ORDER

Mr. Justice P.K. Shyamsundar, Vice-Chairman:

This is a case in which the applicant is aggrieved with his non-continuance as Extra Departmental Delivery Agent to place which he was provisionally appointed in the year 1988. Admittedly the position is that the applicant had not passed the S.S.L.C. examination for which he appeared as a private candidate in 1990. He claims however, as per the relevant Rules applicable to him, he was qualified as he had completed the 8th standard.

2. We have heard Shri S.K. Mohiyuddin, learned counsel for the applicant and also seen a copy of the statement of marks

obtained by the applicant in the S.S.L.C. examination as also the original transfer certificate issued by the Government Higher Secondary School, Basappanadoddi, Kollegal Taluk, from which it is clear that the applicant was promoted to the 7th standard on 30-3-1988 and had obtained the transfer certificate in November, 1988. No material has been furnished before us to show that he had in fact joined the 8th standard and had successfully completed the said course. Since the relevant rule requires that an E.D. agent should have the minimum qualification of 8th standard and as the applicant has not been able to establish that he had atleast entered the 8th standard, he cannot lay claim to continue as EDDA to which place he had been provisionally appointed earlier. We therefore, find no merit in this application which accordingly fails and is dismissed.

3. Shri Mohiyuddin however, submits that if any vacancy is available with the postal department which is also commensurate with applicant's qualification, the department should be directed to consider the case of the applicant sympathetically for any such post keeping in view the fact that he had put in three years of service as EDDA. We have no objection for making such an observation and state that if any vacancy is available or were to arise in the near future for which the qualification of the applicant is adequate, his case may be considered sympathetically for the same subject to his being otherwise eligi-
