CENTRAL ADMINISTRATIVE TRIBUNAL ALLAHABAD

Circuit Bench at Lucknow.

Registration O.A. No.23 of 1988(L)

Ram Jatan Ram & Others ..... Applicants.

Versus.

Union of India & Others ..... Respondents.

Hon'ble D.S.Misra, A.M.

Hon'ble G.S.Sharma, J.M.

(By Hon. D.S Misra, A.M.)

This is an application under section-19 of the A.T. Act-1985 seeking a direction to the respondents to allow the applicant, the pre-revised scale of pay i.e; Rs.425-700 and the revised scale of Rs.1400-2300/- from the date from which they are entitled for the said scale and all consequential benefits like arrears of pay, allowances, seniority etc. on the post of Senior Computers.

2. In the reply filed on behalf of the respondents, it is stated that the grievances of the applicants are under consideration in the light of Judgment dated 6.9.88, delivered by the Hon.Principal Bench of C.A.T in an identical case in O.A. No.1942 of 1987, A.K.Khanna & Others Vs. U.O.I & Others and prayed that the case be disposed of accordingly. They have also filed a copy of the aforementioned Judgment.

3. The three applicants in this application have claimed that they have been working as Senior Computers since 1971/1973 and are similarly placed as the petitioners in Civil Writ No. 698/1977 on the file of the Delhi High Court and on transfer registered as T.A No.335 of 1985 B.S.Saini & another Vs. Union of India & Others. In the said petition the Principal Bench of the

bl

Tribunal, while quashing the impugned order therein, allowed the revised petition and declared that the petitioners are entitled to the post of Sr. Computers in the revised pay-scales of Rs. 425-700/. The Tribunal also declared that the petitioners would be entitled to the higher pay-scale and all attendant benefits including all arrears w.e.f. the date the revised pay-scale of Rs. 425-700/ became effective and directed the respondents to calculate the amount due to the petitioners and pay the same within three months from the date of Judgment. This judgment has become final and has already been implemented by the respondents in that case.

4. The petitioners in O.A. No. 1942 of 1987 had prayed that the benefits given to petitioners in the judgment in T.A No. 335/85 should also be extended to them as they belong to the same Class of Sr. Computers and are similarly placed. The Principal Bench of the Tribunal directed the respondents to extend these benefits regarding the pay-scales and other consequential benefits to the applicants in that case. The Tribunal also declared that the applicants would be entitled to the higher pay-scale and all attendant benefits including all arrears w.e.f. the date the revised pay-scale of Rs. 425-700/ became effective.

5. In this case the respondents have themselves stated that they are considering the matter in the light of the Judgment dated 6.9.88 in O.A. No. 1942 of 1987. On the facts and circumstances of the case we are of the opinion that the ratio of the two cases mentioned above is fully applicable to the present case. Accordingly the application is allowed and the respondents are directed to

allow the revised pay-scales of the post of Senior Computers w.e.f. the date from which they are entitled for the said scales of pay and all consequential benefits like arrears of pay, allowances, seniority etc. on the post of Senior Computers within a period of three months from the date of receipt of this order. We also direct that the parties shall bear thereon costs.

Computers were governed by the then Ministry of Irrigation and Power (Ganga Discharge Circle) Non Ministerial and Ministerial Class III posts Recruitment Rules, 1963 (hereinafter referred to as the " Rules of 1963").

(4) That a perusal of the Recruitment Rules of 1963 as amended from time to time, would show that the post of Senior Computer has been a non-selection post and the same has been required to be filled up by promotion (100% by promotion failing which by direct recruitment) from amongst Junior Computers, who have rendered three years service in the said grade of Junior Computer.

(5) That untill the promulgation of the Central Civil Services (Revised Pay) Twenty-Fourth Amendment Rules, 1974 (hereinafter referred to as the "Revised Pay Rules of 1974") made by the President of India in exercise of the powers conferred by the proviso to Article 309 of the Constitution of India and promulgated vide Notification No. G.S.R. 683 (E) dated 9th December, 1974 which became effective from 1st January 1973, the scale attached to the post of Senior Computer was Rs. 150-380. But vide aforesaid Pay Rules of 1974 for the post of Senior Computer, the scale attached to the post of Senior Computer was raised to Rs. 425-15-500-EB-15-560-20-700 (partly) and Rs. 330-560 (partly). effect that "Order regarding allocation of posts will issue separately".

