Hon. Mr. Justice U.C. Srivastava, V.C.  
Hon!ble Mr. A.B. Gorthi, Member (A)

( By Hon. Mr. Justice U.C. Srivastava, V.C.)

By means of this application, the applicant challenges the validity of the order dated 11.4.1988 and the letter dated 9.12.1987 altering the seniority position of the applicant on the post of M.S.M. Grade III to M.S.M. Grade-I. The applicant was initially appointed as Signal Khalasi on 10th July 1959 in the Northern Railway, Division. The applicant was thereafter sent for training vide order dated 4.3.1968 for the post of M.S.M. Out of 27 persons only Sri Chunni Lal, Sri Jata Shanker Bhatt and Sri Zamil Ahmad along with the applicant <sup>red</sup> pass the test while rest of 23 persons including Sarvasri Hazari Lal, Jagdish Prasad Bhargava, Sant Ram and Ganga Bishun failed in the test. The applicant successfully passed the training course on 11.7.1968. Sri Hazari Lal, Jagdish Prasad Bhargava, Sant Ram and Ganga Bishun ~~Could~~ pass the trade test for M.S.M. Grade III on 29.4.1968, 28.3.1968, 29.4.1968 and 13.7.1970 respectively. It appears that ~~vide~~ order dated 13.3.1970 was passed reverting the applicant from the post of M.S.M. III to the post of relieving Khalasi for M.S.M. retaining the juniors to the applicant namely Hazari Lal, Jagdish Prasad Bhargava, Sant Ram, Ganga Bishun who had not only <sup>red</sup> pass the test much after the applicant but were also promoted to the post of M.S.M. III

after the applicant. The applicant being aggrieved of the aforesaid order of reversion, filed a Writ Petition before the Hon'ble High Court, Lucknow Bench, Lucknow, which came up for consideration along with other petitions. It appears that the applicant's application was dismissed and other petitions are allowed. All the aforesaid junior persons were however retained and allowed to work on the post of M.S.M.III which the applicant was reverted from the post of M.S.M. III to relieving Khalasi for M.S.M. unreasonably. The court held in the judgment dated 24.11.1960 that the applicant can succeed only against Hazari Lal on the basis of applicability of paragraph 320(b) of the Railway Establishment Manual. As only one post was available, the senior most among the applicants can alone succeed. Dwarika Prasad is senior most among the applicant inter-se. The applicant was assigned seniority on the post of M.S.M. Grade-I w.e.f. 26.9.1979 on which date the ~~senior~~ seniority was due to the applicant. Before fixing the seniority of the applicant, appropriate opportunity was afforded to all concerned and thereafter, the seniority list was circulated vide letter dated 23.2.1987 placing the name of the applicant at serial No. 26 which was later on confirmed as such. The applicant was shocked to receive a show cause notice dated 9.12.1987 after about 4 years issued by the respondent no.4 whereby the applicant was apprised that the seniority of the applicant on the post of M.S.M. Grade-III was proposed to be revised and as such the applicant was asked <sup>to reply to</sup> the proposed change. Indeed the respondent no.4 was incompetent to issue such a notice dated 9.12.1987. Opening the settled question of seniority fixation on the post of M.S.M. Grade-III, when the applicant is functioning on

- 3 -

the post of M.S.M. Grade-I was wholly without jurisdiction, yet the applicant filed a representation before the respondent no. 4. The aforesaid representation of the applicant was rejected by the respondents on 11.4.1988 without assigning any reason.

2. It is stated by the respondents in their written statement that the applicant was assigned seniority from the date of passing of trade test dated 22.4.1986. In terms of para-136 of the Indian Railway Establishment Manual, actually the applicant's seniority should have been fixed keeping in view of the substantive seniority of Khallasi and he was advised accordingly vide letter dt. 9.12.1989.

