for the respondent

ORAL JUDGMENT

Dated: 18.6.1987

(PER: M.B. Mujumdar, Member(J))

Heard Mr. Walia for the applicant and  
Mr. Master for the respondents.

2. On our directions the respondents have stated the relevant facts through their letter to-day. The letter is dated 17.6.1987 and the same is signed by the Chairman, Railway Recruitment Board. Of course, the facts stated there-in are not new and all the relevant facts were placed before us on the last day by Mr. Master, the Learned Advocate for the respondents. We find from the record produced before us that the applicant had obtained only 93 marks in the written test and 15 marks in the interview, that is in all 108 marks.

On the basis of the marks obtained by him in the written test he was simultaneously called for psychological test. But in that ~~the applicant~~ did not pass. We find from the record that the candidates who had not obtained a total of 150 marks in the written test and interview were held to be ineligible for appointment. No marks are allotted for psychological test, which is only meant for those who wanted them to be appointed to the post of Assistant Station Master. As the applicant had obtained less than the cut-off point of marks we do not think this is a fit case for admission.

3. We, therefore, reject the application summarily under section 19(3) of the Administrative Tribunals Act 1985.
