ORAL JUDGMENT

Dated: 22.6.88

(PER: B.C. GADGIL, VICE CHAIRMAN)

This application is kept for admission to-day.

We have heard Mr. Mohan Sudame for the applicant and  
Mr. Ramesh Darda for the respondents.

2. A departmental enquiry was initiated against  
the applicant on 11.7.1979. This departmental enquiry  
was challenged by filing the present application. The  
prayer is that the departmental proceedings be quashed.  
The second prayer is that the applicant should be con-  
sidered for the next promotional post.

3. We have not stayed the departmental proceedings. The said departmental proceedings are now over. We are told that in the said proceedings the applicant has been exonerated. Hence there is ~~no~~ question of quashing the said departmental proceedings.

4. The case of the applicant for next promotional post has been <sup>already</sup> considered by the DPC ~~before~~ by following sealed cover procedure in view of the pending departmental enquiry. It is needless to say the department would take further appropriate action on the basis of the sealed cover procedure in the light of the fact that the applicant is exonerated.

With the above directions and observations the application is disposed of as not surviving.
