..... Respondents.

(All the above mentioned persons are  
working as Assistant Geologists)

(Shri M. Vasudeva Rao, C.G.A.S.C.)

These applications having come up for hearing to-day,  
Vice-Chairman made the following:

O R D E R

These are applications made by the applicants under  
Section 19 of the Administrative Tribunals Act, 1985 (Act).

2. The five applicants who initially joined service as Senior Technical Assistants (STA) in Geological Survey of India (GSI) have been promoted as Assistant Geologists either in 1981 or 1983 as the case may be and are working in that capacity from the dates of their respective promotions. In the provisional seniority list of Assistant Geologists as on 30.4.1984 published by the Director General GSI, Calcutta (DG) the applicants and some of their colleagues who are arrayed as respondents have been assigned different ranks. In these applications, the applicants have sought for a direction to the DG to redraw that seniority list in conformity with the principles enunciated by the Calcutta Bench of this Tribunal in ABHAS BOSE AND OTHERS v. UNION OF INDIA AND OTHERS (T.A.No.1784 of 1986 since reported in 1987 (S) SLJ (CAT) Calcutta 406).

3. In justification of the provisional seniority list, respondents 1-2 have filed their reply and have produced their records. Some of the other respondents, also have filed their replies supporting respondents 1-2.

4. Dr. M.S. Nagaraja, learned Counsel for the applicants contends that the DG was bound to draw and finalise the seniority list in the cadre of Assistant Geologists in conformity with the principles enunciated by the Calcutta Bench in Abhas Bose's case reiterated by this Bench in Application No.796/87 decided on 21.3.1988 (M. SAMPATH-KUMAR v. DG, GSI AND OTHERS) which he had not done and we should therefore direct him to do so even now.

5. Shri M. Vasudeva Rao, learned Additional Central Government Standing Counsel, appearing for R-1 and 2<sup>o</sup> contends that the decision of the Calcutta Bench of this Tribunal is contrary to the rules and the law declared by the Supreme Court in GONAL BHIMAPPA v. STATE OF KARNATAKA (ILR 1987 Kar.3127 = AIR 1987 SC 2359) and we should therefore decline to follow Abhas Bose's case and follow Bhimappa's case.

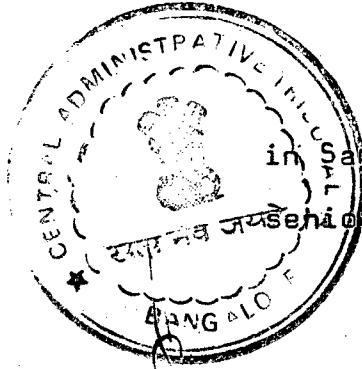

6. On the very question that arises in these cases but in relation to the cadre of Assistant Chemists of the department, the rules of which are ~~on~~ all fours to the rules regulating recruitment to the cadre of Assistant Geologists, the Calcutta Bench in Abhas Bose's case, had expressed thus:

"In the case before us we note that the direct recruitment was kept suspended between the years 1975 to 1979 and again from 1981 and 1982. During this intervening period the departmental candidates the petitioners before us, were promoted to fill up the vacancies that were caused due to non-availability of the direct recruits. They continued to work for several years, but later when some other candidates were recruited directly from outside, the seniority of the promotees was sought to be bye-passed. The facts stated are almost identical to those indicated in Supreme Court judgments cited above. In view of our analysis and the overwhelming decisions of the Supreme Court as cited above, we are unable to sustain the case of the respondents.

In view of the above analysis we are of the opinion that the petition should be allowed, and hence we allow it. We direct the respondents that the imougned gradation list of the Asstt. Chemists published on 18.2.1984 showing their seniority as on 1.8.1984 be modified immediately giving effect to the seniority of the petitioners on the basis of their dates of continuous appointment as Asstt. Chemists. The question of further oromotion to the posts of Chemist JR. shall be decided on the basis of the revised gradation list as directed above."

In Sampathkumar's case, which also dealt with the case of Senior Technical Assistant (Chemical) we have followed the principles enunciated in Abhas Bose's case and directed the DG to re-draw the seniority list in conformity with the decision of the Calcutta Bench. We are of the view that the ruling of the Calcutta Bench in Abhas Bose's case followed by us in Sampath Kumar's case though they dealt with other cadres equally governs the preparation and publication of seniority list of Assistant Geologists also. We cannot decline to follow them on any principle, much less on the grounds urged by Shri Rao. We therefore reject this contention of Shri Rao.

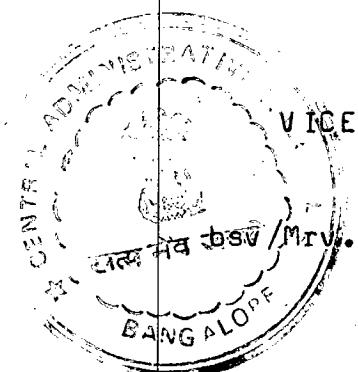

7. For the very reasons stated in Abhas Bose's and in Sampathkumar's cases, we direct the DG to finalise seniority list in the cadre of Assistant Geologists as on

- 10 -

30.4.1984 in conformity with the principles enunciated in the aforesaid cases making the same as subject to the final orders of the Supreme Court in the Special leave petition pending against Abhas Bose's case.

8. Applications are disposed of in the above terms. But, in the circumstances of the cases, we direct the parties to bear their own costs.