3. In view of the facts stated above, the applicant's seniority has been reverted which has been admitted by the respondents themselves in their counter affidavit and his representation has also been rejected by the respondents on 11.4.1988 by which the seniority of the applicant was altered. By staying the operation of the impugned order dt. 11.4.1988, the respondents <sup>was</sup> ~~are~~ restrained not to take away any benefit from the applicant in pursuance of this impugned order, and respondents <sup>was</sup> ~~are~~ also directed not to disturb the seniority of the applicant. It is open to the respondents, if some modification has taken place regarding the seniority, it should be done in accordance with law and the respondents will hear all these persons and decide the matter within 3 months taking into consideration the legal position and <sup>was</sup> ~~ever~~ observations made in this judgment. The application is disposed of with the above terms. Parties to bear their own costs.

(A12)

Hon'ble High Court, Lucknow Bench, Lucknow.

The Hon'ble High Court was pleased to hold that the applicant was senior to Sri Hazari Lal who was impleaded as an Opposite Party in the aforesaid Writ Petition but as the vacancies were not available the applicant could not be adjusted on the higher post. A true copy of the judgment of the Hon'ble High Court dated 24th November 1980 is being filed herewith as Annexure-4 to this application.

ANNEXURE-4

4.11 That obviously Sri Jagdish Prasad Bhargava, Sant Ram and Sri Ganga Bishun were subsequently promoted to the post of M.S.M. III along with Sri Hazari Lal and as such the applicant was the senior most among Hazari Lal, Jagdish Prasad Bhargava, Sant Ram and Gang Bishun.

4.12 That all the aforesaid junior persons were however retained and allowed to work on the post of M.S.M. III while the applicant was reverted from the post of M.S.M. III to relieving Khalasi for M.S.M. unreasonably. Any way during the pendency of the aforesaid Writ Petition the applicant was temporarily promoted and reverted several times against

*Malik and*

the fortuitous vacancies of the M.S.M. III and he was also paid the salary for the post of M.S.M. III.

4.13 That the applicant was lastly promoted on regular basis against a clear existing vacancy of M.S.M. III on 6.2.1973 and he continued on the said post of M.S.M. III thereafter till 1.8.1978 when he was again promoted to a clear vacancy of M.S.M. II on account of his meritorious work.

4.14 That it is relevant to point out that on the date of the judgment in the aforesaid Writ Petition i.e. on 24.11.1980 the applicant was functioning on the higher post of M.S.M. Grade II.

4.15 That the ladder of promotion goes upward from the post of M.S.M. III to M.S.M. II and then from M.S.M. II to M.S.M. I.

4.16 That however the said Hazari Lal who was promoted as M.S.M. III on 15.2.1969 was directly promoted to M.S.M. Grade I on 26.9.79. Similarly Sri Sant Ram who was promoted to M.S.M. Grade III on 16.3.1971 was also ~~directly~~ promoted to the post of M.S.M. Grade I on 25.10.1980 while Sri Jagdish Prasad Bhargava

*of M.S.M. Grade II on 1.8.78 was subsequently promoted to the post*

4/4

who was promoted to M.S.M. Grade III post on 3.3.1971 was promoted to M.S.M. Grade II on 1.8.1978 and thereafter the M.S.M. Grade I on 3.10.1980. Sri Ganga Bishun could, however, be promoted to the post of M.S.M. Grade II <sup>on 1.8.78 and to the post of M.S.M. Grade I</sup> on 1.1.1984.

4.17 That the applicant was not promoted from the post of M.S.M. Grade II to the post of M.S.M. Grade I because of the aforesaid pending Writ Petition, although he was assured that he would be promoted to the post of M.S.M. Grade I with effect from the due date.

4.18 That thereafter the matter was represented before the Divisional Railway Manager for considering the case of the applicant as the applicant was wrongly reverted from the post of M.S.M. Grade III to the post of Relieving Khalasi for M.S.M., although the vacancies were available. More over the applicant was promoted to the post of M.S.M. Grade III against a clear vacancy on 19.11.68 while juniors to the applicant Sri Hazari Lal, Sri Jagdish Prasad Bhargava, Sri Sant Ram and Sri Ganga Bishun, who failed in trade test in the year 1967 in which the applicant was passed again appeared in another trade test

228/1/68

held in the year 1968 in which they succeeded and consequently they were given promotion to the post of M.S.M. Grade III in the years 1969, 1970 and 1971 as aforesaid. In any of the circumstances they cannot supersede the applicant. The Divisional Railway Manager having examined the case of the applicant allowed him seniority over Sri Hazari Lal and below Sri D.P. Gupta in the seniority list of M.S.M. Grade III. A true copy of the order dated 22.4.1983 fixing the seniority position of the applicant in compliance of the order of Divisional Railway Manager to that effect is being filed herewith as Annexure-5 to this application. It is however being made clear afore- that before the said seniority of the applicant was fixed, all the effected persons including Sri Hazari Lal were issued notices to submit their objections and after considering the entire merit of the case the highest authority of the Division had passed the order in favour of the applicant fixing his seniority on the basis of his passing the trade test and promotion in a clear vacancy in accordance with law.

