As 33 1/3% of the posts reserved for class IV employees, Against the notice dated 16.4.84 the applicants applied for the same in the prescribed proforma for appointment on the post of Junior Clerk, grade Rs 260-400. It was provided in the notice that the employees who will be found eligible will be put to work as Ty. Clerks in the grade of Rs 260-400 purely as a temporary and adhoc stop gap arrangement and will not confer upon them any prospective right for similar promotions in preference to their seniors in future or continuance as such. They can also be posted in any Depts. under the control of Dy. COS/AMW on request for change of posting or any other condition will not be considered. The applicants were tested in Hindi and English and viva voce took place and they were

✓

declared successful and were given appointment. In the mean time, the interim order was vacated and the selection process started. The applicant, that is why have challenged that their suitability having been considered once, they were not required to ~~xx~~ appear in the examination and claim that they may be declared as regularly appointed class III employees.

2. On behalf of the respondents it has been stated that the applicants were put to officiate on purely stop gap arrangement, which condition was incorporated in the notice of appointment and they have been working on the post as such. Having accepted the same they have no right to say anything further. If they want regularisation they have to face selection. In this stop gap arrangement only the applicants' power to speak and write in English and Hindi was tested in pursuance of the notice in the presence of Shri S. Dharman and Shri Sitaram the then D.C.O.S. and A.P.O. AMV respectively. No question paper as prescribed were set or given to the candidates for answer in duration of 3 hours and neither the prescribed selection Board was formed, as the selection from class IV to class III is a sort of new recruitment. The selection Board was ^{to} consist of 3 senior class I scale officers, and the A.P.O. was not a senior scale officer. It has also been stated that the applicants have put in some service and have gained experience and it may be advantage to the applicants themselves when they appear in the written test and viva voce for selection to be made.

Obviously, those who have gained experience may get appointed and regularised but as rule provides

Ua

for age and suitability test the applicants are required to take the eligibility test. As the applicants have served in the department, it is open for the respondents not to give a go by to the applicants who have worked in the department and gained experience, to consider for regularisation, in case they are found eligible for regularisation in selection test.

3. Those staff are still working as clerk on adhoc basis from the last 3 to 4 years and some of them were promoted to officiate as senior clerk, H.C. and DSK/III on adhoc basis, just to pull on the work of this depot as there was shortage of staff with the administration. Some of those clerks were sent for Training at Chandhausi and Camped at DCOS/CB-Lucknow.

4. As a result of P.N.M. Meeting held at Hd.Qrs. Office, NDLS in between URMU and G.M. on 06.6.88 and 07.6.1988 vide item 9- G.M. Ordered that M.C.C. working on adhoc basis for more than 3 years should be regularised as in similar cases staff are regularised at Delhi and Lucknow Division. though the staff at Moradabad and Allahabad Division should also be regularised.

C.P.O./ DDLS also pointed out that in a similar case Sri Rajendra Pal Singh Pharmasist at BKN Division was also regularised on the same pattern.

Under the circumstances Class IV Staff under Dy. COS/AMW who have already been tested before promotion as a clerk and have completed more than 3 years services and were further promoted as Senior Clerk, H.C. and DSK/III and are got trained. Some of them were also rewarded for their goods and remarkable working on the seat, If at all they are all asked to appear a fresh alongwith Class IV staff for a fresh and further Test for the same post and duties of clerk to which they are performing from the last over 3 years, it will not be fair and just for them.

Reply to the application on behalf of the Respondents.

Para 1: Needs no reply.

Para 2: Needs no reply.

Para 3: Issue of the office order mentioned in para 3 of the application is not denied. Rest of the contents inconsistent to the wordings of the order are denied.

Para 4: Needs no reply.

Para 5: No reply is given in regard to the limitation. However it is submitted that the application is premature.

Para 6(i) Only the issue of office notice no. 20-E dated 14.6.1984 is admitted. The alleged facts are only a part of the notice and the spirit behind the issue of the notice will be clear after the entire contents are taken into consideration.

