This application having come up for admission to-day, the  
Tribunal made the following:-

ORDER

After I directed notice, learned counsel for the applicant appeared and reported that very recently the applicant's grievance regarding computation of retiral benefits has been satisfactorily settled. To that effect a memo having been filed the same is read and recorded. In the memo the applicant however seeks award of interest on belated payment of revised pension as also costs of this petition. In the circumstances of the case, regard being had to the development in that even after the applicant retired from service his case for payment of

revised pension was considered and disposed off to his satisfaction. It seems that this is not a fit case for granting any interest on sums awarded. So far as costs, I direct the parties to bear their own costs.

With the above order this application stands disposed off.
