ORAL JUDGEMENT:

Dated : 9.7.1991

(Per. U.C.Srivastava, Vice-Chairman)

Respondents have filed their replies and we  
have heard counsel of the parties.

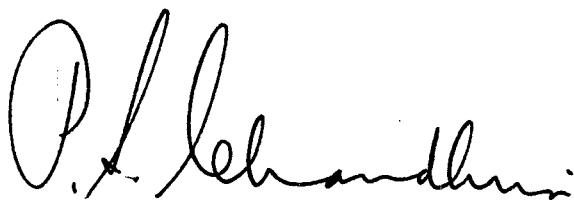

2. As a short question is involved in these cases  
which involve common questions of law and facts, we are  
admitting them and disposing of them finally by this  
common judgement.

3. Similar matters have already engaged the attention of a Division Bench of the Tribunal which allowed these applications on the ground that opportunity of hearing should have been given to the applicants.

4. In view of the fact that of course the applicants have been in service, their services have been terminated on the ground of suppression of facts and furnishing false information during recruitment without giving them the opportunity of hearing thereby violating the well recognised principles of natural justice, the order is arbitrary and so needs to be quashed and set aside. It is to be noted that the orders of termination do cast a stigma on the applicants as it is expressly stated therein that these are on account of suppression of facts and furnishing false information during recruitment.

5. In the result, we quash the orders under which the services of these applicants were terminated and direct the respondents to reinstate them in service forthwith. However, it is made clear that this order shall not preclude the respondents from proceeding against the applicants in accordance with law in case the respondents desire to terminate their services.
