		<p>(KSP)VC/LHAR 30.x.86</p> <p>A.Nos. 335 to 349 of 1986</p> <p>Cases called on more than one occasion in the pre-lunch session of the sitting and again at 3.35 p.m. On every occasion the applicants and their learned counsel Shri B.M. Chandrashekararaiha who has been notified of the hearing date have remained absent.</p> <p>2. We have examined these cases and heard Sri A.N.Venugopal learned counsel for respondents 8 to 12.</p> <p>3. In these transferred applications received from the High Court of Karnataka under sec 29 of the Administrative Tribunals Act 1985 (ACT) the applicants have challenged the orders dated 16/18.8.80 (Annexures 'G' & 'H') of the Asst Engineer, Southern Railway, Mysore. In the said orders the Asst Engineer has directed the absorption of respondents 1 to 4 and has posted them to the office of the Bridge Inspector, Mysore.</p> <p>4. In justification of the orders, respondents 8 to 12 have filed their statement of objections before the High Court of Karnataka. In their statement of objections, these respondents have stated that as many as 11 applicants have been absorbed and the cases of others will be considered in due course. Shri Venugopal submits that the case of others also must have been considered and all of them might have been absorbed by this time. We have no reason to disbelieve these submissions of Sri Venugopal. We are also of the view that the challenge of the applicants to the absorption of others working in various offices of the same division of the Railway is wholly unjustified and has no merit, which itself justifies us to dismiss these applications. Even otherwise, as many as 11 applicants have been absorbed on later dates within a short span of time and the others must</p> <p align="right">.... have been</p>
