This Review Application having come up for  
hearing before the Tribunal today, Hon'ble Shri S. Gurusankaran,  
Member(A), made the following:

O R D E R

This Review Application has been filed by the review  
applicant in O.A. No.519/1992 which came to be disposed off  
vide order dated 15.7.1993.

2. The review applicant has submitted a Memo for  
hearing this review application in open court. We find no  
substance at all in the reasons given for hearing this review  
application in the open court and hence the same is being  
disposed off by way of circulation.

3. Review applications have very limited scope. One of the basis for deciding that an order has to be reviewed is the existence of mistakes apparent on the face of the record. The review applicant has submitted that several mistakes apparent on the face of the record have crept into the judgement. We find no merit in this submission. The application was dismissed on grounds of limitation and non-joinder of necessary parties only, without going into the merits. We have examined both these issues thoroughly and dealt with the same extensively in the orders. What the applicant is trying to do is apparently to have the case reheard again and that too he wants the case to be decided on merits afresh. We find no basis for the same.

4. We also further observe that a Full Bench of this Tribunal sitting at Bangalore has rejected O.As.303, 304 and 422/1992 dealing with similar matters in its order dated 29.9.1993 overruling the decisions of the Ernakulam Bench in the cases of A. Radhakrishnan and Another Vs. General Manager, Southern Railway ( (1993) 23 ATC 146) and K. Yeshodaran Vs. General Manager, Southern Railway ((1991) 4 SLR 396 (CAT)).

5. In view of the above, this review application is dismissed by way of circulation in terms of Rule 17(3) of the CAT (Procedure) Rules, 1987.
