This review application is directed against the judgment and order dated 2.4.92. The case was heard and disposed of after hearing the counsel for the parties and going through the record. The scope of the review application is limited. The same does not mean the hearing or going through the same arguments and on the same grounds. We have ^{to} decide the case on the basis of the record and not on the basis of any alleged mis-representation. All the relevant points have been taken into consideration. No error of law much less than an error of law apparent on the face of the record has been pointed out in this review application. This review application is dismissed summarily.
