The Tribunal's orders

Mr.Chitale - Advocate for the Applicant.

Mr.M.S.Gill - Administrative Officer of Respondent No.2 is present. He has brought a letter from Respondent No.(2) requesting that the matter may be adjourned, as the Presenting Officer is not as yet appointed and that the Advocate is being requested to appear. Mr.Gill has, therefore, prayed that the matter may be adjourned for hearing on interim relief.

Mr.Chitale has to-day filed an application stating that the D.P.C. has already been held, and that the interests of the applicant would be prejudiced if someone else is appointed to the post in question. He, therefore, submitted that an interim order may be passed staying the promotion to the post of Chief Draughtsman in the Institute of Respondent No.(2), and in that contingency he has no objection to the grant of some reasonable time.

In our opinion, in the interest of justice, it is required that an interim order should be passed till the matter is heard after giving an opportunity to the Respondent. Respondents are prevented from making any appointment to the post of Chief Draughtsman in the office of Respondent No.(2) till further orders. The matter will be heard on 3.4.86 at 1.30 p.m. for deciding as to whether the above orders should be confirmed or vacated. The Respondents should give a copy of the Affidavit in reply to the Applicant by 31.3.86.
