CENTRAL ADMINISTRATIVE TRIBUNAL, ALLAHABAD
Lucknow Circuit Bench

Registration O.A. No.62 of 1988 (L)

T.N.Chaturvedi Applicant

Versus

Chairman, Railway Board, New Delhi
and Others. Opposite Parties

Hon. Justice Kamleshwar Nath, V.C.

This application under Section 19 of the Administrative Tribunals Act XIII of 1985 is for recovery of the commutation amount of the applicant's pension, said to be approximately Rs.36,000/-, and D.C.R.G. said to be about Rs.29,000/-. There was also a claim of Rs. 630/- on account of arrears of Dearness Allowance for the period from January to August, 1984; that amount has been paid to the applicant during the pendency of the present case.

2. The applicant retired as Deputy Chief Electrical Engineer of the North Eastern Railway on 31.12.84. His case is that he had applied for commutation of pension and had also made demand for payment of gratuity.

3. Counter Affidavit has been filed by the Deputy Chief Personnel Officer (Gazetted) of the North Eastern Railway, Gorakhpur stating that two departmental disciplinary proceedings under Rule 9 of the Railway Servants (Discipline & Appeal) Rules, 1968, instituted before the applicant's retirement, are still pending against the applicant and therefore it is not possible to make payment of the commutation amount of the pension or the amount of gratuity.

OP

4. It has been stated in the Rejoinder Affidavit that one of the departmental proceedings ended in an order dated 14.3.89 of the President of India holding that Articles I & II of the Charges stood proved while III of the charge was not proved and that in respect of the established Articles of Charge, a cut of 5% in gratuity ordinarily admissible to the applicant be imposed. The applicant has filed ^athe copy of the President's order alongwith the communication letter dated 30.3.1981 as an enclosure to the Rejoinder Affidavit. It is clear, therefore, that so far as one of the enquiry proceedings is concerned, the applicant is liable only to a cut of 5% in the gratuity amount; the balance of the gratuity or the commutation ^uamount of the pension remains unaffected by that order.

5. In respect of the other disciplinary enquiry, the statement contained in the Rejoinder Affidavit is that the proceedings thereon have not yet started. The learned counsel for the applicant has mentioned that the applicant had filed his reply to the chargesheet but not even an Inquiry Officer has been appointed nor, indeed, any progress whatsoever has been made in that proceeding. As already mentioned, the applicant had retired as far as ^{back} 31.12.84, and although it is ^upermissible for the Department to hold and conclude an enquiry which had been instituted before retirement, it does not mean that it can continue to remain pending for years together without any progress. It constitutes harassment of a retired employee.

6. It is also noticeable that on the basis of some of the charges proved in the finalised chargesheet referred to above, the President has chosen to impose

gmr

AS

- 3 -

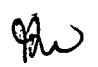

a penalty of not more than of 5% deduction from gratuity. In other words, there is prima facie no justification for withholding most of the amount which is payable to the applicant.

7. It is also noticeable that the nature of the charges have not been indicated in the Counter Affidavit. There is worth in the contention of the learned counsel for the applicant that the making of the Counter Affidavit by the Deputy Chief Personnel Officer is not free from impropriety because the only Opposite Parties in the case are Chairman, Railway Board and General Manager, North Eastern Railway, Gorakhpur and the Counter Affidavit does not even mention that it has been filed on the authority of any of them. Plainly, the opposite parties are taking the applicant's case very casually. Justice therefore seems to demand that despite the pendency of the disciplinary proceedings under the second chargesheet, the applicant should be paid the entire amount due to him. However, the applicant may be bound down to make payment of any amount of the penalty which may be imposed upon him in case charges are proved and finally upheld. It also appears to me that the applicant should be paid interest for wrongful detention of his amount.

8. The application is partly allowed, and it is directed that the opposite parties shall pay to the applicant, within a period of six weeks from the date of service of ^athe copy of this order, the entire commutation amount of the commuted pension and the

2

entire gratuity less 5% of the gratuity amount in the light of the President's order referred to above, The payment to the applicant, however, shall be made subject to the applicant executing a bond in favour of the President of India ~~and~~ giving an undertaking, ^{delivered} to opposite party No.2, to pay such amount as may be imposed upon him by way of penalty, if at all, as a result of the final orders in the pending disciplinary enquiry. It is also directed that the opposite parties shall pay 10% per annum simple as interest to the applicant on the amounts payable to him from the date on which the amounts ^{fell} due to be paid.