(6) That it may be stated that while earlier scale Rs. 150-380 attached to the post of Senior Computer was based on the basis of the recommendations of the Second Central Pay Commission, the Revised scale of Rs. 425-700 (partly and Rs. 330-560(partly) had been made on the basis of the recommendation of the Third Central Pay Commission (hereinafter referred to as the "Commission".

X) (7) That the aforesaid revised scales were based on following recommendations of the Commission contained in paragraph 32 Chapter 17 Titled "Economists and Statistician" of Vol. I:-

"For posts of Senior Computers, the old Pay Scale of Rs. 150-10-290-15-380 is in vogue in the Ministry of Irrigation and power and one post in the Ministry of Transport and Shipping. Since these posts are filled by promotion of Junior Computers in the scale of Rs. 110-180 with a machine allowance of Rs. 15/- p.m.. a more appropriate scale would be the scale of Rs. 150-300 considering also that the next promotion level is to the post on the scale of Rs. 210-425- We do not see any reason for conti-

nuing this old scale for these about 92 posts and our suggestion is that the bulk of these posts should be placed in the scale of Rs. 350-560 and a few on the scale of Rs. 425-700."

(8) That "Ganga Basin Water Resources Organisation (hereinafter referred to as "Organisation") was merged into the Central Water Commission in 1978 and all the Senior Computers who were hither-to employees of the Organisation became the employees of the Central Water Commission and this is how the Central Water Commission has been made ~~an~~ respondent no.2 in the present application.

(9) That two colleagues of the applicants Sri B.S. Saini and Sri Jaipal Singh, who were working as a Senior Computers filed a writ petition in the Hon'ble High Court of Delhi, challenging, inter-alia, the validity of the revised Pay scales for the posts of Senior Computers to the extent of Rs. 330-560 and consequently the ~~act~~ of the Government is not giving the scale of Rs. 425-700 to all the Senior Computers.

(10) That on establishment of the Central Administrative Tribunal, the said writ petition was transferred to Hon'ble Principal Bench of this Hon'ble (at Delhi) and was registered as T-335/85.

Principal Bench of the Central Administrative Tribunal, are Juniors to the applicant no.1 in the seniority list of junior computers (substantive <sup>relevant extract of the</sup> appointment). A photostat copy of the said seniority list is hereby filed as Annexure no. A-6.

(14) That since the respondents have not sanctioned the pay scale of Rs. 425-700 which has been sanctioned to other said persons, the applicants have been left with no alternative equally efficacious remedy but to envoke the extra ordinary jurisdiction of this Hon'ble Tribunal under section 19 of the Administrative Tribunals Act, 1985.

(15) That, since the Under Secretary (T.S.) Central Water Commission, New Delhi vide its order dated 4.8.1987 (Annexure A-1 mentioned above) extended the all benefits of the said judgment to Sri Jaipal Singh, Senior Computer only and not extending the same to all Senior Computers, hence the Under Secretary (T.S.) Central Water Commission has been made respondent no.3 in this application.

(16) That the applicants were promoted to the post of Professional Assistant (Hydro Met) on 25.2.85, 28.1.1985 and 25.1.1985 respectively and since then they have been working on their respective posts.

(17) That accordingly the act of respondents in not extending the benefit of the judgment to the applicants herein is rendered wholly illegal, arbitrary, mala fide, discriminatory, ineffective, unconstitutional and is liable to be set aside on the following amongst others :

G R O U N D S

- (i) Because the applicants herein are also working as Senior Computers and belonged to the same category and are similarly placed as the said two petitioners in the writ petition which was allowed by the Principal Bench of this Hon'ble Tribunal vide judgment and order dated 11.4.1986.
- (ii) Because the said judgment became final as no appeal was filed against the same and has become binding on the respondents.
- (iii) Because it is not understandable that if according to the said judgment, the very Notification and the Act of prescribing the two scales for one post of Senior Computer has been struck, then how the applicants could be denied the scale of Rs. 425-700 simply because they did not approach the court
- (iv) Because the respondents having accepted the

judgment of the Principal Bench of this Hon'ble Tribunal, there is no reason why they should not grant the revised pay scales to the Senior Computers including the applicants herein, who belongs to the same category and similarly placed just as the persons who had moved initially the Court by way of writ petition.

(v) Because it is wholly iniquitable to refuse similar benefits to other members of the service who belonged to the same category and are similarly placed.

(iv) Because the judicial pronouncement can not result in fixing different pay scales for members of the same service and similarly placed.

(vii) Because the applicants have not been told any reasons as to why they are not being given the benefits of the said judgment and or the scale of Rs. 425-700 (revised) and of Rs. 1400-2300 (revised).

