Respondents

(Shri M.S. Padmarajaiah.....Advocate)

The application has come up for hearing before this Tribunal to-day, Hon'ble Member (A) made the following :

O R D E R

All these applications have been listed today under " cases not ready for hearing". However, with the consent of counsel for the applicants, Shri Chandrakant Goulay and counsel for respondents, Shri M.S. Padmarajaiah, we proceeded to hear and dispose of them on merits. As all the applications involve a common ground they are disposed of by this common order.

2. All the 8 applicants, working as Section Supervisors in the Telecommunications Department, Karnataka Circle, have prayed in these applications that they be given promotion from the date from which their Junior, Smt. K.R. Rajalakshmi was promoted as Section Supervisor. The second prayer is that they be given all financial benefits as a result of such promotion.

3. Shri Padmarajaiah, learned counsel for the respondents has filed a memo today to the effect that all these applicants have been promoted as selection grade Supervisors (Operative) with effect from 1.6.1974, the date on which Smt. K. R. Rajalakshmi and another Shri L. Gopu were

promoted to that post. With this memo, he has also filed a copy of the order promoting these applicants and certain others. The order narrates that the officials listed therein which include all the applicants before us"are deemed to have been promoted to the cadre of Section Supervisors (Operative) with effect from 1.6.1974, i.e., the date from which their junior, Smt. K.R.Rajalakshmi was promoted to the cadre of Section Supervisor (Operative)". At the end, the order states that "the pay and allowances of these officials will be fixed notionally with effect from 1.6.1974 and arrears of pay and allowances drawn and paid to the officials immediately under intimation to all concerned." Shri Padmarajaiah submits that with this order, the grievance of the applicants in these applications <sup>M has</sup> ~~have~~ been set right and <sup>M</sup> do not survive for consideration. Shri Padmarajaiah also informs us that copies of the said order have been despatched to all the officials listed therein including all the applicants before us.

4. While agreeing with Shri Padmarajaiah, Shri Chandrakant Goulay expressed an apprehension that while implementing the order, the applicants may not be given arrears of pay and allowances in their promoted posts with effect from 1.6.1974 but from some later date. We see no justification for this apprehension because the order does not mention any date after 1.6.1964 from which arrears of pay and allowance have to be drawn and paid to the officials listed therein. In view of

P. L. - 28

this we agree with Shri Padmarajaih that all these applications have become infructuous.

5. In the result, these applications are dismissed as having become infructuous. Parties to bear their own costs.