REJOINDER

- Para - 1 : No remarks.
- Para - 2 : No remarks.
- Para - 3 : The petitioner lastly worked in Lucknow on the post of Sr. Divisional Electrical Engineer and to harrass the petitioner he was transferred just prior to retirement post to Gorakhpur on an equivalent/ of Dy. Chief Electrical Engineer on which he had retired. Normally an Officer is not transferred just on the eve of retirement. The Bench of Lucknow alone, hence has jurisdiction to entertain the claim.
- Para - 4 : No remarks.
- Para - 5 : No remarks.

A25

: 2 :

Para - 6 : The petitioner was falsely implicated and only to harass and humiliate the petitioner was served with two Charge-Sheets. On this pretext the administration withheld all retirement benefits. The petitioner made fervent appeals from time to time (as mentioned in A/II) to release his outstanding dues. The petitioner's requests fell on deaf ears and only after two years, the General Manager vide A/III replied that he had given instructions to arrange payment to the extent possible vide his letter dated May 22, 1986.

Para - 7 : That from the table given below, it would be evident as to what limit the administration has harassed the petitioner and subjected to mental agony.

<u>Dues pertaining to</u>	<u>Due on</u>	<u>Paid on</u>

Para - 8 : That it is submitted by the administration that two departmental proceedings are pending against the petitioner and unless they come to an end payment cannot be made

...3/-

: 3 :

That this is a glaring case of harassment. That it is submitted that proceedings for second Charge-Sheet have not yet been started and should not be considered at all.

That one Charge-Sheet has been finalised and 5% gratuity has been ordered for deduction. This order has been communicated to me vide letter No. E/74/230/Con.(1) dated 30/3/89.

I have been requesting administration that as per Govt. policy speedier justice should be given to the retired persons but almost 4½ years have passed, justice has been eluded from the petitioner.

Para - 9 : That due to continued mental agony my petitioner's health is deteriorating fast and it is requested that the Court may arrange to get the petitioner's dues paid with interest from the date they become due at an early date.

Para - 10 : That it is illegal to withhold pension commutation amount as it is the amount of the petitioner, had he not got the commutation done the full pension would have been paid to him.

Para - 11 : That the Opposite Parties Chairman Railway Board and General Manager, N.E. Railway have not filed any reply. The reply has been filed by Dy.C.P.O. Registration O.A. No.62 of 1988(L)

T.N.Chaturvedi Applicant.

Versus

Chairman, Railway Board, New Delhi
and Others. Opposite Parties

Hon. Justice Kamleshwar Nath, V.C.

This application under Section 19 of the Administrative Tribunals Act XIII of 1985 is for recovery of the commutation amount of the applicant's pension, said to be approximately Rs.36,000/-, and D.C.K.G. said to be about Rs.29,000/-. There was also a claim of Rs. 630/- on account of arrears of Dearness Allowance for the period from January to August, 1984; that amount has been paid to the applicant during the pendency of the present case.

2. The applicant retired as Deputy Chief Electrical Engineer of the North Eastern Railway on 31.12.84. His case is that he had applied for commutation of pension and had also made demand for payment of gratuity.

3. Counter Affidavit has been filed by the Deputy Chief Personnel Officer (Gazetted) of the North Eastern Railway, Gorakhpur stating that two departmental disciplinary proceedings under Rule 9 of the Railway Servants (Discipline & Appeal) Rules, 1968, instituted before the applicant's retirement, are still pending against the applicant and therefore it is not possible to make payment of the commutation amount of the pension or the amount of gratuity.

4. It has been stated in the Rejoinder Affidavit that one of the departmental proceedings ended in an order dated 14.3.89 of the President of India holding that Articles I & II of the Charges stood proved while III of the charge was not proved and that in respect of the established Articles of Charge, a cut of 5% in gratuity ordinarily admissible to the applicant be imposed. The applicant has filed ^a copy of the President's order alongwith the communication letter dated 30.3.1981 as an enclosure to the Rejoinder Affidavit. It is clear, therefore, that so far as one of the enquiry proceedings is concerned, the applicant is liable only to a cut of 5% in the gratuity amount; the balance of the gratuity or the commutation amount of the pension remains unaffected by that order.

