This application having come up for hearing this day, Member(A) made the following:

ORDER

In this application made under Section 19 of the Administrative Tribunals Act, 1985, the applicant who has been working as Permanent Way Inspector Grade-II (PWI Grade-II), on promotion from 1-1-1987 complains that he should have been promoted to that post earlier.

P. d. 13

from 1-1-1984 and not 19-2-1987.

2. Sri S.M. Babu, learned counsel for the applicant submits that the applicant, by virtue of his seniority, ought to have been promoted as PWI Grade-II with effect from 1-1-1984 when some of his juniors were so promoted. The applicant had not received any adverse remarks in his confidential reports and if there were any, they were not communicated and they should not have been taken into account when determining his suitability for promotion from 1-1-1984.

3. Sri M. Sreerangaiah, learned counsel for the respondents submits that ^{by a} relative assessment of all candidates in the field was made for the purpose of effecting promotion to the post of PWI Grade-II with effect from 1-1-1984. The applicant was also ^{for promotion} considered in accordance with his seniority in the grade of PWI Grade-~~III~~ ^{IV}. In the assessment which was made, it was noted that in accordance with the character rolls, the applicant had been graded as unfit for promotion in 1983 and 1984 while he was graded as fit in 1982. Since he was graded as unfit for two out of the three years, he could not be promoted to the next higher post. Since the ^{Chief Engineer, Southern Railway} ~~Departmental Promotion~~ Committee ^{who} which was the competent authority had assessed the suitability of the applicant for promotion and found him unfit, this Tribunal should not interfere with the resultant order dated 2-12-1985 in which the applicant was passed over for promotion.

4. Having considered the rival contentions, we are of the view that this application is devoid of merit. We have perused the records of the promotions made to the post of PWI Grade-II with effect from 1-1-1984. We understand that those promotions ^{It were} ~~are~~ made by the Chief Engineer, Southern Railway, Madras on the basis of an assessment of the character rolls of all the candidates in the field. - The gradation of the applicant is, as contended by Sri Sreerangaiah, 'fit'

P. S. Sreerangaiah

for the year 1982 and 'unfit' for the years 1983 and 1984. We have also gone through the character rolls of the applicant and we do not find any uncommunicated adverse remarks therein. All that was done at the time of promotion was to assess the suitability of candidates on the basis of their character rolls and the result was as ^{indicated} ~~communicated~~ above. In view of this, the applicant had no right for promotion with effect from 1-1-1984. He was duly promoted as PWI Grade-II with effect from 19-2-1987 since he earned better reports by that time.

5. In view of the above, the application is dismissed. Parties to bear their own costs.
