OPEN COURT ORDER

PER : Shri R. G. Vaidyanatha, Vice-Chairman.

These are three applications filed by the applicants
challenging the order of the respondents reverting them. Their
grievance is, that they should have been given another chance for
clearing the Typing Test before any decision is taken regarding
reversion. The Learned Counsel for the respondents submits that
the administration has decided to give the applicants one more
chance for passing in the Typing speed test and they will not be
reverted till then.

2. After hearing both sides and perusing the material on record and in particular, the applicants' representations, one of which is at page 17 of the Paper Book of O.A. No. 807/99, the only prayer made by the applicant is that he should not be reverted and the order of reversion should be revoked and he must be given one more chance to pass in the typing speed test.

An order has been passed on behalf of the General Manager dated 28.10.1999 stating that the applicants will be given one more chance to qualify in the typing speed test.

In our view, the order of the administration substantially complies with the demand of the applicants.

3. In the result, all the three O.As. are disposed of at the admission stage directing the administration to give one more chance to the applicants to qualify in the typing speed test and till then, the applicants should not be reverted from the present post. In the circumstances of the case, there will be no order as to costs.
