CENTRAL ADMINISTRATIVE TRIBUNAL LUCKNOW BENCH LUCKNOW

Original Application No. 340 of 1990

Phool Singh Applicant

Versus

Union of India & Others Respondents

Hon'ble Mr. Justice U.C.Srivastava, V.C.

Hon'ble Mr. K. Obayya, Member (A)

(By Hon'ble Mr. Justice U.C.Srivastava,VC)

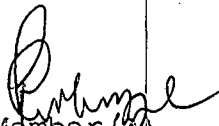

The name of the applicant was sponsored by the Employment Exchange Lucknow vide letter dated 10.10.1989 and as such the applicant was offered the job to work as contingent Empty Driver on daily wages basis @ Rs. 30/- per day. The applicant was asked to join by 31.10.1989, but actually he joined his duty on 26.10.1989 as a Driver. According to the applicant he was also issued a certificate for working and he continued to work. The services of the applicant were terminated vide order dated 5.9.1990, which order was communicated to him on 12.9.1990. Aggrieved against the same, the applicant has approached this tribunal contending that of course he was given an appointment and a requisition was sent to the employment exchange for the post of Driver, which was lying vacant and there was no rhyme and reason for the respondents to terminate his services. It has been further contended that he has worked for more than 240 days in a year as such his regularisation in the last year -ly should not have been confirmed.

2. The respondents have not denied the facts that the post is not lying vacant and have also stated that some regular employees have already been appointed, but it has been contended that the applicant was purely and daily wage appointee and as such he has no right to the

(A)

:: 2 ::

said post and as per rules he was required to put in two years as casual worker with at least 240 days during each of two years for regularisation and as such the applicant did not work for 240 days during each of two years and as such he is not entitled for regularisation. May it be so, if the post is lying vacant and no regular appointment has been made, there appears to be no reason why the applicant should not be allowed to continue in service. Accordingly, the respondents are directed to allow the applicant to continue to work as Driver again. In case, there is no criminal case ~~is~~ pending and there is no serious charges levelled against him, he is entitled to the said post, so long the regular appointment is not made. The applicant's case will also be considered for regularisation, in case, he fits in within the same. With these observations, the application is disposed of as above. No order as to costs.

AM

iii. Because against the applicant there is no complaint during this period nor the applicant has been found guilty for any offence nor inquiry is pending nor made against the applicant, there is absolutely nothing against the applicant as yet hence the services abruptly in such manner, arbitrary fashion against the natural justice can not be terminated by giving ~~by~~ this direction to handing over the charge which amounts to be the termination order.

iv. Because the applicant has appointed by the order directly passed by the Opposite party no.2 while this order of termination has been passed by the Lower Cadre Officer i.e. Opposite party No.3, hence the order of termination have no weight in the eyes of law.

4. That the contents of para 4(i) & 4(ii) of the application need no comments.

5. That the contents of para 4(iii) of the application are incorrect as stated, hence denied and in reply it is submitted that the applicant's service can not be said as continuous. He was paid for the actual days he worked in a month for performing Driver's duty and was directed to drive the vehicle No. UVS 4069 attached with Shri S. Mukherjee, Scientist-D. Therefore, quoting of the reference to the order dated 17.4.1990 is irrelevant, this order indicates the distribution of vehicles to the Drivers.

6. That in reply to the contents of para 4(iv) of the application it is submitted that the applicant was paid for actual days he has worked in a month including Sunday therefore the contents of this para are totally incorrect.

7. That in reply to the contents of para 4(v) of the application it is submitted that the experience certificate was issued to the applicant on 19.7.1990 on his request in support of his Driving experience gained in the office of the deponent during the period of his working for his better career, and not in support of his continuity in service.

COUNTER AFFIDAVIT ON BEHALF OF OPPOSITE PARTIES

I, S. Ranganathan, aged about 56 years,
son of Dr. R. Seshadri,
at present posted as Director, Central Ground Water
Board, Lucknow do hereby solemnly affirm and
state as under:

1. That the deponent is opposite party no.2
in the above mentioned application and he has been
authorised to file this counter affidavit on behalf
of all the opposite parties.
2. That the deponent has read and understood
the contents of the application and he is well
conversant with the facts of the case as well as
the contents deposed to hereinafter in reply
thereof.
3. That the contents of para 1 to 3 of the
application need no comments.

