Respondents

This application has come up for hearing before
this Tribunal to-day, Vice-Chairman made the following:

O R D E R

In this application made U/s 22(3)(F) of the
Administrative Tribunals Act, 1985, the applicants
who were the respondents in A.No. 194/86 have
sought for a review of our order made on 4.9.1986
in that application .

2. In our order dated 4.9.1986, we have set out
the facts of the case, considered the contentions
urged before us, and allowed the application made
by the respondent.

3. We heard the case on 4.9.1986 and dicated our order in open Court in the presence of both the parties and their learned counsel, noticing every one of the contentions urged before us.

4. In reality and in substance, the applicants are asking us to re-examine our order, as if we are sitting in an appeal against our own order, which is impermissible in a review. We cannot, therefore, admit this application at all. We do not also find any error, which is apparent on the face of the record to justify us to review our order. We, therefore, reject this application in limini.
