ORDER

Mr. Justice P.K. Shyamsundar, Vice-Chairman:-

Heard. Admit.

2. This is a case in which the administration has met the claim of the applicant half way only and as such we think it appropriate to dispose of this application without even waiting for a formal reply being filed. The applicant who was entitled for consideration of his claim for promotion as Assistant Superintendent of Post Offices against a reserved vacancy

viz., scheduled caste was actually empanelled. But, it transpired actually he was a scheduled caste candidate, he was not promoted with the promotion he was aspiring for having given to somebody who was lower down in the eligibility zone. It actually went to a man occupying the 80th position in the list who ofcourse was also a scheduled caste candidate. This error having been brought to the notice of the administration by the applicant later on, they corrected it by back tracking the promotion of the applicant and making it effective from the date on which the gentleman who figured at Sl.No.80 in the list was actually promoted. But, they did not make payment of arrears due to him in the higher scale but extended such payment only from the date of his promotion.

3. We think there was no reason why the applicant should have been denied such arrears and that in fact is the only complaint made in this application. If only he had been promoted in his turn, as he should have been, having taken the higher position at Sl.No.47 and even the promotion did not take place at that time because of the admitted error committed by the administration, the benefit of that mistake was not claimable by the administration but should have actually enured to the officer. Under the circumstances we think it appropriate to direct the administration to pay him the arrears of salary due in the higher scale computing it from the date of his notional promotion (Annexure-A3) dated 31-12-1992. Arrears to be computed and paid to the applicant within 6 weeks from the date of receipt of a copy of this order, failing which it will have to be paid with interest at 12 per cent. No costs.