Para 5(ii) In reply it is not denied that about 100 applicants applied to be taken on adhoc and temporary basis , conferring no prospective rights for similar promotions in preference to their seniors in future or continuance as such. It is denied that prescribed test was held as is required for regular selection in 33 1/3% reserve quota for promotion from class IV employees to class III employees and within class III employees. The arrangement was made on purely adhoc basis and it was made clear in the notice itself that it does not confer any right in the matter of future regular , promotion from class IV to class III employees and within class III employees for reserve quota. It is submitted that for this stop gap arrangement only their power speak and write in english and hindi was tested in pursuance of the notice in the presence of Shri S. Dharman and Shri Sitaram the then D.C.O.S and A.P.O. AMV respectively. No question paper as prescribed were set or given to the candidates for answer in duration of 3 hours and neither the prescribed selection Board was formed , as the selection from class IV to Class III is a sort of new recruitment. The selection Board was consist of 3 Sr. Class I scale Officers. It is submitted that Shri Sita Ram A.P.O. was not a senior Scale Officer.

Para 5(iii) Is denied. It is specifically denied that any appointment on post of junior clerk 260-400 at present 950-1500 was given to the applicants. In fact they were given appointment to officiate as clerks on pay Rs. 260/- p.m. in grade 260-400 (Rs) purely as a temporary and adhoc stop gap arrangement pending selection. It was also stipulated in the Office Order No. E/II dated 14.1. '85 that the appointment to officiate will confirm on them no claim for such promotion in further or continuance as such, and the staff is liable to be reverted at any time without notice. This appointment to officiate was necessitated on account of stay order passed by the Hon'ble High Court on holding a selection in 1983 in W.P.No. 5086 of 1983. The same was the case pertaining to office Order No. E-24 dated 25.1.1985. Copies of Annexure No. II and III-A are not denied.

Para 5(iv) It is not denied that the applicants were put to officiate on the post of Jr. Clerk and they are still working purely on officiating basis, pending selection.

Para 5(v) Denied. None of the applicants have been posted on adhoc on senior post.

Para 5(vi) In reply, it is submitted that the same is irrelevant for the decision of the case.

8/4

- 4 -

However it is not denied that in order to refresh their working knowledge to increase efficiency in work, training classes were arranged but this had nothing to do with their selection from class IV to class III which they are yet to pass as their passing was purely adhoc and ~~subject to passing~~ did not confer any right upon them on the post of Jr. Clerk ~~where~~ they were put to officiate.

Para 5(vii) The alleged facts are irrelevant for the decision of the case. It is submitted that they may be of advantage to the applicants themselves, when they appear in written test and vivavocie etc. for the selection to be made.

Para 5(viii) Denied. The applicants alleged claim for regularisation on ground of length of service is specifically denied. It may be stated that the applicants were appointed to officiate as a stop gap arrangement till the regular selection was held, which selection had been stayed by the Hon'ble High Court in W.P.No. 5086/83 later on transferred to this Tribunal and numbered as 625 T of 1987 wherein this Hon'ble Tribunal vacated the stay on 8.8.'88.

The contents of annexure No. III though not admitted, but on face of it, the annexure does not show that the applicants are similarly situated. The post of Junior Clerk is a selection post for class IV and class III employees. There is no other method to fill the post ~~without~~ but can be done only after holding selection as per procedure prescribed.

Para 5(ix) Not denied. It is submitted that the notice for holding selection was issued after the vacation of stay order in (W.P.No.5086 of 1983) Cat 625/87(T) Bishambhar Pd. Saxena and others Vs. Union of India on 8.8.'88.

