  4. V. Gopal, Deputy General Manager, Telecom, Karnataka Circle, No.325, V Main, Gandhinagar, Bangalore-9.
- ... Respondents.

This application having come up for hearing to-day, Vice-Chairman made the following.

ORDER

In this application made under Section 22(3)(f) of the Administrative Tribunals Act of 1985 ('the Act'), the applicant has sought for a review of the order made against him on 27.4.87 in A.No. 1997/86.

2. In his application, the applicant challenged the action of respondent no. 4 in not permitting one Shri P.A. Naik to defend him in a disciplinary proceeding pending before the Inquiry Officer. On an examination of that question, the Bench held that the same did not suffer from any infirmity and had dismissed the application.

3. Shri M. Narayanaswamy, learned counsel for the applicant, has sought to assail the correctness of the finding and the reasons in support of that finding.

4. Every one of these submissions made by Shri Narayanaswamy really ask us to examine the correctness of the order made by this Tribunal as if we are a court of appeal and come to a different conclusion. It is well settled that the power of review cannot be so exercised. We are also of the view that the order made by the Tribunal does not suffer from a patent error to justify us to review the earlier order.

5. On the foregoing discussion, we hold that this application is liable to be rejected. We therefore reject this application at the admission stage without notice to the respondents.
