Common Respondents.

These applications having come up for hearing to-day,
Vice-Chairman made the following:

O R D E R

In these applications made under Section 22(3)(f)
of the Administrative Tribunals Act, 1985 ('the Act')
the applicants have sought for a review of our order
dated 21.1.1988 dismissing their A.Nos. 449 to 452 and
577 to 592 of 1987.

2. Shri K. Ramanujam, Chairman of the Indian National NGOs Association, Army Electronics Inspection, Bangalore, who is representing the applicants as before submits that the applicants had withdrawn their earlier applications under a bonafide mistake and that they are unable to approach the Hon'ble Supreme Court under Article 32 of the Constitution and on those grounds we must review our earlier order, restore the applications to their original file and determine them on merits.

3. We dismissed A.Nos. 449 to 452 and 577 to 592 of 1987 on the ground that the applicants themselves sought our permission to withdraw them with liberty reserved to approach the Supreme Court.

4. We will even assume that everyone of the grounds stated by Shri Ramanujam are correct. Even then also, all of them will not constitute a mistake or an error apparent on the face of the record or a case of discovery of a new and important matter or evidence that was not within the knowledge of the applicants to justify a review of our order under order .47 R.1 of the Code of Civil Procedure applicable for a review under Section 22 (3) (f) of the Act. We find no grounds to review our earlier order.

TRUE COPY

5. On the foregoing discussion, we hold that these review applications are liable to be rejected. We, therefore, reject these applications at the admission stage, without notices to the respondents.
