Oral Judgment:-

(Per: Hon'ble Mr. Justice U.C. Srivastava, V.C.)

Dated: 11.3.92

The applicant applied for compassionate appointment in place of his mother who was an official in the Department of Telecommunication. The applicant's father was also an Assistant Engineer and he also retired from the service. The applicant states the relationship of his mother and father was strained and therefore both of them were residing separately. The applicant was residing with his mother and he was the only son and was entitled to get compassionate appointment. The application ~~was rejected~~ was rejected, but it seems that the matter still engaging the attention of the department and the department has not giving any response to it, which is evident from the letter dated 17th December, 1991. A copy of which has been produced by the learned Counsel for the applicant by which the applicant has been asked to indicate as to which of the two statements is correct.

U

2. The applicant can pursue his matter before the departmental authority which after taking into consideration all the relevant facts and grounds for compassionate appointment will decide the matter of compassionate appointment. As the matter is pending before the departmental authority the applicant is direct^{ed} to pursue^{it with} the departmental authority, and with these observations the application is rejected at this stage. It is expected that the department will dispose of the matter within a period of 6 months from the date of the communication of this order.