(viii) Because, in fact, the two petitioners who filed the writ petition referred to above have already been given the scale of Rs. 425-700 (pre-revised) vide orders dated 4.8.1987, a copy of which is already attached herewith as Annexure no.

(ix) Because non grant of scale of Rs. 425-700 and all the benefits of said judgment to the applicants

is wholly malafide, discriminatory and violative of Article 14 and 16 and 39(d) of the Constitution of India apart from the fact it is in disregard to the judgment of the Principal Bench of this Hon'ble Tribunal whereby the very order refusing the pay scale attached to the Senior Computers i.e. Rs. 330-560 was quashed.

(x) Because once the very order refusing very scale of Rs. 330-560 was quashed by the Principal Bench of this Hon'ble Tribunal, in fact, non grant of <sup>the revised scale of Rs. 1400-2300</sup> the revised scale of Rs. 425-700 to the applicants amount to committing contempt of the Principal Bench of this Hon'ble Tribunal.

7) Details of the remedies exhausted:

(1) That the applicants nos. 1 to 3 vide their representations dated 18.8.1987, 1.9.1987 and 20.7.1987 respectively, Chairman Central Water Commission, agitated the denial of the pay scales to them and the discrimination made by the respondents which are already filed as Annexure nos. SUB:- Implementation of Central Administrative Tribunal Award of Revised Pay Scale of Rs. 425-700 to Senior Computers---Reg.

REF:- Judgement of the Bench, Central Administrative Tribunal, New Delhi dated 11-4-86 :-

\*\*\*\*\*

Respected Sir,

I RAM JATAN RAM, Sr. Computer now working as P.A. (MET) in the office of the M.G. Sub Division, Kanpur submit the following few lines for your sympathetic consideration and favourable orders.

In the case Regn. No. T-335/85, sri B.S.Saini and others Vs Union of India and another, the Central Administrative Tribunal Delhi has delivered the judgement on 11.4.86 declaring that the petitioners are entitled to the revised pay scale of Rs. 425.700 with all attendant benefits including all arrears with effect from the date the revised pay scale of Rs. 425-700 became effective.

It was mentioned by the Tribunal that the duties attached to the post and discharged by all Senior Computers are one and the same and also they were all promoted under the same rules and hence, fixing different pay scales for the same post is violative of Article 14&16 of the Constitution. In support of this, Supreme Court's ruling in similar cases were also cited in the judgement.

I was under the impression that in the light of the above judgement, I would be automatically allowed the revised pay scale of Rs. 425-700 from the date of my promotion to the post of Senior Computer as a matter of natural justice, without representation from my side or driving me to approach the Tribunal for Justice. But even after a lapse of 15 months, the implementation of the judgement in my case is awaited.

In view of the above, I humbly request your goodself to consider my case sympathetically and allow me the revised scale of pay of Rs. 425-700 from the date of my promotion to the post of Senior Computer for which act of kindness, I shall be ever grateful to you.

Thanking you,

Yoursfaithfully,

For the Applicant ----- Shri G.D. Gupta, Advocate.

For the Respondents ----- Shri M.L. Verma, Advocate.

(Judgement of the Bench delivered by  
Mr. Justice K. Madhava Reddy, Chairman)

The applicants herein were initially recruited as Senior Computers. They are similarly placed as the petitioners in Civil Writ No. 698 of 1977 on the file of the Delhi High Court and transferred to this Tribunal and registered as TA-335/85, B.S. Saini & another Vs. Union of India & Others. This Court vide its judgement dated 11th April, 1986 in the said case while quashing the impugned order therein, allowed the revised petition and declared that the petitioners are entitled to the post of Senior Computers in the revised pay scales of Rs. 425-700. The Tribunal also declared that the petitioners would be entitled to the Higher pay scale and all attendant benefits including all arrears with effect from the date the revised pay scale of Rs. 425-700 became effective and directed the respondents to calculate the amount due to the petitioners and pay the same within three months from the date of judgement. This judgement

KOL

Done  
25/11/88

(B2/3)

has become final and has already been implemented by the respondents by issuing office order No. 20/2/86-Estt. XI, Government of India, Central Water Commission, dated 4th August, 1987 (Annexure G).

