the category of Clerks Gr. I may be filled by promotion from Clerks Grade II in the scale Rs. 110-180, on the basis of seniority cum-suitability.

4. These orders do not affect the employees, already promoted as Clerks Gr. I against the 20% vacancies reserved for being filled by direct recruitment.

5. 20% of the posts in the category of Clerks Gr. I in the Accounts Department on the railways will continue to be filled by direct recruitment as laid in para 3 of Board's letter No. E (S)I-57CPC40, dated 7-3-1957.

Ref: G.M.(P)/NDLS Circular letter No.561E/214(Eiid)  
dt.27.4.63.

---

Sir,

With due respect I beg to state the following lines for your kind perusal and favourable orders -

That in terms of GM(P)/NDLS letter No.561E/214(Eiid) dt. 22.12.62, a competitive test was held on 10.2.63 at various centres of Northern Railway to fill up vacancies against 10% quota upto 31.12.62. As would appear from the letter cited above (extract enclosed) DCOS/Alambagh had advised 3 such vacancies and accordingly only 3 persons including myself were declared successful.

That on the announcement of result two of us were immediately promoted but I was not nor have I so far been given the chance despite my repeated appeals to G.M.(P) New Delhi.

That from the date of result to 31.12.63 I made personal approaches to the Establishment Staff of the DCOS/Alambagh in connection with my promotion and sometimes I was asked if I would like to join at Mughalsarai for which I had given my consent, but to no purpose.

That when the year 1963 was over I had the occasion to feel most restless about my promotion and as such I made an application in black and white to the DCOS/AMV whereupon, vide his letter No.247E/Pt.XVII dated 7.2.64 (copy enclosed), he referred my case to G.M.(P) in the most neglected and ambiguous form.

That from the letter of DCOS/AMV dated 7.2.64, it is crystal clear that after promotion of the two candidates there were still two vacancies and necessary sanction for them was also there. But he did not promote me as two clerks in grade Rs.110-180 were not readily available to fill up vacancies consequent upon my promotion.

That such a ground of withholding my promotion is the most funny and singular because as per general practice in any office or as per establishment code promotions to all the higher posts other than Selection Posts, are always made from lower scales. In my case when vacancies were there and there I was standing eligible for promotion, I should have been rightfully promoted.

That by denying the chance to me not only one moral is evolved but the chance of another qualified person also been seized because instructions contained in of G.M.(P) New Delhi letter No.561E/214(Eiid)

Prabhu Narayan

have not been adhered to.

That since 1964 to date I have been in a series of correspondence with the DCOS/AMV and the G.M.(P) but to no avail.

That atleast, when I sought permission for an interview with your goodself who visited the Alambagh Depot near about 7th December, 1968, the present DCOS was pleased to cancel the interview and see my case personally. As I am told he thoroughly investigated into my case. He also did realize that sheer injustice was done to me by not promoting me when the two vacancies were there. He located that the mistake occurred at the end of establishment staff of the Alambagh Depot. But to my utter disappointment I was given a new negative reply with no substantial reason after a fort night.

Under the above circumstances, I most humbly request your honour to look into my case personally and pass orders for my promotion now. I may further stress that the vacancies were there and for no fault of mine, my promotion is so ruthlessly denied.

DA/-As above.

Subject: Filling up posts of clerks in grade 130-100 (A/S)  
against 10% reserved vacancies on the basis of  
Competitive Examination.

Reference: G.O. (P) New Delhi Circular Letter No. 567/216  
(Ptd) dated 27.4.63.

Sir,

With reference to my appeal dated 6/9.63 and  
subsequently reminder dated 8.11.63 on the above subject, I beg  
to say that more than six months are elapsing from the date of  
my appeal but no order for my promotion has so far been passed.  
In this connection I may once again enclose herewith a copy of  
D.C.O. Alambach's letter No. 247/En. VII dated 7.12.66 for  
your ready reference and stress that the two vacancies for  
Diesel Shed Foghalmara pertained to the period upto 31.12.62;  
 requisite sanction for the same also existed during that year  
and the same could have very well been operated by promoting two  
clerks of grade 110-120, from amongst the then existing strength.  
The question of temporary, therefore, having gone under bar in  
1963 does not arise. On account of this obvious slackness on the  
part of administration, a petty clerk like myself should not be  
allowed to suffer.

X Sanction

In the name of justice, I, therefore, most humbly pray  
your honour with folded hands that my case may kindly be looked  
into personally and orders for my promotion passed now at a  
very early date, because being devoid of this chance, I feel to  
develop some mental set-back which, as I apprehend, may tell  
very much upon myself and my family.

Sir,

Sub:- Filling up posts of clerks in grade 130-300 (AS) against 10% reserved vacancies on the basis of competitive examination.

Ref:- 1. Your letter No 561E/214 (Eid) dated 22.12.62.  
2. Your Circular No 561E/214 (Eid) dated 27.4.1963.

In this connection I may refer to my latest appeal dated 25.12.78. and again beg today that in terms of your letter No 561E/214 (Eid) dt. 22.12.62. a competitive test was held on 10.2.63. and vide your circular of even No dt. 27.4.63. ( Extract enclosed ) three successful candidates including myself ( Second in the merit ) were advised to be promoted quite in conformity with the number of 3 vacancies shown reserved upto 31.12.62. by DCOS/AMV vide his letter No 190E dt. 9.1.63. Two of them were promoted immediately but I was not and my case was kept hurried till 31.12.63 with false assurance of promotion to me.

However, when I <sup>persued</sup> promoted my case in black and white. It was intimated to you by DCOS/AMV vide his letter No 247E pt xvii dt. 7.2.64. ( Copy enclosed ) that I was not promoted due to non-operation of two posts sanctioned for Diesel Shed, Moghalsarai and the cause of this non-operation of post was, in the first instance, shown as non-availability two approved clerks in grade 110-180. In the second instance after six years, the cause of this very non-operation of the post at Moghalsarai was conveyed as the temporary sanction having gone under ban prior to the announcement of the result on 27.4.63. (copy enclosed). Thus the two different causes of non-operation create doubt. Again with regard to number of vacancies reserved against 10% quota upto 31.12.62. DCOS/AMV letter Nos. 190E dt. 9.1.63. and No 247E pt xvii dt. 7.2.64. contradict each other as much as the former declared 3 vacancies and the latter speaks of the two. This contradiction also seems to be more than enough to betray one's confidence.

Leaving the above facts aside, the existence of the 3rd vacancy during the specified period from July 1961 to 31.12.63. can not be negotiated because non-availability the approved clerks in grade 110-180. and expiry of the temporary as sanction before announcement of the result were pre-known facts and as such they can not tell upon the creation of 3rd vacancy even in the least.

Further, if the 3rd vacancy had not come into being why at all I was informed and allured of my success and promotion by DCOS/AMV vide his letter No E31 dt. 3.5.63. (copy enclosed) why the administrative unit at Alambagh kept silent in rectifying the mistake and removing the anomaly and why I was not informed of the query raised by you in your letter of even No dt. 24.2.64. (copy enclosed).

Thus in view of the above, contradictions and created abnortquitis existence of 3rd vacancy during the period in question can not be enveloped. I, Therefore, request your honour kindly to review my case and pass orders of my promotion with retrospective effect in view of instructions contained in printed serial No 5470.

Sir,

I beg to say that vide your letter cited above, your goodself did not forward my appeal dated 23.9.1981 to G.M.(P),NDL, advising me that my appeal did not bearing fresh points. Sir, I am awefully surprised to see that my most genuine claim is being turned down and I am compelled to keep mum.

However, I am,once more bringing my case<sup>to</sup> your kind notice and request your goodself to let me know the following points for my satisfaction and consolation.

Firstly your records as well as the circular of G.M.(P) NDLS No.561 E/214 (Rild) dated 27.4.1963 clearly show three vacancies reserved for the period upto 31.12.1962, where as while reffering my case to G.M.(P) NDLS, in line 6th para-I of your letter No.247 E/PT.XVII dt 7.2.64, only two vacancies instead of three thave been shown upto 31.12.1962. Is this not a breach from truth ?

Secondly, the affair regarding the 3 reserved vacancies being anticipated is most unintelligible and beguiling because we anticipate only for a thing which has not occurred and is expected to occur very soon. When the examination was held in Feb.1963 and your last intimation about the existance of 3 vacancies was sent to G.M.(P)NDLS quite late in January 1963, then how the question of anti-cipation can arise in the case which is strictly restric-ted upto 31.12.1962.

Lastly, the plea taken in para one of your above quoted letter regarding non-availability of two approved clerks in grade 110-180 and consequent non-operation of two vacancies at Diesel Shed, Mugal Sarai fails to bear a shæeld and subscontality in as much as your records

24  
Prabha Naran

clearly confirm the entry of two new entrants in grade 110-180 in 1963 which could have very well made good the so-called above short coming.

In view of the facts, I request you kindly to consider my case sympathetically and intimate to me as early as possible the decision and reply of my queries.

Ref:- G.M.(P) Circular letter No. 561E/214(E11d) dated 27.4.1963 and your letter No. 247E/Pt.VII dated 7.2.64.

Sir,

In this connection, I may refer to my appeal dated 3.7.64 and subsequent reminder dated 9.2.65 and once again bring the following facts of my case of promotion for your kind consideration.

That the circular of G.M.(P)/NDLS No. 561E/214(E11d) dated 22.12.62 where under the competitive test was held and the G.M.(P)/NDLS letter of even no. dated 27.4.63 where by the result was announced, mainly stood for the 3 reserved vacancies of 1962. I should have then been promoted alongwith the other two candidates. But it was not done so.

Further the reasons for my non absorption as shown in your above cited letter and your letter of even no. dated 29.1.69 are not comprehensible and plausible because the facts of non availability of two lower grade clerks (110-180) and expiry of the sanction of two posts at Mughal Sarai on its scheduled date were already known to the administration quite well in advance and prior to the sending of an intimation of 3 reserved vacancies of 1962 to Hd.Qrs. at later date i.e. on 9.1.63.

Again when I was not to be promoted against my due quota of 1962 and more so even of 1963, then why at all I was informed on 3.5.63 of my success in the test to up-set my mental equilibrium and why no steps were taken to get my name deleted from the list. Thus an omission of circumspection substantiates the existence of the 3rd vacancy and guarantees of my promotion.

However, in view of the above facts and paras 4 to 8 of G.M.(P)/NDLS letter no. 631E/214(E11d) of 3.12.61, I request your goodself kindly to review my case and promote me with retrospective effect as early as possible under intimation to the applicant.

G.M.(P) Circular letter No.561 E/214(Eiid) dt 27-4-1963.

Sir,

Most humbly I beg to say that for the last 22 years, I have been striving to achieve my long due promotion but my case has all along been excepting precise and just probe by the authorities. However, being sure that my case has got a moral and legal footing. I am once again laying down my case for kind scrutiny and justice:-

(A) ORDERS OF G.M.(P) CIRCULAR NO.831-E/273/E-IV of 30-11-1961.

1. For promotion from grade 110-180 to 130-300, 90% posts to be filled on seniority-cum-suitability basis and the rest 10% reserved to be filled through competitive test.
2. Such competitive test to be held every year.
3. Only as many candidates to be placed on the panel as would be advised by the respective units of H.R. to G.M.(P).
4. 10% quota posts would not be filled through Seniority-cum-suitability media.
5. Name of a paneled candidate, who is not absorbed in the particular year would be carried forward.

(B) CASE IN BRIEF :-

Accordingly, in terms of G.M.(P) l.no.561-E/214(Eiid) dated 22-12-1962 a test was held on 10-2-1963 on H.Rly basis. This examination covered two phases-one to fill up vacancies upto 31-12-1962. As against advice of D.C.O.S., Alambag vide his letter No.190-E dated 9-1-1963, only three persons including myself were declared successful by G.M.(P), NDLS in his letter No.561-E-/214(Eiid) dated 27-4-1963 against the reserved quota of 1962. The quota of 1963 went blank. Two persons were promoted but I was given no chance neither against the scheduled quota of 1962 nor that of 1963.

On appeal from my side my case was referred to G.M.(P) vide D.C.O.S., Alambag letter No.247-E/PT-XVII dt 17-2-1964 stating the cause of my non-absorption and recommending for my promotion against a vacancy of 1964. The G.M.(P) was pleased to

hanging in space and decisions so far taken are based on mere speculation without any enquires and passing final orders.

7. That in support of the legal aspects of my case, I may refer to G.M.(P), NDLs letter no. 561-2/113-PT(R114) of 24-9-1963 to D.C.O.S., Alambag where under the case of my colleague Shri V.D. Ahuja was turned down, because he was not on the roll of N.Rly when he passed a test to fill up vacancies against graduate quota in 1956. He appealed and secured promotion with retrospective effect and is for the present enjoying benefits of the post of an Office Superintendent.

reply negatively vide his letter No.561-E/214(E114) dated 7-2-1964.

(C) MY GRIEVANCES :-

As given in D.C.O.S., Alambag letter cited above, the 3rd vacancy did not occur because two Railway Service Commission pannelled staff were not available to operate two Senior-clerk grade vacancies sanctioned for Diesel Shed, Moghal Sari and that the said sanction had expired before announcement of the result on 27-4-1963(247-E of 29-1-1969).

(D) ARGUMENTS :

1. That the two posts could be got operated from amongst the staff already working in grade 110-180 as done for operation of two posts of Wardkeepers against the same sanction.
2. That had, as soon as the sanction expired, my case been referred to H.O. Office, some solution would have assumed by been obtained.
3. That as pointed out by D.C.O.S., Alambag in his letter No. 247-E dated 11/12-3-1964, when 26 promotions had been done, it meant that 0.8% of the 3rd vacancy was in existence which mathematically meant to one unit and confirms the existence of the subject vacancy in 1963.
4. That the presence of sanction for diesel shed, Moghal Sari to allow the two posts go un-operated, not to initiate for any solution on expiry of the sanction and lastly to inform me of my success vide letter No. E/131 dated 3-5-1963 do guarantee the existence of the 3rd vacancy and prove me an open victim of administrative lapses.
5. That as elaborated by Dy.C.O.S., Alambag in his D.O. letter No. 247-E dated 4.2.77... to Shri Deo Raj, A.P.O. (C), H.O. Office New Delhi in reference to his D.O. letter No. 145-E/C-26551/Lo 88 dated 31-1-1977, no further competitive tests were held and 10% vacancies were filled by promotion of staff on Seniority-cum-suitability basis. Obviously this is a violation of The Railway Board's orders because there are no instructions either of the Railway Board or of the G.M. (F), N.Rly to adopt the above policy of seniority.
6. That as would appear from D.O. letter No. 145-E/C-25751-Lo/RS-988 dated 18-3-1981 from Shri M.M. Malik, A.P.O. Gr-I to Shri M.B. Lal, A.P.O., Stores, Alambag, Lucknow, my case has been

hanging in space and decisions so far taken are based on mere speculation without any enquires and passing final orders.

7. That in support of the legal aspects of my case, I may refer to G.M.(P).NDLS letter no.561-2/113-PT(R119) of 24-9-1953 to D.C.O.S., Alambag where-under the case of my colleague Shri V.D. Ahuja was turned down, because he was not on the roll<sup>of</sup> N.Rly when he passed a test to fill up vacancies against graduate quota in 1956. He appealed and secured promotion with retrospective effect and is for the present enjoying benefits of the post of an Office Superintendent.

PRAYER :-

I am due retirement on 31-1-1985 and as such I request your honour kindly to promote me with retrospective effect within my service period so that I may be saved from the pecuniary loss evaluating to approximately Rs.40.00 Thousand and still more important from the loss of physical soundness.

NORTHERN RAILWAY

NO: 247 E/

Dated: December 6, ,85.

The General Manager (P)  
N.Railway, Baroda House,  
New Delhi.

Sub:- Filling up posts of Clerks in Grade 130-300 (AS) against 10% Reserved Vacancies on the basis of competitive Examination.