S. Ranganathan

8. That in reply to the contents of para 4(vi) of the application it is submitted that the order for handing over keys/tools etc. of the vehicle as impugned order as alleged in this para is totally incorrect hence denied. Further it is submitted that the order for handing over of the vehicle which the applicant was driving and its keys/tools/log book etc. was issued taking into consideration that services of the applicant would no longer required to the Department, and he has to hand over the charge of vehicle/keys etc. to avoid dislocation of Government work and the orders dated 12.9.1990 are very much correct and in order.

9. That the contents of para 4(vii) of the application are incorrect as stated, hence denied and in reply it is submitted that the applicant was well aware about his removal from the job and the date by which he would not be required to drive the vehicle.

10. That the contents of para 4(viii) of the application are irrelevant in the instant case. It is further submitted that the applicant was in receipt of the order dated 12.9.1990, wherein he was directed to hand over keys of the vehicle, tools, Log book as confessed in the application. Therefore, the sentence in 4th line of this para in the application which reads as 'though the charge has yet not been taken over by the applicant is misconceived. There was no question of his taking over charge after issuing the order of termination. contrary, he had

to hand over charge.

11. That the contents of para 4(ix) & (x) of the application need no comments.

12. That in reply to the contents of para 4(xi) of the application it is submitted that the applicant has not continuously worked as alleged.

13. That in reply to the contents of para 4(xii) of the application it is submitted that the initial appointment of the applicant was purely on daily rated basis and his services could be terminated at any time without assigning any reason whatsoever. This condition was acceptable to the applicant, and he accordingly reported for duty.

14. That in reply to the contents of para 4(xiii) of the application it is submitted that the averments made in this para are misconceived as per terms of his initial engagement which was acceptable to the applicant his services was terminated and orders issued in this regard are quite in order and there has neither been violation of any natural justice nor the orders have been issued in arbitrary manner. The applicant was removed from his engagement as per the condition of contract of offer of engagement.

15. That the contents of para 4(xiv) of the application are incorrect, hence denied and in reply

S. Jangonathay

it is submitted that the terrisation order in its shape is quite in order and it requires to be constructed with objective nature.

16. That the contents of para 4(xv) of the application needs no comments.

17. That in reply to the contents of para 5(i) of the application it is submitted that the applicant has not completed 240 days in a year, and thus contention that he has ^{been} continuously engaged is not correct as stated and as per rules he was required to put in two years as casual worker with at least 240 days during each of two years for regularization in group-D service. Extract of relevant rule is enclosed.

18. That in reply to the contents of para 5(ii) of the application it is submitted that nothing has been ignored in terminating services of the applicant, which is unlawful and he was only a daily paid and can not be said as regular Driver.

19. That in reply to the contents of para 5(iii) of the application it is submitted that the services of the applicant has been terminated as per the condition of appointment which was acceptable to him. No injustice has been done to ~~me~~ him, the order of termination has its legal validity and the department has acted in a legal manner and after observing the principle of natural justice.

20. That in reply to the contents of para 5 (iv) of the application it is submitted that the order

S. Jangorattay

passed by the respondent no.2 is quite in order as its prior approval was obtained on file from Respondent no.1, i.e. Controlling/Appointing Authority, and termination order conveyed to the applicant is in order.

21. That in reply to the contents of para 5(v) of the application it is submitted that the applicant was paid only for actual days wages he has worked in a month and his contention to treat him a regular employee is misconceived.

22. That in reply to the contents of para 6 ~~xxxxxx~~ of the application it is submitted that the applicant was engaged purely on daily rated worker, and his contention that he has tried to make representation is false and misconceived, as he did not turn up after terminating the services and moreover he did not care to hand over keys of Government vehicle so far which tantamounts to ~~xxx~~ stealing of Government property with deliberate intention and to dilocate the Government work and is liable for prosecution under law.

23. That the contents of para 7 of the application need no comments.

24. That in reply to the contents of para 8 of the application it is submitted that in view of the facts mentioned in the above paragraphs and condition of the offer of engagement and the behaviour for keeping the keys & documents of the Government vehicle, still

S. Jangorathay

with the applicant, but as such the reliefs sought by the applicant are not tenable in the eyes of law and the applicant is not entitled to get any relief as sought in this para.

