JUDGEMENT PRONOUNCED BY SHRI CH. RAMAKRISHNA RAO,  
MEMBER (JUDICIAL)

In this application, Shri M. Raghavendra Achar, learned counsel for the applicant has challenged the order passed by the Sub-Divisional Inspector, Postal (SDI) Respondent No.1 transferring, among others, the applicant, working as Postman BM City to BM Nehrunagar on several grounds. It is, however, sufficient in our view to deal with the main submission. According to Shri Achar the order of transfer was preceded by a Memo dated 25.1.1986 issued by the SDI in which he was called upon to explain why he should not be transferred, because he was found shouting loudly in the office in violation of discipline when he was working for and since proceedings were neither initiated pursuant to the aforesaid memo nor were they cancelled, the transfer was effected as a measure of punishment. Shri M. Vasudeva Rao, learned counsel for the Respondents submits, that though the Memo dated 21.5.1986 was issued to the applicant, there was no intention on the part of the Department to pursue the matter and the order of transfer is not, therefore, open to challenge.

2. A similar point arose for consideration in Sunder Raju V. Assistant General Manager, Canteen Stores Depot: application No.20/86(F), decided on 26.6.1986, in which we held that it was incumbent on the part of the Assistant General Manager to have passed an order giving quietus to the complaint made against the applicant in that case without which it is reasonable to draw an inference of a nexus between the order of transfer and the complaint made

against the applicant. The ratio of the decision cited above, is equally applicable to the present case, since Shri Rao has clarified that no order was actually passed cancelling the memo dated 25.1.1986. If so, the afore-said memo is very much in existence which means and implies that the allegation of indiscipline levelled against the applicant stands and the transfer was effected on the ground stated in the memo as a measure of punishment.

3. We, therefore, set aside the order of transfer. This is, however, without prejudice to the right of the Respondent to pass a final order on the memo referred to above, calling for the explanation of the applicant in regard to the allegations stated therein and thereafter, to consider the question of transferring him in conformity with the rules and guidelines.

4. In the result, the application is allowed with costs.

Reply filed on behalf of the Respondents  
under Rule 12 of the Central Administrative  
Tribunal Rules, 1985.

It is submitted as follows:-

1. That the applicant in the above application  
has challenged the order of his transfer. The  
application is misconceived and devoid of any merits,  
and the applicant is not entitled for any relief  
as claimed by him.

2. That the applicant was transferred by  
the Sub Divisional Inspector, Belgaum North Sub  
Division, the appointing authority as postman,  
Mehrunagar P.O. Belgaum and Sri P.T. Gunjekar  
leave reserve postman of Belgaum North Sub Division  
was posted as postman Belgaum City P.O. vide Sri  
S.G. Deshpande. The applicant has now filed an  
application before this Hon'ble Tribunal and this  
Hon'ble Tribunal has issued an interim stay of the  
operation of the order dated 28.4.86. The  
orders of the interim stay of this Hon'ble Tribunal

could not be implemented as the applicant was on leave and the transfer to the Post of Sri P.T. Gunjekar joined the post in the meanwhile.

The averments made in the application are traversed herein parwise.

3. Regarding paragraphs 1 to 5 : No comments.

4. Regarding paragraph No.6: The applicant was examined by the Authorized Medical Officer, Cantonment Dispensary, Belgaum on 27.6.69 and he was certified to be fit for employment in Government Service. The said certificate also states that the applicant is suffering from "Kyphosis" and this kyphosis is there ever since the childhood of the applicant. Besides the applicant was ~~xxxx~~ recruited under General Quota and not under the quota reserved for "Physically handicapped persons". The request of the applicant for granting him conveyance allowance has also been rejected. The applicant was sanctioned cycle advance with a condition that he will use the cycle for his official duties and the plea of the applicant that he is unable to ride the bicycle is not convincing one. The fact that applicant was ordered to be given a light beat is not denied and on this ground the applicant cannot claim immunity from transfer.

The allegation that the Superintendent is a member of the rival union and the transfer is

ordered as inter-union rivalry is far from truth and is denied.

The transfer order was not issued to cause any hardship to the applicant. The transfer orders were issued in the administrative interest. The Sub-Divisional Inspector is empowered to effect transfers in accordance with the provisions of Rule 37 of P & T Manual Volume IV. Besides both the offices are located in the same town. Normally orders of transfer are outside the purview of examination by a Court of Law. Transfers being an implied condition of Government service, the appointing authority is the best person to decide how to distribute its man power.