Ref:- D.O.Letter No. 145E/C/-25751-IO/RB/SSB dated 18.3.81 from Shri M.M.Malik, APO, Gr. I to Shri M.B.Lal, APO, Stores/AMV Lucknow.

As is quite evident from G.M.(P) circular letter No.561E/214 (B1id) dated 27.4.1963, Shri Prahlad Narain, an employee of CB depot whose appeal is enclosed herewith and which is self-explanatory qualified in the scheduled test against the reserved quota of 1962. Two of his colleagues who also passed the subject test were promoted in 1963 but the employee was given no chance and as such he has been after it so long.

As expressed in DCOS/AMV letter No.247E Pt.XVII dated 7.2.64 (copy enclosed), the two posts of Sr. Clerks sanctioned for Diesel Shed Mughasarai could not be got operated due to non availability of R.S.C. panelled candidates of Grade 110-180 and the 3rd vacancy did not arise and the employee could not be promoted in 1963 against quota of 1962.

After going through the office records, it is revealed that the arguments as laid down in para D of enclosed appeal of the employee are quite plausible. Orders of GM(P)/NDLS circulated in his letter No. 831E/273/E-IV of 30.11.61 devising a policy for filling up 10% reserved vacancies from 1962 onwards have not been adhered to fully in as much as, when-ever the 10% reserved vacancies came into being, no further competitive examinations were held and neglecting the qualified employee, Shri Prahlad Narain, the subject vacancies were filled through promotion of staff on seniority-cum-suitability basis. This is openly affirmed in a D.O. letter from No.247E dated 4.2.77 from Dy.COS/AMV/IKO to Shri Deo Raj, APO/C Baroda House New Delhi (copy enclosed). Besides this as apprised in D.O.letter referred to above from Shri Malik & APO/ Hd.Qrs. to Shri Lal A.P.O./Stores/AMV, without any final decision of the Railway Board having been received or achieved, the case of the employee has been brought to closure.

Therefore, in face of the meritorious performance of the employee and also his faultlessness, it is recommended to reconsider his case favourably so as to cover up the administrative divergences and effect the required reconciliation.

Copy of Memorandum No. 5/4/55-SCT.I, dated 4-1-1957 from the Government of India Ministry of Home Affairs, New Delhi, to all Ministries of the Government of India etc.

Sub.—Reservation for members of the Scheduled Castes and Tribes in posts filled on the basis of departmental examinations of a competitive nature.

As the Ministry of Finance etc., are aware, reservations in the public services are made in favour of members of the Scheduled castes and the Scheduled Tribes in posts which are filled by direct recruitment from the open market, but not in those filled by departmental promotion. The procedure to be followed in making selections against the reserved vacancies filled by the direct recruitment from the open market as well as the vacancies filled by departmental promotion in the case of members of the Scheduled Castes and the Scheduled Tribes has been laid down in this Ministry's Office Memorandum No. 2/11/55-RPS, dated the 7-5-1955. Where promotion is made on the principle of seniority subject to the rejection of the unfit or subject to the passing of departmental tests of qualifying nature, the instructions are that officers belonging to the Scheduled Castes and the Scheduled Tribes should be judged in a sympathetic manner and the standards applied to them need not be unduly high.

2. It has been represented to the Ministry of Home Affairs from time to time that the existing instructions do not ensure adequate representation of the Scheduled Castes and the Scheduled Tribes in the higher grades of the public services. As a result for recruitment to Grade III of the Central Secretariat Service through the limited competitive examination prescribed under the Scheme, an ad-hoc reservation of vacancies, in relaxation of the normal rules, has been agreed to in favour of candidates of the Scheduled castes and the Scheduled Tribes. Similar reservations exist also in certain cadres in the P & T Deptt., which are filled on the basis of competitive examinations and restricted to departmental candidates serving in lower grades. In the interest of securing uniformity of practice and procedure it has now been decided that the principle of reservation should be extended to all grades in all services which are filled by promotion through competitive examinations limited to departmental candidates, and that the quantum of reservation in each case should be the same as has been prescribed for posts filled by direct recruitment through open competitive examinations, viz 12½% for the Scheduled Castes and 5 percent for Scheduled Tribes. As in the case of direct recruitment by examination the appointing authority, the U.P.S.C. or other recruiting authority as the case may be, will have full discretion to appoint or recommend for appointment candidates of the Scheduled Castes and the Scheduled Tribes who may have obtained comparatively low places in the examinations except where such authority considers that the minimum standard necessary for the maintenance of the efficiency of the administration has not been reached. Where candidates are selected in this manner, the appointing authorities, will make necessary arrangements to give them additional training and coaching so that they may come up to the standard of others appointed along with them.

1. CORAM:

Hon'ble Justice U.C. Srivastava, V.C

Hon'ble Mr. K. Chayya, Member(A)

( By Hon. Mr. K. Chayya, Member(A) )

This review application is directed against the order and judgement dated 12.4.90. The applicant who retired from the service of the Northern Railway as Head Clerk on 31.1.1986 approached the Tribunal more than two years there after raising the grievance against non promotion as Clerk Gr. I and prayed that he be promoted w.e.f. 3.6.1963 with all consequential benefits of seniority and that the order dated 24.2.64 rejecting his claim for the said promotion be quashed.

2. The applicant entered in the service as Clerk Gr. II. Promotion to the post of Clerk Gr. I was either on the basis of seniority or by competitive

A4

: : 2 : :

examination. 90 percentage of the vacancies were to be filled in by promotion on the basis of seniority, while 10 percentage was opened to competitive examination among the departmental candidates. The applicant appeared for the departmental competitive examination held in 1963 and was declared successful. His name was at No.2 in the merit list of three candidates. The respondents however, promoted the candidates at merit list no.1 and 3 and he was over looked. He made several representation but no avail. He approached the Tribunal by filing an application on 27.4.88. The case of the applicant was that as he stood at merit position 2 ~~and that~~ he should have been promoted if not against the vacancies of 1963 but against the vacancies of 1964 or thereafter. The case was contested by the respondents on the point of limitation since the cause of action arose in 1963 and that the application was filed in 1988.

3. The case was heard and the application was dismissed holding that the respondents have successfully made out <sup>a</sup> ~~the~~ case that the present application is not within the limitation and is barred by Section 21 of the Administrative Tribunal Act 1985.

*B*

...../p3

A5

: : 3 : :

4. In this review petition, the applicant has pointed out that the Tribunal erred in holding that the application was barred by limitation, since the applicant has preferred statutory appeal to the railway Board and that was pending and also that he has been making representations to the department from time to time between the period 14.7.1964 to 10.1.1987. The other ground urged by the applicant is that in as much as his fundamental right for promotion is involved in this case and that right cannot be abrogated by the plea of limitation. He also pleaded that Article 16(1) and 14 of the Constitution were violated in as much as equal protection of law and rule of law was not followed in his case. It is also his contention that the denial of promotion was a punishment and that could not have been imposed without initiating the disciplinary proceedings. He was higher in merit over Nanku Ram who was at sl. no.3 in the merit list and he should have been promoted in preference to the said Nanku Ram.

5. From the record, it is noticed that the applicant's case has been considered by the Administration more than once and the applicant

has been told in clear and unambiguous terms that as there were only two vacancies in the year 1963 one in the general and the other in the reserved category and that the third vacancy was not available to the applicant, he could not be promoted and as the selection is against 10 percent Departmental quota he was not eligible for consideration for the vacancies falling in 1964. It is also noticed that sanction for two posts at Mughal Sarai expired in 1962 which was much earlier to the selections of 1963. In other words, there were only two vacancies one in the open category and the other in the reserved category and the candidates at sl. no. 1 and 3 were appointed against these vacancies. The candidate at sl. no. 3 ~~was~~ in merit was a reserved candidate. The applicant has also urged that the Tribunal has not considered the case law cited by him. We have carefully considered the various contentions raised by the applicant both on the point of facts and on the point of law. Admittedly, the applicant was successful in the 1963 selection ~~but~~ but he could not be promoted for want of vacancy. He represented to the Administration which was considered and the applicant was informed as to the reasons why he was not promoted. However, it would appear that in the year 1977 he was

4

promoted as Senior Clerk and thereafter he also became Head Clerk and retired from that post. His application was dismissed on the ground that the applicant should have ~~sought~~ legal remedy long back since the cause of action relates to the year 1964 and it is being agitated in the year 1988. The point of limitation was discussed extensively in the judgement, and placing reliance on the decision of the Supreme Court in S.S. Rathore Vs. State of Madhya Pradesh (A.I.R 1990 S.C, page 10), wherein it was held that repeated unsuccessful representations not provided by law do not save limitation. The applicant's representation was considered and as for ~~back~~ in 1981 the applicant was informed that his case is closed and the question of re-examination does not arise as there are no fresh points for consideration.

6. Reference has been made to the case of G.C. Gupta Vs. N.K. Pandey (A.I.R 1988 S.C-268), wherein it was held that inordinate delay is not merely a factor for the court to refuse appropriate delay but also settled things cannot be unsettled. In this view of the matter, we are of the view that there is no error <sup>either</sup> ~~as error~~ of fact or of law in the judgement of the Tribunal. The scope of review is limited only for correction of patent error of fact or of law which stares one in the face without

AS

:: 6 ::

any elaborate argument being needed for establishing it. We do not find any such error in the judgment.

7. Even on merit the applicant has no case, Merely because he was successful in selection no right of appointment accrues to him, if there are no vacancies. There were only 2 vacancies to be filled in through competitive examination and those vacancies went to others one on merit to a candidate above the applicant and the second one to a reserved candidate. Reference is made to the decision of the Supreme Court in Shankaran Das Vs. Union of India (1991 SCC(L&S)) 800, wherein it was held that a candidate included in merit list has no indefeasible right to appointment even if vacancy exists. In the instant case, even this contingency does not exist as there was no third vacancy available to be given to him. For these reasons, the application is liable to be dismissed and accordingly it is rejected, with no order as to costs.

Vs.

... Respondents

Application for review under section 17 of Central Administrative Tribunal (Procedure) Rules, 1987 against order dated 12.4.90 by Hon. Mr. J.P. Sharma, J.M.

1. That at the time of hearing on 11.4.90, the applicant repeatedly put forth the following arguments supported by rulings of the Supreme Court on stoppage of limitation but the same have been left over unconsidered and the orders passed and hence this review petition.

2. That the respondents betrayed confidence of the Hon. Tribunal by suppressing the facts that validity of the General Manager's order dated 24.2.64 and his jurisdiction both had ended when after some 18 years of confidential negotiations, the highest appellate authority, Railway Board investigated into the case and took it up for their decision. In this way, they misguided the Hon. Tribunal for an adverse order. Since then either due to a severe prick of conscience or due to a fear of impunity confessed the fraud done on 6.12.85, ~~Kanar~~ when ~~xxx~~ the applicant was on the verge of his retirement.

3. on 24.11.88; the need for a detailed reply from the respondents was continuously emphasised and thereafter as a result of unreasoned defaults, the Hon. Bench consisting of Hon. Justice Kamleshwar Nath, V.C., J.M. and Hon. Mr. K.J. Raman, A.M., had to pass orders deliberately for ex-parte hearing on <sup>5.9.89</sup>~~5.3.90~~. But the case having been put up in the declining hours of the court which Hon. Justice Kamleshwar Nath, J.M. illafforded also, hearing was postponed. From that day onwards, on the advice of the respondent, and abrupt total disagreement was brought about on 8.11.90 in the two years old settled judicial proceedings and ultimately the administration of justice has been deflected and the case prejudicated, hitting the application by the same section 21 of the Central Administrative Tribunal Act 1985 under which it was considered and its maintainability was upheld till <sup>5.9.89</sup>~~5.3.90~~. Had the application been prima-facie or otherwise barred by limitation, it would have been summarily rejected under section 3 of rule 19 of CAT Act 1985 or under section 3 of the Indian Limitation Act which is pre-emptory and does not wait for any objection being raised by the opposite party.

4. That the point of violation of statutory rules and infringement of the applicants' fundamental rights which stops the limitation from every angle and which the applicant always asserted in his application and stressed in his rejoinder dated <sup>8.9.89</sup>~~8.9.90~~ and which the applicant supported by dictum of the Supreme Court on 11.4.90 were missed and not mentioned alongwith other reasons in the order of 12.4.90. 5. That in this behalf, most express orders of the Govt. envisaged in Annexure 1 and 2 and in Railway Board's letter Nos. B9set) 570M1/29 dated 27.4.59 and No.B(SCT)620M15/10 dated 24.12.63 at Serial Nos.1, 2, 3 & 4 never allowed that:-

- a) vacancies against 10% reserved quota be filled by such staff as never qualified the scheduled written competitive examination;
- b) promotion of candidates in the select list made in violation of their merit position.
- c) quota for Scheduled caste be allowed in these competitive posts.

6. That as the Hon. Tribunal observed in their finding in para 4 & 5 of their order, the applicant was placed at No.2 in the select list and as such he was higher in merit than Shri Nankoo Ram SC who was placed at merit no. 3. The Hon. Tribunal also observed that out of the 3 notified vacancies the 1st and 2nd vacancy always existed. The Hon. Tribunal further observed that in the absence of reservation of quota for SCs, the applicant had every legal right for consideration of his promotion against the 2nd existing vacancy and he was not concerned even in the least with the existence or non-existence of the 3rd vacancy. But as stressed by the Hon. Tribunal in para 5, the applicant during all his 25 years <sup>never</sup> ~~tried~~ for a vacancy of 1964 to which he is alleged to be disentitled.

7. That in this way, by denying consideration of his promotion article 16(1) of the Constitution of India has been violated infringing his fundamental right and punishing him for no fault of his without any proceedings under Rule (9) of Disciplinary and Appeal Rules, 1968 being observed. By unduly discriminating Shri Nankoo SC and promoting him in preference with the applicant, his fundamental right of "equal protection of law" and the very concept of the "Rule of Law" as enshrined in Article 14 of the Indian Constitution has against been violated.

servant gives notice to the Government, its purpose is to enable the Government to make arrangements for the carrying on of the work done by the Government servant. Whereas the object of the notice is served when the Government decides to terminate the service of a temporary Government servant forthwith without notice, the object is clearly not effected when the Government servant decides to leave the service from any moment he likes without giving notice to the Government even if he foregoes the pay and allowances for the period of the notice. In our opinion, the notice, which the petitioner gave to the Government for termination of his service, did not manifestly satisfy the requirements of rule 12 of the Rules.

11. For the foregoing reasons, this petition is dismissed. The petitioner complained before us about the long delay in the completion of the disciplinary enquiry against him. The complaint is undoubtedly justified. It is clearly not in the interest either of the Government or of the Government servant that a disciplinary enquiry should drag on and be conducted for years in a leisurely manner. The disciplinary enquiry was started against the petitioner in 1961 and he was first suspended on 3rd August 1961. Five years have elapsed since then and there is yet no conclusion of the enquiry. If the Government does not intend to retain the petitioner in service, it should either conclude the disciplinary proceedings as expeditiously as possible or reinstate him in service and then terminate his service, in accordance with rule 12 of the rules. In the circumstances of the case, we leave the parties to bear their own costs. The outstanding amount of security deposit shall be refunded to the petitioner.

The Hon'ble Mr. Justice R. S. Narula.

*For the Petitioners:*—Mr. Abnasha Singh, Advocate with Mr. Maluk Singh, Advocate.

*For the Respondents:*—Mr. M. S. Pannu, Deputy Advocate-General and Mr. A. L. Bahri, Advocate for respondents Nos. 40 and 117. Mr. C. B. Kaushak, Advocate for Respondent No. 34 and Mr. S.S. Sandhawalia, Advocate for respondent No. 13.

**A. Constitution of India, Article 226.**

**Delay and laches in filling writ petition**—No hard and fast rule can be laid—Jurisdiction under Article 226 is discretionary—To be exercised judicially—High Court would consider delay or laches on relevant facts.

