.... Respondents.

(Shri M.S. Padmarajaiah, C.G.S.S.C.)

This application having come up for hearing to-day,  
Vice-Chairman made the following:

O R D E R

This is an application made by the applicant under  
Section 19 of the Administrative Tribunals Act, 1985  
( 'the Act' ).

2. An Association called "All India Association of  
Inspectors and Assistant Superintendents of Post Offices,  
Karnataka Circle" is the applicant before us. The

applicant which is espousing the cause of Inspectors of the Postal Department, has challenged Letter No. 28-30/87-PE.1 dated 10.12.87 (Annexure-A) of the Assistant Director General (PE.I) withdrawing the services of orderlies attached to Inspectors and directing their employment in other offices, principally on the ground that the authority that had made the order in their favour, had not made that order and the Director General of Postal Services, who had made the order had not the competence to make that order. As this plea could not be decided without examining the original records, we had directed Shri M.S. Padmarajaiah, learned Counsel for the respondents, to produce them. Accordingly Shri Padmarajaiah had today produced the original records. We have perused them and heard Shri S.G. Bhat, learned Counsel for the applicant and Shri Padmarajaiah on the same.

3. The examination of the records produced by the respondents shows that the decision to withdraw the orderlies attached to Inspectors had been taken at the highest level by Government and the P & T Board, and had not been taken by the Director General as asserted by the applicant. If that is so, then principal ground urged by the applicant is devoid of merit.

4. As the only contention urged for the applicant fails, this application is liable to be rejected. We, therefore, reject this application. But in the circumstances of the case, we direct the parties to bear their own costs.