2. The petitioners in the aforesaid case belonged to Ganga Basin Resources Organisation, under the Ministry of Agriculture and Irrigation (Deptt. of Irrigation). Some of the applicants herein were appointed as Senior Computers directly and some were promoted to the post of Senior Computers and all are governed by the same rules which governed the petitioners in TA 335/85. Senior Computers in Ministry of Irrigation and Power, Central Water Commission and Ganga Basin Water Resources Organisation are all governed by the same recruitment rules and all Senior Computers working in these organisations are similarly placed in every respect. That is admitted even by the respondents. Upon the representation of the present applicants pleading that they should be given the benefits of the judgement in T-335/85, Respondents vide their letter No. 8/28/87-Estt. I dated 11.1.1988 informed them that the matter was with the Ministry of Finance and they have opined that the benefit of the judgement cannot be extended to persons other than petitioners in T-335-85.

3. It is true that the applicants were not parties to the Civil Writ Petition which was allowed by the Tribunal. But there is no valid reason not to extend the benefit of that judgement to the applicant when they are similarly placed as the petitioners in T-335/85.

In fact instead of driving each of the Senior Computers to seek redressal of grievance before the Tribunal, when judgement in T-335/85 had become final, the respondents should have extended the benefit of that judgement

B2/u

to the entire class of Senior Computers similarly placed. The respondents would be well advised to direct the department to extend the benefit of the judgement of Courts and Tribunal which have become final to all employees similarly placed and not drive each of them to seek redressal of their grievance before the Tribunal. In this particular petition the only ground taken by the respondents is that they (applicants) were not the petitioners in the earlier petition. When the applicants are similarly placed, and are governed by the same rules the benefit as extended to the petitioners in T-335/85 should have been extended to them also. Not extending similar benefit would amount itself to a discrimination violative of articles 14 and 16 of the Constitution. Hence there shall be an identical direction as was issued in T-335/85 namely "the order revising the pay scales attached to the post of Senior Computers to Rs. 330-560 is accordingly quashed and the applicants are declared entitled to the post of Senior Computers in the revised pay scale of Rs. 425-700. The applicants would be entitled to the higher pay scale and all attendant benefits including all arrears with effect from the date the revised pay scale of Rs. 425-700 became effective. The respondents shall calculate the amount due to the applicants and pay them within three months from today.

4. The application is accordingly allowed but in the circumstances with no order as to costs.

(4) That a perusal of the Recruitment Rules of 1963 as amended from time to time, would show that the post of Senior Computer has been a non-selection post and the same has been required to be filled up by promotion (100% by promotion failing which by direct recruitment) from amongst Junior Computers, who have rendered three years service in the said grade of Junior Computer.

(5) That untill the promulgation of the Central Civil Services (Revised Pay) Twenty-Fourth Amendment Rules, 1974 (hereinafter referred to as the "Revised Pay Rules of 1974") made by the President of India in exercise of the powers conferred by the proviso to Article 309 of the Constitution of India and promulgated vide Notification No. G.S.R. 683 (X) dated 9th December, 1974 which became effective from 1st January 1975, the scale attached to the post of Senior Computer was Rs. 150-380. But vide aforesaid Pay Rules of 1974 for the post of Senior Computer, the scale attached to the post of Senior Computer was raised to Rs. 425-15-500-15-560-20-700 (partly) and Rs. 330-560 (partly). The aforesaid words "partly" within the brackets contain asterick marks and the marks then contain a foot note to the

(6)

effect that order regarding allocation of posts will issue separately".

(6) That it may be stated that while earlier scale Rs. 150-380 attached to the post of Senior Computer was based on the basis of the recommendations of the Second Central Pay Commission, the Revised scale of Rs. 425-700 (partly and Rs. 230-550 (partly) had been made on the basis of the recommendation of the Third Central Pay Commission (hereinafter referred to as the "Commission").

2) (7) That the aforesaid revised scales were based on following recommendations of the Commission contained in paragraph 32 Chapter 17 Titled "Economists and Statistician" of Vol. I:-

"For posts of Senior Computers, the old Pay scale of Rs. 150-180-220-15-380 is in vogue in the Ministry of Irrigation and power and one post in the Ministry of Transport and Shipping. Since these posts are filled by promotion of Junior Computers in the scale of Rs. 110-180 with a machine allowance of Rs. 15/- p.m.. a more appropriate scale would be the scale of Rs. 150-300 considering also that the next promotion level is to the post on the scale of Rs. 210-425- We do not see any reason for conti-

making this old scale for these about 92 posts and our suggestion is that the bulk of these posts should be placed in the scale of Rs. 350-560 and a few on the scale of Rs. 425-700."

