This application having come up before this Tribunal today for admission, Hon'ble Justice Mr. P.K. Shyamsundar, Vice-Chairman, made the following:

ORDER

For the above case
We have heard Sri K. Ramesh Rao and we are satisfied that the applicant has chosen the wrong forum to ventilate his

grievances. He is an employee of the Sports Authority of India and is presently aggrieved by an order dated 16.7.1992 under which he is purported to have been sent back to his parent department with immediate effect. He complains that this order of repatriation could not have been made since he was on deputation. Be that as it may, all that does not concern us right now. The Sports Authority of India admittedly is a Society incorporated under the Societies Act and in regard to such Societies we do not exercise jurisdiction whatever it be the other factors involved. We also find that the applicant was directly appointed pursuant to the application he made seeking employment with the Sports Authority of India when they called for applications. Under such circumstances, it is difficult to treat him as somebody who had simply migrated. He appears to have been directly appointed by the Sports Authority of India. In such circumstances, whether the Sports Authority of India could have sent him back to the parent department is a different question but that question is not adjudicable by us. We hold this application is therefore not maintainable and order its dismissal accordingly.
