This application having come up for orders to-day, Hon'ble Vice-Chairman made the following:-

ORDER

The applicants seek in this application the benefit of an order made by this Tribunal in A.Nos.1035 to 1051 of 1989 decided on 12-8-1988 wherein a spate of directions were issued which would, it appears, enure to the applicants absorption permanently into Government service. The applicants want to avail the benefit of that judgment. But, we see some of the applicants herein were also parties to the earlier proceedings. Be that as it may, whether the person was in Government service is a relevant circumstance. If that be the position whether he can avail of the benefit of the judgment in the earlier case is a matter for consideration. But, then the applicants have to work out their remedies with the department by making an appropriate representation in that behalf. If they make such a representation, the department will consider the same and pass appropriate orders. With this observation this application stands disposed off.