(8) That "Ganga Basin Water Resources Organisation (hereinafter referred to as "Organisation") was merged into the Central Water Commission in 1978 and all the Senior Computers who were hitherto employees of the Organisation became the employees of the Central Water Commission and this is how the Central Water Commission has been made an respondent no.2 in the present application.

(9) That two colleagues of the applicants Sri B.S. Saini and Sri Jaipal Singh, who were working as a Senior Computers filed a writ petition in the Hon'ble High Court of Delhi, challenging, inter-alia, the validity of the revised Pay scales for the posts of Senior Computers to the extent of Rs. 330-560 and consequently the <sup>the</sup> Act of the Government is not giving the scale of Rs. 425-700 to all the Senior Computers.

(10) That on establishment of the Central Administrative Tribunal, the said writ petition was transferred to Hon'ble Principal Bench of this Hon'ble (at Delhi) and was registered as T-335/85.

P.T.O. (8)  
N

(8)

(11) That ultimately the said writ petition was allowed by the Principal Bench of this Hon'ble Tribunal vide Judgment and Order dated 11.4.1986. A Photostat copy of the said Judgment and order dated 11.4.1986 is attached herewith as Annexure A-2.

(12) That since the applicants were also working as Senior Computers and, in fact, the writ petition by Sri B.S. Saini and Sri Jaipal Singh was filed as a test case and the hope that if the said writ was allowed all the Senior Computers including the applicants would be extended all the benefits of the said judgment and, therefore the applicants here-in had not become a party to the said writ petition. After the judgment was pronounced, the applicants vide their representations dated 18.8.1987, 1.9.1987 and 20.7.1987 respectively requested the applicant no.2 to extend the all benefits of the said judgment also to applicants and consequently giving them the scale of Rs. 425-700 from the date from which they were promoted as Senior Computer. The photostat copies of the said representations are filed herewith as Annexure nos. A-3, A-4 and A-5 respectively.

(13) That aforesaid <sup>~</sup>Jail Pal Singh and B.S.Saini, whose petition regarding sanctioning the pay-scale of Rs. 425-700 for the post of Senior Computer by

RT

( 2 )

Principal Bench of the Central Administrative Tribunal, are Juniors to the applicant no.1 in the seniority list of junior computers (substantive <sup>N</sup> *relevant extract of the* appointment). A photostat copy of the <sup>N</sup> said seniority list is hereby filed as Annexure no. A-5.

(14) That since the respondents <sup>N</sup> have not sanctioned the pay scale of Rs. 425-700 which has been sanctioned to other said persons, the applicants have been left with no alternative equally efficacious remedy but to invoke the extra ordinary jurisdiction of this Hon'ble Tribunal under section 19 of the Administrative Tribunal Act, 1925.

(15) That, since the Under Secretary (T.S.) Central Water Commission, New Delhi vide its order dated 4.8.1987 (Annexure <sup>N</sup> A-1 mention d above) extended the all benefits of the said judgment to Sri Jaipal Singh Senior Computer only and not extending the same to all Senior Computers, hence the Under Secretary (T.S. Central Water Commission has been made respondent no.3 in this application.

(16) That the applicants were promoted to the post of Professional Assistant (Hydro Met) on 25.2.83 28.1.1985 and 25.1.1985 respectively and since then they have been working on their respective posts.

P.T.O. (10)  
N2

(10)

(17) That accordingly the act of respondents is not against the benefit of the judgment of the applicants herein is not wholly illegal; arbitrary, unjust, discriminatory, & effective, unconstitutional and is liable to be set aside on the following amongst others:

1. 2. 3. 4. 5.

(i) Because the applicants herein are also working in similar hospitals and belonged to the same category and are similarly placed as the said two petitioners in the writ petition which was allowed by the Principal Judge of this court in original with judgment and order dated 11.2.1986.

(ii) Because the said judgment became final as no appeal was filed against the same and has become binding on the respondents.

(iii) Because it is not understandable that if according to the said judgment, the very notification and the Act of prescribing the

two seats for the post of a J.P. Officer has been struck, then how the applicants could or could not get the seats of 2. 425-700 simply because they did not approach the court.

Because the respondents having accepted...

( 11 )

judgment of the Principal Bench of this Hon'ble Tribunal, there is no reason why they should not grant the revised pay scales to the Senior Computers including the applicants herein, who belongs to the same category and similarly placed just as the persons who had moved initially the Court by way of writ petition.

