. Respondents.

--

These applications coming for hearing this day, Vice-Chairman  
made the following:

O R D E R

As many as 6 applicants who were the applicants in A.No.1327 to 1332 of 1986 have sought for a review of the order made on 16-12-1986 by this Tribunal. But, still the office had given only one number to all of them, which is not correct. We, therefore, direct the office to treat R.a.No.37 of 1987 as filed by applicant No.1 and assign five more numbers to applicants Nos. 2 to 6.

2. In these review applications made under Section 22(3)(f) of the Act, the applicants have asserted that the order made by this Tribunal rejecting their applications has proceeded on the erroneous assumption that the Special Leave Petition before the Supreme Court directed against the decision of the Allahabad High Court in Miscellaneous Writ Petition No.29/84 had been rejected. The Supreme Court had actually allowed the Special Leave Petition partially without deciding many of the important questions raised in these applications. Therefore, the order dated 16-12-1986 should be reviewed.

3. We have perused the order of the Tribunal and the order of the Supreme Court in the Special Leave Petition referred to in the order of the Tribunal. On such an examination, we find that the assertion of the applicants made in these applications is correct. If that is so, then the order of this Tribunal discloses an error apparent on the face of the record and justifies a review under the Act.

4. In the light of our above discussion, we allow these review applications, recall the order made on 16-12-1986 in Applications Nos.1327 to 1332 of 1986 and direct that they be restored to their original file and be listed for regular hearing before an appropriate Bench.
