Mr. Justice P.K. Shyamsundar, Vice-Chairman:-

After having heard Dr. M.S. Nagaraja, learned counsel for the applicant in support of this application ^{wherein} ~~in which~~ the applicant who has failed in an examination wants that his paper should

be re-evaluated in the light of ^athe lacunae that is stated to have arisen in the conduct of the examination^{itself}, in that it is stated although the question paper did mention that the candidate¹ should be allowed to answer a particular question with the aid of books, yet he had been denied permission to consult not a book but some circular which would have helped him to solve the eighth question which involved calculation of income for a particular year with reference to some data furnished by that very question.

Although we are not satisfied with the tenability of the claim now made, Dr.Nagaraja draws our attention to the representation stated to have made by the applicant as per Annexure-A3 dated 24-10-1992 ventilating his grievance about the manner in which the examination was held, in that the applicant having been denied the benefit of looking into the circular. It seems to us, as urged by the learned counsel for the applicant, all that we should do is to direct the department to dispose off the representation made by applicant No.1 as per Annexure-A3. But, there are two more applicants who have joined this bandwagon. Dr.Nagaraja submits that they had also made similar representations. If any such representations are received from applicants 2 and 3 herein, the department will do well to dispose off all the representations within 3 months from the date of receipt of a copy of this order. With these observations this application stand rejected at the admission stage.
