ORDER

In this application made U/s 17 of the AT/Act, 1985 ('the Act'), and the Contempt of Courts Act, 1971, the complainant has moved this Tribunal to punish the accused for wilful disobedience of the directions issued by this Tribunal in Tr.A.No.786/86 decided on 5.9.86.

2. Shri M.S. Padmarajaiah, learned Senior Central Government Standing Counsel, appearing for the accused, submits that in compliance with the directions issued by this Tribunal in its order dated 5.9.86, the competent authority had passed its final order and had communicated the same also to the complainant on 23.3.1987. We have perused that communication, very ^{fairly} ~~fairly~~ produced by Shri H.N. Narayan, learned counsel for the complainant. We find from the same that the competent authority had complied with the directions issued by this Tribunal. When that is so, these proceedings have necessarily to be dropped reserving liberty to the complainant to challenge the same in a separate application.

3. In the light of our above discussion, we drop these contempt of Court proceedings. But in the circumstances of the case, we direct the parties to bear their own costs.