ANNEXURE-5

4.19 That the applicant thereafter was trade tested for the post of M.S.M. Grade I

116

for the first time in the year 1985 and was declared successful vide order dated 19.1.85. Earlier to it the applicant was not given any opportunity to appear in the trade test owing to the reason that the aforesaid Writ Petition was pending and therefore the opportunity to pass the trade test for the post of M.S.M. Grade I could only become available to the applicant only in the year 1985. A true copy of the result declaring the applicant passed in the trade test held for the post of M.S.M. Grade I is being filed herewith as Annexure-6 to this Application.

ANNEXURE-6

4.20 That thereafter the applicant was promoted to the post of M.S.M. Grade I on 30.1.1985.

4.21 That it is also worthwhile to mention that the Divisional Railway Manager, the Respondent No. 2 having examined the case found that the applicant was wrongly not afforded an opportunity to be promoted to the post of M.S.M. Grade I, although he was fully eligible and senior to those who were given that opportunity. If the petitioner would have given his due opportunity at appropriate time for being promoted to the higher post he would

*psd/ano*

AM

have been promoted to the higher post as he has cleared the trade test in one attempt. There was no fault of the applicant in any manner whatsoever and as such the applicant was assigned seniority on the post of M.S.M. Grade I with effect from 26.9.1979 on which date the said seniority was due to the applicant. Before fixing the seniority of the applicant appropriate opportunity was afforded to all concerned and <sup>hereafter</sup> the seniority list was circulated vide letter dated 23.2.1987 placing the name of the applicant at serial number <sup>which</sup> 26 was later on confirmed as such. A true copy of the aforesaid seniority list along with its covering letter dated 23.2.1987 is being filed herewith as Annexure-7 to this

ANNEXURE-7

4.22 That although the Chapter of fixing seniority was closed as back as in the year 1983 when the final orders were passed by the Divisional Railway Manager, the Respondent No.2 fixing the seniority of the applicant over Sri Hazari Lal and below Sri Dwarika Prasad as contained in Annexure-5 to this application yet the applicant shocked to receive a show cause notice dated 9.12.1987 after about 4 years issued by the Respondent

*Pass one*

AD

No. 4 whereby the applicant was apprised that the seniority of the applicant on the post of M.S.M. Grade III was proposed to be revised and as such the applicant was asked to submit his objections/representation against the proposed change. Indeed the Respondent No. 4 was ~~still~~ incompetent to issue such a notice dated 9.12.1987, a copy of which has already been filed as Annexure-2 to this application.

Opening the settled question of seniority fixation on the post of M.S.M. Grade III, when the applicant is functioning on the post of <sup>was wholly without jurisdiction.</sup>

M.S.M. Grade I, yet the applicant filed his objections reminding the Opposite Party No.4 that the matter has already been settled as back as in the year 1983 and there was no justification for opening the stale question at this juncture. A true copy of the representation made by the applicant is being filed herewith as Annexure-8 to this Application.

ANNEXURE-8

*Prasanna*

4.23 That thereafter the aforesaid representation of the applicant was rejected vide order dated 11.4.1988 without disclosing any rhyme or reason for rejecting the same. No justification to alter the applicant's seniority on the post of ~~MxMxMx~~ Khalasi has been mentioned

119

A true copy of the aforesaid Order dated 11.4.80 which has been impugned to this application has already been filed as Annexure-1 to this application.

4.24 That once the seniority of the applicant has already been settled by the Divisional Railway Manager, the Respondent No. 2 it cannot be revised or altered by the Respondent No. 4 who is an officer of lower rank. The impugned notice contained in Annexure-2 to this application is therefore wholly without jurisdiction and void in the eye of Law.