**B. Constitution of India, Article 16.**

**Delay of 7 years in filling writ petition**—Delay explained due to not taking final decision on the representation of petitioners—Held, delay need not be held to be unreasonable due to prevaricating attitude of Government. Further held, question of delay or laches does not arise when order was held to be violative of Article 16.

The second objection, which was vehemently pressed by Mr. Pannu, related to the delay after which the petitioners chose to approach this court in 1964 for impugning an order passed in December, 1954. The facts, relevant for deciding this objection, have already been set out by me in an earlier part of this judgment. It would appear that almost immediately after the publication of the impugned order, the petitioners started representing against the same to the Government. It is significant to note that the Government very often took more than a year in replying to the communications of the petitioners and at one time gave them the hope that their grievances would be redressed by creating supernumerary posts in which the petitioners would be equally benefited in the higher scale of pay. It is also noteworthy that even till 1964 the Government did not at any stage finally reject the claim of the petitioners, but continued to tell them that the matter was still under consideration. In these circumstances, I am inclined to think that this case falls within the dictum laid down in (8) Mrs. Dhillon's case (supra), wherein it was held that the question of laches or delay did not arise when the impugned order was held to be without jurisdiction on account of its being violative of Article 16 of the Constitution. Even otherwise, it has been authoritatively laid down by a Full Bench of this Court in (10) Rajinder Parshad and another v. The Punjab State and others, I. L. R. (1966)(2) Punjab 38, that the jurisdiction under Article 226 of the Constitution is discretionary and it is to be exercised judicially and that though delay is one of the factors that comes in for consideration in the judicial exercise of such

7

discretion, the High Court would consider delay or laches on the part of a petitioner on the relevant facts that in the circumstances of each case, and no hard and fast rule can be laid down in this respect. Applying the test laid down in this respect, by their Lordships of the Supreme Court in (11) State of Madhya Pradesh and another v. Bhailul Khai and others, A. I. R. 1964 S. C. 1006, it is apparent that this petition has been filed within the maximum period fixed by the Law of Limitation, within which the ultimate relief claimed by the petitioners could be sought by them by way of a civil suit. Moreover, even if the petition was to be filed beyond such time due to the prevaricating attitude of the Government itself, delay need not necessarily be held to be unreasonable in a petition of this type. Considering all the circumstances of the instant case, I hold that the petitioners are not disentitled to relief on account of the otherwise apparent delay in their approaching this court under Article 226 of the Constitution.

(Para 38)

- C. Common petition by several petitioners—Maintainability of—Held, one common petition is maintainable when petitioners are hit by same impugned order and claim same relief on same grounds.

In view of the fact that all the petitioners had been hit by the same impugned order and were claiming same relief on the same grounds and the further fact that even if such a petition was to be considered by us as being on behalf of any one of the petitioners it was competent in view of the Division Bench judgment of this Court in the (9) State of Punjab and another v. Nauhar Singh and others, ILR (1964)(2) Punjab 38, the learned counsel could not seriously press this objection. For the foregoing reasons, I am inclined to hold that there is no force whatever in the said first objection of the State Government in the circumstances of this case.

(Para 37)

- D. Punjab Education Service Class III Rules, 1954.

Executive Order and statutory rules—Government cannot amend or alter any existing rule by an executive order—No distinction made under rules between J. S. T. and B. T. Teachers for purpose of further promotion—Later on J.S.T. teachers excluded from further promotion by an executive order—Held, order could not amend or alter existing rules.

In the instant case also it is obvious that 1937 Rules relating to Punjab Education Service Class III were in force till they were superseded by the Punjab Education Service Class III School Cadre Rules, 1955. No such distinction for promotion was contained in those Rules. On the authority of the Division Bench in (7) Joginder Singh Grewal's case (supra) it is held that the Punjab Government could not amend or alter the existing rules or even add to them by an executive order so as to exclude from consideration for promotion except for the impugned executive order.

(Para 35)

- E. Constitution of India, Article 16.

Discrimination on basis of qualifications—No discrimination can be made on basis of qualifications between members of cadre fellow—B.T. and J.S.T. (Junior Secondary Teachers) formed joint cadre with common seniority with equal rights of promotion—Later on teachers who were B. T. or passed B. T. before 1-4-1954 picked out of joint cadre to form a

newly created Class II Service with scope of further promotion to Class I Service—This opportunity closed to J. S. T. teachers even they passed B.T. after April, 1954—Held order violative of Article 16 because it denied equality of opportunity among cadre fellows.

The petitioners and the J.S.T. teachers on the one hand and their B. T. counter parts including respondents Nos. 3 to 27 on the other, were recruited by the same machinery on the basis of one general set of minimum qualifications and they started as one single unit in a joint cadre in one distinct service and had a common inter se seniority till the impugned order was passed.

In the instant case the two categories now formed, originally fed into one common category, and, therefore, the persons falling in any of the two categories have to be treated equally in the matter of opportunity of promotion and higher remuneration, etc., for each member of the erstwhile Joint Cadre. There is no force in Mr. Pannu's argument that the two categories started inequally, because of the B. Ts. being given Rs. 20/- as additional pay at the time of their entry into service on account of their higher qualifications. The B. Ts. were, admittedly, put in the same time scale of pay, but were merely given four advance increments. This fact alone did not constitute a separate service for the trained graduates. For all matters they were subject to the same rules and conditions of service and their inter se seniority among the members of the Joint Cadre was admittedly, not affected by the grant of the advance increments.

The impugned order of December, 1954, in so far as it has adversely affected the petitioners, is, in the circumstances of the case, clearly violated of the fundamental right guaranteed to the petitioners under Article 16 of the Constitution.

ORDER.

Shamsher Bahadur, J.—This is a petition of ten women teachers under Articles 226 and 227 of the Constitution of India to challenge the validity of the executive order of the State of Punjab in the Education Department of 10th of December, 1954, bifurcating the service to which they belong in two classes, the distinction being made, according to the petitioners; on arbitrary and unjust basis.

2. It is common ground that the ten petitioners and respondents 4 to 127 formed a cadre called "non-gazetted Class III" of teachers receiving the time-scale salary of 70-150. It is not denied that in this cadre there were teachers who were qualified in J.S.T. (Junior Secondary Training) and B.T. (Bachelor of Training). By the executive order which is sought to be impugned, issued in the form of a memorandum from the Deputy Secretary, Education Department, the service was reorganised. J.S.T. Women Teachers were to remain in the existing grades of 70—150 and 150—220, while those who had the degree of B.T. were adjusted in another grade designated as Class II. This revision in grades, which is called 'biturcation' was to take effect retrospectively from 1st of April, 1964. It is the complaint of the petitioners that when the teachers having J.S.T. and B.T. qualifications were placed in one cadre, there could have been no reorganisation to their detriment, preferring the B.T. teachers who were treated on an equal footing with J.S.T. teachers being in a common cadre before 1st April, 1954. It of a well settled principle that the principle of equality of opportunity enshrined in Article 16 of the Constitution operates both in the matter of recruitment and promotion and when J.S.T. and B.T. teachers had been receiving equality of treatment before 1st April, 1954, there should have been no discrimination made in favour of B.T. and against the J.S.T. teachers after that date. It may be that some principle of intelligible differentia may be made out but broadly speaking the question which arises for determination in this petition is whether the order of reorganisation passed by an executive order and not by any rule under Article 309 is violative of Article 16 of the Constitution? The matter is of considerable importance and effects not only the ten petitioners but a large number of other teachers who are awaiting the decision of this petition, as stated at the Bar by Mr. Abnasha Singh, the learned counsel for the petitioners. The matter is of sufficient importance in my opinion to warrant the decision of this question by a larger Bench as whatever view I may take the aggrieved party is likely to prefer an appeal before a Letters Patent Bench.

1. It may also be noted that the petition is sought to be defeated on the ground of laches, the revision having taken place in the year 1954 and the present petition having been moved as late as August, 1964. It has been contended by Mr. Abnasha Singh that the petitioners have been trying to have their grievance redressed through proper channels and it was only when they were finally denied justice that they have approached this Court. In any event, it is submitted on behalf of

## SERVICES LAW REPORTER

the petitioners that there can be no denial of justice in proceedings as the question they have raised involves a violation of fundamental right. Reinforcement is also sought on behalf of the petitioners on the ground that the non-B.T. qualified teachers have not been given the same treatment as men teachers. Some instances have been shown to exist in the men's cadre where a teacher who had not the B. T. degree before 1954 was promoted to Grade II of the Men's Branch in 1956.

4. As I am of the opinion that the questions which call for a decision are of sufficient importance, I direct that these papers should be laid before my Lord the Chief Justice for constituting a Division Bench for decision of this petition. It would be desirable that an early hearing should be fixed in this case as the question of promotion of teachers is involved.

### ORDER OF THE DIVISION BENCH

R. S. NARULA, J.

The only question, which we have to answer in this writ petition under Articles 226 and 227 of Constitution is whether and, if so, to what extent is the order of the Punjab Government, dated December 10, 1954 (Annexure A) bifurcating the joint P. E. S. (Non-Gazetted) Class III (Women's Branch) School cadre into two different cadres (whereby the interests of the petitioners and other J. S. T. teachers in the erstwhile Joint Cadre in the matter of promotion and future prospects have been seriously jeopardised) is *ultra vires* Article 16 of the Constitution or otherwise invalid and unenforceable.

2. The relevant facts leading to the filing of this writ petition may first be briefly surveyed. This State Education Service was known as the P. E. S. (Punjab Education Service) and has now come to be known for some time as S. E. S. (State Education Service). Prior to 1954, there existed in the State of Punjab, a Joint School Cadre of the State Education Service (Non-gazetted) Class III employees. The time-scale of pay of teachers in the above-said Joint Cadre since April 1, 1946, was Rs. 70—5—90/5—100—5—150. The educational qualification requisite for entry into the said Joint Cadre was J. S. T. (Junior Secondary Training) or B. T. (Bachelor of Training) or B. Ed. (Bachelor of Education). For facility of reference, the non-B. T. teachers in the Cadre, in question, would be called by me "J. S. T. teachers" in this judgement. It is not disputed that in the Joint Cadre, four initial advance increments of Rs. 5/- per year were paid to teachers who had obtained the B. T. degree at the time of their entry into service. Thus, as compared with non-B. T. teachers the B. T. teachers started in the time-scale, referred to above, at the initial step of Rs. 90/- instead of Rs. 70/- per month. It is significant, however, to note that it is admitted that by obtaining the advance increments, a B. T. hand did not become senior to the non-B. T. teachers employed less than four years earlier than him. The seniority of the teachers

the joint cadre was counted from the date of entry into the service irrespective of the comparatively higher or lower educational qualifications and also irrespective of the advance increments given to the J.T. teachers. One more fact which is relevant for consideration, is that the B.T. as well as non-B.T. teachers usually performed same or similar duties, though it has been vaguely stated by respondent No. 2 that the B.T. teachers were "competent to teach high classes" while the J. S. T. teachers were "competent to teach middle classes only". At the bar, it has been admitted that what is intended to be conveyed by the above-quoted plea of the respondent in his written statement is that, in the opinion of the Director, the B. T. teachers were competent to teach high classes and the J. S. T. teachers were competent to teach middle classes, but this did not mean that J. S. T. teachers never taught high classes, or B. T. Teachers never taught middle classes. Still, another undisputed fact, which has to be borne in mind, while deciding this case, that is several non-B. T. teachers used to and continued to obtain higher educational qualifications including the B.T. degree, while in service.

There was a separate Cadre of P. E. S. (Class II) the incumbents of which were serving in the time scale of Rs. 150—10—190/10—220. It would be noticed that the time-scale of pay of Class II employees started from Rs. 150/- per mensem, which was the maximum in Class III. According to the figures given in para 4 of the written statement of the Director, correctness of which has not been disputed on behalf of the petitioners, the position in the above-mentioned two Cadres, as on April 1, 1953, was as follows :—

- (a) Class III (i.e. in the time-scale of Rs. 70—150) B. Ts. 79 and J. S. Ts. 99=Total 178.
- (b) Class II (i.e. in the time-scale of Rs. 150—220) B. Ts. 62 and J. S. Ts. 44=Total 106.

Whenever a lady teacher from Class II or Class III or a male teacher from any of those two grades was promoted to the post of a Headmistress or Headmaster, as the case may be, he went into Class I of the P.E.S. which carried a still higher scale of pay of Rs. 230—10—2.0/10—300. This was the admitted state of affairs when the impugned order (Annexure A) was passed—on December 10, 1954. The order may, for facility of reference, be quoted verbatim :—

"Sanction is accorded with effect from the 1st April, 1954, to the reorganisation of the P. E. S. (Non-Gazetted) Class III (b) School Cadre.

Confidential Report—Withholding of promotion on account of Adverse confidential reports—mentioning of irrelevant and vague remark in confidential Report—Competency of Court to examine confidential reports—Order of withholding promotion quashed as the Govt. order that confidential report was unsatisfactory was not supported by facts.

In our opinion, for the reasons already stated, the petitioner's confidential report for the year 1961 was not relevant; not only that, but even the promoting authority itself considered it irrelevant and insufficient to withhold petitioner's promotion when it was given to him on earlier occasions. Further the statement in the Government Order that his confidential report for 1963 was unsatisfactory is not supported by the document placed before us. The petitioner's promotion was in our judgment withheld on irrelevant and non-existent grounds. (Para 11)

- B. Constitution of India, Article 16—Mysore Civil Service (Classification, Control and Appeal) Rules, 1957. Promotion—Right of Govt. Servant to be considered for promotion is a fundamental right guaranteed under Art. 16 of the Constitution—Denial of this right amounts to imposition of penalty.

Though we are not sitting in appeal over the action of the Government, which is the appropriate authority for consideration of the case of its officials for promotion, the right of an official for consideration for promotion is one of the fundamental rights guaranteed by Art. 16 of the Constitution. When a citizen complains to this Court that he has been arbitrarily dealt with and his fundamental right has been violated, it is the duty of this Court to examine his case whether, the complaint is justified. It is settled law that no Government servant has a right to promotion; his right is only to have his case for promotion considered, which is a right guaranteed under Art. 16 of the Constitution. He may be relieved and directed to join duty at Civil Hospital, Belgaum, forthwith.

3. B. H. Tejram Singh, referred to in the above memo, is respondent No. 4 in the above writ petition. On the same day, respondent 2 issued another memorandum posting respondents 3 and 4 as Lay Secretaries, Grade I, on their own pay scales, pending receipt of Government orders regarding their regular promotions, and they were posted to the Medical College, Bellary, and Wonlock Hospital, Mangalore, South Kanara, respectively.

4. Government order, dated 25th July 1964, on the basis of, which the petitioner was relieved of the charge of his grade I post copy of which was produced before us by the learned Government Pleader, reads :

"Govt. letter No. PLM, 14 MSM 64, dated 25th July 1964 from the Secretary to the Govt. of Mysore, P. H. Labour and Municipal Admn. Dept. Bangalore to the Director of Medical Services, Bangalore.

Sub :- Conversion of Non-Gazetted Lay Secretaries to that of Gazetted Cadre.

With reference to correspondence ending with your letter No. CLT, 61/CR 118476 dated 7-4-1964 on the above subject, I am directed to convey approval of Govt. to the inclusion of the names of Sriyuths B. Umanth and G. H. Katti, Lay Secretaries Class III in the eligibility list for promotion to Class I, Cadre of Gazetted Lay Secretaries. They may be posted early if there are vacancies. As regards Sri Murath Singh orders for his promotion to the post of Class II Gazetted Lay Secretary have been issued in the Notification No. PL 14 MSM 64, dated 25th July, 1964.

Sri P. V. Munavalli should wait for one more year since his Confidential Report for the year 1961 is damaging and that for 1963 is unsatisfactory, as observed by the Public Service Commission.

The Confidential reports as noted in the margin.