A variety of factors may weigh the appointing authority while considering the question of transfer viz., reputation, the period for which the he has been posted at a particular place and a number of other grounds which may be taken together under the head "exigencies of service". The Tribunal has to go into the matter and adjudicate about the availability of propriety of transfer.

The applicant is attempting to misguide this Hon'ble Tribunal by stating that a show cause notice was issued to the applicant. Though a show cause notice was issued the words "as a measure of penalty" were not used. The transfer was not ordered as measure of penalty as contended by the applicant. The applicant has been working in Belgaum

City since 1.7.70 and as postman in the same office since 6.10.69. As he was working in the same office for the last 16 years he was transferred in the exigencies of service, and not as a measure of penalty.

The applicant's application for retransfer to Belgum City P.O. is still under consideration.

4. Regarding paragraph 7: The orders of this Hon'ble Tribunal ordering interim stay of the orders could not be implemented as the orders of transfer were partially implemented by the time the orders of interim stay were received.

Regarding grounds for relief:

(i) The impugned order of transfer is not violative of Article 15 as not hostile discrimination has been made in ordering transfers.

(ii) The order of transfer was issued in administrative interest.

(iii) The order of transfer is not without jurisdiction as the incumbent who was officiating had full powers of a regular Inspector.

(iv) The applicant had not been declared as a physically handicapped person and kyphosis is not one of the handicaps;

(v) The order of transfer was not made with mala fide intension and hence it is not bad in law.

DETAILS OF APPLICATION

1. Particulars of the applicant.

- (i) Name of the applicant: S.G.DESHPANDE
- (ii) Name of Father : Gangadhar Deshpande
- (iii) Designation and Office in which employed : Postman, Road Kapileshwar/Post Office, Belgaum.
- (iv) Office Address : S.G.Deshpande S/o Gangadhar Deshpande, Postman, Kapileshwar Road Post Office, Belgaum.
- (v) Address for service of all notices : S.G.Deshpande C/o M.Raghavendra Achar, Advocate, No.1074 and 1075, Banashankari Ist Stage, Sreenivasa Nagar II Phase, Bangalore.

2. Particulars of the respondent.

- (i) Name and/or designation of the respondent. X 1. Sub-Divisional Inspector (Postal),
- (ii) Office address of the respondent. X Belgaum North, Belgaum.
- (iii) Address for service of all notices. X 2. The Senior Superintendent of Post Offices, Belgaum Division, Belgaum.

3. Particulars of the order against which the application is made.

The application is against the following order:

- (i) Order No. B2/P'Man/86
- (ii) Date: 15-2-1986
- (iii) Passed by: First respondent.
- (iv) Subject in brief: By the impugned order, the applicant has been transferred to another post office in violation of the Rules, which is the result of malafide intention of the respondents.

4. Jurisdiction of the Tribunal.

The applicant declares that the subject matter of the order against which he wants redressal is within the jurisdiction of the Tribunal.

5. Limitation.

The applicant further declares that the application is within the limitation prescribed in S.21 of the Administrative Tribunals Act, 1985.

6. Facts of the Case:

The facts of the case are given below:-

(i) The applicant was a postman working in the establishment of the Post and Telegraph Department at Belgaum City Post Office. The applicant met with an accident and ~~constrained~~ suffered a severe infirmity in his back bone and hence he is declared as physically handicaped. A copy of the declaration that the applicant is physically handicaped issued on 7-11-1985 is produced herewith and marked as Annexure-A. Further, the applicant is not in a position to move long distances nor is he in a position to ride bi-cycle. Hence, the applicant requested the second respondent to provide him the light beat work. The second respondent, by his order dated 27-10-1985, directed the Superintendent of Post Offices, Belgaum City, to provide him light beat work. <sup>as per am. A.</sup> The applicant submits that his residence is at about 1 K.M. away from the place where he was working ~~from~~ in the Head Office. The applicant belongs to National

*Gray*

Union whereas the Superintendent of Post Offices and the Sub-Divisional Inspector belong to the rival union. The applicant is working as Divisional Secretary for Postmen (Class-IV) in Belgaum Division. The applicant used to discuss with the respondents about the problems of the Union and also bring out the harassment given by the respondents. The applicant also discussed about the complaints made against the second respondent, with the respondents.