25. That in reply to the contents of para 9 of the application it is submitted that the applicant is not entitled to get any relief and his claim is absolutely misconceived and baseless.

26. That the contents of para 10 of the application need no contents.

27. That in view of the facts, reasons and circumstances stated in the foregoing paragraphs, the application filed by the applicant is liable to be dismissed with costs to the Respondents.

Each Ministry should furnish a quarterly statement indicating the progress of the review in respect of the Ministry (proper) and all Attached Subordinate Offices, under them to the Department of Personnel and Training in the *pro forma* attached (*not printed*). The first quarterly return should be furnished to this Department by the 10th October, 1988.

4. By strict and meticulous observance of the guidelines by all Ministries/Departments, it should be ensured that there is no more engagement of casual workers for attending to work of a regular nature, particularly after the review envisaged above is duly completed. Each Head of Office should also nominate an officer who would scrutinise the engagement of each and every casual worker and the job for which he is being employed to determine whether the work is of casual nature or not.

5. Ministry of Finance, etc., are requested to bring the contents of this O.M. to the notice of all the appointing authorities under their respective administrative control for strict observance. Cases of negligence in the matter of implementing these guidelines should be viewed very seriously and brought to the notice of the appropriate authorities for taking prompt and suitable action against the defaulters.

2. Appointment of casual labourers to Group 'D' posts

2.1. The appointment of casual labourers to Group 'D' posts, borne on the regular establishment which are required to be filled by direct recruitment, will be made subject to the following conditions:—

- (i) No casual labourer not registered with the Employment Exchange should be appointed to posts borne on the regular establishment;
- (ii) Casual labourers appointed through Employment Exchange and possessing experience of a minimum of two years' continuous service as casual labour in the office/establishment to which they are so appointed will be eligible for appointment to posts on the regular establishment in that office/establishment without any further reference to the Employment Exchange.
- (iii) Casual labourers recruited in an office/establishment direct, without reference to the Employment Exchange, should not be considered for appointment to regular establishment unless they get themselves registered with the Employment Exchange, render, from the date of such registration, a minimum of two years' continuous service as casual labour, and are subsequently sponsored by the Employment Exchange in accordance with their position in the register of the Exchange. (See paragraph 3 below for one time relaxation).

2.2. A casual labourer may be given the benefit of 2 years' continuous service as casual labourer if he has put in at least 240 days (226 days in the case of offices observing 5 days week) of service as a casual labourer (including broken periods of service) during each of the two years of service referred to above.

3. Regularisation of services of casual workers, not recruited through employment exchange before 7-5-1985, in Group 'D' posts

3.1. The services of casual workers may be regularised in Group 'D' posts in various Ministries/Departments, etc., subject to certain conditions, in terms of the general instructions issued by this Department. One of these conditions is that the casual workers concerned should have been recruited through the employment exchange. Sponsorship by the employment exchange being a basic and essential condition for recruitment under the Government, it has repeatedly been brought to the notice of the various administrative authorities that recruitment of casual workers should always be made through the employment exchange. It has, however, come to the notice of this Department that in certain cases these instructions were contravened and casual workers were recruited otherwise than through the employment exchange. Though these persons may have been continuing as casual workers for a number of years, they are not eligible for regular appointment and their services may be terminated any time. Having regard to the fact that casual workers belong to the weaker section of the society and termination of their services will cause undue hardship to them, it has been decided, as a one time measure, in consultation with the Director-General, Employment and Training, that casual workers recruited before the issue of these instructions may be considered for regular appointment to Group 'D' posts, in terms of the general instructions, even if they were recruited otherwise than through the employment exchange, provided they are eligible for regular appointment in all other respects.

3.2. It is once again reiterated that no appointment of casual workers should be made in future otherwise than through the employment exchange. If any deviation in this regard is committed, responsibility should be fixed and appropriate departmental action taken against the official concerned.

[G.I., D.P. & T., O.M. No. 49014/18/84-Estt. (C), dated the 7th May, 1985.]

4. Regulation of wages for the casual labour in the Department of Telecommunication
