REVIEW APPLICATION NO.44/1993
IN O.A. NO. 504/1993

Shri C. Rajendra Naidu Applicant
Vs
The Divisional Railway Manager
and Others. Respondents

This Review Application having come up for Orders by circulation, Hon'ble Shri S. Gurusankaran, Member(A), made the following:

O R D E R

This Review Application has been filed by the applicant, who was the applicant in O.A. No.504/1993, which came to be disposed off by order dated 18.6.1993.

2. The Review Applicant has submitted that certain errors have crept into the judgement by not taking into account the submissions made by the applicant in his application and also elaborated during the hearing, i.e., that he had vacated the quarters allotted to him at Yeshwantapur and the authorities had initiated the eviction proceedings against unauthorised occupants, which proved that he had vacated the quarter. We find no merit in these submissions since we have given a finding in para-4 of our judgement that the applicant had not vacated the quarter and handed over the vacant position to the concerned authorities based on his own representation dated 21.5.1988. Even otherwise, the alleged errors pointed out by the Review Applicant cannot amount to errors apparent

on the face of the record to be covered within the ambit of a review application. What the review applicant is actually attempting to do is to get the whole case reheard on the basis of an alleged erroneous finding given in the judgement.

3. In view of the above, we find no sufficient grounds to review the order dated 18.6.1993 and accordingly we dismiss the review application by way of circulation in terms of Rule 17(3) of the C.A.T (Procedure) Rules, 1987.
