O R D E R (Oral)
[Per : Shri G.C. Srivastava, Member (A)]

Applicants in these O.A.'S. seeking directions to grant the financial upgradation under Assured Career Progression scheme to the applicants on the basis of their regular service from the date of their initial appointments alongwith all consequential benefits. The applicants in their applications have mentioned that earlier O.A.306/88 had been filed in this Tribunal which was disposed of 21.6.1991 with directions to the Respondents to give all benefits due to the applicants as per Ministry of Defence letter dated 24.11.1967 as amended by corrigendum dated 27.5.1980 from the dates on which the applicants were initially appointed on casual basis by ignoring the artificial or technical breaks in their services. The Tribunal had further directed to fix the seniority of the applicants in the respective grade on which they are absorbed in the service. The main grievance of the applicants in the present applications is that the benefits of Assured Career

...5..

Progression Scheme have not been extended to them taking into account the service from the date of their initial appointment on casual basis despite the fact the Tribunal has issued directions to treat the entire period as regular service and the Respondents have in compliance with the directions issued similar orders treating the service as regular.

2. We have heard Mr.A.I. Bhatkar, Learned Counsel for the applicants and Mr.V.S. Masurkar, Learned Counsel for the Respondents. It has been brought to our notice that some of the applicants had already made representations to the Respondents to consider the case for grant of of promotion under the Assured Career Progression Scheme, but no reply has been received. Mr.Bhatkar, Learned Counsel for the Applicants further states that in some of the cases replies have been sent, stating that it is not possible to consider such promotions taking into account the services for regularisation. Mr.Masurkar, Learned Counsel appearing on behalf of the Respondents has submitted that the representations have been given to the Respondents and the same will be considered as early as possible and some of the applicants ^{who} have not given representations ^{may} do so now and they should be considered on merits.

3. In the light of the above, we are of considered view that that all these applications should be decided at the stage of admission itself by directing the Respondents to consider the representations already submitted to them as well as representations to be submitted within a period of one month

from the date of receipt of the copy of this order and decide the representations within a period of 3 months from the date of receipt of such fresh representations.

4. With the above directions the OAs are disposed of with no order as to the costs.
