O R D E R (ORAL)

[Per: Kuldip Singh, Member (J)]

The Applicant, Shri A.J. Gonsalves has filed this O.A.
whereby he is assailing the Order No. 27 dated 16.11.1998
promoting Shri V.K. Koli, Respondent No.4 as Office

....2/-

Superintendent and reverting the applicant who was working as Adhoc Office Supdt.

2. The facts in brief are that the Applicant and Respondent No.4 were working as LDCs. Respondent No.4 was given promotion as UDC w.e.f. 2nd July, 1992 against which the Applicant made a representation and he was also given promotion ^{from} 18.1.1995, but his seniority was protected as per seniority list at Annexure A-VIII.

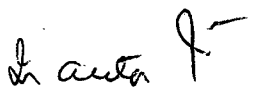

3. The main contention of the Applicant is that Respondent No.4 be reverted and the applicant being eligible for the post may be given promotion to the post of Office Superintendent.

4. Respondents Counsel contends that as per the settled law seniority in a particular cadre does not entitle a public servant for the promotion to a higher post unless he fulfills the eligibility ^{conditions} prescribed by relevant rules. The Applicant did not have minimum 5 years service in the grade of Upper Division Clerk as required under the Recruitment Rules for filling up the post of Office Superintendent. Hence the DPC did not consider him fit for promotion to the post of O.S. but Respondent No.4 who was eligible and fulfilling the criteria was promoted to that post. The Applicant did not possess the qualifying service ^{so} could not be considered for promotion.

ku

5. We have carefully considered the arguments raised by the Learned Counsels on both sides and have perused the records available. The Applicant now prays that since as per the catch up Rules now he has completed 5 years qualifying service and hence Respondent No.4 be reverted back and he should be promoted. In our view no Rule permits for such an action that a person who ^{was} ~~is~~ fulfilling all the eligibility conditions should be reverted back and Applicant can be promoted to his place.

6. In the result, the O.A. has no merits and fails. No costs.