Munsiffs came up for consideration before the High Court for inclusion of names in the Panel of Officers to officiate as Subordinate Judges, that the respondent's name was excluded from the said panel and it was decided that after the special report from the District Judge was received, his case would be considered a year later. The respondent challenged his supersession by Munsiffs juniors to him in the Civil List, on various grounds, and one of the ground was, that the action of the High Court amounted to withholding promotion within the meaning of Rule 49 of the Civil Services (Classification, Control and Appeal) Rules which rule corresponds to Rule 8 of the Mysore Civil Services (Classification, Control and Appeal) Rules, 1957. The said contention was repelled by the Supreme Court on the ground that Rule 49 comes into play only while proceedings are taken by way of disciplinary action against a public servant, and in such disciplinary proceedings, the Government servant proceeded against has a right to insist upon the procedure being strictly followed, and since there was no such disciplinary proceedings against the respondent, Rule 49 was not applicable. It is relevant to state that the respondent Amal Kumar Roy did not challenge the reason given by the High Court for his supersession by Munsiffs junior to him and deferring consideration of his case after the special report from the District Judge was received a year later. The circumstances under which the High Court excluded the respondents name from the names in the Panel of Munsiffs suitable for promotion appear from the facts of the case. The Supreme Court was satisfied that the respondent's case was considered along with that of other Munsiffs and the High Court after consideration of the relative fitness of the Munsiffs chose to place a number of them on the panel for appointment as Subordinate Judges as and when the vacancies occurred, and the High Court had exercised its power, after fully considering the respondent's case for promotion, to pass him over for a year and that his case was later considered and he was promoted to higher rank. The facts of the case before the Supreme Court are therefore, clearly distinguishable from the facts in the instant case. In the instant case, the petitioner has challenged his supersession by respondents 3 and 4 who are juniors to him in the Provisional Inter-State Seniority List. A part from the stated reasons, the respondent had not contended that the petitioner is not suitable to hold the posts of Lay Secretary, Grade I.

13. It is settled law that no Government servant has a right to promotion; his right is only to have his case for promotion considered, which is a right guaranteed under Art. 16 of the Constitution. That right can be withheld by imposition of a penalty in accordance with Rule 8 of the Mysore Civil Services (Classification Control and Appeal) Rules 1957; the consideration of his case for promotion may be deferred where for instance disciplinary proceedings are pending enquiry until the conclusion of such enquiry. In the absence of any such penalty or order of postponement of consideration for promotion, he is entitled to have his case considered whenever the occasion for promotion arises.

13. It is not the case of the State that there were any disciplinary proceedings against the petitioner to defer consideration of his case for one year. If the Government, after the consideration of

the relative fitness of the petitioner and respondents 3 and 4, and superseded the petitioner and promoted respondents 3 and 4, such action would have been non justiciable. After withholding petitioner's promotion for one year respondents 3 and 4 were posted as Lay Secretaries, Grade I, pending decision of the Government regarding their regular promotions, which clearly establishes that when the impugned orders were made, the relative fitness of the petitioner and respondents 3 and 4 were not considered and thereby, the equality of opportunity guaranteed by Art. 16 was denied to the petitioner. The action of the Government directing withholding promotion of the petitioner for one year and promoting respondents 3 and 4 without considering the relative fitness of the petitioner and his juniors when the occasion for promotion arose clearly amounts to the imposition of a penalty; and such a penalty can be imposed only following the procedure prescribed by Rule 12 of the Mysore Civil Services (Classification, Control and Appeal) Rules 1957. For these reasons, we hold that the order withholding the petitioner's promotion is illegal and cannot be sustained. The learned counsel for the petitioner submitted that if the impugned orders are quashed, the relief of mandamus prayed for is unnecessary.

15. For the reasons stated above, we allow the writ petition and quashed the impugned order of Respondent I made on 25th July 1964, and the Memo issued on 18-1-1965 by respondent 2 relieving petitioner of the charge of his post and posting respondents 3 and 4 to the said post. Respondents 1 and 2 will pay the costs of this petition. Advocate's fee Rs. 50/-.

Petition allowed.

and its receipts may please be acknowledged immediately." P. V. Munavalli, referred to in the above letter, is the petitioner.

5. In this Writ Petition the Petitioner has prayed for an appropriate writ or order quashing the memo dated 18th January 1965, relieving him of the charge of his 1st Grade post, and the above cited Government order withholding promotion for one year and for a mandamus directing respondent-1 to consider his case for promotion to the post of Lay Secretary Grade I.

6. The aforesaid order of the Government and the memo issued by the Director of Medical Services in Mysore, based on the said order, have been challenged by the petitioner on two grounds, as formulated by Sri, Datar, his learned counsel.

7. The 1st ground was that the order made by the Government that the petitioner should wait for one year for promotion since his confidential report for the year 1961 is damaging and that for 1963 is unsatisfactory, amounts to imposition of a penalty of withholding promotion without affording a reasonable opportunity to show cause. The 2nd ground was that while promoting his juniors, respondents 3 and 4, and superseding the petitioner, respondent-1 has taken into consideration irrelevant matters, such as his confidential report for the year 1961.

8. The petitioner has alleged in his affidavit that the record of his service was throughout satisfactory and, in fact, he has earned three promotions after he came to the re-organised State of Mysore and that the report for the year 1961 was made by one Dr. B. N. Lingaraju, the Dean of the Hubli Medical College, who was inimically disposed towards him and that the said confidential report was actuated by bias. Dr. Lingaraju has filed a counter-affidavit refuting the averment made by the petitioner. The Director of Medical Services who promoted the petitioner, by his order made on 4th March 1964, to the post of Lay Secretary Hospital Grade II, with effect from 16th June, 1963, did not consider from the confidential report for the year 1961 that the petitioner was unsuitable for promotion. After promotion to the post of Lay Secretary, Hospitals Grade II he was placed in charge of Grade I and continued in that charge for a period of over six months. When the question of further promotion to a higher post arose one of the relevant matters for consideration was the confidential reports after he was posted as Lay Secretary, Hospitals, Grade II at Bellary with effect from 26th June, 1963.

9. The learned Government Pleader placed before us (a) the copy of the confidential report for the year 1961-62 (1-4-51 to 31-3-1962), which is stated in the Government order to be damaging, (b) the copy of the report for the period 1-4-1962 to 31-12-62 and (c) the copy of the report for the year 1963.

10. From a perusal of the confidential report made by Dr. Lingaraju for the year 1961-62, it may be seen that certain irrelevant facts have been mentioned by him e.g. under Section II, requiring to state if the petitioner was not yet qualified for further promotion, it is stated that the petitioner has 'evaded payment of house rent.' In our view, mentioning of such and similar facts is irrelevant. Therefore, when Dr. Lingaraju mentions such facts in the confidential report and if the petitioner, in such circumstances, complains that Dr. Lingaraju had made certain adverse remarks against him because he had bias against him, it cannot be said that such a complaint is baseless.

11. In the copy of the confidential report for the period 1-4-62 to 31-12-1962, under every heading mentioned therein, the work of the petitioner is shown as satisfactory, and no damaging or adverse remarks appear. In the copy of the confidential report for the year 1963, under all the heads falling under Section I, the remark is that his work is 'satisfactory'; the 'General remarks' falling under col. 16 are that he is "hard working and reliable, quiet and unassuming." But under Section II, which relates to the degree of fitness for promotion, the general remark reads :—

"His personality and work is not impressive. Otherwise, he is qualified for promotion."

The remark that petitioner's work is not impressive is too vague; the said observation is opposed to the remark under col. 16 in Section I that he is 'hard working' and reliable, quiet and unassuming." A person who is unassuming quiet and hard working, even if unimpressive, cannot be said to be unsuitable to hold a post. Further the learned Government pleader has not shown from the relevant Recruitment Rules that personality is one of the relevant matters for consideration for promotion to the post of Lay Secretary Grade 1. The impugned Government order states that the petitioner's confidential report for the year 1963 is unsatisfactory. The learned Government pleader did not point out any remark in the said report to the effect that the petitioner's work was unsatisfactory during 1963, on the contrary, the remarks are to the effect that his work was satisfactory. Though we are not sitting in appeal over the action of the Government, which is the appropriate authority for consideration of the case of its officials for promotion, the right of an official for consideration for promotion is one of the fundamental rights guaranteed by Art. 16 of the Constitution. When a citizen complains to this Court that he has been arbitrarily dealt with and his fundamental right has been violated, it is the duty of this Court to examine his case whether, the complaint is justified. The sole reason for withholding promotion of the petitioner for one year was, according to the impugned Govt. Order, that his confidential report for 1961 was damaging and that for 1963 it was unsatis-

Munsiffs came up for consideration before the High Court for inclusion of names in the Panel of Officers to officiate as Subordinate Judges, that the respondent's name was excluded from the said panel and it was decided that after the special report from the District Judge was received, his case would be considered a year later. The respondent challenged his supersession by Munsiffs juniors to him in the Civil List, on various grounds, and one of the ground was, that the action of the High Court amounted to withholding promotion within the meaning of Rule 49 of the Civil Services (Classification, Control and Appeal) Rules which rule corresponds to Rule 8 of the Mysore Civil Services (Classification, Control and Appeal) Rules, 1957. The said contention was repelled by the Supreme Court on the ground that Rule 49 comes into play only while proceedings are taken by way of disciplinary action against a public servant, and in such disciplinary proceedings, the Government servant proceeded against has a right to insist upon the procedure being strictly followed, and since there was no such disciplinary proceedings against the respondent, Rule 49 was not applicable. It is relevant to state that the respondent Amal Kumar Roy did not challenge the reason given by the High Court for his supersession by Munsiffs junior to him and deferring consideration of his case after the special report from the District Judge was received a year later. The circumstances under which the High Court excluded the respondents name from the names in the Panel of Munsiffs suitable for promotion appear from the facts of the case. The Supreme Court was satisfied that the respondent's case was considered along with that of other Munsiffs and the High Court after consideration of the relative fitness of the Munsiffs chose to place a number of them on the panel for appointment as Subordinate Judges as and when the vacancies occurred, and the High Court had exercised its power, after fully considering the respondent's case for promotion, to pass him over for a year and that his case was later considered and he was promoted to higher rank. The facts of the case before the Supreme Court are therefore, clearly distinguishable from the facts in the instant case. In the instant case, the petitioner has challenged his supersession by respondents 3 and 4 who are juniors to him in the Provisional Inter-State Seniority List. A part from the stated reasons, the respondent had not contended that the petitioner is not suitable to hold the posts of Lay Secretary, Grade I.

13. It is settled law that no Government servant has a right to promotion; his right is only to have his case for promotion considered, which is a right guaranteed under Art. 16 of the Constitution. That right can be withheld by imposition of a penalty in accordance with Rule 8 of the Mysore Civil Services (Classification Control and Appeal) Rules 1957; the consideration of his case for promotion may be deferred where for instance disciplinary proceedings are pending enquiry until the conclusion of such enquiry. In the absence of any such penalty or order of postponement of consideration for promotion, he is entitled to have his case considered whenever the occasion for promotion arises.

13. It is not the case of the State that there were any disciplinary proceedings against the petitioner to defer consideration of his case for one year. If the Government, after the consideration of

17 1967

factory. In the counter-affidavit filed by the Under Secretary to Government, the action of the Government is sought to be justified on the very same ground. This what the counter-affidavit states: —

"The petitioner's contention that his work was quite satisfactory and that there was no adverse remarks at any time by his superiors, is not correct. The confidential reports for the years 1961 and 1963 were unsatisfactory. The petitioner's case was referred to the Public Service Commission. The Public Service Commission after considering the confidential reports was of the opinion that the confidential report for year 1961 was damaging and for the year 1963 it was unsatisfactory. In view of this opinion, the Government, after considering the case of the petitioner for promotion to the post of Gazetted Lay Secretary (250-500) thought it fit to withhold the promotion of the petitioner..."

(Underlining ours)

On behalf of the State, it was not contended that the Petitioner's confidential report for the years 1962 and 1964 was unsatisfactory or that there were any adverse remarks against him, or that there was any justifiable ground for withholding his promotion for one year. It was also not contended in the counter-affidavit filed on behalf of the State that the petitioners, in the opinion of the Government, was unsuitable to hold the post of Lay Secretary, Grade I, when the occasion for his promotion arose in 1965. In our opinion, for the reasons already stated, the petitioner's confidential report for the year 1961 was not relevant; not only that, but even the promoting authority itself considered it irrelevant and insufficient to withhold petitioner's promotion when it was given to him on earlier occasions. Further the statement in the Government Order that his confidential report for 1963 was unsatisfactory is not supported by the document placed before us. The petitioner's promotion was in our judgment withheld on irrelevant and non-existent grounds.

12. The learned Government Pleader contended that the action of the Government withholding promotion is not justiciable; his argument was that withholding of promotion merely amounts to a case of non-promotion. In support of the said contention, he relied on Clause (3) to the Explanation to Rule 8 of the Mysore Civil Services (Classification, Control and Appeal) Rules, 1957, which states that non-promotion of a Government Servant after consideration of his case for promotion to which he is eligible shall not amount to a penalty within the meaning of the said Rule. He also sought support for his contention from the decision in (1) *High Court, Calcutta v. Amal Kumar Roy*. In the said case the respondent, who was in the Cadre of Munsiffs on the West Bengal Judicial Service, challenged the order of the Calcutta High Court, promoting his juniors to the cadre of Subordinate Judges. From the facts of the said case, it appears, that on or about the 16th December 1954, the cases of several

the relative fitness of the petitioner and respondents 3 and 4, had superseded the petitioner and promoted respondents 3 and 4, such action would have been non justiciable. After withholding petitioner's promotion for one year respondents 3 and 4 were posted as Lay Secretaries, Grade I, pending decision of the Government regarding their regular promotions, which clearly establishes that when the impugned orders were made, the relative fitness of the petitioner and respondents 3 and 4 were not considered and thereby, the equality of opportunity guaranteed by Art. 16 was denied to the petitioner. The action of the Government directing withholding promotion of the petitioner for one year and promoting respondents 3 and 4 without considering the relative fitness of the petitioner and his juniors when the occasion for promotion arose clearly amounts to the imposition of a penalty; and such a penalty can be imposed only following the procedure prescribed by Rule 12 of the Mysore Civil Services (Classification, Control and Appeal) Rules 1957. For these reasons, we hold that the order withholding the petitioner's promotion is illegal and cannot be sustained. The learned counsel for the petitioner submitted that if the impugned orders are quashed, the relief of mandamus prayed for is unnecessary.

15. For the reasons stated above, we allow the writ petition and quashed the impugned order of Respondent I made on 25th July 1964, and the Memo issued on 18-1-1965 by respondent 2 relieving petitioner of the charge of his post and posting respondents 3 and 4 to the said post. Respondents 1 and 2 will pay the costs of this petition. Advocate's fee Rs. 50/-.

STATE OF RAJASTHAN and another

(Respondent)

- A. In *hac* Police Service (Regulation of seniority), Rules, 1954, R. 6—Seniority in Gradation List—Whether confers a right to be promoted as Deputy Inspector General of Police or Inspector General of Police—Posts of I.G.-Addl. damaging the service career of 37 others also who might have otherwise been promoted had not the reservation been wrongly done. Thus Article 16(4) of the Constitution of India has been violated again which neither impliedly nor expressly permits any of the above illegalities in relation to competitive posts.

9. That the greatest illegality and violation of the applicant's fundamental right under Article 311(2) is noteworthy when all the vacancies occurring one after the other in 1964 as well as those in subsequent years have been filled by non-qualified staff ignoring the right of the selected applicant without getting his name deleted from the select list by the Railway Board who is the only competent authority to effect any change in the circular published by G.M. as <sup>per</sup> para (2)B, Section B, Chapter II of I.R.E.M. Second Edition which reads as under:-

"Retention of Railway Board's servants name on a panel will be subject to continued suitability for the post in question. Notwithstanding anything to the contrary, the removal of a Railway servant's name from the panel would require specific approval of the authority next above that which initially approved the panel".