4.25 That it is crystal clear from the facts narrated herein above that Sri Hazari Lal, Sri Jagdish Prasad Bhargava, Sri Sant Ram and Sri Ganga Bishun were failed in the trade test held in the year 1967 in which the applicant was declared successful. These persons could pass the trade test after about more than 1 1/2 years in a fresh trade test held subsequently and therefore they cannot be made senior to the applicant in any manner whatsoever.

*Admitted*

4.26 That it is also worthwhile to point out that the applicant was given promotion to the post of M.S.M. Grade III earlier to the aforesaid persons and as such these persons cannot supersede the applicant under any provisions of law.

020

4.27 That it is well settled principle of law that the person who passes the trade test earlier is senior to the person who pass the trade test later on. The said persons have passed the trade test held afresh in the year 1968 hence they cannot claim any benefit of seniority over the applicant.

4.28 That the said show cause notice, contained in annexure-2 to this application has been issued altering the seniority of the applicant while he was functioning on the post of M.S.M. Grade I. The applicant has already been given seniority and other benefits with effect from 26.9.1979 and his pay in the post of M.S.M. Grade I has also been accordingly fixed and is presently enjoying the same.

4.29 That in case the said altered seniority is implemented the applicant will not only go down to the aforesaid juniors but will also be reverted to the next lower post. Sarvashri Hazari Lal ~~was given~~ had already been given benefits of promotion directly from the post of M.S.M. Grade III to the post of M.S.M. Grade I illegally.

4.30 That as the vacancy position on the post of M.S.M. Grade III was not clearly

*for one*

(421)

pointed out by the Respondents ~~ix~~ before the Hon'ble High Court and the mistake was later on rectified before the Respondent No.2, As 220 E/II/1/MSM III & PP No 72 mentioned in office file No. ~~22-70~~, the applicant's seniority position has correctly been fixed on the post of M.S.M. Grade III, II and I and there is no occasion to alter the same.

5. Grounds for relief with legal provisions:

- i) Because the applicant's seniority has already been fixed and settled by the Divisional Railway Manager, the Respondent No.2 as back as in the year 1983, hence the Respondent No.4 the lower authority, cannot issue any notice to alter the seniority of the applicant dismantling the orders passed by the Respondent No. 2. As such the notice dated 9.12. 1987 contained in Annexure-2 is wholly without jurisdiction and void abinitio.
- ii) Because the applicant is presently functioning on the post of M.S.M. Grade I and is enjoying all the benefits of the same. He is looking for the next promotion

*relax and*

A22

on the higher post and hence altering his seniority position on the lower post of M.S.M. Grade III is highly misconceived and in anti thesis to the settled canons of the seniority.

- iii) Because the applicant is enjoying the seniority position of the post of M.S.M. Grade I and there is no relevancy to change his seniority position on the lower post of M.S.M. Grade III at this juncture.
- iv) Because the Respondents are stopped in the eye of law to open the stale question which has already been settled by the highest officer of the Division.
- v) Because the applicant had passed the trade test held during 27.3.1967 to 30.3.67 and was also promoted as such to the post of M.S.M. Grade III against a clear vacancy on 19.11.1968. The other persons whose names have been referred in the body of the application had not only failed in the trade test of the year 1967, but could only pass the trade test held a-fresh in the year 1968. As such these persons cannot be made senior to the applicant.
- vi) Because it is well settled principle of law

*present*

823

that a person who passes the trade test earlier is senior to a person who passes the trade test later on.

- vii) Because it has already been held by the Hon'ble High Court that the applicant's case is governed by paragraph 320(b) of the Railway Establishment Manual and as such he is senior to Sarvashri Hazari Lal, Jagdish Prasad Bhargava, Sant Ram and Ganga Bishun.
- viii) Because the action of the Respondent No.4 in altering the seniority of the applicant is wholly arbitrary, malafide and unwarranted in the eye of law.
- ix) Because the applicant could not be promoted earlier at appropriate time owing to the fault of the administration for which the applicant cannot be made to suffer.
- x) Because the action of the Respondents is wholly perverse to the statutory provisions contained in Railway Establishment Code, Manual and all other principles pertaining to seniority besides in contravention of the provisions of Part III of the Constitution of India.

