Tribunal's Order:-

Date: 30.4.1987.

Heard the applicant in person. This matter was  
fixed for Admission today.

We do not think that this application is maintainable,  
the reasons are as follows:-

The applicant is an employee of All India Radio,  
Bombay. Respondent No. 5 is his wife and is working at  
Mahanagar Telephone Nigam Ltd., New Delhi. He wants that  
the said Mahanagar Telephone Nigam Ltd., New Delhi be directed  
to transfer the Respondent No. 5 to Bombay. In our opinion,  
such an application at the instance of the applicant, is not

tanable. Respondent No. 5, if she has some grievances about her posting, can, if it is so permissible, agitate with proper proceedings before an appropriate Tribunal. In view of the above position, the application is summarily dismissed as it is not maintainable.