10. That in this connection, the following rulings of the Supreme Court are referred to for kind perusal:-

felt that the chance of redressal of the applicant's grievance in a court of law had grown remote, all the lapses were acknowledged on 6.12.85 with all the concealed references. The first office order at page 6 Annexure 4, the respondent no.2 placed the applicant at Sl.No.3 in order of seniority. Neither any copy of G.M's order at page 4 Annexure 3 nor any reference thereof was ever communicated to the applicant. The consequence being that the applicant could not locate his real position and was misled to believe that promotion of his two seniors was in order and if at all he had any chance, it was against the 3rd vacancy. A 28

12. That in his 2nd letter at page 7 Annexure 5, the respondent no.2 concealed the bare facts. Firstly, he reduced the number of vacancies from 3 to 2 which he himself reserved for 1962 and reported to G.M. He shirked his responsibility of 3 candidates being placed on the panel of 1962-63 on the shoulders of G.M. for which he was questioned on page 7 of Annexure 6 by G.M. in his order dated 24.2.64. All the 3 vacancies of 1962 existed and were filled by two from the select list and the remaining 3rd by a non-qualified staff from 90% quota out of a malafide intention. This he acknowledged on 4.2.77 in reply to a query from the Railway Board on 22.1.77 (at Sl.No.11 and 10).

13. That all the excuses about the ban on recruitment and consequent surrendering of two posts of grade I clerk at Mughalsarai are falsified by para 3 of P.S.No.956 and para 2 of P.S.No. 2105 (at Sl.No. 6 and 8) and the applicant was again misled by his name being suggested against a vacancy of 1964. What is noteworthy here is that copy of that G.M's order whereby promotion was denied was supplied in original but copy of the letter publishing the result of 27.4.63 and copy of letter No.247E dated 11/12.3.64 whereunder queries of G.M. for not absorbing the applicant against one of the 3 vacancies of 1962 were replied to were kept concealed from him.

  
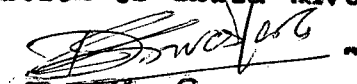

D. N. Srivastava  
A. A. O.  
C.D.A., LUCKNOW.

14. That another glaring proof of the fraud may kindly be seen at Page 12 Annexure 7. The 3rd vacancy vanished with the expiry of the sanction in March 1963 and still the applicant was informed of his success on 3.5.63 and no modification in result of 27.4.63 was carried out although there was enough time of 7 months to bury any anomaly by the end of 1963.

15. That through the order of G.M. at Page 4 Annexure 3, due to unauthorised reservation for SCs, the applicant was misled for good that no.1 and 3 were correctly promoted and that the applicant was rightly left behind to beg for a future 3rd vacancy. Thus in the temptation of 14 years seniority, the applicant like a mad man kept his pursuits alive till 6.12.65. In between the respondent no.2 kept the applicant fascinated for promotion in many ways. He was recommended for exemption from examination on 4.1.75 (at Sl.No.9) but for an arbitrary negative order by G.M. at Page 19 Annexure 7.

16. That so that the applicant may not think of his right, his representations were forwarded on 24.6.78 and 21.12.78 even after his promotion as Clerk Grade I in regular course of 19 years on 28.1.77 and when all the vacancies were filled by the staff of 90% quota at Sl.No.13, 14 and 15. Moreover, queries of the Railway Board at Sl.No.10, reply of respondent no.2 at Sl.No.11 and a 3rd revised order of G.M. (at Sl.No.12) seem to be enough to show how the applicant was kept from the knowledge of his right; how arbitrarily the G.M. revised his previous order of 24.2.64 acting in excess of his jurisdiction and setting aside all the principles of natural justice and ultimately how the supreme authority Railway Board avoided imparting justice to the defrauded applicant after having known the horrible illegalities and involvement of an unprecedented question of law.

17. That in view of the facts, when maintainability of his application was upheld by several Hon. Benches for two years, when a series of Articles of the Constitution of India have

  
D. K. Srivastava

been violated; when the cause of action is continuously shifting and when the respondent no.2, who is the key note of all the anomalies acknowledges himself his own mistakes and administrative lapses, justifies the delay of 25 years in favour of the applicant; conscientiously upholds the applicant as faultless with all the concealed references on 6.12.85 and finally recommends the applicant to G.M. through his quick and repeated reminders on 27.1.87, the relief sought for accures from the consequences of coherent mistakes of the respondents. As such a case based on fraud and reopened on 27.1.87 may kindly be treated to be protected by the provision of section 17 and 29(2) of the Indian Limitation Act which adopts a universal application and on the basis of the same, the Hon. Tribunal in whom all the powers are vested by law may kindly admit the case under section 20(1) and 21(1b) of CAT Act 1985, because after acquiring knowledge of his right after 6.12.85, there was no other statutory remedy except the Railway Board to exhaust which the applicant did on 10.1.87 and 10.7.87, otherwise rule of limitation under section 21 of CAT Act 1985 may prove inconsistent with the provisions of Article 13(2) of the Constitution of India and may attract interruption of the Hon. Supreme Court because the three main tests, nature of the applicant's right, interest of the aggrieved applicant and the degree of harm done by the state action have been ignored.

18. That in the last, the applicant may solemnly pray that in the name of equity and justice when bare truth is made known to your Lordship and error in law is apparent on the face of the record, that the applicant be not deprived of his due justice because of his sheer technical mistake of challenging a void order of 1964 whereof the respondents have unduly and impartially taken advantage of after two years causing a gross miscarriage of justice in favour of the applicant.

5. Reservation for members of Scheduled Castes and Scheduled  
Tribes in posts filled by promotion on Railways.

Reference is invited to Board's letter No. E55CM1/3, dated 5-10-1955. The  
Railway Board have, in partial modification of para. IV of the above letter, decided  
as follows :-

(a) Promotion from Class IV to class III and from Class III to Class II.

The Railway Board have decided that promotions from Class IV to Class III  
and from Class III to Class II service are of the nature of direct recruitment and the  
prescribed quota of reservation for Scheduled Castes and Scheduled Tribes should  
be provided as in direct recruitment. The field of eligibility in the case of Scheduled  
castes and Scheduled Tribes candidates should be four times the number of posts  
reserved without any condition of qualifying period of service in their case, subject  
to the condition that such consideration should not normally extend to staff beyond  
two grades immediately below the grade for which the selection is held.

(b) Promotion from grade to grade in class III.

There are different grades of Class III posts. Some of these posts are  
"Non-selection" posts, promotion to which is made on "seniority-cum-suitability"  
basis, while in the case of others which are "selection" posts, promotion is made  
by a positive act of selection. There will be no quota for Scheduled Castes and  
Scheduled Tribes candidates in respect of promotion to "Non-selection" posts.

For promotion to "Selection" posts, however, there will be the prescribed  
quota of reservation. The field of consideration in the case of Scheduled Castes  
and Scheduled Tribes candidates should be four times the number of posts  
reserved without any condition of qualifying period of service in their case, subject  
to the condition that consideration should not normally extend to such staff beyond  
two grades immediately below the grade for which selection is held.

(c) "General Posts" in Class III.

There are certain other types of posts on Railways such as Passenger Guides,  
Welfare Inspectors, safety Inspectors, Platform Inspectors, Publicity Inspectors,  
Vigilance Inspectors, etc., which are ex-cadre posts filled by drawing staff from

more than one branch. Filling of these posts is in the nature of direct recruitment and the reservation for Scheduled Castes and Scheduled Tribes as applicable to direct recruitment should be applied.

(d) General.

(i) In the event of Scheduled Castes and Scheduled Tribes candidates not being found suitable for promotion, the reserved vacancies may be filled tentatively but not finally by others; the tentatively filled vacancies should be carried forward and included in the number of reserved quota fixed for the next selection. Where the number of Scheduled Castes and Scheduled Tribes employees selected on a subsequent occasion falls short of the total reservation, the number of Scheduled Castes and Scheduled Tribes candidates so selected should just be off set against the reserved posts carried forward. Should there be any reserved vacancies of the previous quota still left unfilled such vacancies should then be treated as unreserved and filled by 'others'.

(ii) Again, where Scheduled castes and Scheduled Tribes candidates are found unsuitable in the selection and thus superseded, such employees should be given two more chances in the subsequent selections before finally judging them as unfit for further promotion. Cases of Scheduled Castes and Scheduled Tribes candidates who are found unfit for promotion should at each stage be placed before the General Manager for his information and such action as he considers necessary.

(iii) While filling the posts on promotion, however, candidates of these communities should be judged in a sympathetic manner and arrangements made where necessary to give to such staff, additional training and coaching to bring them up to the standard of others.

(iv) The decision of the Railway Board providing reservation for Scheduled castes and Scheduled Tribes in promotion vacancies as laid down above, comes into effect from 4-1-1957. It will, therefore, be necessary to calculate the number of posts that should have been made available to the Scheduled Castes and Scheduled Tribes during 1957 and 1958 and these should be carried forward to be filled in 1959 and thereafter in terms of Board's letter No. F (SCT) CM1/61, dated 23-3-1959.

(e) It would be desirable to prepare a list of "General Posts". The Board, therefore, request that a complete list of posts on your Railway which can broadly be included under the heading "General Posts" may be furnished to them as early as possible and in any case, within three months from the date of receipt of this letter.

Please acknowledge.

Sub.—Reservation for members of Scheduled Castes and Tribes in posts filled by promotion on Railways.

The Railway Board have reviewed the orders issued in their letter No. E (SCT) 57CM1/20 dated 27-4-1959. In the course of the review instructions were issued vide letter No.E(SCT)62CM15/10 dated 14-10-1963 that there should be no reservation for Scheduled Castes and Scheduled Tribes in promotions to Class II service. That review has now been completed and the following further decision have been taken :—

- (i) Henceforth there will be reservation for Scheduled Castes and Scheduled Tribes in all promotions by selection from Class IV to Class III and from grade to grade in Class III or in Class IV if any, provided there is no direct recruitment to the particular grade. Reservation for Scheduled Castes and Scheduled Tribes will also be made in categories of posts filled by promotion on the results of competitive examinations limited to departmental candidates. This means that in respect of promotions in.—

(a) Grade to grade within Class IV.

## (b) Class IV to Class III.

In terms of Board's letter dated 27-4-1959 quoted above as amplified from time to time, reservation has so far been provided in all promotions from Class IV to Class III by selection i.e. except where the promotion is by seniority-cum suitability or by trade tests. Reservation will not henceforth be permissible in promotions to initial grades in Class III to which there is direct recruitment.

## (c) Grade to grade within Class III.

In "selection posts" "general posts" filled by selection and posts filled by departmental competitive examinations, henceforth reservation will be confined to those grades where there is no direct recruitment. A tentative list of "Selection posts" where there is partial direct recruitment is attached. These and any other posts where there is direct recruitment in the normal course will be outside the scope of reservation.

- (ii) The provision in Board's letter of 27-4-1959 quoted above that qualifying periods of service prescribed for others will not apply to Scheduled Castes may be treated as cancelled. Selection of candidates from Scheduled Castes and Scheduled Tribes will be subject to their satisfying the prescribed minimum qualifications and standards of fitness.

- (iii) So far, in the case of promotions the percentage of reservation was the same as in direct recruitment with the result that in categories the maximum of which was less than Rs. 300/-, the percentage varied from Railway to Railway. In future in all promotion categories where reservation is provided, the percentage should be uniformly 12½% for Scheduled Castes and 5% for Scheduled Tribes.

2. The above changes will have effect from the date of issue of this letter. Where selections have already taken place on the basis of reservation but promotions have not so far been made, the names of the selected Scheduled Caste/Tribe candidates may be retained on the panel. Their future promotions will, however, be on the basis of the panel position and not by the reservation roster.

Selection posts which are filled partly by direct recruitment also.

The Board desire to clarify that the ban in respect of the creation of posts and filling up of vacancies will continue in respect of ministerial posts and class IV posts in offices including R.P.F. offices except in the case of such posts as are required in connection with developmental schemes.

2. A question has been raised whether, after filling up the vacancies in the cadre as on 31-12-1961, the vacancies resulting from normal wastage thereafter could be filled irrespective of duration of the

vacancy. In this connection, it is clarified that, as the Board's intention is to continue the ban in respect of ministerial and class IV posts as hitherto, Board's approval will be necessary for filling up any post, whether temporary or permanent, added to the cadre after 31-12-1961, but which has been lying vacant for 6 months or more. In cases where, however, the posts had been lying vacant merely due to the time taken in the process of recruitment they may be filled with the personal approval of the Dy. Chief Personnel Officer and the Deputy concerned of the F.A. & C.A.O. This will apply to vacancies arising as a result of normal wastage also.

Sub:- Filling up posts of clerks in grade 330-560 against 10% reserved vacancies on the basis of competitive examination.

Ref:- Your letter No. 561-E/214(EIID) dated 24.2.64.

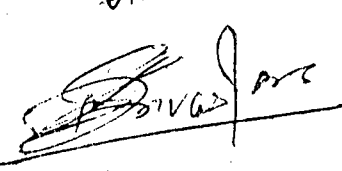

In accordance with the instructions contained in your letter No. 561-E/214(EIID) dated 22.12.62, a test for anticipated vacancies to be filled in against 10% reserved quota was conducted and three Clerks of this office were placed on the panel. Two were promoted on receipt of the result. Two vacancies of clerks in the lowest grade could not be filled in due to non availability of clerks approved by Rly. service commission and as such the third man who had been declared successful and was to be accommodated against the 30th vacancy could not be promoted. His request to promote him against the vacancies falling due in 1964 was turned down vide your letter No. 561E/214(EIID) of 24.2.64.

2) It has already been pointed out in this office letter No. 24 7E of 11.12.64, that the employee could not be promoted against 30th vacancy for no fault of his but because the administration could not fill in the posts in the lowest grade. Had the two unfilled posts in the lowest grade been filled by the approved clerks the employee would have been promoted.

Now the competitive examination is again going to be conducted soon by the Divisional supdt. LKO and applications from willing staff have been already invited and forwarded to him for doing the needful.

The competitive examination which is going to be conducted by D.S. LKO is a test of suitability and in view of instructions contained in printed serial no 5470, it is felt that Sri Pralad Narain who passed the competitive examination in 1963 can be exempted from appearing a fresh and promoted as senior clerk grade 330-560 now. Will you kindly confirm.

2. That the question involved for consideration of the Hon'ble Tribunal is a pure question of law and the applicant's case is fully fortified by law on merit and as such the applicant is fully entitled for the relief claimed.
3. ✓ That this feeling aggrieved with the decisions of the concerned authorities of the department referred to above, the applicant confidently further represented his case before the Railway Board vide his application dated 23.6.1971 and subsequent reminders dated 28.9.1971 and 12.11.1971 (page 17) where upon the Railway Board vide its D.O. letter No. A(Rsp.)/111-76/REX/11-49 dated 22.1.1977 required the General Manager (Personal) Northern Railway, New Delhi to explain the following four-queries:-

and pursuing the concerned authorities to decide his matter on merit but his case could not be decided till now by them.

6. That the Hon'ble Supreme Court of India, New Delhi and its numerous decisions have been laying stress that the poor litigants should not be deprived of their legitimate claims if they are otherwise fortified on merit.
7. That the plea of limitation raised by the respondents is a technical plea and is not sustainable at all specifically when the applicant has been consistently harassing the Railway authorities to decide his case on merit for which, they have utterly failed.
8. That in view of the above facts the case of the applicant is a fit case for condoning the delay, if any, otherwise the cause of action actually arose on 10.7.1987 and not on 24.2.1964 and in observance of Rules 20 and sub-rule 1(b) of Rules 21 of Central Administrative Tribunal Act 1985, the applicant's case is within the proper jurisdiction and limitation.

Lucknow in the province of Uttar Pradesh on 10.7.1987 as the concerning authorities have not considered for promotion of the petitioner as Clerk Grade-I, and over six months have passed no reply has been received. The Central Administrative Tribunal came into operation with effect from 1.11.1985 and as such the redressals are within the jurisdiction of the Tribunal in terms of Rules 14 Chapter-3, of the jurisdiction, powers and authority of the Tribunals.