Writ Petition No. 620 of 1970

WRIT PETITION UNDER ARTICLE 226 OF THE CONSTITUTION OF  
INDIA.

LUCKNOW DATED. 24.11.1980.

Hon. K.S. Varma, J.

Hon. K.N. Goyal, J.

(Delivered by Hon'ble K.N. Goyal, J.)

These two writ petitions are directed against an order of reversion whereby the three petitioners have been reverted from the post of Mechanical signal Maintainer Grade III to the post of Khalesi. The contention of the three petitioners is that they were senior to other officials who have been retained on the higher post and have not been reverted.

The two petitioners in writ petition No. 620 of 1970 are Jeta Shenker Bhatt and Jai Narain Saxena. They were appointed as Khalesis in July, 1959 and they passed trade test on 23.9.1969 whereby their suitability for the higher post was certified. The petitioner in writ petition No. 682 of 1970, namely, Dwarika Prasad was appointed as Khalesi in September, 1959 and he passed the trade test on 23-9-1965. All the three petitioners were promoted to the higher post after having passed the trade test. The promotion was not on a permanent basis but was in non-fortuitous vacancies. In the case of Dwarika Prasad his promotion took place on 10.1.1966 while the other two petitioners were promoted in 1968 and 1969.

As against this, respondent Hazari Lal who is respondent no.8 in writ petition No. 682 of 1970 and respondent no.9 in writ petition No.620 of 1970 was appointed as Khalsai earlier than these three petitioners but he passed the trade test only in March, 1969. He was thereafter promoted in non-fortuitous vacancy in February, 1969. On the basis of these dates it has been contended by the petitioners that they were senior to Hazari Lal by virtue of their having qualified on earlier trade tests and having got promoted in non-fortuitous vacancies before any subsequent test was held. Reliance has been placed on paragraph 320(b) of the Indian Railway Establishment Manual.

The learned counsel for the Union of India and the authorities concerned has placed reliance, on the other hand, on paragraph 316 of the same Manual. That paragraph, to our mind, does not apply to the case as it relates to different dates of trade tests when such different dates could be treated as one continuous examination. It has not been suggested that the trade tests at which the petitioners qualified in 1965 and 1967 respectively could be treated as one continuous examination which continued till 1969 at which time the respondent Hazari Lal qualified. In these circumstances paragraph 316 of the Manual is clearly not applicable and paragraph 320(b) of the Manual is attracted and all the three petitioners must be held senior to Hazari Lal.

Initially the petitioners had challenged the seniority given to one Badri as well, but the said Badri appears to have retired during the pendency of the writ petitions. Accordingly, no relief can be claimed by the petitioners so far as Badri was concerned.

In the writ petitions, objection has also been taken against the promotion of Latafat Hussain, Rajdeo, S.W. Hussain and Umrao Singh. THESE four persons were promoted in 1964. The contention of the petitioners is that these respondents, were though senior to the petitioners, were not qualified at the time of their promotions as they had not fulfilled the qualification relating to the requisite length of experience. We are not, however,

propared to entertain this plea because their promotion had taken place in 1964 while these writ petitions were filed in 1970. As those promotions were not challenged for a period of six years and as in the meantime these respondents had already acquired experience on the higher post, the petitioners cannot be permitted to urge that the promotion of these respondents should be nullified merely on the ground that at the time when they were promoted in 1964 they had not fulfilled the qualification relating to length of experience. The petitioners themselves were not even eligible for promotion at that time.

Accordingly, the petitioners can succeed only against Hazari <sup>41</sup> on the basis of applicability of paragraph 320(b) of the Manual. As only one post was available, the senior-most among the petitioners can alone succeed. Dwarika Prasad is senior-most among the petitioners inter se.

In the result, writ petition No. 620 of 1970 is dismissed while writ petition No. 662 of 1970 is allowed and a writ of mandamus is issued to the Union of India to treat the petitioner as senior to Hazari <sup>41</sup>. The order of reversal, Annexure 1 to the writ petition, in so far as it relates to Dwarika Prasad the petitioner in this case, is hereby quashed. No order as to costs.
