This application having come up for admission before this
Tribunal today, Hon'ble Vice-Chairman, made the following:

ORDER

1. Having heard both sides admit this application and dispose
off the same finally by quashing Annexure A-4 which appears to
be hypertechnical. It appears a memorandum of appeal filed by
the applicant from an order prejudicial to his interest but that
appeal has been rejected on the ground that the appeal memorandum
has been signed both by the applicant and his lawyer. Granting

there was something in the rules referred to in Annexure A-4 that prohibits a lawyer ^{from} signing the appeal memorandum, suffice it to point out that the aggrieved person having signed the appeal memorandum it should have been treated as validly made and disposed off on its merits. We are pained to find the department taking such a ^{perverse} attitude ^{leading to security & vested} ~~litigation~~ ^{litigation}

. The result is this application succeeds in part in that Annexure A-4 is quashed, the matter remitted back to the appellate authority for disposal on its merits. No costs. We are told that the applicant has been under suspension for a long time and that in fact was his grievance before the appellate forum. Be that as it may, we direct that whatever be the outcome of this application, the DA to conclude the ^{enquiry} ~~enquiry~~ within a period of six months. Let a copy of this order be forwarded to the respondents for information.