5. In respect of the other disciplinary enquiry, the statement contained in the Rejoinder Affidavit is that the proceedings thereon have not yet started. The learned counsel for the applicant has mentioned that the applicant had filed his reply to the chargesheet but not even an Inquiry Officer has been appointed nor, indeed, any progress whatsoever has been made in that proceeding. As already mentioned, the applicant had retired as far ^{back} as 31.12.84, and although it is permissible for the Department to hold and conclude an enquiry which had been instituted before retirement, it does not mean that it can continue to remain pending for years together without any progress. It constitutes harassment of a retired employee.

6. It is also noticeable that on the basis of some of the charges proved in the finalised chargesheet referred to above, the President has chosen to impose

Qr

(A8)

- 3 -

a penalty of not more than of 5% deduction from gratuity. In other words, there is prima facie no justification for withholding most of the amount which is payable to the applicant. . .

7. It is also noticeable that the nature of the charges have not been indicated in the Counter Affidavit. There is worth in the contention of the learned counsel for the applicant that the making of the Counter Affidavit by the Deputy Chief Personnel Officer is not free from impropriety because the only Opposite Parties in the case are Chairman, Railway Board and General Manager, North Eastern Railway, Gorakhpur and the Counter Affidavit does not even mention that it has been filed on the authority of any of them. Plainly, the opposite parties are taking the applicant's case very casually. Justice therefore seems to demand that despite the pendency of the disciplinary proceedings under the second chargesheet, the applicant should be paid the entire amount due to him. However, the applicant may be bound down to make payment of any amount of the penalty which may be imposed upon him in case charges are proved and finally upheld. It also appears to me that the applicant should be paid interest for wrongful detention of his amount.

8. The application is partly allowed, and it is directed that the opposite parties shall pay to the applicant, within a period of six weeks from the date of service of ^a ~~the~~ copy of this order, the entire commutation amount of the commuted pension and the

8

A9

- 4 -

entire gratuity less 5% of the gratuity amount in the light of the President's order referred to above, . The payment to the applicant, however, shall be made subject to the applicant executing a bond in favour of the President of India ~~and~~ giving an undertaking, ^{delivered} to opposite party No.2 to pay such amount as may be imposed upon him by way of penalty, if at all, as a result of the final orders in the pending disciplinary enquiry. It is also directed that the opposite parties shall pay 10% per annum simple as interest to the applicant on the amounts payable to him from the date on which the amounts fell due to be paid.

(Judgement of the Bench delivered by Hon. B.C. Mathur, V.C.)

The learned counsel for the opposite parties filed a counter reply stating that as per direction of the Tribunal payment amounting to Rs. 24,316/- as D.C.R.G. along-with the interest has been made to the petitioner in the first week of January, 1990. Ten per cent interest has been calculated on D.C.R.G. on the date the same fell due. It was also stated that the commutation of pension amounting to Rs. 28,619/- has been sent to the petitioner by registered post on 9.3.1990 through State Bank of India. The applicant admitted, having ^{been} received the D.C.R.G., as well as, the intimation about the commutation of pension although, he has not received ^{the} money from the Bank. We find that the respondents have complied with the order of the Tribunal substantially. In case the applicant is not satisfied with the amount received by him, he may take up the matter ^{with} to the authorities concerned and if, he still feel aggrieved he will be at ~~xx~~ liberty to file a fresh application under section 19. The contempt petition is rejected and the notice discharged.

CENTRAL ADMINISTRATIVE TRIBUNAL, ALLAHABAD
Lucknow Circuit Bench

Registration O.A. No.62 of 1988 (L)

T.N.Chaturvedi Applicant

Versus

Chairman, Railway Board, New Delhi
and Others. Opposite Parties

Hon. Justice Kamleshwar Nath, V.C.

O A

This application under Section 19 of the Administrative Tribunals Act XIII of 1985 is for recovery of the commutation amount of the applicant's pension, said to be approximately Rs.36,000/-, and D.C.R.G. said to be about Rs.29,000/-. There was also a claim of Rs. 630/- on account of arrears of Dearness Allowance for the period from January to August, 1984; that amount has been paid to the applicant during the pendency of the present case.

