of proviso 1[III] of FR 22 read with G.I.O. 7. We are told that the authorities have not disposed off the said representation although it is more than six months since it was made. While we take that the representation has reached the authorities we do not see why it has been kept pending resulting in the applicant being forced to move this court. Because this is a matter which could have been remedied at their own ends as the demand or claim made is tenable under law. Under these circumstances all that we should do is to direct the Member, Postal Board, to whom the representation Annexure A-4 has been addressed, to consider and dispose off objectively the representation made by the applicant. We direct the disposal should be done within two months from the receipt of a copy of this order. The registry will send a copy of this order to Member, Postal Board, New Delhi. With these observations, this application stands disposed off at the admission stage itself.

... Respondents

This application having come up for admission before this Tribunal today, Hon'ble Vice-Chairman, made the following:

ORDER

1. We have heard the applicant in person. This matter has been posted for admission. The grievance of the applicant is in a limited compass and confined to placing him in the appropriate pay scale. The applicant is not satisfied with what has been done to him under Annexure A-2 in which he is promoted. He, therefore, made a representation at Annexure A-4 dated 9.10.1992 asking the authorities to extend to him the benefits

of proviso 1[III] of FR 22 read with G.I.O. 7. We are told that the authorities have not disposed off the said representation although it is more than six months since it was made. While we take that the representation has reached the authorities we do not see why it has been kept pending resulting in the applicant being forced to move this court. Because this is a matter which could have been remedied at their own ends as the demand or claim made is tenable under law. Under these circumstances all that we should do is to direct the Member, Postal Board, to whom the representation Annexure A-4 has been addressed, to consider and dispose off objectively the representation made by the applicant. We direct the disposal should be done within two months from the receipt of a copy of this order. The registry will send a copy of this order to Member, Postal Board, New Delhi. With these observations, this application stands disposed off at the admission stage itself.

MANo 352/93

Date	Office Notes	Orders of Tribunal
		<p><u>PKS (VC)</u> 15.9.93</p> <p>Heard the learned counsel for the applicant in this application wherein the Government seeks more time to comply with the directions given by this Tribunal while disposing off O.A.No.586/93 on 29.6.93. On the aforesaid date, after hearing the applicant, who appeared in person and argued the matter for admission, ^{the Bench} we thought that the application itself could be disposed off ^{made} by directing the Member, Postal Board to whom the applicant had addressed a representation, a copy of which had been produced at Annexure A-4, to consider and dispose it off as objectively as possible and ordered that the same should be done within two months following receipt of a copy of the Tribunal's order. Admittedly, a copy of the order has been received by the Department on 14.7.93 and, therefore, further</p>

With this observation, this application stands disposed off.</p> <p>Furnish a copy of this order to the learned Standing Counsel so that he can advise the Department suitably.</p>

Orders of Tribunal

Orders on M.A. No. 57/94PKS(VC)/TVR(MA)

21.03.1994

This M.A. was adjourned for today for hearing the applicant therein. Despite service of notice well in advance, we find that he is absent even today. We think there is little reason for him to complain in this application about non-compliance of the directions of this Tribunal. The directions issued to the respondent Govt. about fixation of his pay in relation to which the man had some grievance. He had made a representation to the Member of the Postal Board and that representation having been remained undisposed of, the Tribunal on the earlier occasion gave a direction to dispose off the said representation.

2. Now, we find that the said representation by the applicant has been disposed off and the result of such ~~XXXXXXXXXXXX~~ disposal had been notified to the applicant who we find, however feels still aggrieved by the order made on disposal of his representation. But he has chosen a wrong remedy by asking us to take action against the Govt. for not having complied with the direction by filing this M.A. This aspect becomes clear from reading of para 3 of the M.A. The M.A. is totally misconceived. If the applicant is not satisfied with the passing of the order by the Govt. on his representation, he has to file an independent application and not an interlocutory application in a proceeding which has already been disposed of.