#### 5. Limitation:

I, Prahlad Narain the petitioner further declared that the petitioner is within the limitation prescribed in the Section 21 of the Central Administration Tribunal Act 1985. The respondent No. 2, has not taken proper decision in the case of the applicant's promotion as Clerk Grade-I, scale Rs 130-300 (AS) and thus the applicant could not avail of opportunities of natural justice in regard the promotion - seniority and further promotions in higher grades.

#### 6. Facts of the Case:

The facts of the case are as under:-

- (1) That the petitioner having been selected by the Railway Service Commission, Allahabad was appointed as Clerk Grade-II in the scale of Rs 110-130 to work in Charbagh Depot (Stores) under the Control of the Deputy Controller of Stores, Northern Railway, Alambagh, Lucknow. on 28.1.58

- (ii) That in Class-III posts, the scale of Rs 110-180 was known as initial (recruitment) grade and the personnel working in this scale were designated as Clerks of Grade-II.
- (iii) That towards channel of promotion the next higher grade was in the scale of Rs 130-300 and the personnel working in this scale were designated as Clerks grade-I.
- (iv) That prior to 6.7.1961, 20% of the posts in the scale of Rs 130-300 were filled in through direct recruitment and the remaining 80% posts were filled through seniority-cum-suitability tests.
- (v) That on approval of the Government the Railway Board revised the above policy of promotion and ordered that from 6.7.1961, onwards 10% of the posts in the category of Clerks Grade-I, in scale of Rs 130-300 would be filled in by the promotion, through a Competitive (written) examination limited to the departmental clerks of Grade-II and the remaining 90% of the posts would be filled through the promotions of Clerks Grade-II on the usual terms and conditions i.e. on the basis of seniority-cum-suitability.

ANNEXURE-I (Page 2)

- (vi) That in continuation of their above order in the Annexure-I, the Railway Board further added on 20.12.1961:
- (a) the Competitive examination for filling up 10% of the posts should be thrown open to all clerks grade-II.

(6)

- (b) The 10% posts in the scale of Rs 130-300 should be worked out on the total number of annual anticipated vacancies occurring after 6.7.1961, the date of issue of revised Board's orders.
- (c) The number of employees to be placed on the panel should not normally exceed the number of vacancies reserved against 10% <sup>quota</sup> ~~grant~~ each year. The Railway Administration should hold the competitive examination every year.
- (d) The names of the employees to be placed on the panel should be arranged in the order of merit.

ANNEXURE-II (Page 3)

(vii) That the period involved for such examination and calculation of such 10% vacancies was from 6.7.1961 to 31.12.1962 in the first instance because <sup>after</sup> ~~at the~~ publication of the results of 3 vacancies of 1962, the General Manager, Northern Railway, Baroda House, New Delhi, invited further-more vacancies which could have occurred in the year 1963, in the same circular. About the vacancies of 1963, the subordinate offices of the Northern Railway had no prior information and as such the notified vacancies of 1962 were concrete and solid and were no more subject to any anticipation.

PTO

  
D. K. Sivastava  
A. A. O.

(viii) That the respondent No. 2 reserved three vacancies upto 31.12.1962, against 10% quota and intimated them to the General Manager(Personal), Northern Railway, Baroda House, New Delhi quite late on 9.1.1963, when there was no ground left for these three reserved vacancies of 1962 being treated as anticipated or not having occurred within the stipulated period.

Letter no  
190/E  
Page 4/4

(ix) That the scheduled competitive (written) examination conducted by the General Manager(Personal) Northern Railway, Baroda House, New Delhi, was held on 10.2.1963, and result thereof published on 27.4.1963. Three personnels of Stores Depot, Almbagh, viz. Shri K.L.Mendiratta, Prahlad Narain, the petitioner, and Shri Nankoo Ram, were placed on the panel of merit No. 1, 2, and 3 respectively and the order for promoting them simultaneously against the vacancies advised by the subordinate offices were also issued.

ANNEXURE-III (Page 4)

(x) That the tampering the order of merit, Shri Nankoo Ram was promoted first on 3.6.1963, Shri K.L. Mendiratta was promoted next on 3.6.1963 and the applicant who was to be promoted against the 2nd (Twentieth) vacancy by virtue of his merit position was totally ignored. The petitioner was of course, informed of his success on 3.5.1963 in the examination and till the end of 1963 he was verbally kept assured to be promoted <sup>in</sup> due course to save the person promoted, against 90% vacancies by virtue of seniority-cum-suitability.

ANNEXURE -IV :

(8)

(xi) That the petitioner grew afraid of the malafide intention of the respondent No. 2 <sup>and</sup> as such ~~the~~ claimed to him on 15.1.1964, for his due promotion where upon paying no heed to my prayer, the respondent No. 2, referred my case to the General Manager, (Personal), Northern Railway, Baroda House, New Delhi, with the following false statements and irrelevant reasons about my non-promotion:-

(a) the 3rd vacancy being anticipated did not occur.

(b) due to ban on recruitment of initial grade-Clerk two clerks could not be made available and as much the two posts of grade-I clerk sanctioned for Diesel Shed, Moghal Sarai, could not be filled. The vacancies could have been filled from Class-IV Staff as this ban did / does not apply for promotion from Class-IV to Class-III.

(c) Tempering of the panel position was concealed and instead of 3,10% vacancies already notified on 9.1.1963 and 27.4.1963 only two vacancies were exhibited and filled.

ANNEXURE-V.

(xii) That the General Manager (Personal) Northern Railway, Baroda House, New Delhi did not investigate as to how the candidate at merit No. 3, was promoted all the first and why promotion of the applicant was involved in dispute and why no action was taken by the opposite party No. 2, well in time to set right the anomaly when he had already known that the third vacancy did not arise. However, the applicant was

refused any promotion against 10% quota reserved vacancies.

**ANNEXURE-VI:**

(xiii) that the petitioner immediately represented to the General Manager, (Personal) Northern Railway, Baroda House, New Delhi on 14.7.1964, demanding justice and continuously kept praying till at last the present Deputy Controller of stores, Northern Railway, Alambagh, Lucknow made a thorough enquiry into the petitioner's case and forwarded it to the General Manager (Personal) Northern Ry. Baroda House, New Delhi, for reconsideration, vide his letter No. 247-E dated 6.12.1965. All the administrative lapses and injustice done to the applicant were disclosed but to no avail.

Annexure 7  
Page - 34 and 37

**ANNEXURE-VII:**

(xiv) That due to financial and family burden, fear of the departmental authorities being annoyed and no permission to go in court of law having been granted, the petitioner could not obtain shelter of the court. However, after his retirement on 31.1.1966 the petitioner tried once more on 10.1.1967 to secure due justice from the Higher Authorities but more than six months have passed and the authorities have failed to <sup>impart</sup> him ~~past~~ due justice to the applicant and hence under sub-clause 1(b) of Clause 21 Chapter-4, "Procedure, his application is within time".

Annexure 7  
Page 36 and 38

(xv) That in view of the above facts and the following further more orders of the Government and the Railway Board, the extent of injustice done to the applicant is further proved as under:-

have most conveniently been withdrawn and name of the applicant deleted from the panel, which has not been done, so far

- (e) ~~20%~~ <sup>S-heer</sup> injustice has been done as regards life of the panel. In this case, life of this panel was confined to the end of 1963 ( a duration of only eight(8) months ) where as in the normal course it was one year and now it is two years. In the case of promotions against the said 20% quota prior to 6.7.1961, life of the panel allotted was three years from 1959 to 1962. Had this natural justice not been refused to the applicant he could have been promoted against a vacancy arising in 1964 and thereafter.

ANNEXURE-IX :

- (f) Besides this it is also not in keeping with the orders of the Board then prevalent not to hold further examination, not to form further panels and fill-up the 3rd and subsequent 10% quota vacancies by the promotion of grade-II clerk on the basis of seniority-cum-suitability test.

- (g) ~~20%~~ The truth is that at a that time, promotion from grade-II clerks to grade-I was a matter of about eighteen years. The applicant was the only junior most with five years length of service who had superseded so many of his seniors in the competition and could have got his promotion some 15 years earlier. Therefore, in order to promote some favourite seniors, all the rules and regulations were set aside and future of the applicant spoiled.

7. RELIEF (s) sought

In view of the facts mentioned in para 6 above it is, therefore, most humbly prayed that the Hon'ble Court be pleased to quash the order No. 561-E/214 (Fid) dated 24.2.1964 from the General Manager Northern Railway, Baroda House, New Delhi and pass the order to promote the petitioner with retrospective effect i.e. from 3.6.1963, against the 2nd (twentieth) quota vacancy with full payment of arrears giving due justice to the petitioner who has continuously suffered a re-occurring short-fall in the form of his salary since 1963 and in the shape of LDCG, commutation, and leave encashment at the time of his retirement on 31.1.1986.

advances of pay and travelling allowance may be sanctioned to a Railway servant on his transfer to foreign service by an authority competent to sanction his transfer and that reimbursement of such advances to Government by the foreign employer should be made in lump by sending a cheque or a bank draft in favour of the Accounts Officer on whose books the advances were originally booked. No orders have, however, been issued so far as to whether such advances may be granted by a foreign employer at the time of the reversion of the Railway servant from foreign service and, if so, how the repayment of such advances to the foreign employer should be made.

2. The President is now pleased to decide that the procedure indicated below may be followed for repayment of such advances granted to a Railway servant by a foreign employer.

(i) Advance of pay.

Advance of pay to a Railway servant on his reversion from foreign service should be granted by the foreign employer only after consultation with the authority competent to sanction the transfer of the Railway servant to foreign service on the analogy of the provisions contained in Note (4) below para. 1536(7)-GI as amended vide Advance Correction Slip No. 27-GI circulated to the Railways vide Board's letter No. F(E)60/ADV-2/7 dated 16-3-1961. As for the repayment of the advance to the foreign employer, immediately on receipt of a demand from the foreign employer, duly supported by the cash receipt obtained from the officer concerned at the time of the payment of the advance, the competent authority should refund the total amount to the foreign employer by means of a bank draft. The amount of the bank draft may be debited in the accounts under the head "Departmental Advance Railway Advances in Section "S-Deposits and Advances—Part III Advances not bearing interest." The recovery of the advance should be watched in the manner as in the case of advance of pay sanctioned to a Railway servant under paragraph 1512 of the Indian Railway General Code Vol. I.

(ii) Advance of T.A.

Since the T.A. for the return journey on the Railway servant's reversion to Government service is to be borne by the foreign employer, the advance of T.A. granted by the foreign employer in this regard may be adjusted only on the Railway servant submitting the T.A. bill, which should be sent straight to the foreign employer for the purpose.

Sub.—Filling of posts of clerks grade I scale Rs. 130-300.

The Government have accepted the recommendation of the pay commission that there should be no direct recruitment to the posts of Clerks grade I, scale Rs. 130-300 and that a proportion of the vacancies in this grade may be filled on the basis of a competitive examination limited to Clerks grade II. They have accordingly decided that the posts of Clerks Gr. I should be filled exclusively by promotions of Clerks Gr. II in departments other than the Accounts Department on the Railways and that 10% of the posts in the category of Clerks Gr. I (instead of 20% as laid down in para 14 of Board's letter No. E(S)I-57CPC40, dated 7-3-1957) may be filled on the basis of a competitive (written) examination limited to Clerks Grade II. The Procedure and conditions to be observed for the said examination will be as under :—

- The examination should be held once a year, separately for each of the different seniority units.
- Each employee may be given a maximum of 3 chances. Employees belonging to Scheduled Castes/Scheduled Tribes may, however, be given an additional chance.
- Every employee with at least one year's service may be allowed to take the examination.
- The subjects of the examination, the time allotted and the maximum marks for each paper should be as follows :—

Paper (Subject)	Marks	Time
(i) English (including drafting, Precis writing, Essay, Grammar) Proof correcting and Elementary Tabulation (to test candidates ability in the art of compiling, arranging and presenting data in a tabular form).	100	2 hours
(ii) Departmental knowledge paper (including Office Procedure, rules and regulations etc.)	100	2 hours

- The qualifying marks should be 50% in each written paper.
- The Head of the department concerned should nominate officers for setting the Question Paper and marking Answer books. These officers should get the same honoraria as are admissible to Accounts Officers who deal with the App. II-A Examination.

(g) The usual rules regarding reservation of vacancies for scheduled Castes/Tribes will apply in filling this quota.

3. The Board have also decided that the remaining 90% of the posts in the category of Clerks Gr. I may be filled by promotion from Clerks Grade II in the scale Rs. 110-180, on the basis of seniority cum-suitability.

4. These orders do not affect the employees, already promoted as Clerks Gr. I against the 20% vacancies reserved for being filled by direct recruitment.

5. 20% of the posts in the category of Clerks Gr. I in the Accounts Department on the railways will continue to be filled by direct recruitment as laid in para 13 of Board's letter No. E (S)I-57CPC40, dated 7-3-1957.

temporary sanction of clerks had gone

dt.27.4.63.

Sir,

With due respect I beg to state the following lines for your kind perusal and favourable orders -

That in terms of GM(P)/NDLS letter No.561E/214(Eiid) dt. 22.12.62, a competitive test was held on 10.2.63 at various centres of Northern Railway to fill up vacancies against 10% quota upto 31.12.62. As would appear from the letter cited above (extract enclosed) DCOS/Alambagh had advised 3 such vacancies and accordingly only 3 persons including myself were declared successful.

That on the announcement of result two of us were immediately promoted but I was not nor have I so far been given the chance despite my repeated appeals to G.M.(P) New Delhi.

That from the date of result to 31.12.63 I made personal approaches to the Establishment Staff of the DCOS/Alambagh in connection with my promotion and sometimes I was asked if I would like to join at Mughalsarai for which I had given my consent, but to no purpose.

That when the year 1963 was over I had the occasion to feel most restless about my promotion and as such I made an application in black and white to the DCOS/AMW whereupon, vide his letter No.247E/Pt.XVII dated 7.2.64 (copy enclosed), he referred my case to G.M.(P) in the most neglected and ambiguous form.

That from the letter of DCOS/AMW dated 7.2.64, it is crystal clear that after promotion of the two candidates there were still two vacancies and necessary sanction for them was also there. But he did not promote me as two clerks in grade Rs.110-180 were not readily available to fill up vacancies consequent upon my promotion.

That such a ground of withholding my promotion is the most funny and singular because as per general practice in any office or as per establishment code promotions to all the higher posts other than Selection Posts, are always made from lower scales. In my case when vacancies were there and there I was standing eligible for promotion, I should have been rightfully promoted.

That by denying the chance to me not only one more is evolved but the chance of another qualified is also been seized because instructions contained of G.M.(P) New Delhi letter No.561E/214(Eiid)

Sir,

With reference to my appeal dated 6/9.6.69 and  
subsequently reminder dated 6.11.69 on the above subject, I beg  
to say that more than six months are elapsing from the date of  
my appeal but no order for my promotion has so far been passed.  
In this connection I may once again enclose herewith a copy of  
D.C.C. Allahabads letter No. 2477/Pt. III dated 7.2.1969 for  
your ready reference and stress that the two vacancies for  
Diesel Shed Allahabads pertained to the period upto 31.12.62;  
requisite sanction for the same also existed during that year  
and the same could have very well been operated by promoting two  
clerks of grade 110-120, from amongst the then existing strength.  
The question of temporary, therefore, having gone under law in  
1963 does not arise. On account of this obvious slackness on the  
part of administration, a petty clerk like myself should not be  
allowed to suffer.

In the name of justice, I, therefore, most humbly pray  
your honour with folded hands that my case may finally be looked  
into personally and orders for my promotion passed at a  
very early date, because being devoid of this chance, I feel to  
develop some mental set-back which, as I have said, may tell

Sir,

Sub:- Filling up posts of clerks in grade 130-300(AB) against 10% reserved vacancies on the basis of competitive examination.

Ref:- 1. Your letter No 561E/214 (Eid) dated 22.12.62.  
2. Your Circular No 561E/214 (Eid) dated 27.4.1963.