2. The applicant retired as Deputy Chief Electrical Engineer of the North Eastern Railway on 31.12.84. His case is that he had applied for commutation of pension and had also made demand for payment of gratuity.

3. Counter Affidavit has been filed by the Deputy Chief Personnel Officer (Gazetted) of the North Eastern Railway, Gorakhpur stating that two departmental disciplinary proceedings under Rule 9 of the Railway Servants (Discipline & Appeal) Rules, 1968, instituted before the applicant's retirement, are still pending against the applicant and therefore it is not possible to make payment of the commutation amount of the pension or the amount of gratuity.

M

140

- 2 -

4. It has been stated in the Rejoinder Affidavit that one of the departmental proceedings ended in an order dated 14.3.89 of the President of India holding that Articles I & II of the Charges stood proved while III of the charge was not proved and that in respect of the established Articles of Charge, a cut of 5% in gratuity ordinarily admissible to the applicant be imposed. The applicant has filed ^a copy of the President's order along with the communication letter dated 30.3.1981 as an enclosure to the Rejoinder Affidavit. It is clear, therefore, that so far as one of the enquiry proceedings is concerned, the applicant is liable only to a cut of 5% in the gratuity amount; the balance of the gratuity or the commutation amount of the pension remains unaffected by that order.

5. In respect of the other disciplinary enquiry, the statement contained in the Rejoinder Affidavit is that the proceedings thereon have not yet started. The learned counsel for the applicant has mentioned that the applicant had filed his reply to the chargesheet but not even an Inquiry Officer has been appointed nor, indeed, any progress whatsoever has been made in that proceeding. As already mentioned, the applicant had retired as far ^{back} as 31.12.84, and although it is permissible for the Department to hold and conclude an enquiry which had been instituted before retirement, it does not mean that it can continue to remain pending for years together without any progress. It constitutes harassment of a retired employee.

6. It is also noticeable that on the basis of some of the charges proved in the finalised chargesheet referred to above, the President has chosen to impose

92

411

a penalty of not more than of 5% deduction from gratuity. In other words, there is prima facie no justification for withholding most of the amount which is payable to the applicant.

7. It is also noticeable that the nature of the charges have not been indicated in the Counter Affidavit. There is worth in the contention of the learned counsel for the applicant that the making of the Counter Affidavit by the Deputy Chief Personnel Officer is not free from impropriety because the only Opposite Parties in the case are Chairman, Railway Board and General Manager, North Eastern Railway, Gorakhpur and the Counter Affidavit does not even mention that it has been filed on the authority of any of them. Plainly, the opposite parties are taking the applicant's case very casually. Justice therefore seems to demand that despite the pendency of the disciplinary proceedings under the second chargesheet, the applicant should be paid the entire amount due to him. However, the applicant may be bound down to make payment of any amount of the penalty which may be imposed upon him in case charges are proved and finally upheld. It also appears to me that the applicant should be paid interest for wrongful detention of his amount.

8. The application is partly allowed, and it is directed that the opposite parties shall pay to the applicant, within a period of six weeks from the date of service of ^a the copy of this order, the entire commutation amount of the commuted pension and the

8

A12

entire gratuity less 5% of the gratuity amount in the light of the President's order referred to above, The payment to the applicant, however, shall be made subject to the applicant executing a bond in favour of the President of India ~~and~~ giving an undertaking, ^{delivered} to opposite party No.2 to pay such amount as may be imposed upon him by way of penalty, if at all, as a result of the final orders in the pending disciplinary enquiry. It is also directed that the opposite parties shall pay 10% per annum simple as interest to the applicant on the amounts payable to him from the date on which the amounts fell due to be paid.

Hon'ble Justice K. Nath, V.C.

The applicant Shri T.N. Chaturvedi is present in person. The implementation of this Court's judgement and order in O.A. NO.62 of 1988 is under consideration. One of the conditions imposed by the order for the purposes of payment of the due amount to the applicant is for the applicant to execute a bond in favour of the President of India. The copy of the personal bond which the applicant has filed alongwith this application does not satisfy the requirements of a valid bond in terms of the orders of the Tribunal. The applicant may furnish a proper bond to the appropriate authority and thereafter make another proper application to this Tribunal for implementation of its judgement. This application is disposed of in these terms.
