ORDER

Mr. Justice P.K. Shyamsundar, Vice Chairman

We notice the applicant has a remedy of
revision which he has not exhausted. In most of

these cases, it will be beneficial for the applicants themselves if they do approach the revision authority who is in a better position to grant higher relief to them than that we can grant in an application filed under Section 19 of the Administrative Tribunals Act. We have been taking this view consistently asking people to exhaust the administrative machinery by invoking the remedy of a revision petition. Accordingly, we also make an order herein directing the applicant to file a revision petition and thereafter come back to us if need be.

Recovery of amount short credited stands stayed till the disposal of revision petition provided a revision petition is filed within one month from the date of receipt of a copy of this order.

If the applicant files a revision petition within the time stipulated, the Department will dispose off the same within four months thereafter.

Copy of this order be sent to the Department for information and compliance. With these observations, this application stands disposed off finally with no order as to costs.
