It is submitted by Shri M.V.Rao that the copy of this M.A. has been served on the applicant in OA, but none is present. As the request is for extension of three months time to comply with directions of this Tribunal and the fact that proposals have been sent for convening the DPC meeting, <sup>bx</sup> it is seen no reason for dis-agreeing with the request. ORDER

Shri V. Ramakrishnan, Member [A]:

1. M.A. No.218/93 for filing single application allowed subject to payment of individual court fee.
2. This case is an offshoot of the decision of this Tribunal in O.A. No.289/90 disposed off on 29.7.1991 [Annexure A] where the Tribunal directed that on account of the over utilisation of the direct recruitment quota it is incumbent on the part of

the respondents to promote eligible persons holding the post of Asst. Geologists to the next higher post of Geologist [J] in consonance with the recruitment rules. The applicants contend that even though they are eligible and there are still vacancies to be filled up from the 50% quota earmarked for promotees their cases have not been considered for promotion. From the reply statement as also the submissions made by the learned Standing Counsel we find that it is not in dispute that there are at least 49 vacancies available for filling up through promotion quota. The learned standing counsel submits that the department needs at least six months time to fill up this quota.

3. As the department has not disputed the eligibility of the candidates for being considered for promotion to the level of Geologists [Junior] and as they also concede that in terms of the directions of this Tribunal in O.A. No.289/90 they have a right to be considered, we see no reason as to why the department should delay taking necessary steps. We accordingly direct the department to consider the two applicants who are admittedly eligible for promotion to the next higher level within 3 months from the date of receipt of a copy of this order. If the applicants are found fit on such consideration, they will be entitled to whatever consequential benefits flow from such decision.

No costs.

		<p><u>PKSVC/TVRMA</u></p> <p>6th July 1984</p> <p><u>ORDERS ON MA No.285/94:</u> <u>heard.</u></p> <p>We see no reason to extend the time to comply with the directions of this Tribunal in OA No.545 &amp; 965/93. We notice that already two extensions have been granted to the department but nothing worthwhile has transpired by the concessions given to the deptment. In the circumstances we do not think it proper to extend the time for compliance by the Tribunal once more and reject the MA for extension of time.</p>
