CRAL JUDGMENT :

Dated: 15.3.1993.

{ Per : Hon'ble Shri Justice M.S. Deshpande, Vice Chairman }

Heard Counsel. It is apparent that the adverse remarks had been communicated to the applicant and he was ^{availed} ~~aware~~ of the ^{opportunity} ~~position~~ to make a representation against the adverse entries. That representation was considered by the competent authority. The grievance of the applicant ~~is~~ that the adverse entries had not been communicated within one month from the reporting of the same does not appear ^{to be} substantial because the remedy of making ~~an~~ representation had been availed of and the representation was not rejected on the ground that it was not made within 6 weeks.
