ORAL JUDGMENT: Date:12-3-1992

All India Telegraph Engineering

has challenged the retrenchment order issued by

-: 2 :-

The Assistant Engineer, Electrification Project Circle, Civil Lines, Nagpur dtd. 30-6-1990 whereby the services of various employees were terminated with effect from 1-7-1990. They have further prayed that the respondents be directed to reinstate those employees on whom the notices of retrenchment have already been served as of today and desist from effecting any further retrenchment of the employees listed in Schedule A and B as threatened by them.

2. It appears that these applicants were casual labourers and they were never regularised and they have come forward with a case that earlier for casual labourers a scheme was framed in respect of those who have completed 240 days in a year but the applicants have not been included in the same list. Similar matter came up for consideration in the case of Nagpur Telephone Casual Labour Union v. Union of India and others and vide our judgment dtd. 15-11-1991 we decided the same as below:-

"Accordingly this application deserves to be allowed in part and respondents are directed to prepare a seniority list of all the casual labourers working within the territorial jurisdiction of the Akola Unit for various functions i.e. Telecom/Maintenance/Project/Electrification etc. as existed when the termination notices were issued to the applicants within a period of two months and after preparing the list in respect of the work availability, the senior should be given preference and in case the work of unit has come to an end then priority and preference will be given to those who are senior in the seniority list in the other units and those who cannot be accommodated they will be as their services has been retrenched and in view of the provision of G NH 25 of the Industrial Dispute

Act 1947 they will be given priority and preference in the matter of appointment wherever work is available. After the preparation of list no delay will be caused in giving appointment strictly and in accordance with the seniority and as directed above. There will be no order as to costs."

3. The pleas~~e~~ taken in these two cases are similar except the divisions to which they belong differ. Accordingly the direction which issued in the other case as quoted above is also issued in this case. The application is disposed of with above direction.