In this connection I may refer to my latest appeal dated 25.12.78. and again beg to say that in terms of your letter No 561E/214 (Eid) dt. 22.12.62, a competitive test was held on 10.2.63. and vide your circular of even No dt. 27.4.63. ( Extract enclosed ) three successful candidates including myself ( Second in the merit ) were advised to be promoted quite in conformity with the number of 3 vacancies shown reserved upto 31.12.62. by DCOS/AMV vide his letter No 190E dt. 9.1.63. Two of them were promoted immediately but I was not and my case was kept buried till 31.12.63 with false assurance of promotion to me.

However, when I <sup>persued</sup> promoted my case in black and white. It was intimated to you by DCOS/AMV vide his letter No 247E pt xvii dt. 7.2.64. ( Copy enclosed ) that I was not promoted due to non-operation of two posts sanctioned for Diesel Shed, Moghalsarai and the cause of this non-operation of post was, in the first instance, shown as non-availability two approved clerks in grade 110-180. In the second instance after six years, the cause of this very non-operation of the post at Moghalsarai was conveyed as the temporary sanction having gone under bar prior to the announcement of the result on 27.4.63. (copy enclosed). Thus the two different causes of non-operation create doubt. Again with regard to number of vacancies reserved against 10% quota upto 31.12.62. DCOS/AMV letter Nos. 190E dt. 9.1.63. and No 247E ptXVII dt. 7.2.64. contradict each other as much as the former declared 3 vacancies and the latter speaks of the two. This contradiction also seems to be more than enough to betray one's confidence.

Leaving the above facts aside, the existence of the 3rd vacancy during the specified period from July 1961 to 31.12.63. can not be negotiated because non-availability the approved clerks in grade 110-180. and expiry of the temporary as sanction before announcement of the result were pre-known facts and as such they can not tell upon the creation of 3rd vacancy even in the least.

Further, if the 3rd vacancy had not come into being why at all I was informed and allured of my success and promotion by DCOS/AMV vide his letter No E31. dt. 3.5.63. (copy enclosed) why the administrative unit at Allahabad kept silent in rectifying the mistake and removing the anomaly and why I was not informed of the query raised by you in your letter of even No dt. 24.2.64. (copy enclosed).

This in view of the above, contradictions and created admit that the existence of 3rd vacancy during the period in question can not be enveloped. I, Therefore, request your honour kindly to review my case and pass orders of my promotion with retrospective effect in view of instructions contained in printed serial No 5470.

Sub: Filling up posts of clerks in grade 130-300(AS) against 10% reserved vacancies on the basis of competitive examination.

Sir,

I beg to say that vide your letter cited above, your goodself did not forward my appeal dated 23.9.1981 to G.M.(P),NDL, advising me that my appeal did not bearing fresh points. Sir, I am awefully surprised to see that my most genuine claim is being turned down and I am compelled to keep mum.

However, I am,once more bringing my case <sup>to</sup> your kind notice and request your goodself to let me know the following points for my satisfaction and consolation.

Firstly your records as well as the circular of G.M.(P) NDLs No.361 E/214 (Rid) dated 27.4.1963 clearly show three vacancies reserved for the period upto 31.12.1962, where as while reffering my case to G.M.(P) NDLs, in line 6th para-I of your letter No.247 E/PT.XVII dt 7.2.64, only two vacancies instead of three thave been shown upto 31.12.1962. Is this not a breach from truth ?

Secondly, the affair regarding the 3 reserved vacancies being anticipated is most unintelligible and beguiling because we anticipate only for a thing which has not occurred and is expected to occur very soon. When the examination was held in Feb.1963 and your last intimation about the existance of 3 vacancies was sent to G.M.(P)NDLs quite late in January 1963, then how the question of anticipation can arise in the case which is strictly restricted upto 31.12.1962.

Lastly, the plea taken in para one of your above quoted letter regarding non-availability of two approved clerks in grade 110-180 and consequent non-operation of two vacancies at Diesel Shed, Mugal Sarai fails to bear a shield and subscontality in as much as your records

clearly confirm the entry of two new entrants in grade 110-180 in 1963 which could have very well made good the so-called above short coming.

Ref:- G.M.(P) Circular letter No. 561E/214(E11d) dated 27.4.1963 and your letter No. 247E/Pt.VII dated 7.2.64.

Sir,

In this connection, I may refer to my appeal dated 3.7.64 and subsequent reminder dated 9.2.65 and once again bring the following facts of my case of promotion for your kind consideration.

That the circular of G.M.(P)/NDLS No. 561E/214(E11d) dated 22.12.62 where under the competitive test was held and the G.M.(P)/NDLS letter of even no. dated 27.4.63 where by the result was announced, mainly stood for the 3 reserved vacancies of 1962. I should have then been promoted alongwith the other two candidates. But it was not done so.

Further the reasons for my non absorption as shown in your above cited letter and your letter of even no. dated 29.1.69 are not comprehensible and plausible because the facts of non availability of two lower grade clerks ( 110-180 ) and expiry of the sanction of two posts at Mughal Sarai on its scheduled dates were already known to the administration quite well in advance and prior to the sending of an intimation of 3 reserved vacancies of 1962 to Hd.Qrs. at later date i.e. on 9.1.63.

Again when I was not to be promoted against my due quota of 1962 and more so even of 1963, then why at all I was informed on 3.5.63 of my success in the test to up-set my mental equilibrium and why no steps were taken to get my name deleted from the list. Thus an omission of circumspection substantiates the existence of the 3rd vacancy and guarantees of my promotion.

However, in view of the above facts and paras 4 to 8 of G.M.(P)/NDLS letter no. 831E/214(E11d) of 3.11.61, I request your goodness kindly to review my case and promote me with retrospective effect as early as possible under intimation to the applicant.

Ref: G.M.(P) Circular letter No.561 E/214(Eiid) dt 27-4-1963.

Sir,

Most humbly I beg to say that for the last 22 years, I have been striving to achieve my long due promotion but my case has all along been escaping precise and just probe by the authorities. However, being sure that my case has got a moral and legal footing, I am once again laying down my case for kind scrutiny and justice:-

(A) ORDERS OF G.M.(P) CIRCULAR NO.831-E/273/E-IV of 30-11-1961.

1. For promotion from grade 110-180 to 130-300, 90% posts to be filled on seniority-cum-suitability basis and the rest 10% reserved to be filled through competitive test.
2. Such competitive test to be held every year.
3. Only as many candidates to be placed on the panel as would be advised by the respective units of N.R. to G.M.(P).
4. 10% quota posts would not be filled through Seniority-cum-suitability media.
5. Name of a pannelled candidate, who is not absorbed in the particular year would be carried forward.

(B) CASE IN BRIEF :-

Accordingly, in terms of G.M.(P) l.no.561-E/214(Eiid) dated 22-12-1962 a test was held on 10-2-1963 on N.Rly basis. This examination covered two phases-one to fill up vacancies upto 31-12-1962. As against advice of D.C.O.S., Alambag vide his letter No.190-E dated 9-1-1963, only three persons including myself were declared successful by G.M.(P), NDLS in his letter No.561-E-/214(Eiid) dated 27-4-1963 against the reserved quota of 1962. The quota of 1963 went blank. Two persons were promoted but I was given no chance neither against the scheduled quota of 1962 nor that of 1963.

On appeal from my side my case was referred to G.M.(P) vide D.C.O.S., Alambag letter No.247-E/PT-XVII dt 17-2-1964 stating the cause of my non-absorption and recommending for my promotion against a vacancy of 1964. The G.M.(P) was pleased to

reply negatively vide his letter No.561-E/214(E11d) dated 7-2-1964.

(C) MY GRIEVANCES :-

As given in D.C.O.S., Alambag letter cited above, the 3rd vacancy did not occur because two Railway Service Commission pannelled staff were not available to operate two Senior-clerk grade vacancies sanctioned for Diesel Shed, Moghal Sari and that the said sanction had expired before announcement of the result on 27-4-1963(247-E of 29-1-1969).

(D) ARGUMENTS :

1. That the two posts could be got operated from amongst the staff already working in grade 110-180 as done for operation of two posts of Wardkeepers against the same sanction.
2. That had, as soon as the sanction expired, my case been referred to H.O.office, some solution would have been obtained.
3. That as pointed out by D.C.O.S., Alambag in his letter No. 247-E dated 11/12-3-1964, when 28 promotions had been done, it meant that 0.8% of the 3rd vacancy was in existence which mathematically meant to one unit and confirms the existence of the subject vacancy in 1963.
4. That the presence of sanction for diesel shed, Moghal Sari to allow the two posts go un-operated, not to initiate for any solution on expiry of the sanction and lastly to inform me of my success vide letter No.E/131 dated 3-5-1963 do guarantee the existence of the 3rd vacancy and prove me an open victim of administrative lapses.
5. That as elaborated by Dy.C.O.S., Alambag in his D.O.letter No.247-E dated 4.2.77... to Shri Deo Raj, A.P.O.(C), H.O.office New Delhi in reference to his D.O.letter No.145-E/C-26551/Lo SS dated 31-1-1977, no further competitive tests were held and 10% vacancies were filled by promotion of staff on Seniority-cum-suitability basis. Obviously this is a violation of The Railway Board's orders because there are no instructions either of the Railway Board or of the G.M.(P), N.Rly to adopt the above policy of seniority.
6. That as would appear from D.O.letter No.145-E/C-25751-Lo/RB-SSB dated 18-3-1981 from Shri M.M.Malik, A.P.O.Gr-I to Shri M.B.Lal, A.P.O., Stores, Alambag, Lucknow, my case has been

.....(3)

*Prabhat Narain*

(3)

hanging in space and decisions so far taken are based on mere speculation without any enquires and passing final orders.

7. That in support of the legal aspects of my case, I may refer to G.M.(P), MHS letter no. 561-2/113-PT(Eild) of 24-9-1963 to D.C.O.S., Alambag where-under the case of my colleague Shri V.D. Ahuja was turned down, because he was not on the roll<sup>s</sup> of M.Rly when he passed a test to fill up vacancies against graduate quota in 1956. He appealed and secured promotion with retrospective effect and is for the present enjoying benefits of the post of an Office Superintendent.

P R A Y E R :-

I am due retirement on 31-1-1965 and as such I request your honour kindly to promote me with retrospective effect within my service period so that I may be saved from the pecuniary loss evaluating to approximately Rs. 40.00 Thousand and still more important from the loss of physical soundness.

NO: 247 E/

Dated: December 6, ,85.

The General Manager (P)  
N. Railway, Baroda House,  
New Delhi.

Sub:- Filling up posts of Clerks in Grade 130-300 (AS) against 10% Reserved Vacancies on the basis of competitive Examination.

Ref:- D.O. Letter No. 145E/C/-25751-LO/RB/SSB dated 18.3.81 from Shri M.M. Malik, APO, Gr. I to Shri M.B. Lal, APO, Stores/AMV Lucknow.

As is quite evident from G.M.(P) circular letter No. 561E/214 (Eid) dated 27.4.1963, Shri Prahlad Narain, an employee of CB Depot whose appeal is enclosed herewith and which is self-explanatory qualified in the scheduled test against the reserved quota of 1962. Two of his colleagues who also passed the subject test were promoted in 1963 but the employee was given no chance and as such he has been after it so long.

As expressed in DCOS/AMV letter No. 247E Pt. XVII dated 7.2.64 (copy enclosed), the two posts of Sr. Clerks sanctioned for Diesel Shed Mughasara could not be got operated due to non availability of R.S.C. panelled candidates of Grade 110-180 and the 3rd vacancy did not arise and the employee could not be promoted in 1963 against quota of 1962.

After going through the office records, it is revealed that the arguments as laid down in para D of enclosed appeal of the employee are quite plausible. Orders of GM(P)/NDLS circulated in his letter No. 831E/273/E-IV of 30.11.61 devising a policy for filling up 10% reserved vacancies from 1962 onwards have not been adhered to fully in as much as, when-ever the 10% reserved vacancies came in being, no further competitive examinations were held and neglecting the qualified employee, Shri Prahlad Narain, the subject vacancies were filled through promotion of staff on seniority-cum-suitability basis. This is openly affirmed in a D.O. letter from No. 247E dated 4.2.77 from Dy. COS/AMV/DCO to Shri Deo Raj, APO/C Baroda

House New Delhi (copy enclosed). Besides this as apprised in D.O. letter referred to above from Shri Malik to APO/ Hd. Dns. to Shri Lal A.P.O./Stores/AMV, without any final decision of the Railway Board having been received or achieved, the case of the employee has been brought to closure.

Therefore, in face of the meritorious performance of the employee and also his faultlessness, it is recommended to reconsider his case favourably so as to cover up the administrative divergences and effect the required reconciliation.

Copy of Memorandum No. 5/4/55-SCT.I, dated 4-1-1957 from the Government of India Ministry of Home Affairs, New Delhi, to all Ministries of the Government of India etc.

Sub.—Reservation for members of the Scheduled Castes and Tribes in posts filled on the basis of departmental examinations of a competitive nature.

As the Ministry of Finance etc., are aware, reservations in the public services are made in favour of members of the Scheduled castes and the Scheduled Tribes in posts which are filled by direct recruitment from the open market, but not in those filled by departmental promotion. The procedure to be followed in making selections against the reserved vacancies filled by the direct recruitment from the open market as well as the vacancies filled by departmental promotion in the case of members of the Scheduled Castes and the Scheduled Tribes has been laid down in this Ministry's Office Memorandum No. 2/11/55-RPS, dated the 7-5-1955. Where promotion is made on the principle of seniority subject to the rejection of the unfit or subject to the passing of departmental tests of qualifying nature, the instructions are that officers belonging to the Scheduled Castes and the Scheduled Tribes should be judged in a sympathetic manner and the standards applied to them need not be unduly high.

2. It has been represented to the Ministry of Home Affairs from time to time that the existing instructions do not ensure adequate representation of the Scheduled Castes and the Scheduled Tribes in the higher grades of the public services. As a result for recruitment to Grade III of the Central Secretariat Service through the limited competitive examination prescribed under the Scheme, an ad-hoc reservation of vacancies, in relaxation of the normal rules, has been agreed to in favour of candidates of the Scheduled castes and the Scheduled Tribes. Similar reservations exist also in certain cadres in the P & T Deptt., which are filled on the basis of competitive examinations and restricted to departmental candidates serving in lower grades. In the interest of securing uniformity of practice and procedure it has now been decided that the principle of reservation should be extended to all grades in all services which are filled by promotion through competitive examinations limited to departmental candidates, and that the quantum of reservation in each case should be the same as has been prescribed for posts filled by direct recruitment through open competitive examinations, viz 12½% for the Scheduled Castes and 5 percent for Scheduled Tribes. As in the case of direct recruitment by examination the appointing authority, the U.P.S.C. or other recruiting authority as the case may be, will have full discretion to appoint or recommend for appointment candidates of the Scheduled Castes and the Scheduled Tribes who may have obtained comparatively low places in the examinations except where such authority considers that the minimum standard necessary for the maintenance of the efficiency of the administration has not been reached. Where candidates are selected in this manner, the appointing authorities, will make necessary arrangements to give them additional training and coaching so that they may come up to the standard of others appointed along with them.

Sub.—Filling of posts of clerks grade Rs. 130-300 (A.S.)

Ref.—Railway Board's letter No. PC-60/RTP-3/1, dated 6-7-1961 circulated vide this office letter No. 831-E/273(Eiv), dated 4-9-1961,

As a result of further directions received from the Railway Board vide their letter No. PC-60/RTP-3/1, dated 20-12-1961 (copy enclosed), the following instructions are issued for promotion of clerks grade Rs. 110-180 (A.S.) to grade Rs. 130-300 (A.S.) which will be in supersession of those contained in this office letter No. 831-E/273(Eiv), dated 30-11-1961.