- (v) Because it is wholly inequitable to refuse similar benefits to other members of the service who belonged to the same category and are similarly placed.
- (iv) Because the judicial pronouncement can not result in fixing different pay scales for members of the same service and similarly placed.
- (vii) Because the applicants have not been told any reasons as to why they are not being given the benefits of the said judgment and on the scale of Rs. 425-700 (revised) <sup>^</sup> and of Rs. 1400-2300 (Revised)
- (viii) Because, in fact, the two petitioners who filed writ petition referred to above have already been given the scale of Rs. 425-700 <sup>^</sup> (pre-revised) and of Rs. 1400-2300 (Revised) vide orders dated 4.8.1987, a copy of which is already attached herewith as Annexure no.
- (ix) Because non grant of scale of Rs. 425-700 the benefits of said judgment to the

( 12 )

is wholly malefide, discriminatory and violative of Article 14 and 13 and 33(d) of the Constitution of India apart from the fact it is in disregard to the judgment of the Principal Bench of this Hon'ble Tribunal whereby the very order refusing the pay scale attached to the Senior Computers i.e. Rs. 330-550 was quashed.

(x) Because once the very order refusing very scale of Rs. 330-550 was quashed by the Principal Bench of this Hon'ble Tribunal, in fact, non grant of <sup>the</sup> ~~the~~ <sup>revised scale of Rs. 425-700</sup> ~~the revised scale of Rs. 425-700~~ to the applicants amount to committing contempt of the Principal Bench of this Hon'ble Tribunal.

7) Details of the remedies exhausted:

(1) That the applicants nos. 1 to 3 vide their representations dated 19.8.1987, 1.9.1987 and 29.7.1988 respectively, Chairman Central Water Commission, agitated the denial of the pay scales to them as the discrimination made by the respondents who are already filed as Annexure nos. A-3, A-4 and A-5 respectively.

8) Matters not previously filed or pending with any other Court:

The applicants further declare that they had no

( 13 )

previously filed an application, Writ Petition or suit regarding the matter in respect of which this application has been made, before any Court of law or any other authority or any other bench of the Tribunal and nor any such application, Writ Petition or suit is pending before any of them.

9) **Reliefs sought:**

In view of the facts mentioned in paragraph no. 8 above the applicants pray for the following reliefs:

(a) To allow this application of the applicants with costs.

(b) Issue appropriate Order or Orders, direction or directions.

(i) directing the respondents to allow the applicants, the <sup>revised</sup> scale of pay i.e. Rs. 425-700/ from the date from which they are entitled for the said scale.

(ii) directing the respondents to give all the incumbents of the posts of Senior Computers including the applicants, the <sup>revised</sup> scale of Rs. 425-700/ from which they are entitled for the said scale with all consequential benefits like arrears of pay, allowances, Seniority etc.

(iv) issue such other order or orders, direction

 deem fit and proper.

SUB:- Implementation of Central Administrative Tribunal Award of Revised Pay Scale of Rs. 425-700 to Senior Computers---Reg.  
REF:- Judgement of the Bench, Central Administrative Tribunal, New Delhi dated 11-4-86 :-

\*\*\*\*\*

Respected Sir,

I RAM JATAN RAM, Sr. Computer now working as P.A. (MET) in the office of the M.G. Sub Division, Kanpur submit the following few lines for your sympathetic consideration and favourable orders.

In the case Regn. No. T-335/85, sri B.S.Saini and others Vs Union of India and another, the Central Administrative Tribunal Delhi has delivered the judgement on 11.4.86 declaring that the petitioners are entitled to the revised pay scale of Rs. 425.700 with all attendant benefits including all arrears with effect from the date the revised pay scale of Rs. 425-700 became effective.

It was mentioned by the Tribunal that the duties attached to the post and discharged by all Senior Computers are one and the same and also they were all promoted under the same rules and hence, fixing different pay scales for the same post is violative of Article 14 & 16 of the Constitution. In support of this, Supreme Court's ruling in similar cases were also cited in the judgement.

I was under the impression that in the light of the above judgement, I would be automatically allowed the revised pay scale of Rs. 425-700 from the date of my promotion to the post of Senior Computer as a matter of natural justice, without representation from my side or driving me to approach the Tribunal for Justice. But even after a lapse of 15 months, the implementation of the judgement in my case is awaited.

In view of the above, I humbly request your goodself to consider my case sympathetically and allow me the revised scale of pay of Rs. 425-700 from the date of my promotion to the post of Senior Computer for which act of kindness, I shall be ever grateful to you.

Thanking you,

Yoursfaithfully,
