This petition having come up for admission to-day after notice, Hon'ble Vice-Chairman made the following:-

ORDER

There is no fairer room for taking action for Contempt.

Learned Standing Counsel has produced before us an order dealing with the representation made by the petitioner seeking subsistence allowance. The representation came to be made pursuant to the direction issued by us on an earlier occasion while disposing off O.A.No.6/93 on 22-2-1993. Herein the petitioner asks us to take action for Contempt in not complying with the direction of this Tribunal. Records now shown to us indicate that the direction has been carried through, but the department had

not given any relief to the petitioner because it is stated, there is no provision under the Rules to grant substance allowance. Under the circumstances if the applicant still feels aggrieved he will have to challenge that order and not seek relief under the Contempt of Courts Act. A copy of the order passed by the department declining subsistence allowance is directed to be furnished to the learned counsel for the petitioner in Court. If the petitioner is aggrieved by that order, he may take further steps to assail the same in an appropriate manner.

With the above observation, this petition stands disposed off as ~~misconceived~~ *unbureary*.