- (v) A roster should be maintained for filling 10% vacancies by competitive test. First nine vacancies will be filled by staff due promotion, against 90% quota and the 10th vacancy will be filled by a person from the panel mentioned in item (iv) above, subject to his record of service being satisfactory for such promotion.
- (vi) The 10% of the posts in the scale Rs. 130-300 open for competitive test should be worked out on the total number of actual existing and anticipated vacancies during a year occurring after 6-7-1961, the date of issue of the Board's revised orders.
- (vii) The number of employees to be placed on the panel should not normally exceed the number of vacancies reserved against the 10% quota each year.
- (viii) The orders regarding reservation of posts for Scheduled Castes against 10% quota by competitive test vide para. 2 (g) of Railway Board's letter dated 6-7-1961, circulated vide this office letter No. 831-E/273(Eiv), dated 4-9-1961 should be strictly followed.

2. 90% of the posts in the category of clerks grade Rs. 130-300 (A.S.) occurring after 6-7-1961 should be filled by promotion from clerks grade Rs. 110-180 (A.S.) on the basis of seniority-cum-suitability, suitability being adjudged by

and appointed as Clerk Grade- II at Charbagh Depot (Store) under respondent No.2. The next promotional post was of Clerk Grade- I. In this cadre 10 per cent of the posts were to be filled up by competitive written examination for Departmental Clerks Grade-II and remaining 90 per cent by promotion of Clerks Grade-II. The said examination was held in Feb, 1963 and the applicant was declared successful at No.2 out of the three candidates. No.1 and 3 were promoted but the applicant was over-looked and not promoted and he was given assurance that he will be promoted in due course. Subsequently, it was found that there were only two vacancies so, the applicant could not be appointed. The applicant made representation but to <sup>no</sup> avail. The applicant, due to financial and family burden and fear of the departmental authorities being annoyed and no permission to go to the court of law having been granted the petitioner could not obtain shelter of the court. So after retirement again on 10.1.1967, he represented to the Higher Authorities and as more than 6 months have passed, so he has filed this application. The respondents filed a short reply on the point of limitation only. The respondent contended that the application is directed against the order passed by the General Manager, Northern Railway on 24.2.1964. By this order General Manager informed the earlier decision that the applicant could not be promoted against the vacancies arising after 31.12.1963. The copy of both the orders were communicated to the applicant on 2.6.1964 by the District Controller of Stores, which is evident by Annexure-6 of the application.

5. We have heard the learned counsel at length and perused the record. The grievance of the applicant is that in the year 1964, he was not given due promotion on the

AM7

10 per cent quota reserved for filling up the promotional post to the post of Grade- I of Clerks, to be filled after completion of written examination of departmental candidates Grade-II Clerks in 7.2.1964. The applicant was informed by the letter (Ann-exure-5) that there was a query whether the applicant could be accommodated in the 30th vacancies falling in 1964. The letter is produced literally:-

"In terms of your letter No. 5618/214 (Eid) of 22.12.1962 a test for anticipated vacancies to be filled in against 10% reserved vacancies was conducted and three clerks of this office were placed on the panel. Two Clerks were promoted immediately on receipt of the result against the two vacancies reserved for the period up to 31.12.1962. Due to non-availability of approved clerks in grade Rs. 110-180 two vacancies of clerks in grade Rs. 130-300 sanctioned for Diesel Shed, Moghalsarai could not be operated and the third man who was to be accommodated against the 30th vacancy could not be promoted so far.

This employee, Sri Prahlad Narain has represented for his posting against 10% vacancies reserved on the basis of competitive examination. Will you please let this office know at a very early date if Sri Prahlad Narain can be accommodated against the 30th-I vacancy falling in 1964."

On 2.7.1964 vide Annexure-6 it has been clearly revealed to the applicant that the applicant was selected in 1963, and he could not be given promotional post in the vacancies occurring after 1964. Thus, for every purpose the applicant was definitely told that he could not be promoted and so he has to seek remedy for redressing his grievance in the competent court at that time. The mere explanation of by the applicant that he was apprehensive of Departmental victimisation or was awaiting that he may be considered in due course for promotion would not, by itself, make out the ground to go as back to the year 1964. Under Section 21 any cause of action which arises 3 years before the coming into force of the Administrative Tribunal Act, 1955, could not be looked into at all and the jurisdiction of the Tribunal also in that connection is barred. In short, if

A119

months' period from the date of preferring of the appeal or making of the representation shall be taken to be the date when cause of action shall be taken to have first arisen. We, however, make it clear that this principle may not be applicable when the remedy availed of has not been provided by law. Repeated unsuccessfully representations not provided by law are not governed by this principle.

Unfavorably for  
the applicant

9. Even the letter dated Dec 6, 1985 to G.O. by Dy. Controller 2  
8. Since no representation was made through the Dy. Controller 2  
in this circumstance we are of the opinion that

the respondent have successfully made out the case that the present application is not within the limitation and is barred by Section 21 of the Administrative Tribunal Act, 1985 and so the application is dismissed in limine with the costs on the parties.

the cause of action has arisen before 1982 then the Tribunal could not look into it, as applicant slept over <sup>his</sup> right for number of years without any rhyme or reason.

6. Section 21 starts with non-obstante clause and there is an injunction on the Tribunal not to entertain the matter in the event. It is not within the limitation as prescribed under Section 21 of the aforesaid Act. The applicant could not show any law or precedent on the subject.

7. The applicant has since retired from service after 25 years and he wants to upset everything <sup>per records</sup> in as much as, there were only two vacancies existing in 1963. The promotion given to Nankoo Ram, who was No. 3 <sup>in select list</sup> has been struck down and that Nankoo Ram has not been made a party.

More over since 1964, there has been an abnormal change in the gradation of Clerks and so that matter now could not be taken again to the pre-judice for others who have been subsequently promoted to even high grades or posts, which were existing as promotional posts in the cadre. The applicant wants to undo what has already been done for all those more than 25 years and that he wants to challenge years after his retirement from service. He has accepted the pensionary benefits and continued to accept the monthly salary without any hesitation or protest.

8. The law on the point of limitation has been expressly laid down in the case of S.A. Rathore Vs State of Madhya Pradesh reported in A.I.R. 1990, Supreme Court at page 10.

New Delhi. .... Opp. No. 1

2. The Deputy Controller of Stores,  
Northern Railways, Alambagh Lucknow.

..... Opposites Parties.

1. INTRODUCTION:-

By means of this Recall application under  
inherent jurisdiction of all courts. The applicant begs  
this Hon'ble Court to recall its orders passed in  
O.A. 11 /1988(L) decided on 12.4.1990 and order

Prahlad Narain

192  
2.

passed on review application No. 322 of 1990 decided on 25.2.1990 ( copy delivered on 11.3.1993.).

2. SUBJECT MATTER OF LIST :-

The matter relates to grant of National ~~xxxx~~ Promotion w.e.f. April 1963 which was denied by opposite parties without any rhyme or reason and <sup>by</sup> malacious handling of improper twisting, manipulation and concealment of vital and relevant papers and to compensate applicant by way of grant of monetary ~~compens~~ compensation in lieu of promotion and sufferings.

3. That the applicant is aggrieved by decisions dated 12.4.1990 and refusal to hear the matter a fresh by rejecting review application on 25.2.1993.

4. DELAY CONDONATION:-

The remedy of filing this recall application has been advised by counsels while preparing Special Leave Petition to be presented in Hon'ble ~~xxxx~~ Supreme Court and delay if any may graciously be pleased to be condoned as the applicant was confined to bed for last three months.

5. RECALL APPLICATION GROUNDS:

Prahlad Narain

122

.3.

The applicant begs to ~~pre~~<sup>re</sup>fer this recall application on following amongst other:-

G\_R\_O\_U\_N\_D\_S\_

6. Because it is common knowledge that, lawyers are skilled and apt in the field of inter-pretation of law and their application in given set of facts and as such right to representation through lawyer is recognised as a right under section 23 of Administrative Tribunals Act, 1985.

7. Because, after failing to convince this Hon'ble Court Tribunal by preparing and presenting the O.A.

11/1988(2) and Review application 322/1990 the applicant engaged services of Mr. G.K. Khare <sup>and Ms. Maya,</sup> both <sup>1 Rep'l</sup> lawyers of Bombay High Court who pursued follow up of review application and promised to argue the matter on date-fixed viz December, 1992.

8. Because, the lawyers did not turn up on December, 1992 <sup>10</sup> due to curfew and other nation wide restrictions as ~~an~~ after effect of Ayodhya Incident of 6.12.1992, and the applicant presented himself

*Prabhu D. Kharani*

123

.4..

physically without any file and papers which were given to lawyers to inform the Hon'ble Bench about lawyers' inability to come and to get another date. The Bench however proceeded to dispose of application by referring several case law which could be replied only by lawyers,

9. Because, the opportunity of hearing was in fact no hearing due to absence of lawyers and as such denial of principles of natural justice occurred resulting into serious prejudice and irreparable loss to applicant.

10. Because, after hearing the applicant submitted a Misc. Application No. 119 of 1993 by post on 9.1.1993 and by hand on February<sup>1</sup>, 1993 to bring it to kind notice of Bench a vital fact that statutory appeal with Railway Board was pending which could be basis for a sympathetic result from Railway Board who were actively conducting investigations and due to expectation of ~~success~~<sup>Success</sup> from final authority the delay could be condoned. The opposite parties had not got the statutory appeal decided from Railway Board and matter

Prashant V. Narain

123  
5.

in 1981  
was not closed, as observed in Judgement dated 25.2.1993  
para 5(4th time from below). However, this Misc.  
Application could not be referred to in Judgement  
inferring ~~therefore~~ That this application though  
on record could not be considered while preparing  
Judgement.

11. Because the Hon'ble Bench wrongly came to a  
conclusion that case was finally closed in 1981 when  
the representations/appeals permitted under Railway  
Rules were pending with Railway Board and Administration  
is headed by Railway Board instead of General Manager  
who closed the case,

12. Because, the Hon'ble Bench again fell into  
error while it felt that out of 3 posts one post was  
meant for scheduled caste and one vacancy was withdrawn.  
The then prevalent rules did not permit such  
reservation. At best reservation could be only upto  
12.5% that meant 4 vacancies out of 30 posts of Grade I  
Clerk if the Cadre of Clerk Grade I consisted of 30  
posts. There was no record or even counter affidavit of

Prabhat Narain

125

.6.

opposite party to bring this to show that out of cadre  
of Clerk Grade I, <sup>by 4 posts</sup> (30 posts) were not filled by S.C.  
candidate. The reservation of one post out of 2 or 3  
was about 50% or 33.3.% which was not permissible  
at the cost of right of General candidates and it  
was void because of violation of Article 16(4) of  
Constitution of India. The grant of 1st Vacancy to S.C.  
was arbitrary, whimsical and void,

13. Because, in any event third post could  
not be abolished as inferred or concluded by Hon'ble  
Bench. For arriving at 10% reservation of Selection  
posts to competitive examination the total strength  
of the Cadre had to be seen which was 30. So 3 posts  
were available. Assuming if 2 posts were non-operative  
for any reason even then the strength was of 28 posts. <sup>10%</sup> 10  
percent of it comes to 2.8 post. Since 2.8 is more than  
2.5, it could be treated as 3 in view of settled legal  
interpretation.

14. Because nothing adverse against applicant

Prahlad Narain

1  
126  
7.

was brought to Hon'ble Bench's notice and in these circumstances the passing of competitive examination had created a vested right in the applicant for promotion and the proposition of law that candidates have no indefeasible right for appointment was not applicable in the facts and secretive circumstances of the case.

P R A Y E R

Wherefore it is most humbly prayed that this Hon'ble Tribunal may graciously be pleased to recall the orders passed on 25.2.1993 in Review Application No.322 of 1990 and order passed in O.A. 11/1988(24) on 12.4.90 and be pleased to arrive at a fresh decision in the light of correct records after granting hearing to both the parties.

For this act of kindness the applicant shall ever remain obliged.

Dated 11 June, 1993

The Honourable Chief Justice  
of India,  
Supreme Court,  
NEW DELHI.

Subject:- Review of dismissal orders of 12-4-90 passed  
by the Hon'ble Central Administrative  
Tribunal, Allahabad, Circuit Bench, Lucknow  
in the case OA No.11 of 1988 (L).

Honourable Sir,

The applicant submitted his review application on  
10-5-90. but now it is told that the same is not traceable.  
Due to financial disability, the applicant is compelled to  
submit the same before your Lordship for a judicial  
adjudication.

Facts in nutshell:-

1. That in their findings, the Hon'ble Bench quite  
fairly observed that the original right of the applicant  
bestowed upon him by the Railway Board through the General  
Manager, Northern Railway on 27-4-63 was his promotion  
against the 2nd vacancy of the 10% fixed reserved quota of  
3 vacancies of 1962; that the same was illegally seized by  
the respondent No.2 and that just after 24 years, the  
applicant appeared before the CAT for restoration of the  
same right.
2. That the Hon'ble Bench overlooked the glaring fraud  
played upon by the respondent No.2 because the original  
promotion order of G.M. was replaced by a fresh local order  
dated 3-5-63 where the applicant was shown at merit no.3 and  
was misled to pursue for a 3rd vacancy which the G.M. refused  
on 24-2-64.
3. That, therefore when the applicant secured the  
original promotion order of G.M. the two incidents  
reservation of posts for SCs and STs and application of  
Reservation Roster further misled the applicant that action  
taken by the respondent No.2 was correct.
4. That thus misled, the applicant continued his  
pursuits for a 3rd vacancy till atlast when the respondent  
No.2 again and finally recommended his case to G.M. on 6-12-85  
after 22 years with references of the Railway Board bearing  
violent queries about the applicant's original claim of 1962,  
the applicant was alarmed finding himself a victim of fraud  
and errors committed by the respondents.
5. That in this manner, the original claim fraudulently  
defaced on 3-5-63 was re-born on 6-12-85 and the claim for a  
3rd vacancy ended on 6-12-85 warranting redressal in a Court  
of Law.
- That order of the G.M. of 24-2-64 and order of the  
Honble Bench both are not correct because none of them  
speaks anything about his original claim of the 2nd vacancy  
and each of them deals with a vacancy of 1964 which his  
present application of 27-4-86 never bears.

Contd.....2

7. Besides this, order of the Hon'ble Bench is just against the principles of a judicial adjudication where the well accepted principles of jurisprudence are properly applied. It is so because order of the 12 previous benches resting their decision on a detailed reply of the respondents was over ruled and after two years the application was dismissed, as if prima-facie, on a short reply under total disregard by the principles of natural justice, causing a permanent torture and a monetary loss of about Rs. one and half lakhs to the applicant.

P R A Y E R.

*This appeal is  
allowed*

In the name of equity and justice, the applicant prays that orders of the Hon'ble Bench dated 12-4-90 be set aside and the applicant be allowed to have a say either in the Hon'ble Court of your Lordship, or in the Hon'ble High Court at Lucknow.

Yours obediently.

at Lucknow.

In C.A. NO 1988 (L) Prahlad Narain Vs Union of  
India and others decided on 12.4.90.

Sir,

That the applicant filed O.A. 11/88 (L) on 27.4.88 for  
promotion and areas w.e.f. 1962 and his application was  
decided and dismissed on 12.4.90 as barred by limitation.

That the fact that statutory appeal (representation with  
Railway Board was still pending could not receive attention  
of the Honourable Tribunal while Dismissing the appeal.  
The pendency of the statutory appeal (representation dated  
10.1.87 and last reminder on 27.1.87) was a vital fact affect-  
ing the decision of the Honourable Court on 12.4.90. That  
the petitioner filed a <sup>review</sup> ~~reminder~~ application on 10.5.90 which  
was registered under no 322/90 and it remains yet to be  
decided.

That the petitioner reminded on 27.10.90, 14.2.91, 7.5.91  
and 4.9.91 and found after enquires that the file is tracea-  
ble neither at Lucknow nor at Allahabad.

The applicant therefore most <sup>humbly</sup> ~~honorably~~ prays that kind  
orders of reconstruction of the file may please be passed  
so that review petition may be decided early in the interest  
of justice.