Para 5(x) Denied. The applicants were appointed to officiate as a stop gap arrangement till the regular selection was held, which selection was stayed in W.P.No. 5086 of 1983 later on transferred to Cat and numbered as 625/87(T) and vacated on 8.8.'88 by this Tribunal. It is specifically denied that the appointment to officiate was made after proper selection. That the applicants admit that the post on which they are officiating were reserved to be filled from class IV and Class III. It is also submitted that the class IV employees were appointed to officiate, thus denying the opportunity to class III employees to even officiate.

Para 5(xi) In reply it is submitted that promotion selection is correctly being held in pursuance to the notice dated 19/30-9-88. It is also not denied that in case the applicants do not pass the selection, they are to be reverted. It is however submitted that the applicants having worked in length and time compared to others, the applicants should not have any fear ~~in~~ not getting selected provided they are earnest in taking up selection seriously.

Para 5(xii) In reply it is submitted that the applicants have been appointed to officiated on stop gap urgent till the selections are made, they cannot claim any sort of seniority. The selction is the only mode to get one appointed in the post of Junior Clerks and if the applicants desire to be appointed they have to compete in the selection with class IV and III employees for which the selection has been notified vide notice dated 19/30-9-88. The applicants have an upper hand, they having been working as Junior Clerks in adhoc and officating capacity as well as received working knowledge in training classes arranged by the administration for them, after they were put to officate till selection is made.

Para 5(xiii) Only the submission of representation by the applicants is not denied. The post of Junior Clerks is a selection post from out of class IV and Class III employees. There is no procedure for regularisation of the applicants by considering them to have worked on the post for a long time. Unless they are selected in accordance with the procedure laid down, result declared and panel drawn up, they cannot be appointed as Junior Clerks. The applicants have been put to officiate on purely stop gap arrangement, which condition was incorporated in the notice of appointment to officiate and they have been working on the post as such. Having accepted and worked in officiating capacity they have no right to say anything further. If they want regularisation they have to face selection which has already been announced vide notice dated 19/30-9-88. Rest of the contents are denied being irrelevant for the decision of the present case.

~~Para 5(xiv)~~

Para 7:

Denied. The applicants are not entitled to any relief claimed. None of the grounds taken in the application are tenable under law. The application is liable to be dismissed with costs.

Para 9: Needs no reply.

Para 10: Needs no reply.

Para 11: Needs no reply. However it is for the Tribunal to verify as to whether the bank draft has been enclosed with the application or not, since no details have been mentioned by the applicant in their application.

Para 12: Needs no reply.

Additional Facts:

Para 12 A: That on account of stay by the Hon'ble High Court from holding selection for promotion to class III Junior Clerks, the administration made arrangement for officiating on the post of Junior clerks with a view to carry on the work of the administration. After the vacation of the stay order granted in W.P.No.5036 of 33, later on numbered as 625 of 1937 (T) on its transfer to this Tribunal, the present notice dated 19/30-9-'38 was issued for holding regular selection against 23 1/3% quota from class IV to Class III for the post of clerk - grade Rs.950-1500 (RPS). The notice issued is thus valid and legal, not open to challenge before this tribunal.

12B. That the applicants have made an issue of their dispute through a recognised Union viz. URMU, which Union served a letter upon the administration. The Union had an informal meeting with COS and CPO on 28.3.'89. Thereafter vide letter No. URMU/10-2/89 and dated 8.5.'89/Br.Secy.URMU/10/89/URMU letter No. URMU/4/89-90 dated 29.4.'89, another recognised Union viz URMU have also come up to put up the case of their members. In pursuance to the representations and informal meeting-s of URMU, the administration has proposed to hold a joint meeting with both the recognised Unions to sort out the issue of selection against 331/3% vacancies reserved from class IV to class III in lower grade. Due to this the selections have been postponed till further orders.

12C. That from the above it is clear that the applicants are seeking their remedy in the Joint meeting with the administration and the recognised Unions. This amounts to pursuing a remedy in addition to the one through this petition, which makes this petition not maintainable and is liable to be dismissed. ~~as they are not entitled to it.~~