(ii) It is submitted that to take revenge against the applicant and to cause him hardship, the first respondent, who came on in-charge only for a period of four months, transferred the applicant, by his order dated 15-2-1986 from Belgaum City Sub Office to Nehru Nagar Post Office as Postman. The said transferred place is away at about 5 K.Ms., from the present place. By virtue of the transfer order, the applicant is made to travel everyday twice from his residence to Nehru Nagar Post Office and thereby he is made to work and ride bi-cycle for more than 20 K.Ms. per day. This is how, with the malafide intention, the impugned order of transfer came to be made.

(iii) It is submitted that before ordering transfer, a show cause notice was issued on 25-1-1986 calling upon the applicant to show cause why he should not be transferred as a measure of penalty, without framing any specific charges, a copy of which is produced herewith and marked as Annexure-B. The

*Gray*

applicant gave reply suitably stating that he is not indulged in any activities which warrant his transfer. Inspite of it, the applicant has been transferred. Hence, the impugned order is illegal and bad in law. If the respondents transfer the applicant by way of penalty, they should have held an enquiry against the applicant as per Rule 15 of the Fundamental Rules. Under Rule 15, either for misbehaviour or inefficiency the Government Servant should not be transferred. Hence, the impugned order of transfer is penal in nature and violative of Fundamental Rule 15 of the Rules. The impugned order of transfer is also made with malafide intention as the respondents belong to the rival union. Added to this, the first respondent is only an in-charge Officer and not a regular incumbent. He has abused his power without authority of law.

(iv) The applicant submits that his request for re-transfer is also turned down without any application of mind and the representation to the higher authorities by way of appeal has also not ~~been~~ yielded any fruits for re-transfer of the applicant to his original place. A copy of the impugned order is filed at Annexure-C.

7. Relief sought:

In view of the facts mentioned in para-6 above, the applicant prays for the following relief:

" Set aside the impugned order of the first respondent dated B2/P'Man/86 dated 15-2-1986 in so far as the applicant is concerned."

*Gray*

Ground for the Relief:

(i) The impugned order of transfer is violative of Rule 15 of the Fundamental Rules.

(ii) The impugned order of transfer is purely on account of malafide intention of the respondents just to take revenge against the applicant as he belongs to the rivalry Union and is working as Divisional Secretary of that Union, highlighting and illegal activities of the respondents, such as, misdeeds, mismanagement and harassment given to the respondents. Hence, the impugned order transferring the applicant is bad in law.

(iii) The impugned order of transfer is one without jurisdiction as the first respondent is acting only on in-charge basis. He cannot exercise the statutory power. He can only carry out only day to day administration. Hence, the impugned order of transfer is unjustified and illegal.

(iv) In the light of the fact that the petitioner is declared as physically handicaped and that the second respondent has directed the Authorities to provide light beat work to the applicant, ignoring all these aspects and transferring the applicant to the place which is far away from the present place clearly establishes the malafide and illegal action of the respondent-1. Hence, the impugned order is liable to be set aside.

(v) Even otherwise, the impugned order of transfer is bad in law.

8. Interim order prayed for:

Pending final decision on the application, the applicant seeks issue of the following interim order:-

"Stay the operation and implementation of the impugned order dated B2/P' Man/ 86 dated 15-2-1986 in so far as the applicant is concerned"

Reasons for interim order:

By virtue of the impugned order, the Authorities are forcing the applicant to report to duty and also threatening ~~him~~ to take disciplinary action against him if He does not report to duty at the transferred place. As the Authorities are fully prejudiced against the applicant, they may take any action as they desire against the applicant. It is submitted that a large number of members of the applicant's family are depending on the applicant. If the applicant is forced to report to duty at the transferred place, he will be put to irreparable loss and injury, besides being put to greater hardship, inasmuch as he is physically handicaped.

9. Details of the remedies exhausted.

The applicant declares that he has availed of all the remedies available to him under the relevant service rules, etc., inasmuch as ~~though~~ he made representations to the second respondent and then to the higher Authorities by way of appeal for cancellation of the proposed transfer, no action has been taken.

10. Matter not pending with any other court, etc.

The applicant further declares that the matter regarding which this application has been made is not pending before any court of law or any other authority or

*Pray*

any other Bench of the Tribunal.

11. Particulars of Postal Order in respect of the  
Application Fee:

1. Number of Indian Postal Order : DD 853 712
2. Name of the issuing Post Office : SBM: Colony, Bangalore 50
3. Date of issue of Postal Order : 25/4/86
4. Post Office at which payable : at G.P.O. Bangalore 1
