Cochin 682 014. Respondents

(Respondents represented by Shri C.N. Anand, Advocate)

O R D E R (ORAL)

[Per B.S.Jai Parameshwar, Hon'ble Member (J):

Heard Mr. Sureshkumar learned Counsel for the Applicants
and Shri C.A. Anand, learned Counsel for the Respondents.

2. The Applicant was initially appointed as a Research Assistant
in the Respondent's organisation w.e.f. 30.2.1967. He was
promoted as Senior Research Assistant w.e.f. 21.7.1969. He was
confirmed on the said post on 1.11.1971 in the scale of pay

..2/-

equivalent to Scientist 'S' Grade. On introduction of the Agricultural Research Service (ARS) he was inducted into Scientist 'S' Grade in the Scale of pay of Rs.550-25-750-EB-30-900 w.e.f. 1.10.1975 by office Order No.10/2/76/Per.I dated 12th January, 1978 (Exh. B to O.A.). The Applicant was later promoted as Scientist S-1 Agricultural Research Service w.e.f. 1.7.1983 by order dated 28.11.1984. The Applicant was placed in the revised scale of pay of Rs. 2200-4000 under the UGC scale of pay w.e.f. 1.1.1986 (Exhibit A to the OA.). The Respondent No.3 by letter dated 27.8.1998, issued certain instructions for promotion of Scientific Officers under the Scheme known as Career Advancement Scheme. (Exh. 'A' is the copy of the said scheme.) The applicant submits that he fulfils the qualifications and is eligible for promotion under the said scheme.

3. He submitted his representations dated 29.12.1998, 5.1.1999 and 6.1.1999. At this stage we may observe that the representations submitted by the Applicant were not polite.

4. The applicant has filed this application for the following relief.

(i) To issue appropriate orders/directions to the Respondents to promote and place the applicant to the post of Scientist (Selection Grade)/Senior Grade in the pay scale of Rs.3700-5700 in terms of the clarification contained in the letter No.F.No.1 (6)/98-Per.IV dated 27th August, 1998 issued by the Respondent No.3 and circulated vide endorsement

...3/-

R

No.11-13/89-Admn. Vol.IV dated 17.12.1998 by the Office of the Respondents No.4, with retrospective effect.

5. The Respondents have filed the reply. Their main contention is that for the similar relief, the Applicant had approached the Ernakulam Bench of the Tribunal in O.A.672/97. Further in the said application the Ernakulam Bench of the Tribunal has observed that the service rendered by the Applicant as Experimental Scientist cannot be reckoned for granting the benefit under the scheme. Further it is observed that the said decision has become final. The observations made by in the said O.A. by the Ernakulam Bench as regards computation of services rendered in the post of experimental scientists is confirmed. We cannot deviate from the said conclusion.

6. At a certain stage it was argued that the present Applicant^{tion} is barred by the principles of *resjudicata*. In fact, the applicant had sought promotion under the Career Advancement Scheme as envisaged in the letter dated 28.10.1991. That was the subject matter in the O.A. before the Ernakulam Bench of the Tribunal. While considering the eligibility of the Applicant for promotion under the said Scheme dated 28.10.1991 relying upon the earlier decisions the Bench had formed an opinion that the services rendered by the applicant as Experimental Scientist cannot be taken into consideration for providing promotion, under the Career Advancement Scheme dated 28.10.1991. The reliefs claimed in the present O.A. ^{is on the basis} ~~are~~

...4/-

of Scheme envisaged in the Letter
27.8.1998. Hence in ^{our} ~~one~~ opinion the application is not barred
by the principles of resjudicata. The application is
maintainable.

7. The Learned Counsel for the Respondents submits that the
since the decision of the Ernakulam Bench of the Tribunal in
O.A. 672/97 has become final and this Tribunal cannot give a
different direction to the Respondents to consider his case
taking into consideration the services rendered by the
applicant as an Experimental Scientist. We agree with the said
submission. We are not directing the respondents to take into
consideration the services rendered by the Applicant as
Experimental Scientist, while considering his case under the
Scheme dated 27.8.1998.

8. However, during the course of arguments, learned counsel
for the Respondent brought our notice a letter of the ICAR
F.No.10-27/94-Per.IV dated 24th March, 1999 wherein certain
provision is made for Career Advancement of Scientific
Officers. Further they submit that the case of the Applicant
will be considered in accordance with the said letter of
24.3.1999.

9. We feel it proper to direct the applicant, if he is so
advised to submit a representation in a polite manner to the
Respondent authorities for considering his case in accordance
with Schemes dated 27.8.1998 and 24.3.1999 keeping in mind the
observations made by the Ernakulam Bench of the Tribunal, in
O.A.672/97 dated 23.12.1999.

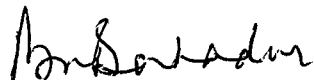

10. The Applicant may submit such a representation within one
month from the date of receipt of a copy of this order.

11. Time for compliance is 4 months from the date of receipt
of the representation.

...5/-

12. With the above observations the O.A. is disposed of with no order as to costs.
